If you dream of making a movie but don't know where to start or you're afraid that your film will end up being yet another unseen indie, this is the book for you. Based on the real-life experiences of Sundance award-winning

screenwriter/director Diane Bell, **SHOOT FROM THE HEART** will guide you through the process of making an indie film successfully -- from writing a stand-out script to raising finance, from getting the most out of your shoot to planning a profitable release. Broken down into sixteen essential steps, this book provides you with a clear, actionable, real-world plan for turning your filmmaking dream into

your reality. The method in this book is available to anyone, anywhere. You don't need a ton of money or industry connections, you just need to be willing to do the work of each step. In this book, you'll find ass-kicking inspiration and motivational tips for the long journey filmmaking is, as well as the practical knowledge and insider's information you need to make it happen. **SHOOT FROM THE HEART** will

empower you to trust your creative instincts and leave you with no excuses for not making the best film you can. This guide is the only one you need if you seriously want to stop talking about making movies and actually make a great one.

“Thank you to Sheila Nevins for putting all this down for posterity. Women need this kind of honest excavation of the process of living.” —Meryl Streep An astonishingly frank, funny, poignant book for any woman who wishes they had someone who would say to them, “This happened to me, learn from my mistakes

and my successes.

Because you don't get smarter as you get older, you get braver.” Sheila Nevins is the best friend you never knew you had. She is your discreet confidante you can tell any secret to, your sage mentor at work who helps you navigate the often uneven playing field, your wise sister who has “been there, done that,” your hysterical girlfriend whose stories about men will make laugh until you cry. Sheila Nevins is the one person who always tells it like it is. In *You Don't Look*

Your Age, the famed documentary producer (as President of HBO Documentary Films for over 30 years, Nevins has rightfully been credited with creating the documentary rebirth) finally steps out from behind the camera and takes her place front and center. In these pages you will read about the real life challenges of being a woman in a man's world, what it means to be a working mother, what it's like to be an older woman in a youth-obsessed culture, the

sometimes changing, often sweet truth about marriages, what being a feminist really means, and that you are in good company if your adult children don't return your phone calls. So come, sit down, make yourself comfortable, (and for some of you, don't forget the damn reading glasses). You're in for a treat.

A powerful story of one man's redemption through the Lakota Sun

Dance ceremony. •
Written by the only white man to be confirmed as a Sundance Chief by traditional Lakota elders.
• Includes forewords by prominent Lakota spiritual leaders Leonard Crow Dog, Charles Chipps, Mary Thunder, and Jamie Sams. The Sun Dance is the largest and most important ceremony in the Lakota spiritual tradition, the one that ensures the life of the people for another year. In 1988 Michael Hull was extended an invitation to join in a Sun Dance by

Lakota elder Leonard Crow Dog-- a controversial action because Hull is white. This was the beginning of a spiritual journey that increasingly interwove the life of the author with the people, process, and elements of Lakota spirituality. On this journey on the Red Road, Michael Hull confronted firsthand the transformational power of Lakota spiritual practice and the deep ambivalence many Indians had about opening their ceremonies to a white man. Sun

Dancing presents a profound look at the elements of traditional Lakota ceremonial practice and the ways in which ceremony is regarded as life-giving by the Lakota. Through his commitment to following the Red Road, Michael Hull gradually won acceptance in a community that has rejected other attempts by white America to absorb its spiritual practices, leading to the extraordinary step of his confirmation as a Sun Dance Chief by Leonard

Crow Dog and other Lakota spiritual leaders.

