10 Questions Every Christian Must Answer

Crossway

Respected scholars provide thorough yet accessible answers to the deep spiritual questions that most often challenge one's faith and the ability to share it with others.

131 Christians Everyone Should Know B&H

Publishing Group

'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations

Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

50 Women Every Christian Should Know

Baker Books

The Biblical Literacy Project recently released a report that once again underscores just how little young Americans know about the Bible. Even more surprising is that many Americans don't see why it's important to know something about the Bible. As a skilled educator, Kendell Easley continues to be surprised at how uninformed students are of basic biblical and theological terms as they enter college and seminary. Further, as a churchman and an active observer of the local church scene, he is persuaded that many people who have been in church all their lives have somehow failed to gain a basic understanding of essential Christian words. In *52 Words Every Christian Should Know*, Easley provides a Bible verse in which each word

or concept is used, a succinct definition, and helpful articles further explaining the significance of each entry. Finally, he poses interactive questions to the readers, drawing them closer into a personal relationship with God.

How to Win Friends and Influence People Oxford University Press

People assume Christians have all the answers; yet, in the face of tragedy, death, or suffering, everyone struggles to find just the right words to bring comfort or closure to those in need. Sometimes just hearing "It is God's will" isn't enough. Sometimes just saying "God will turn this to good" seems so meaningless when despair is so profound. Often the pain goes too deep, the questions won't go away, and even the assurance of faith doesn't help. How could God let this happen? How can God love us, yet allow us to suffer in this way? What is the point of this? What is the purpose? In this provocative book, Ken Ham makes clear answers found in the pages of Scripture - powerful, definitive, and in a way that helps our hearts to go beyond mere

acceptance. When you grasp the reality of original sin (and all that it means), it creates a vital foundation for your heart to finally understand what follows.

The 40 Most Influential Christians . . . Who Shaped What We Believe Today

Crossway
Over 3 million copies sold!
Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers

challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

The Strategy of Satan

Free Grace Press LLC
The shallowness of our current spirituality is due to our shallow view of sin. The Puritans viewed God in all his holiness, majesty, authority, sovereignty and power and so realized the vileness, deceit and sinfulness of human hearts. Holy living is not a relic from Puritan days, but something that is essential to all true Christians of every age. AIM Magazine of the Evangelical Fellowship of India, Vol. 28; No.1
On Being a Leader for God
Inter-Varsity Press
Offers an inspirational and compassionate approach to understanding the problems of life, and argues that we should continue to believe in God's fairness.
Catechism of the Catholic Church
Random House Digital, Inc.
Those looking for a single resource that collects clear teachings on the

most important doctrines of Christianity need look no further than Gregg Allison's 50 Core Truths of the Christian Faith. This volume covers foundational doctrines of the nature and works of God, the Bible, God's created beings, Jesus, the Holy Spirit, salvation, the church, and the end times. And each chapter features clear guidance for how to teach and apply the doctrine today. Pastors, Sunday school teachers, and lay students of theology will find this an indispensable resource for understanding and teaching Christian theology.

50 Simple Questions for Every Christian
Image Respect and the Christian Woman Book Description.
Confronting Christianity
Baker Books
A Look Inside the Sacred Book of One of the World's Fastest-Growing Religions
What used to be an exotic religion of people halfway around the world is now the belief system of people living across the street. Through fair, contextual use of the Qur'an as the primary source text, apologist James R. White presents Islamic beliefs about Christ, salvation, the Trinity, the afterlife, and other important topics.

White shows how the sacred text of Islam differs from the teachings of the Bible in order to help Christians engage in open, honest discussions with Muslims.

One-To-One Bible Reading
Baker Books

John Piper pleads with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry.

When Bad Things Happen to Good People B&H Publishing Group

Short biographies of Christian men and women which will encourage us to give our all to Christ.

