Two Alone Motus

Tesla Martin is drifting pleasantly through life, slinging lattes at Morningstar Mocha, enjoying the ebb and flow of caffeine-starved customers, devoted to her cadre of regulars. But none of the bottomless-cup crowd compares with Meredith, a charismatic force of nature who can coax intimate tales from even the shyest of Morningstar's clientele. Caught in Meredith's sensual, irresistible orbit, inexpressibly flattered by the siren's attention, Tesla shares long-buried chapters of her life, holding nothing back. Nothing Meredith proposes seems impossible—not even Tesla sleeping with Meredith's husband, Charlie, while she looks on. After all, it's all in fun, isn't it? In a heartbeat, vulnerable Tesla is swept into a spectacular love triangle. Together, gentle, grounded Charlie and sparkling, maddening Meredith are everything Tesla has ever needed, wanted, or dreamed of, even if no one else on earth understands. They're three against the world. But soon one of the vertices begins pulling away until only two points remain—and the space between them gapes with

confusion, with grief and with possibility....

His Truth Createspace Independent Publishing Platform

His challenge? Make her fall in love with him. Her challenge? Play the player. Until life changes the rules of the game. Maddie Stevens hated Braden Carter on sight. Arrogant, egotistical, and the playboy of the University of California, Berkeley, he's everything her brother Pearce has taught her to despise. So why, when the girls challenge her to play the player, doesn't she say no? She doesn't know either. Braden wanted fiery little Maddie the second he laid eyes on her - and he'd do anything to have her, hence why he's agreed to make her fall in love with him. After all, it's the only way he'll get what he wants. Sex. But, as Braden discovers, there's more to the girl from Brooklyn than he ever imagined - and he can't help but care about the broken girl behind those pretty green eyes. Maddie finds Braden isn't just a walking erection - he actually has feelings. He can be sweet, funny and his good looks don't exactly hurt. That means trouble - but when her brother Pearce turns up in Berkeley begging for her help, she realises Braden and Pearce aren't so alike anymore. And maybe, just maybe, they're exactly what each other needs.

Principles of Nutrigenetics and Nutrigenomics Harlequin, una

división de HarperCollins Ibérica

De vez en cuando, Stella compraba un billete de avión para dejar su vida atrás. Su casa era un lugar con demasiados recuerdos, y marcharse era la mejor distracción para ella. En cuanto llegaba a su destino, iba al bar del aeropuerto, pedía una copa y esperaba a que apareciera el tipo idóneo. Un hombre de negocios aburrido, un mochilero, un mozo de equipajes que acabara de terminar su turno. Y, si le apetecía tener una aventura sin compromisos, era perfecto. En cada una de aquellas ocasiones, esa aventura resultaba ser una emocionante huida de la realidad que le daba a la palabra "escala" un nuevo significado. Cuando un fin de semana conoció en Chicago al enigmático Matthew, se encontró con unas fuertes turbulencias. Matthew tenía algo que le dio a entender que ella no era la única que estaba huyendo del pasado. La conexión fue explosiva y, por primera vez, a Stella no le bastó con un solo encuentro. Sin embargo, el hecho de volver y encontrarse a aquel hombre espectacular esperándola fue la parte más fácil. Enfrentarse al motivo por el que estaba allí era otra cuestión muy diferente... Nos trae una historia llena de drama, con unos personajes complejos con un pasado auestas del que todavía arrastran cicatrices y traumas que aún no han superado. Una historia que se cocina a fuego lento, hasta entrar en ebullición. Bibliotecaria recomienda... Una historia que habla de deseo, del deseo de no estar solos, del deseo de sentirse amados, y de la imposibilidad de superar ciertas cosas aunque lo intentemos. Bibliotecaria recomienda... La narración y la dosificación de la información a la que nos somete la autora, crea un vínculo sumamente especial entre el lector y la protagonista. Os aseguro que esta historia os va a conmovir. Es más de lo que puedas imaginar y tiene de todo para removerte por dentro. El hilo dramático te encogerá el corazón en algunos momentos; el humor disipará un poco la angustia que otras situaciones menos agradables te hayan podido aportar; el vínculo familiar y el realismo propiciarán que la puedas vivir en primera persona, y la lectura final que sacarás seguro que es válida para aplicar en tu vida, en tu día a día. Bookceando entre letras

Vainilla St. Martin's Griffin

Beautifully written and deeply emotional, this timeless love story of a girl with the seemingly perfect life and a boy with nothing but his life left to lose is sure to appeal to fans of "West Side Story."

