Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into

the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser

constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly

territory in the burgeoning field of feminist age studies.

Inner Peace for Busy Women

Moody Publishers Depression is a secret pain at the core of many men's lives, and one that goes largely undiagnosed and untreated. The consequences of not treating male depression are extremely serious.

Studies show that suicide is more common in men than women, and that the male

suicide rate is three times higher at midlife than at any other life stage. In

Unmasking Male Depression, Dr. Archibald Hart explores the many forms of depression and gives tools for coping with and healing depression in men. Hart also examines the lives of Christian leaders who struggled with depression, such as Charles Spurgeon, Martin Luther, and John Calvin, to

reveal the myths surrounding this illness

Growing Up Social
InterVarsity Press

A glorious, edible tour of Paris through six decades of writing from Gourmet magazine, edited and introduced by Ruth Reichl

For sixty years the best food writers have been sending dispatches from Paris to Gourmet. Collected here for the first time, their essays create a unique and timeless portrait of the

world capital of love and food. When the book begins, just after the war, we are in a hungry city whose chefs struggle to find the eggs and cream they need to re-create the cuisine from before the German occupation. We watch as Paris comes alive again with zinc-topped tables crowded with people drinking café au lait and reveling in crisp baguettes, and the triumphant

rebirth of three-star cuisine. In time, nouvelle cuisine is born and sweeps through a newly chic and modern city. It is all here: the old-time bourgeois dinners, the tastemakers of the fashion world, the hero-chefs, and, of course, Paris in all its snobbery and refinement, its inimitable pursuit of the art of fine living. Beautifully written, these dispatches from the past are intimate

and immediate, allowing us to watch the month-by-month changes in the world's most wonderful city. Remembrance of Things Paris is a book for anyone who wants to return to a Paris where a buttery madeleine is waiting around every corner. Contributors include Louis Diat, Naomi Barry, Joseph Wechsberg, Judith and Evan Jones, Don Dresden, Lillian Langseth-Christensen,

Diane Johnson, Michael Lewis, and Jonathan Gold.

For those who are called to it, pastoral ministry can be a source of deep joy. But there are also challenges. An increasing number of pastors seem to be burning out under the load.

Congregations may not be aware of the many and conflicting demands placed on a pastor's time and energies, nor the

pastor's need for rest and personal support. *Their Work Will Be a Joy* was written to encourage mutual understanding between pastors and congregations about the stresses of ministry. The authors present five principles that will help ministry remain more of a joy than a burden. Every chapter contains practical recommendations targeted specifically for pastors, congregational

leaders, and even seminarians preparing for ministry. A dozen personal responses to the book, written as letters from people in ministry, have been collected together at the end. The book is helpful as a ministry preparation text, a guide for those serving as pastors, or as a discussion starter for pastors support groups. It will help church committees smooth a pastoral

transition, or calm seminary graduates anticipating their first placement. The hope is that stressed-out pastors will recover their sense of vocation, and congregations will begin to fulfill their calling as the body of Christ.

The Posy Ring Berrett-Koehler Publishers Indian culture and spiritualism have exerted a strong hold over the world's greatest intellectuals—from psychologists

like Carl Jung to poets like T.S. Eliot, from orators like Swami Vivekananda to philosophers like Sri Aurobindo, from statesmen like Dr A.P.J. Abdul Kalam to writers like H.G. Wells. Compiled by Salil Gewali, *Great Minds on India* is a remarkable collection of the thoughts and views of these world-renowned opinion-makers on India's cultural inheritance and glorious legacy.