50 Pentecostal and Charismatic Leaders Every Christian Should Know Moody Publishers

At first glance, it appears that social justice and Christianity have a lot in common. They seem to share a few mutual concerns: they're both opposed to bigotry, racism, and oppression; they are mutually concerned for the needy, the afflicted, and the less fortunate within society; and they both seek to resolve conflict as they aspire after unity and peace. And with these shared concerns, it is tempting for Christians to buy into the validity of social justice. But as

Jeffrey D. Johnson clearly and succinctly explains in just a few short chapters, social justice is incompatible with Christianity. Johnson takes us through the history of social justice and helps us understand its complex issues. This is a brief, to-the-point handbook every Christian should read to understand how contemporary definitions of social justice differ from what the Bible teaches about justice and how social justice seeks to destroy individual rights and the authority of the nuclear family and the conservative church.

On Being a Servant of God
بيلومانيا للنشر والتوزيع

This book offers a succinct yet thorough introduction to 131 of the most intriguing, courageous, inspiring Christians who ever lived. It tells how they lived, what they believed, and how their faith affected the course of world history. Includes a timeline with a historical context for each individual, key quotes from or about each personality, and more than 60 photos.

Grill a Christian Oxford University Press

Can you think of people in your life who you would like to see progress spiritually? Here's a way

to help them understand more of God in a way that is simple and personal, and that doesn't rely on getting them to a church program or event.

What Every Christian Ought to Know EP BOOKS
Christians talk a lot about church unity.

Unfortunately, however, God's people are often better known for their divisions and disagreements than for a common commitment to the gospel. At the root of this disunity are the blind spots that prevent us from seeing other points of view and reevaluating our own perspectives. In this provocative book, Collin Hansen challenges Christians from various "camps" to view their differences as opportunities to more effectively engage a needy world with the love of Christ. Highlighting the diversity of thought, experience, and personality that God has given to his people, this book lays the foundation for a new generation of Christians eager to cultivate a courageous, compassionate, and commissioned church.

What Every Christian Needs to Know About the Qur'an O. M. Literature
Let Your Faith Be Moved by the Masterpieces Art

becomes a masterpiece when it stands the test of time and challenges its viewers to see the world from a new perspective. The vast legacy of human expression is therefore a rich resource of introspection and wisdom for Christians today. 75 Masterpieces Every Christian Should Know anthologizes some of humanity's most influential and renowned works of art. Terry Glaspey masterfully analyzes how each piece responds to the reality of the human condition and Christian truth. Glaspey examines architecture, plays, novels, paintings, films, and even albums, evoking how some probe the dark corners of human suffering, while others capture the mystery, beauty, and wonder of life. Each selection is universally revered for its craftsmanship and ubiquitously esteemed across both time and cultures. From Rembrandt's *The Return of the Prodigal Son* to Jane Austen's *Pride and Prejudice* to Johnny Cash's *At Folsom Prison*, every masterpiece reveals some truth that has both enriched the Christian faith and left an indelible mark on the legacy of artistic achievement.

Through engaging these masterpieces, Christians today can enrich their own faith with the creativity of history's brilliant artists. This book serves as both historian and biographer, as devotional and art criticism. May this book be a modest doorway into a world of deeper appreciation, a guide to the treasures of our tradition that enriches both your faith and understanding of the human experience.

Let the Nations be Glad

Prometheus Books
Respected Bible teacher Warren Wiersbe defines the essence of worship and discusses the key issues surrounding this often controversial topic within the church.

Almost Christian Baker Books

You can go after the job you want...and get it! You can take the job you have...and improve it! You can take any situation you're in...and make it work for you! success in their business and personal lives. As relevant as ever before, Dale Carnegie's principles endure, and will help you achieve your maximum potential in the complex and competitive modern age. Learn the six ways to make people like you, the twelve ways to win people to your way of thinking, and the nine ways to change people without arousing resentment.

Blind Spots B&H

Publishing Group

Why do white Protestants in America embrace a president who seems to violate their basic standards of morality?

The answer, Andrew Whitehead and Samuel Perry argue, is "Christian nationalism," the belief that the United States is -- and should be -- a Christian nation. Knowing someone's stance on Christian nationalism, this book shows, tells us more about his or her political beliefs than race, religion, or political party. Drawing on national survey data and interviews with Americans across the political spectrum, *Taking America Back for God* illustrates the tremendous influence of Christian nationalism on debates about the most contentious issues dominating American

public life.