Day of Reckoning HarperCollins Ibérica

It's an acquired taste...he just has to acquire it Elise knows what she wants in the bedroom, and she makes sure she gets it. Her thirst for domination has long been quenched by a stable of men only too happy to bow down before her. But sexual satisfaction isn't the same as love, and she's been burned in the past by giving her heart too freely. Niall is handsome, smart, successful and sweet—sweet as vanilla. When they meet, their romantic connection is electric, even though he's way on the opposite end of the kink spectrum. Despite how she fights it, Elise falls for him—but how can a relationship work when both lovers want to be on top? "Hart wields her pen like a scalpel...in this soul-searching, emotionally sensitive story. Strong characterization and smooth, yet forceful, writing captures your attention and holds you hostage." —RT Book Reviews on *The Space Between Us*

Precious And Fragile Things Independently Published

They were only kids when they met for the first time. Leo Mancini was the son of a judge. Roman Cipriani the son of a criminal. So different, yet as they shared stolen kisses and secret moments, they fell in love. One day they would run away together, have the future they deserved, because no one loved Leo like Roman did, or Roman like Leo did. But before they could make their dreams come true, their future was viciously stolen and their lives changed forever. Roman has spent the last twelve years

repressing the trauma in his past, trying to pretend it didn't exist, until even he believed his own lies. Leo won't let himself forget what happened because he doesn't ever want to be that person again. He won't become the man his father wanted him to be or the guy who gets hurt when he lets someone in. But in that split second when their eyes meet again, everything changes. Despite Leo's anger and Roman's denial, the connection they shared as teens is still there, too powerful to deny. Now, when their moments don't have to be stolen, they cling to what they've always craved--each other. Roman and Leo aren't kids anymore, though--they can't lock themselves away from the world and pretend nothing exists but each other. A trauma like Roman suffered doesn't just go away, but now that Roman accepts his truth, can the two of them escape their demons before they destroy Roman and Leo a second time? Possible triggers: violence and homophobia

Lovely Wild Class Ebook Editions Ltd

A sus veinte años, Bess Walsh era una estudiante aplicada, responsable y trabajadora con un novio modélico y toda la vida por delante. Pero aquel verano en el que trabajaba como camarera en la playa iba a conocer a Nick, el chico malo del pueblo, quien se convertiría en su amante secreto y en el único hombre capaz de prender una obsesión hasta entonces insospechada. Acabado el verano, Nick desapareció sin dejar rastro. No fue en busca de ella como había prometido y Bess no volvió a saber de él... hasta veinte años después. Estando de nuevo en la playa, donde se refugiaba de un matrimonio en crisis, el cuerpo de Nick regresaba de las tinieblas del purgatorio para cumplir con su palabra. Vivo o muerto, o a medio camino entre ambos mundos, volvía a estar con ella. Y Bess no iba a permitir que nada ni nadie volviera a interponerse a sus deseos. Siempre que leo algún libro de Megan Hart termino dándole vueltas y más vueltas en mi cabeza. Creo que es una autora que tiene la facilidad de conectar muy bien con las emociones de las lectoras, porque no solo tiene la capacidad de entretenernos mientras leemos. De crear un mundo y personajes interesantes con los que compatibilicemos, sino que más que eso logra hacernos pensar, y analizar cosas que a veces simplemente pasamos por alto. "Como es costumbre, cada vez que leo un libro de ella sé que voy a terminar metida en un tobogán de emociones, desde la alegría, a la frustración total o hasta tener que soltar algunas lágrimas. Porque si algo logra la autora, es que vivamos a través de sus protagonistas, suframos y nos alegremos con ellas. Que lloremos con sus penas y anhelemos sus sueños. En resumen, hace lo mejor que puede hacer un escritor: meternos de lleno en el libro, y a pesar de que sus historias podría ser repetitivas, consigue que cada una de ellas a su manera, sea un mundo aparte." What Kills Me JHU Press