What you don't know can hurt you. Do you know: What constitutes "clergy malpractice" and "negligent counseling"? What is "duty of care"? When do you break confidentiality? When are you breaking the law? What are the legal ramifications of church discipline? What is your responsibility in child abuse cases? Can you use counseling illustrations in

your sermons?
 If you are a pastor or counselor, or are in any counseling ministry, this may be the most important new book you will read this year. In this "age of litigation" an explosive new area of law -- suing churches -- is impacting Christians. How do these lawsuits affect pastors and counselors? Seve Levicoff's scholarly, yet easy to read, Christian Counseling and the Law, summons all

Christian counselors to study the law themselves so that they can be "as shrewd as serpents and as innocent as doves" and thereby "fight the good fight of faith" in the secular arena. This is not a book filled with stilted legalese and lofty phrases. It is a straightforward, well-documented resource for the Christian counselor. When you put it down -- if you can -- you will probably say, "That was just what I

needed." - Flyleaf.

 Outreach Resource of the Year The Gospel Coalition Book Award The

church is at its best when it pursues the biblical value of unity in diversity. Our world has been torn asunder by racial, ethnic, and ideological differences. It is seen in our politics, felt in our families, and ingrained in our theology. Sadly, the church has often reinforced these ethnic and racial divides. To cast off the ugliness of disunity and heal our fractured humanity, we

must cultivate spiritual practices that help us pursue beautiful community. In *The Beautiful Community*, pastor and theologian Irwyn Ince boldly unpacks the reasons for our divisions while gently guiding us toward our true hope for wholeness and reconciliation. God reveals himself to us in his trinitarian life as the perfection of beauty, and essential to this beauty is his work as Father, Son,

and Holy Spirit. The gospel imperative to pursue the beautiful community—unity in diversity across lines of difference—is rooted in reflecting the beautiful community of our triune God. This book calls us into and provides tools for that pursuit. [Blind Drunk](#)

A Night to Remember

Thomas Nelson Publishers Messages from the media and pressures from peers all seem to conspire against raising children with strong Christian values. As kids grow older the potential for things to go wrong just seems to multiply. How can parents nurture their

families with confidence, without the fear that they are making some big mistake? Tim Stafford sets you free from worrying about the Joneses or anyone else. He shows you how to build core Christian values into your children in a way that fits who God made your family to be, unique and different from every other family. In this practical and freeing book, you'll find: Why your family doesn't have to be like

other families

How to build core values into your children that will last a lifetime

How you can find the patterns that fit who you and your family are

Ways to build family life that kids enjoy and that parents find satisfying

Why there's more than one, good, right way to be a family

How to build grace and freedom into your family life while still providing structure and security

Release from the fear that

you are parenting the wrong way Stafford identifies thirteen core biblical values and describes a wide variety of ways to build these into families. He explores the many options that are available for parents to help their children develop in truthfulness, contentment, hard work, joy, rest, forgiveness and putting God first. Some books suggest there is only one right way to parent, no

matter who you are. In *Never Mind the Joneses* Stafford frees you to explore the ways God has provided that fit your family best. **The Beautiful Community** HarperCollins Christian Publishing *Balancing Work, Family, and Your Inner Life!* This wise and accessible little book gets to the heart of how busy women can find a center of inner peace even when life is swirling like a cyclone around them.

Winner of the 2002 Christianity Today Book Award! You're One Step Away from the Adventure of Your Life Deep within you lies the same faith and longing that sent Peter walking across the wind-swept Sea of Galilee toward Jesus. In what ways is the Lord telling you, as he did Peter, "Come"? John Ortberg invites you to consider the incredible potential that awaits you outside your comfort zone.

Out on the risky waters of faith, Jesus is waiting to meet you in ways that will change you forever, deepening your character and your trust in God. The experience is terrifying. It's thrilling beyond belief. It's everything you'd expect of someone worthy to be called Lord. The choice is yours to know him as only a water-walker can, aligning yourself with God's purpose for your life in the process. There's just

one requirement: If You Want to Walk on Water, You've Got to Get Out of the Boat. **Remembrance of Things Paris Anchor** In this newly revised edition of the award-winning Come to Your Senses: Demystifying the Mind-Body Connection, Dr. Stanley Block offers his Ten-Day Plan to optimize your life -- a breakthrough program that has helped people all over the world heal from post-traumatic

stress syndrome, combat trauma, substance abuse, mental illness, pain, and depression.
