HARRELL ERICKSON

The Gospel According to Jesus
Reformation Trust Publishing
In his well-received *Christless Christianity* Michael Horton offered a prophetic wake-up call for a self-centered American church. With *The Gospel-Driven Life* he turns from the crisis to the solutions, offering his recommendations for a new reformation in the faith, practice, and witness of contemporary Christianity. This insightful book will guide readers in reorienting

their faith and the church's purpose toward the good news of the gospel. The first six chapters explore that breaking news from heaven, while the rest of the book focuses on the kind of community that the gospel generates and the surprising ways in which God is at work in the world. Here is fresh news for Christians who are burned out on hype and are looking for hope.

The Gospel-Driven Life Zondervan
From marital infidelity to global war, the world is obviously broken, leaving people desperate to find an explanation for our universal sin problem. In the latest addition to the *Theology in Community*

series, Christopher Morgan and Robert Peterson have assembled an interdisciplinary team of evangelical thinkers to explore the biblical doctrine of sin from a variety of angles. Among other contributors, popular scholar D. A. Carson discusses the contemporary significance of sin; seasoned professor Paul House details sin in the Old Testament law, prophets, and writings; and New Testament expert Douglas Moo explores sin from Paul's vantage point. This team of top-notch scholars offers modern readers a comprehensive overview of this oft-neglected, biblical theme so that readers might learn to live better in a sinful world. Part of the Theology in Community series.

Confession of Sin The Church of Jesus Christ of Latter-day Saints

All people have sinned and broken God's law. None of us are good (Rom. 3:10). And as a result of our sin, God commands us to repent. But what does repentance look like? In this booklet, Dr. R.C. Sproul looks at several people in the Bible and how they give us a model of repentance. Dr. Sproul explains that true repentance is not simply a religious ritual or the resolve to do better next time. Rather, it's a spiritual conversion in which we turn from our sin and to God in faith. The Crucial Questions booklet series by Dr. R.C. Sproul offers succinct answers to important questions often asked by Christians and thoughtful inquirers.

'Return To Me' Destiny Image Publishers
Reconciliation is at the heart of the Christian faith. It is what God

accomplishes by the incarnation of his Son, by Jesus' cross, resurrection, and exaltation: that all people be drawn to God in Christ, and, in being so drawn, drawn into fellowship with one another. The good news of reconciliation is, therefore, also a call to repent and to receive forgiveness, and then, concomitantly, to forgive. The present volume endeavors to reexamine these most fundamental Christian claims. These essays, which were first presented at the 2017 annual Pro Ecclesia conference, return to the biblical sources to help us understand reconciliation afresh. The authors raise questions about repentance and forgiveness from various perspectives: Jewish, Roman Catholic, Orthodox, and Protestant. They also consider our present-day context,

what has been called the "technoculture," as well as the practice of repentance and forgiveness. With contributions by: Stephen Westerholm Ellen T. Charry Dominic Langevin, O. P. Peter C. Bouteneff Brent Waters John P. Burgess

Book of Commandments, for the Government of the Church of Christ
Zondervan

Theology is for everyone. Everyone is a theologian of sorts. Theology simply means thinking about God and expressing those thoughts in some way. But sloppy theology is a problem. As Christians, our thoughts about God need to coincide with what He has said about Himself in the Bible. With his clear understanding of the Scriptures and unpretentious writing style, Charles

Ryrie has written *Basic Theology* for every student of God's Word, from the devotional student to the seminary student. Ryrie's name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar. Now Ryrie's *Basic Theology* is available to you from Moody Press, the company that brings you the Ryrie Study Bible. Featuring charts, definitions, and Scripture and subject indices, *Basic Theology* will give you a clear and comprehensive picture of Ryrie's approach to systematic theology. Its 94 chapters are arranged in outline style for easy reference. Considerable emphasis is given to explaining the dispensational view of the end times.

Gospel Coach Baker Books

Gerstner points out the fallacies of the theories of conditional immortality and total annihilationism. From Scripture, he shows the awesome reality of eternal punishment in hell. Using Scripture and reason, he demonstrates why God not only will, but must punish those who live in rebellion against Him.

[True Repentance](#) Crossway

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. *What Is Reformed Theology?* is an accessible introduction to beliefs that have been immensely

influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace.