Don't think don't question just do. The anonymous note wasn't for me. Don't get me wrong, I'm not in the habit of reading other people's mail, but it was just a piece of paper with a few lines scrawled on it, clearly meant for the apartment upstairs. It looked so innocent, but decidedly—deliciously—it was not. Before replacing the note—and the ones that followed—in its rightful slot, I devoured its contents: suggestions, instructions, commands. Each was more daring, more intricate and more arousing than the last...and I followed them all to the letter. Before the notes, if a man had told me what to do, I'd have told him where to go. But submission is an art, and there's something oddly freeing about doing someone's bidding...especially when it feels so very, very good. But I find that the more I surrender, the more powerful I feel—so it's time to switch up roles. We play by my rules now. Originally published in 2009

Adiós Hemingway HarperCollins UK

"When Poppy needs a date for her sister's wedding she finds the perfect one - only she doesn't even know his last name." --

The Love Game HarperCollins Australia

How do we reclaim our innate enchantment with the world? And how can we turn our natural curiosity into a deep, abiding love for knowledge? Frank Oppenheimer, the younger brother of the physicist J. Robert Oppenheimer, was captivated by these questions, and used his own intellectual inquisitiveness to found the Exploratorium, a powerfully influential museum of human awareness in San Francisco, that encourages play, creativity, and discovery—all in the name of understanding. In this elegant biography, K. C. Cole investigates the man behind the museum with sharp insight and deep sympathy. The Oppenheimers were a family with great wealth and education, and Frank, like his older brother, pursued a career in physics. But while Robert was unceasingly ambitious, and eventually came to be known for his work on the atomic bomb, Frank's path as a scientist was much less conventional. His brief fling with the Communist Party cost him his position at the University of Minnesota, and he subsequently spent a decade ranching in Colorado before returning to teaching. Once back in the lab, however, Frank found himself moved to create something to make the world meaningful after the bombing of Hiroshima and Nagasaki. He was inspired by European science museums, and he developed a dream of teaching Americans about science through participatory museums. Thus was born the magical world of the Exploratorium, forever revolutionizing not only the way we experience museums, but also science education for years to come. Cole has brought this charismatic and dynamic figure to life with vibrant prose and rich insight into Oppenheimer as both a scientist and an individual.

Una novia para su majestad/Una promesa en tus labios

Dial Press Trade Paperback

I had everything a woman could want My husband, James. The house on the lake. Our perfect life. And then Alex came to visit. The first time I saw my husband's best friend, I didn't like him. Didn't like how his penetrating eyes followed me everywhere. Didn't like how James changed when he was around.

Description * Full length standalone novel, containing dark themes* Coralie Twelve years ago, I ran to stay alive. Port Royal, South Carolina, was my home. I was born there. I fell in love there. And I nearly died there. I never thought I'd go back. Now, after so many years, I have to return to bury the man who made my life a living hell. Some nights, I used to cry myself to sleep, praying my father would die. Other nights were different. Other nights, there was him. Callan Cross. My first confidante. My first kiss. My first love. My first everything: Callan was the glue that held me together when everything else was falling apart. He was my savior. He was there for me whenever I needed him... Until he wasn't. Every night, I've seen the love of my life in my sleep. I just never thought I'd have to face him again. Callan Twelve years ago, I f*#@ed up big time. Living life through a camera lens is sometimes easier than dealing with it head on. Scratch that. It's always easier. For over a decade, I've been a master of my art, taking photographs all over the world. Yet despite all of the countries I've visited, the amazing things I've seen, the beautiful women I've screwed, my heart has remained in pieces. Coralie's the only woman I've ever loved, will ever love. And I'm determined to show her that we're meant to be together. Even if it means unearthing the bones of the past in the process. A lifetime and a thousand miles have stood between us. Now, there's no length of time I won't wait, no distance I won't travel,

in order to make her mine.

