SWEENEY ROGERS

The Prairie Thief Wiley

A collection of original essays and innovative reading strategies—provides examples of reading Dickens in creative and challenging ways Reading Dickens Differently features contributions from many of the field's leading scholars, offering creative ways of reading Dickens and enriching understanding of

the most celebrated author of his time. A diverse range of innovative reading strategies—archival, historical, textual, and digital—representing new and exciting approaches to contemporary literary and cultural studies. This groundbreaking volume brings together literature, history, politics, painting, illustration, social media, video games, and other topics to reveal new opportunities to engage with the author's life and work. This unique book includes a re-evaluation of Dickens'

death and burial, new research data drawn from legal records and newspapers, assessments of well-known paintings and lesser-known illustrations, experimental readings of Dickens' texts in digital form, and more. Much of the evidence presented has never been seen before, such as Dickens' funeral fee account from Westminster Abbey, Dickens' death certificate, and a telegram from Dickens' son asking for urgent assistance for his dying father. Revising and refreshing the critical strategies of traditional Dickens studies, this important volume: Features new research data on aspects of Dickens's life Discusses a range of innovative reading strategies (including physiological novel theory) for clarifying aspects of Dickens' work Examines the

presence of Dickens in popular media and technology, such as Assassin's Creed video game and A Christmas Carol iPad app Features rare illustrations, including documents and images relating to Dickens's death and funeral Edited by world authorities on Dickens and his manuscripts Authoritative, yet accessible, Reading Dickens Differently is a must-have book for Dickens specialists, instructors and students in Victorian fiction and Dickens courses, as well as general readers looking for innovative reading strategies of the author's work.

International in scope and more comprehensive than existing collections,

A Companion to Reality Television presents a complete guide to the study of reality, factual and nonfiction television entertainment, encompassing a wide range of formats and incorporating cutting-edge work in critical, social and political theory. Original in bringing cutting-edge work in critical, social and political theory into the conversation about reality TV Consolidates the latest, broadest range of scholarship on the politics of reality television and its vexed relationship to culture, society, identity, democracy, and “ordinary people” in the media Includes primetime reality entertainment as well as precursors such as daytime talk shows in the scope of discussion Contributions from a list of international, leading scholars in this field

The Book of Alternative Data John Wiley & Sons

A searing look at one of Canada's most dangerous gangs Gang violence is nothing new to Vancouver, but the brutality of the Bacon Brothers—Jonathan, Jarrod, and Jamie—has become legendary. The Notorious Bacon Brothers follows the chaotic rise of these three gangland figures to the pinnacle of Vancouver's lucrative drug trade. Chronicling not only the Bacon Brothers themselves, but also the gangs they infiltrated on their way to the top, and the catastrophic wave of violence they brought to the streets of Vancouver, the book explores how the bothers' adeptness at making and breaking allegiances and propensity for violence is now being replicated by

gangs across Canada. With one Bacon brother dead and the other two behind bars, a power vacuum has developed for control of the drug trade in the Greater Vancouver area. The result has been full on war among the Hells Angels, Red Scorpions, UN Gang, and Independent Soldiers, as they fight to take the position once occupied by the Bacon Brothers—a lasting legacy to their place in Canada's gang history. Presents an incisive look at the violent lives of the Bacon Brothers, some of Canada's most notorious criminals Shows how the Bacon Brothers set a new precedence for gang violence that is being mimicked throughout the country Explores how the void left by the Brothers has spurred on increasing violent gang warfare on the streets of Vancouver Hard-hitting and

insightful, *The Notorious Bacon Brothers* is a powerful look at the seedy underbelly of contemporary Canadian organized crime.

The Publishers Weekly JMS Books LLC

In this “delightful mash-up of *Little House on the Prairie* and *The Spiderwick Chronicles*” (SLJ), experience life on the prairie—with one fantastical twist! Louisa Brody’s life on the Colorado prairie is not at all what she expected. Her dear Pa, accused of thievery, is locked thirty miles away in jail. She’s living with the awful Smirches, her closest neighbors and the very family that accused her Pa of the horrendous crime. And now she’s discovered one very cantankerous—and magical—secret beneath the hazel grove. With her life flipped upside-down, it’s up to Louisa, her sassy friend

Jessamine, and that cranky secret to save Pa from a guilty verdict. Ten bold illustrations from Erwin Madrid accompany seasoned storyteller Melissa Wiley's vibrant and enchanting tale of life on the prairie—with one magical twist.

Brothers of Iron John Wiley & Sons
Read along with Disney! Retelling touching scenes from the upcoming Walt Disney Studios' upcoming Christopher Robin film, this charming picture book finds Christopher reuniting with Pooh, Piglet, Tigger, Eeyore, and the rest of his old friends when he returns to the Hundred Acre Wood for the first time since childhood. As he returns to the life he once new, follow along with word-for-word narration as Christopher sees the world through new eyes and discovers

that even as everything around us seems to change, the most important things remain constant.

