In today's world, 'change' is the only 'constant' factor. In the last few decades, there has been a radical change in how organizations function. To survive in this highly volatile environment, companies need a long-term strategic vision and thinking. In light of this, 'strategic management' has become a significant topic and is taught as the core subject in MBA/PGDM programmes in Indian universities and business schools. This is a book written in the context of the Indian business environment but with a global orientation. It is comprehensive and contemporary in its approach.

Sport Diver Third Reef Publishing, LLC A daring prison escape... a ruthless drug cartel... and a woman hell bent for revenge Former Navy EOD tech turned commercial diver Ryan Weller killed a man in self-defense in Venezuela before being captured by the country's remorseless secret police and tortured as an American spy. Fearing he won't live to see another day, he jumps at the chance to escape when an old foe shows up. She'll help him break out of prison, but he must help her assassinate a cold-blooded Mexican cartel leader in return. Their first attempt goes spectacularly wrong and they must flee Mexico and regroup. Danger lies at every turn as they formulate a new plan because the cartel leader smells blood. After executing everyone who helped the two assassins, the cartel leader goes into hiding. What Ryan doesn't know is that in order to draw the cartel leader out, he's going to be the bait—staked out like a goat for slaughter. Will this be Ryan's final mission or will he find a way to escape?

One Point Six Technology Pvt Ltd From the mines of remote India, to the streets of Paris and the lights of Las Vegas, Danielle Leaf is pursued by a terrible secret. Danielle came to India to find herself. Then she agreed to deliver a

passport for her ex-boyfriend, legendary computer hacker Keiran Kell. It seemed like a simple favor for a friend - until she was abducted by thugs and imprisoned in a nightmarish cell. She is soon joined by another captive: Laurent, a Foreign Legionnaire turned international activist. Their daring escape is only the beginning. Now Danielle has been drawn into a war between a transnational mining company that is poisoning thousands of Third World farmers, and the invisible armies of anti-corporate protestors who oppose it. A cause, finally, that she can believe in. Amidst a whirlwind romance on the Goa coast, bloody street battles in Paris, cyberspace duels between shadowy hackers, and a bomb gone wrong in London, Danielle, Laurent and Keiran grow more deeply involved in this battle than they ever expected ... until the line between right and wrong begins to blur. For both sides of this war are willing to kill for their cause - and both sides hide deadly secrets. Award-winning author Jon Evans returns with new heroes and a compulsive, fast-paced story that examines issues of corporate exploitation and the extreme edge of anti-globalization activism. *Invisible Armies* is Cold War suspense for the modern age, a thriller that looks behind the power of protests and the politics of big business.