Miette Harper Collins

Gilly Soloman has been reduced to a mothering machine, taking care of everyone and everything except herself. Burned-out and exhausted by the endless days of crying children and menial tasks, Gilly doesn't immediately consider the consequences when she's carjacked. With a knife to her throat, her first thought is that she'll finally get some rest. Someone can save her for a change. But salvation isn't so forthcoming. Stranded in a remote, snowbound cabin with this stranger, hours turn to days, days into weeks. As time forges a fragile bond between them, she learns her captor is not the lunatic she first believed, but a human being whose wasted life has been shaped by secrets and tragedy. Yet even as their connection begins to foster trust, Gilly knows she must never forget he's still a man teetering on the edge, one who's not about to let her leave. And she cannot stay.

Último destino: placer Citadel Press

No strings...no regrets...and no going back. I didn't think he wanted me. And I wasn't about to get involved with him, not after what I'd heard. Alex Kennedy was tall, dark and unbearably hot, but I've been burned before. Maybe it was stupid of me to offer, but he needed a place to crash and I needed to pay the rent. But now he's my tenant...with benefits. Now that we've crossed that line, I can't seem to find my way back. Except I can't give my heart to a man who's so...unconventional. His last relationship was with a married couple. It's enough that my ex-fiance preferred men -- I won't take that chance again no matter how much my body thrives on Alex's touch. I can't risk it, but I can't resist it, either. Alex can be very convincing when he wants something. And he wants me.

Más profundo Createspace Independent Publishing Platform

Estoy en un tren. No sé en qué parada tengo que bajar; solo sé que el tren va rápido y el mundo de fuera se desdibuja. Debería bajar, pero no bajo. El universo me está gastando una broma cósmica. Yo tenía mi vida, una vida agradable con todo lo que una mujer puede desear, y de pronto aparece algo que ni siquiera sabía que podía llegar a tener. Una oportunidad de sentirme satisfecha y contenta. Y, quizá incluso, en alguna ocasión, delirante y exuberantemente feliz. Así que aquí estoy, en un tren que escapa por completo a nuestro control. Si pudiera hacerme creer a mí misma que todo ha ocurrido por casualidad, que no he podido evitarlo, que me he visto arrastrada, que esto no es culpa mía, sino del destino, ¿sería más fácil? La verdad es que no sabía que estaba buscando esto hasta que encontré a Will, pero debo de haber estado buscándolo durante todo este tiempo. Y ahora no es cosa del azar, ni del destino, ni nada me arrastra. Soy yo la que decide. Y no sé cómo detenerme. Ni siquiera sé si quiero parar.

High School MIRA

NATIONAL BESTSELLER • Real love . . . as seen on TV. A plus-size bachelorette brings a fresh look to a reality show in this razor-sharp, "divinely witty" (Entertainment Weekly) debut.

"Effortlessly fun and clever . . . I found the tension impeccable . . . and that made my reading experience incredibly propulsive.

Read it in a day and a half."—Emily Henry, #1 bestselling author of *Beach Read* and *The People We Meet on Vacation* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Marie Claire • Mashable Bea Schumacher is a devastatingly stylish plus-size fashion blogger who has amazing friends, a devoted family, legions of Insta followers—and a massively broken heart. Like the rest of America, Bea indulges in her weekly obsession: the hit reality show *Main Squeeze*. The fantasy dates! The kiss-off rejections! The surprising amount of guys named Chad! But Bea is sick and tired of the lack of body diversity on the show. Since when is being a size zero a prerequisite for getting engaged on

television? Just when Bea has sworn off dating altogether, she gets an intriguing call: Main Squeeze wants her to be its next star, surrounded by men vying for her affections. Bea agrees, on one condition—under no circumstances will she actually fall in love. She's in this to supercharge her career, subvert harmful beauty standards, inspire women across America, and get a free hot air balloon ride. That's it. But when the cameras start rolling, Bea realizes things are more complicated than she anticipated. She's in a whirlwind of sumptuous couture, Internet culture wars, sexy suitors, and an opportunity (or two, or five) to find messy, real-life love in the midst of a made-for-TV fairy tale. In this joyful, wickedly observant debut, Bea has to decide whether it might just be worth trusting these men—and herself—for a chance to live happily ever after.