Walter & Me Triumph Books

Traces Melville's life from his childhood in New York, through his adventures abroad as a sailor, to his creation of "Moby-Dick," and forty years later, to his death, in obscurity.

Hendricks' Commercial Register of the United States for Buyers and Sellers
McFarland

This is the first in-depth study of the relationship between the Egyptian Muslim Brotherhood and its own members. Drawing on years of participant observation, extensive interviews, previously inaccessible organizational documents, and dozens of memoirs and writings, the book provides

an intimate portrayal of the recruitment and socialization of Brothers, the evolution of their intricate social networks, and the construction of the peculiar ideology that shapes their everyday practices. Drawing on his original research, Kandil reinterprets the Brotherhood's slow rise and rapid downfall from power in Egypt, and compares it to the Islamist subsidiaries it created and the varieties it inspired around the world. This timely book will be of great interest to students and scholars of the politics of the Middle East and to anyone who wants to understand the dramatic events unfolding in Egypt and elsewhere in the wake of the Arab uprisings.

Ice and Refrigeration Hard Case Crime
Donna Britt has always been surrounded

by men-her father, three brothers, two husbands, three sons, countless friends. She learned to give to them at an early age. But after her beloved brother Darrell's senseless killing by police 30 years ago, she began giving more, unconsciously seeking to help other men the way she couldn't help Darrell. *Brothers (and Me)* navigates Britt's life through her relationships with men-resulting in a tender, funny and heartbreaking exploration of universal issues of gender and race. It asks: Why, for so long, did Britt-like millions of seemingly self-aware women-rarely put herself first? With attuned storytelling and hard-wrought introspection, Britt finds that even the sharpest woman may need reminding that giving to others requires giving to oneself.

The Religious Herald Knopf Books for Young Readers
Winner of the Southern Book Prize for Literary Fiction Named a Best Book of 2017 by the Chicago Public Library and the American Library Association “Wiley Cash reveals the dignity and humanity of people asking for a fair shot in an unfair world.” - Christina Baker Kline, author of *A Piece of the World* and *Orphan Train*
The New York Times bestselling author of the celebrated *A Land More Kind Than Home* and *This Dark Road to Mercy* returns with this eagerly awaited new novel, set in the Appalachian foothills of North Carolina in 1929 and inspired by actual events. The chronicle of an ordinary woman’s struggle for dignity and her rights in a textile mill, *The Last Ballad* is a moving tale of courage in the

face of oppression and injustice, with the emotional power of Ron Rash’s *Serena*, Dennis Lehane’s *The Given Day*, and the unforgettable films *Norma Rae* and *Silkwood*. Twelve times a week, twenty-eight-year-old Ella May Wiggins makes the two-mile trek to and from her job on the night shift at American Mill No. 2 in Bessemer City, North Carolina. The insular community considers the mill’s owners—the newly arrived Goldberg brothers—white but not American and expects them to pay Ella May and other workers less because they toil alongside African Americans like Violet, Ella May’s best friend. While the dirty, hazardous job at the mill earns Ella May a paltry nine dollars for seventy-two hours of work each week, it’s the only opportunity she has. Her no-good

husband, John, has run off again, and she must keep her four young children alive with whatever work she can find. When the union leaflets begin circulating, Ella May has a taste of hope, a yearning for the better life the organizers promise. But the mill owners, backed by other nefarious forces, claim the union is nothing but a front for the Bolshevik menace sweeping across Europe. To maintain their control, the owners will use every means in their power, including bloodshed, to prevent workers from banding together. On the night of the county's biggest rally, Ella May, weighing the costs of her choice, makes up her mind to join the movement—a decision that will have lasting consequences for her children, her friends, her town—indeed all that

she loves. Seventy-five years later, Ella May's daughter Lilly, now an elderly woman, tells her nephew about his grandmother and the events that transformed their family. Illuminating the most painful corners of their history, she reveals, for the first time, the tragedy that befell Ella May after that fateful union meeting in 1929. Intertwining myriad voices, Wiley Cash brings to life the heartbreak and bravery of the now forgotten struggle of the labor movement in early twentieth-century America—and pays tribute to the thousands of heroic women and men who risked their lives to win basic rights for all workers. Lyrical, heartbreaking, and haunting, this eloquent novel confirms Wiley Cash's place among our nation's finest writers.

