the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.” —The New York Times Book Review In 1942, with

Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of

living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was

tragically cut short.

The Autobiography of a Snowboarding Pioneer Farrar, Straus and Giroux (BYR)
 John Cornwell evokes a vanished time and way of life in this moving and, at times, troubling memoir of an adolescence spent in the isolated all-male world of the seminary. Born into a destitute family with a dominating Irish-Catholic mother and an absconding father during World War II in

London, John Cornwell's childhood was deeply dysfunctional. When he was thirteen years old he was sent to Cotton College, a remote seminary for boys in the West Midlands countryside. For the next five years Cornwell lived under an austere monastic regime as he wrestled with his emotional and spiritual demons. In the hothouse atmosphere of the seminary he strove to find stable, loving

friendships among his fellows and fatherly support from the priests, one of whom proved to be a sexual predator. The wild countryside around the seminary, the moving power of church ritual and music, and a charismatic priest enabled him to persevere. But while normal teenagers were being swept up by the rock 'n' roll era, Cornwell and his fellow seminarians continued to

be emotionally and socially repressed. Secret romantic attachments between seminarians were not uncommon; on visits home they were overwhelmed by the powerful attractions of the emerging youth culture of the 1950s. But when they returned to Cotton College, the boys were once again governed by the age-old traditions and disciplines of seminary life. And like many young

seminarians, Cornwell struggled with a natural adolescent rebelliousness, which in one crucial instance provoked a crisis that would eventually lead to his decision to abandon his dream of becoming a priest. Written with tremendous warmth and humor, *Seminary Boy* is a truly unforgettable memoir and a penetrating glimpse into the hidden world of seminary life.

Createspace Independent Publishing Platform Samantha Abeel couldn't tell time, remember her locker combination, or count out change at a

checkout counter -- and she was in seventh grade. For a straight-A student like Samantha, problems like these made no sense. She dreaded school, and began having anxiety attacks. In her thirteenth winter, she found the courage to confront her problems -- and was diagnosed with a learning disability. Slowly, Samantha's life began to change again. She

discovered that she was stronger than she'd ever thought possible -- and that sometimes, when things look bleakest, hope is closer than you think.

miss.

My Father and the Books We Shared

Prentice Hall As the healthcare debate rages on with the growth of the HMO industry, nurses quietly continue to provide the day-to-day grit and deeply-felt passion that hold the healing profession together. Within these remarkable women and men are poignant, outrageous stories drawn from the edge of life. But fear of career

backlash and reprisals have made them reluctant to talk to outsiders about their experience. Now Echo Heron, New York Times bestselling author of *Intensive Care*, draws truths far stranger than fiction out of her colleagues--and allows the nurses to speak to us in their own words. Ranging from inspiring to tragic to outrageously funny, these narratives are real life

medical dramas as experienced by nurses across the country--each practicing in a variety of specialties, including cardiac care, labor and delivery, burns, the ER--even a nurse who works in dolphin care. *Tending Lives* portrays a penitentiary nurse responsible for orchestrating a murderer's execution; a stroke victim who rose out of his depression when his nurses began telling him

jokes; and, perhaps the most riveting testimony, the moment-by-moment memories of several nurses who served in the aftermath of the Oklahoma City bombing--gripping accounts that give us new perspectives on the horror and heroism of that nightmare day. Pediatric nurses, psychiatric nurses, home-care nurses, intensive care nurses--all with distinct voices and unique stories to tell. Filled

with both tears and laughter, and charged with the issues that afflict nursing care today, *Tending Lives* is a gripping, moving, inspiring book, a fitting tribute to a noble profession. *Same But Different: Teen Life on the Autism Express* Little, Brown Books for Young Readers A killer is on the loose, and only one girl has the power to find him. But in this genre-bending YA thriller, she must first

manage to avoid becoming a target herself. For Adele, the dead aren't really dead. She can see them and even talk to them. But she's spent years denying her gift. When she encounters her ex-best friend Tori in the woods and then realizes that Tori is actually dead in a shallow grave—that gift turns into a curse. Without an alibi, Adele becomes the prime suspect in Tori's murder. She

must work with Tori's ghost to find the real killer. But what if the killer finds Adele first? In *The Lonely Dead*, master mystery writer April Henry adds a chilling paranormal twist to this incredibly suspenseful young adult novel. It Just Doesn't Add Up Tarquin Group Fans of Road Dahl and Neil Gaiman will love this inventive middle grade fantasy about a girl who uses a family heirloom to travel to fantastical worlds that

may be more dangerous than they appear. Twelve-year-old Rosemary has been an artist her whole life and especially loves drawing the incredible places from her Aunt Jo's stories. But illustrating the stories doesn't mean Rose believes them. And when Aunt Jo gives Rose a pocket watch with instructions on how to use it to access magical dream worlds, Rose just thinks Aunt Jo is being peculiar again.

While Rose is sleeping, however, she enters a fantastical place where each hour of the pocket watch takes her to a different world. There, Rose befriends a trio of outcasts with special powers and joins their war against the ominous Tall Man. When a bully steals Rose's watch, she can only look on in horror as dream and reality collide and he's sucked into the Eleventh Hour. Now,

Everybody Sees the Ants Center Point
NEW YORK TIMES EDITORS' CHOICE • This powerful memoir by New York Times bestselling author Amy Bloom is an illuminating story of two people whose love leads them to find a courageous way to part—and of a woman's struggle to go forward in the face of loss. "What a book this is—full of everything

that matters . . . gripping, moving, and beautifully told.”—Meg Wolitzer, author of *The Female Persuasion*
 ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage
 Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it

seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer’s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting

each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in

Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. *Ignite Your Spark* Turtleback Books With the composition of today's classroom in mind, this book approaches teaching and planning elementary mathematics by using methods that accommodate

the diverse learning needs of any student having difficulties with basic math concepts. The authors use personal experience and research that supports a complete set of developmental concepts and skills to outline the effective development of mathematical concepts and skills. It stresses lesson planning that will result in learning, understanding, and retaining

important concepts and skills. K-12 Special Education and General Education Teachers. **We Are Family** Perfection Learning Chronicles the author's devastating educational experiences, his diagnosis of a learning disability and the incredible work he has done from that pivotal moment. *Seminary Boy* Turtleback Books "When Dr. Joy Gilbert is fired, she returns to her small town

home to find her former fiancée single, her mother struggling financially and physically, and the 15-year-old daughter of her former boss stowed away in her back seat"--