The 100 HarperCollins Ibérica

_x005F_x000D_ Una novia para su majestad _x005F_x000D_ Toda la familia del príncipe Nicholas estaba empeñada en casarlo con una princesa o una heredera, pero él había elegido una tímida y poco elegante estadounidense hija de un millonario y que además sentía más interés por los ordenadores que por los hombres. Pero todo eso era lo que hacía de ella la novia perfecta. Un falso compromiso le permitiría dedicarse a su gran amor, la medicina, sin que jamás hubiera peligro de que llegara a nada más. Pero Tara York se estaba convirtiendo en un verdadero cisne delante de sus propios ojos. Y de pronto se moría de ganas de convertir a aquella inteligente y sensual mujer en su princesa. _x005F_x000D_ Una promesa en tus labios _x005F_x000D_ Nada más ver a la belleza que acababa de chocar contra su granero, el ranchero Jared McNeil supo que tendría problemas. Como Mimi Deerman no tenía seguro, sugirió pagarle la deuda cuidando de sus sobrinas. Jared intuía que aquella mujer escondía algo, pero sus curvas conseguían que lo olvidara todo. Y no tardó en meterse en su cama y conseguir traspasar todas sus defensas. La princesa Michelina Dumont había llegado a Wyoming en busca de su hermano, pero había encontrado la pasión. ¿Cambiaría la corona por el amor de su vida?

Vanilla Mango Media Inc.

Especial. Tenía todo lo que una mujer podía desear. Mi marido, James. La casa junto al lago. Mi vida. Nuestra perfecta vida. Hasta que Alex vino a visitarnos. La primera vez que vi al mejor amigo de mi marido, no me gustó. No me gustaba cómo se comportaba

James cuando estaba con él, no me gustaba que me siguiera a todas partes con sus penetrantes ojos grises. Pero eso tampoco me impedía desearlo. Y lo más sorprendente era que a James no parecía importarle. Se suponía que tenía que ser divertido. Un romance compartido por los tres para las cálidas semanas de verano que Alex pasaría con nosotros. Se suponía que nadie tenía que enamorarse o desenamorarse. Yo no necesitaba otro hombre, aunque aquél en concreto destilara sexo por los cuatro costados y conociera todos los secretos que yo desconocía, unos secretos que mi marido no había compartido conmigo. Al fin y al cabo, teníamos una vida perfecta. Siempre que leo algún libro de Megan Hart termino dándole vueltas y más vueltas en mi cabeza. Creo que es una autora que tiene la facilidad de conectar muy bien con las emociones de las lectoras, porque no solo tiene la capacidad de entretenernos mientras leemos. De crear un mundo y personajes interesantes con los que compatibilicemos, sino que más que eso logra hacernos pensar, y analizar cosas que a veces simplemente pasamos por alto. Porque si algo logra la autora, es que vivamos a través de sus protagonistas, suframos y nos alegremos con ellas. Que lloremos con sus penas y anhelemos sus sueños. En resumen, hace lo mejor que puede hacer un escritor: meternos de lleno en el libro, y a pesar de que sus historias podría ser repetitivas, consigue que cada una de ellas a su manera, sea un mundo aparte." Autoras en la sombra *Un viaje por tus sentidos* Harlequin, una división de HarperCollins Ibérica

El gusto se adquiriría... lo único que necesitaba él era adquirirlo. Elise tenía muy claro lo que le gustaba en la cama, y se aseguraba de conseguirlo. Su sed de dominación estaba saciada desde hacía tiempo gracias a unos cuantos hombres más que felices de inclinarse ante ella. Sin embargo, la satisfacción sexual no era lo mismo que el amor, y ella ya se había quemado en el pasado por ofrecer su corazón con excesiva libertad. Niall era guapo, inteligente, triunfador y dulce... dulce como la vainilla. Al instante de conocerse, su atracción hizo saltar chispas, a pesar de que él no compartía sus gustos sexuales. Aunque Elise intentó evitarlo, terminó por sucumbir y enamorarse de él, pero ¿cómo podría funcionar una relación en la que ambos amantes querían colocarse encima?
