BESTSELLER • After The
Black Elfstone and The
Skaar Invasion comes the
penultimate volume in the
Fall of Shannara, a saga
more than four decades in
the making. The Skaar
have arrived in the Four
Lands, determined to stop

at nothing less than all-
out conquest. They badly
need a new home, but
peaceful coexistence is
not a concept they have
ever understood. An
advance force under the
command of the mercurial
princess Ajin has already
established a foothold,
but now the full Skaar
army is on the
march—and woe betide
any who stand in its way.
But perhaps the Skaar
victory is not quite the

foregone conclusion everyone assumes. The Druid Drisker Arc has freed both himself and Paranor from their involuntary exile. Drisker's student, Tarsha Kaynin, has been reunited with Dar, chief defender of what is left of the Druid order, and is learning to control her powerful wishsong magic. If they can only survive Tarsha's brother, Tavo, and the Druid who betrayed Drisker Arc, they might stand a chance of defeating the Skaar. But that is a very big if . . . as

Tavo now carries the Stiehl—one of the most powerful weapons in all the Four Lands—and is hellbent on taking his revenge on everyone he feels has wronged him. *Il potere della magia. Le leggende di Shannara* Bantam

elegant collector's edition hardcover, and featuring an introduction by New York Times bestselling author Terry Brooks, here are the first three novels of that classic series: The Sword of Shannara, The Elfstones of Shannara, and The Wishsong of Shannara—the beginning of a phenomenal epic of good and evil. The Sword of Shannara Long ago, the wars of the ancient Evil ruined the world. In peaceful Shady Vale, half-elfin Shea Ohmsford knows little of such troubles. But the

supposedly dead Warlock Lord is plotting to destroy everything in his wake. The sole weapon against this Power of Darkness is the Sword of Shannara, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. The Elfstones of Shannara The magical Ellcrys tree is dying, loosening the spell that bars the Demons from enacting vengeance upon the land. Now Wil Ohmsford must guard the Elven girl Amberle on a perilous quest as she

carries one of the Ellcrys' seeds to a mysterious place where it can be quickened into a powerful new force. But dark on their trail comes the Reaper, most fearsome of all Demons, aiming to crush their mission at any cost. The Wishsong of Shannara An ancient Evil is stirring to new life, sending its ghastly Mord Wraiths to destroy Mankind. To win through the vile growth that protects this dark force, the Druid Allanon needs Brin Ohmsford—for she alone holds the magic

power of the wishsong. Reluctantly Brin joins the Druid on his dangerous journey. But a prophecy foretells doom, as Evil nurses its plans to trap the unsuspecting Brin into a fate far more horrible than death. The mysterious, magic-wielding Druid order has existed for long ages, battling any evil that threatens the Four Lands—and struggling to be understood and accepted by outsiders. But their hopes of building goodwill are dashed when a demon's murderous rampage at a peace summit leaves their political opponents dead—casting new suspicions upon the Druids and forcing them

to flee from enemies both mortal and monstrous. Paxon Leah, the order's appointed protector, knows that blame lies with Arcannen Rai, the vile sorcerer he has battled and defeated before. But there's no time to hunt his nemesis, if he is to lead the wrongfully accused Druids to their sanctuary. It is a quest fraught with danger, as a furious government agent and his army snap at their heels, and lethal predators stalk them in the depths of the untamed wilderness. But

Scrittura Fantasy. Un lungo viaggio e alcune riflessioni a partire dalle ambientazioni ai personaggi, dalla tecnica allo stile, dagli incipit alle trame. Perché scrivere un romanzo fantasy è meno semplice di quanto si possa pensare. Anche se la costruzione di un nuovo mondo è una delle esperienze più magiche che uno scrittore possa vivere. The Elves of Cintra Del Rey

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Horrified by the misuse of magic they had witnessed during the First War of the Races, the Druids at Paranor devoted themselves to the study of the old sciences, from the period before the collapse of civilization a

thousand years before. Only the Bremen and a few trusted associates still studied the arcane arts. And for his persistence, Bremen found himself outcast, avoided by all but the few free-thinkers among the Druids. But his removal from Paranor was not altogether a terrible thing, for Bremen learned that dark forces were on the move from the Northlands. That seemingly invincible armies of trolls were fast conquering all that lay to their south. That the scouts for the army--and

its principal assassins--were Skull Bearers, disfigured and transformed Druids who had fallen prey to the seductions of the magic arts. And that at the heart of the evil tide was an archmage and former Druid named Brona! Using the special skills he had acquired through his own study of Magic, Bremen was able to penetrate the huge camp of the Troll army and learn many of its secrets. And he immediately understood that if the peoples of the Four Lands were to

escape eternal subjugation they would need to unite. But, even united, they would need a weapon, something so powerful that the evil magic of Brona, the Warlock Lord, would fail before its might...