The Native American activist recounts his evolution into a political organizer, his trial and conviction for murder, and his spiritual journey in prison. In September of 2022, twenty-five years after Leonard Peltier received a life sentence for the murder of two FBI agents, the Democratic National Committee unanimously passed a resolution urging President Joe Biden to

release him. Peltier has affirmed his innocence ever since his sentencing in 1977—his case was made fully and famously in Peter Matthiessen’s bestselling *In the Spirit of Crazy Horse*—and many remain convinced he was wrongly convicted. A wise and unsettling book, *Prison Writings* is both memoir and manifesto, chronicling Peltier’s life in Leavenworth Prison in Kansas. Invoking the Sun Dance, in which pain leads one to a transcendent reality, Peltier explores his

suffering and the insights it has borne him. He also locates his experience within the history of the American Indian peoples and their struggles to overcome the federal government’s injustices. Edited by Harvey Arden, with an introduction by Chief Arvol Looking Horse, and a preface by former Attorney General Ramsey Clark. Praise for *Prison Writings* “It would be inadequate to describe Leonard Peltier’s *Prison Writings* as a classic of prison literature, although it is that. It is also a cry

for help, an accusation against monstrous injustice, a beautiful expression of a man’s soul, demanding release.” —Howard Zinn, author of *A People’s History of the United States* “For too long, both Leonard’s supporters and detractors have seen him as a metaphor, as a public figure worthy of political rallies and bumper stickers, but very rarely as a private man who only wants to go home. I pray this book will bring Leonard home.” —Sherman Alexie, author

 CHOSEN AS ONE OF THE BEST GRAPHIC NOVELS OF 2021 BY THE NEW YORK TIMES, THE GUARDIAN, AND THE

GLOBE AND MAIL A teenage Quaker joins the Union Army and experiences firsthand the brutality of the Civil War in this singular graphic novel by a beloved comics artist and animator. During the Civil War, many Quakers were caught between their fervent support of abolition, a desire to preserve the Union, and their long-standing commitment to pacifism. When Charles Cox, a young Quaker from Indiana, slips out early one morning to enlist in

the Union Army, he scandalizes his family and his community. Leaving behind the strict ways of Quaker life, Cox is soon confronted with the savagery of battle, the cruelty of the enemy (as well as of his fellow soldiers), and the overwhelming strangeness of the world beyond his home. He clings to his faith and family through letters with his sister, Fanny, who faces her own trials at home: betrayal, death, and a church that seems ready to fracture under

the stress of the war. Discipline is told largely through the letters exchanged between the Cox siblings—incorporating material from actual Quaker and soldier journals of the era—and drawn in a style that combines modern graphic storytelling with the Civil War-era battlefield illustrations of the likes of Thomas Nast and Winslow Homer. The result is a powerful consideration of faith, justice, and violence, and an American comics masterpiece.

A telepath with a lethal twist. My name is Neely and I'm a telepath-spiker. Not only can I read a person's thoughts, I can also spike deadly power straight into their brain. But don't worry, I have strict rules about that sort of thing. I'm hiding again. This time in a California desert truck stop town run by Lucas Blacke, a tiger shifter and alpha leader who's as handsome as Lucifer and twice as slippery. I've been

running from alphas like him my whole life. They either want to own me or kill me--there is no middle ground. Now a homicidal alpha from my past is threatening everything I care about and I know I can't fight him alone. Lucas Blacke is dangerous, and his intentions are murky at best, but I've run out of options. If I want to live, I'm going to have to put my faith in a man I know I can't trust. If you like urban fantasy with a side order of romance, fast-paced action and slow-

burn love, you'll love SPIKED.

AnnMarie is growing up fast. After years of living in foster homes and homeless shelters, the twelve-year-old girl can take care of herself and her ailing mother. At thirteen, she's competing with other girls for the attention of older boys in the hip hop and rap scene

of Far Rockaway. At fourteen, she is in love and pregnant, but dreaming big. Taking a chance, she auditions for an independent film and—astonishingly—lands a lead role. As she tries to raise her baby girl and make sense of her relationship with her baby's father, her work on the movie offers AnnMarie a doorway to a wider world—Brooklyn, Manhattan, and the Sundance Film Festival. With cinematic pacing and a vibrant voice, filmmaker Hannah Weyer's

unforgettable debut novel is a portrait of a tough, determined teenage girl striving to find the life she wants and the love she deserves.