The Book of Disbelieving Sarabande Books

The dread, the drama, and the hope of a break in one of the country's oldest active missing-child investigations On a cold November afternoon in 1951, three young boys went out to play in Farview Park in north Minneapolis. The Klein brothers—Kenneth Jr., 8; David, 6; and Danny, 4—never came home. When two caps turned up on the ice of the Mississippi River, investigators concluded that the boys had drowned and closed the case. The boys' parents were unconvinced, hoping against hope that their sons would still be found. Sixty long years would pass before two sheriff's deputies, with new information in hand and the FBI on board, could convince the Minnesota Bureau of

Criminal Apprehension to reopen the case. This is the story of that decades-long ordeal, one of the oldest known active missing-child investigations, told by a writer whose own research for an article in 1998 sparked new interest in the boys' disappearance. Beginning in 2012, when deputies Jessica Miller and Lance Salls took up the Kleins' cause, author Jack El-Hai returns to the mountain of clues amassed through the years, then follows the trail traced over time by the boys' indefatigable parents, right back to those critical moments in 1951. Told in brisk, longform journalism style, *The Lost Brothers* captures the Kleins' initial terror and confusion but also the unstinting effort, with its underlying faith, that carried them from psychics to reporters to private

investigators and TV producers—and ultimately produced results that cast doubt on the drowning verdict and even suggested possible suspects in the boys' abduction. An intimate portrait of a parent's worst nightmare and its terrible toll on a family, the book is also a genuine mystery, spinning out suspense at every missed turn or potential lead, along with its hope for resolution in the end.

The Last Ballad Little, Brown Spark
 "This book will knock your socks off . . . A first novel that sings with talent."--Clyde Edgerton. In his phenomenal debut novel--a mesmerizing literary thriller about the bond between two brothers and the evil they face in a small North Carolina town--Cash displays a remarkable talent for lyrical, powerfully

emotional storytelling.

The Notorious Bacon Brothers Random House

Published posthumously. Includes an afterword by Trent Zelazny, the author's son (p. 253-256).

First Flight John Wiley & Sons

A feisty girl from a family of ranchers lands a job as a daredevil stunt girl in the early days of silent film in this adventurous and funny cross between *Wild Hearts Can't Be Broken* and *Ramona*. Pearl lives on a ranch where her chores include collecting eggs and feeding ornery ostriches. She has three older brothers, who don't coddle her at all. And she knows a thing or two about horses, too. One day, Pearl's brothers get cushy jobs doing stunts for this new form of entertainment called "moving

pictures." They're the Daredevil Donnelly Brothers, a Death-Defying Cowboy Trio. Before she knows it, Pearl has stumbled into being a stunt girl herself--and dreams of becoming a star. The only problem is, her mother has no idea what she's up to. And let's just say she wouldn't be too happy to find out that Pearl's been jumping out of burning buildings in her spare time. Filled with action, humor, and heart--not to mention those pesky ostriches--The Nerviest Girl in the World introduces a spunky heroine whose adventures will have kids on the edge of their seats and whose sense of humor will have them laughing until the very last line.

Inside the Brotherhood John Wiley & Sons

The first and only book to systematically

address methodologies and processes of leveraging non-traditional information sources in the context of investing and risk management Harnessing non-traditional data sources to generate alpha, analyze markets, and forecast risk is a subject of intense interest for financial professionals. A growing number of regularly-held conferences on alternative data are being established, complemented by an upsurge in new papers on the subject. Alternative data is starting to be steadily incorporated by conventional institutional investors and risk managers throughout the financial world. Methodologies to analyze and extract value from alternative data, guidance on how to source data and integrate data flows within existing systems is currently not treated in

literature. Filling this significant gap in knowledge, *The Book of Alternative Data* is the first and only book to offer a coherent, systematic treatment of the subject. This groundbreaking volume provides readers with a roadmap for navigating the complexities of an array of alternative data sources, and delivers the appropriate techniques to analyze them. The authors—leading experts in financial modeling, machine learning, and quantitative research and analytics—employ a step-by-step approach to guide readers through the dense jungle of generated data. A first-of-its kind treatment of alternative data types, sources, and methodologies, this innovative book: Provides an integrated modeling approach to extract value from multiple types of datasets Treats the

processes needed to make alternative data signals operational Helps investors and risk managers rethink how they engage with alternative datasets Features practical use case studies in many different financial markets and real-world techniques Describes how to avoid potential pitfalls and missteps in starting the alternative data journey Explains how to integrate information from different datasets to maximize informational value *The Book of Alternative Data* is an indispensable resource for anyone wishing to analyze or monetize different non-traditional datasets, including Chief Investment Officers, Chief Risk Officers, risk professionals, investment professionals, traders, economists, and machine learning developers and users.

