Building Vocabulary: Level 2 Kit Coffee House Press

From bestselling and award-winning author Andrew Clements, a quirky,

imaginative tale about creative thought and the power of language that will have readers inventing their own words—now available in a deluxe paperback edition! Is Nick Allen a troublemaker? He really just likes to liven things up at school--and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever...the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

Frindle BRILL
 Search History oscillates between a wild cyberdog chase and lunch-date monologues as Eugene Lim deconstructs grieving and storytelling with uncanny juxtapositions and subversive satire. Frank Exit is dead—or is he? While eavesdropping on two women discussing a dog-sitting gig over lunch, a bereft friend comes to a shocking realization: Frank has been reincarnated as a dog! This epiphany launches a series of adventures—interlaced with digressions about AI-generated fiction, virtual reality, Asian American identity in the arts, and lost parents—as an unlikely cast of accomplices and enemies pursues the mysterious canine. In elliptical, propulsive prose, Search History plumbs the depths of personal and collective consciousness, questioning what we consume, how we grieve, and the stories we tell ourselves. *Talking Business Spanish* Jessica Kingsley Publishers
 Vocabulary from Classical Roots is a

thematically organized vocabulary program based on Greek and Latin roots. Each of the 16 lessons features 23 roots and 815 words derived from these roots. Words are presented with dictionary-style definitions, and all words are used in example sentences. Lists of Familiar Words and Challenge Words are provided for each root to help all students activate prior knowledge and keep advanced students on task. Exercises include synonym/antonym, fill in the blank, identification of incorrect usage, and analogies. Review activities including writing extensions, discussion questions, and other exercises are provided after every two lessons. The themes presented in Book A include: Numbers, All or Nothing, More or Less, Before and After, Creativity, Travel, Sports, and Animals. Some of the words presented in this book include: trilogy, monarch, monolith, unilateral, quatrain, panacea, posthumous, nihilism, magnate, copious, artisan, salient, and decimate. Grade 7."