Lawyer-turned-writer Anne Meadows and her husband, Dan Buck, set out to solve the mystery of what really happened to Butch Cassidy and the Sundance Kid. With the tenacity of Pinkerton agents, the couple tracks the outlaws and the enigmatic Etta Place through South America, where they fled in 1901. Meadows and Buck rove Argentinian pampas, Chilean deserts, and Bolivian sierras; pore over faded newspapers and

musty documents; exhume skeletons with the aid of forensic anthropologist Clyde Snow; unearth eyewitness accounts of Butch and Sundance's final holdup and the Bolivian shootout; and examine letters by the bandits and interviews by the Argentine police who investigated their activities. Information about William T. Phillips, who claimed to be Butch Cassidy, is also included. While filling in the blanks in the Wild Bunch saga, Meadows explores the nature of truth and

discovers how myths are made. She updates the search with a new afterword to this edition. Discipline Wadsworth Publishing Company On December 15, 2008, two snowmobilers discovered a pair of stranded horses atop B.C.'s Mount Renshaw in the Canadian Rockies. Belle and Sundance were a sorry sight-- they were emaciated, shivering and trapped in a small shelter they had made for themselves by tramping down the six-foot-deep snow. The next morning,

a party of four from the nearby town of McBride was sent back up the mountain with a bale of hay, a handgun and a heartbreaking choice to make: either feed Belle and Sundance, or shoot them. The four agreed: there was an undeniable glimmer in the eyes of Belle and Sundance, and the decision was made to feed them. But saving the two horses would require a lot more than hay. Weighing their options, many people in McBride decided they would dig, by hand, the three-foot-

wide, six-foot-deep, kilometre-long tunnel that became Belle and Sundance's route to freedom. *The Rescue of Belle and Sundance* takes the reader into the heart of the struggle to save two horses. In this account, which quickly became a regional bestseller and a bookseller favourite, Stutz and Scanlan recreate the rescue that sent a message of hope and compassion around the world.

In this “dishy...superbly

reported” (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders, Raging Bulls*, Peter Biskind “takes on the movie industry of the 1990s and again gets the story” (The New York Times). Biskind charts in

fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own

quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and “sensationally entertaining” (Los Angeles Times) *Down and Dirty Pictures* is a must-read for

anyone interested in the film world. *The Sundance Writer: A Rhetoric, Reader, Research Guide, and Handbook* Wadsworth Publishing Company Offers a humorous memoir about first love, denial, sleepwalking, and the author's perils and pitfalls of being himself. [Sundance Reader Info-le](#) Simon and Schuster "For a century Butch Cassidy has been the subject of legends about his life and death, spawning a small industry of mythmakers and a

major Hollywood film. Charles Leerhsen sorts out fact from fiction to find the real Butch Cassidy, who is far more complicated and fascinating than legend has it"-- *The Sundance Writer* Heinle & Heinle Pub Susan Orlean's bestseller and New York Times Notable Book is "a sheer delight...as rich in insight and as varied as the treasures contained on the shelves in any local library" (USA TODAY)—a dazzling love letter to a beloved institution and an

investigation into one of its greatest mysteries. “Everybody who loves books should check out *The Library Book*” (The Washington Post). On the morning of April 28, 1986, a fire alarm sounded in the Los Angeles Public Library. The fire was disastrous: it reached two thousand degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended

on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who? Weaving her lifelong love of books and reading into an investigation of the fire, award-winning New Yorker reporter and New York Times bestselling author Susan Orlean delivers a “delightful...reflection on the past, present, and future of libraries in America” (New York magazine) that manages to tell the broader story of

libraries and librarians in a way that has never been done before. In the “exquisitely written, consistently entertaining” (The New York Times) *The Library Book*, Orlean chronicles the LAPL fire and its aftermath to showcase the larger, crucial role that libraries play in our lives; delves into the evolution of libraries; brings each department of the library to vivid life; studies arson and attempts to burn a copy of a book herself; and reexamines the case of Harry Peak, the blond-

haired actor long suspected of setting fire to the LAPL more than thirty years ago. “A book lover’s dream...an ambitiously researched, elegantly written book

that serves as a portal into a place of history, drama, culture, and stories” (Star Tribune, Minneapolis), Susan Orlean’s thrilling journey through the stacks

reveals how these beloved institutions provide much more than just books—and why they remain an essential part of the heart, mind, and soul of our country.