Brothers Sports Publishing LLC
An aviation expert uncovers the brilliance behind the first successful flight of an engine-powered plane In the centennial year of the Wright Brothers' first successful flight, acclaimed aviation writer T. A. Heppenheimer reexamines what Wilbur and Orville Wright achieved. In *First Flight*, he debunks the popular assumption that the Wrights were simple mechanics who succeeded by trial and error, demonstrating instead that they were true engineering geniuses. Heppenheimer presents the background that made possible the work of the Wrights and examines the work of Samuel P. Langley, a serious rival. He places their work within a broad historical context, emphasizing their contributions after 1903 and their

convergence with ongoing aeronautical work in France. T. A. Heppenheimer (Fountain Valley, CA) has written extensively on aerospace, business, and the history of technology. His many books include *Turbulent Skies: The History of Commercial Aviation* (0-471-10961-4), *Countdown: A History of Space Flight* (0-471-14439-8), and *A Brief History of Flight: From Balloons to Mach 3 and Beyond* (0-471-34637-3), all from Wiley.

A Literate South Carolrhoda Lab ®
Widely regarded as one of the best football players to ever tie on a pair of cleats, Walter Payton led a fascinating and ultimately tragic life. Told in the voices of those who knew him best, this biography of the Chicago Bears legendary running back tells the

inspiring account of the reward of hard work and is an uplifting testament to the power of the human spirit. It is a story of inspiration, redemption, and the deep passion two brothers felt for the sport of football. More than a decade after the untimely death of Walter Payton, his older brother recalls the moments they shared and the continuing sting of the loss of a legend. This glimpse into Payton's life doesn't sugarcoat the issues or glorify the late superstar, but rather it addresses the subjects of suicide, drug abuse, and infidelity head-on with intimate knowledge of the facts. In this candid take, Walter's older brother discloses the true life of man simply known as "Sweetness."

Insurance: From Underwriting to Derivatives John Wiley & Sons

Wise-cracking Wiley Cantrell is loud and roaringly outrageous -- and he needs to be to keep his deeply religious neighbors and family in the Deep South at bay. A failed writer on food stamps, Wiley works a minimum wage job and barely manages to keep himself and his deaf son, Noah, more than a stone's throw away from Dumpster-diving. Noah was a meth baby and has the birth defects to prove it. He sees how lonely his father is and tries to help him find a boyfriend while Wiley struggles to help Noah have a relationship with his incarcerated mother, who believes the best way to feed a child is with a slingshot. No wonder Noah becomes Wiley's biggest supporter when Boston nurse Jackson Ledbetter walks past Wiley's cash register and sets his sugar tree on fire.

Jackson falls like a wet mule wearing concrete boots for Wiley's sense of humor. And while Wiley represents much of the best of the South, Jackson is hiding a secret that could threaten this new family in the making. When North meets South, the cultural misunderstandings are many, but so are the laughs, and the tears, but, as they say down in Dixie, it's all good.

Brothers (and Me) HarperCollins

An in-depth look at the increasingly significant convergence between the insurance industry and the capital markets. This important publication, by two premier financial experts, explores the unique convergence of finance and insurance. The book covers the basics of property-casualty insurance, securitizing insurance risks, looks at life insurance in

the United States and ALM in insurance. It addresses the questions and concerns of investment banks, brokerage firms and the insurance/reinsurance sector itself, examines ongoing trends and issues, and how current market pressures on insurance companies do not just create challenges but actually point the way to future promising developments.

Beetle Boy John Wiley & Sons

When he was seven, Charlie Porter never intended to become the world's youngest published author. He just wanted his father to stop crying. So he told him a story about a talking beetle—a dumb little story his mother made up to make him feel better. (That was before she left and feeling "better" became impossible.) But Charlie's story

not only made his father stop crying. It made him start planning. The story became a book, and then it became school events and book festivals, and a beetle costume, and a catchphrase—"I was born to write!" Because of the story, Charlie stayed seven until he was ten. And then it all ended. Or it should have. Now Charlie is eighteen, and the beetles still haunt his dreams. The childhood he never really had is about to end . . . but there's still a chance to have a story of his own. *Beetle Boy* is a novel of a broken family, the long shadow of neglect, and the light of small kindnesses.

The Signalman's Journal John Wiley & Sons

In the depths of the Great Depression a scrawny, dirt-poor Jewish kid with a

seventh-grade education picked up a barbell and got hooked on weight training. Building his muscles gave him confidence and hope for a better life. He pledged to make the great, transforming power of strength training available to everyone and to give bodybuilding all the glory it deserved. The kid, Joe Weider, enlisted his younger brother Ben in his quest, and together the Weider brothers accomplished things much bigger than Joe's boyhood dreams. The little muscle magazine Joe started, working at his family's dining room table, grew into a publishing empire. From a backyard barbell business, Joe and Ben built equipment and food supplement companies each as big as Weider Publishing. And they transformed bodybuilding into a hugely successful

sport, organized under one of the largest and best-run athletic federations in the world. The Weider brothers are heroes to bodybuilders and fans all over the world. They're heroes because they're revolutionaries. The Weiders changed

the way people think about exercise, health, and what makes a body beautiful. They changed the world and Brothers of Iron tells their fascinating story.