The Beatitudes Fig

In 'Evangelical Repentance,' Puritan author John Colquhoun traces the grace of repentance to the work of the Holy Spirit in regeneration, showing how it flows out of a true, spiritual sight and sense of sin. This gracious repentance is a turning of the whole man from all that is sinful and hateful to God. 'The sincere penitent', Colquhoun writes, 'forsakes all

iniquity from right principles, by right motives, in a right manner, and to a right end.' Colquhoun shows the reasons why evangelical repentance is absolutely necessary, and carefully distinguishes it from mere legal repentance and all counterfeit and superficial remorse for sin. The latter he states is an abomination to God since it does not flow from a heart regenerated by grace and purified by faith. The fruits and evidences of real repentance, such as Paul outlines in 2 Corinthians 7, are discussed. Colquhoun then goes on to elaborate the priority of that justifying faith which secures forgiveness and comes before the exercise of evangelical repentance. The influence of the Marrow theology, and especially of Thomas Boston, is highly evident here.

Colquhoun's work, in line with the writings of the Marrowmen, breathes the warmth of the glorious gospel and, whilst it is most solemn in its denunciation of all sin, it is full of evangelical consolation to believers seeking a greater assurance of their knowledge of Christ. In addition to defining the meaning of true repentance, Colquhoun demonstrates how this blessed exercise of soul may be obtained. Since Christ is exalted to give repentance, we are to trust in him for it as well as for pardoning grace. We are to choose God in Christ as our covenant-God and portion. We must be frequent and earnest in prayer for the grace of repentance. Furthermore, we must endeavor to see sin in its hatefulfulness, especially the sin of our nature. The contemplation of the death of Christ is

essential if we would see the awfulness of sin and what it deserves, and we should meditate much on death and judgment to come. Without a doubt, the topic handled so judiciously and profitably in this book by John Colquhoun is of the highest importance to every Christian, and an excellent addition to any library.

True & False Repentance CLC
Publications

Long-Awaited Systematic Theology by Well-Known Pastor, Author, and President of the Master's Seminary Doctrine isn't just for theologians—it's important for every Christian because it shows us who God is and how we should live. Systematizing the robust theology that has undergirded John MacArthur's well-known preaching ministry for

decades, this overview of basic Christian doctrine covers topics such as God the Father, Jesus Christ, the Holy Spirit, the Bible, salvation, and more.

Comprehensive in scope yet written to be accessible to the average reader—with non-technical vocabulary, minimal footnotes, and a helpful bibliography—this volume offers Christians a solid foundation for what they believe and why.

Evangelical Repentance Banner of Truth
What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray,

go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the

faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

The Great Doctrines of the Bible

Crossway

In many Christian circles this may be a taboo subject--spoken of in hushed tones or behind closed doors. But it is a very real problem that must be brought into the light of Scripture. Abuse in the church takes different forms, but it is alive and active even in "nice" families in our churches. Typically, the abuser is male, usually a husband--and his character is that of a manipulating deceiver! Countless women and children even many faithful pastors--have been abused by these deceivers. Have you, or someone you know, been a victim? Has

an abuser: Threatened physical violence if he does not get away? Intimidated you with abusive language? Denied you affection? Denied you medical attention? Manipulated friends and acquaintances in order to gain allies? Pastor Jeff Crippen uses his over thirty years of experience to rip the lid off this most insidious behavior that is often hidden in plain sight. He not only maintains that Bible believing churches have ignored or failed to face the problem, he insists that when they do counsel a victim of abuse, they get it all wrong! The result is that the victim gets pulled into deeper--even life threatening--danger! This book will come as a life-saver in a raging sea for those under the thumb of an abusive spouse or "friend". The Lord Jesus Christ wants you to be free in him: spiritually, emotionally,

and, yes, physically. Every pastor also needs to read this book, either because they too have been a victim, but, more importantly, so that they properly counsel those caught in a cycle of abuse.

The Doctrine of Repentance (Modern English) Crossway

Despite the fact that the Christian tradition is prevalent, if not dominant, throughout much of the Western world, there remains a considerable amount of confusion and debate over the actual doctrines that feature in this belief system. In this volume, *The Great Doctrines of the Bible*, author William Evans identifies and explains some of the most important doctrinal and dogmatic tenets of the Christian faith.

Fallen Zondervan

Fourteen key Bible doctrines—including

grace, repentance, sanctification, security, and predestination—are explained in everyday terms.

Practicing Christian Doctrine

Independently Published

If you are a child of God who still commits sin deliberately, committing the same sin over and over, it is because: • Your eyes have never been opened to see that sin is a knife thrust willingly into God's heart; • Your eyes have never been opened to see the harm that sin causes in every domain of your life. This book is recommended to you. It is about True Repentance. True Repentance includes: knowledge of sin, sorrow for sin, confession of sin, forsaking of sin, restitution for sin, forgiveness sought and received, and restoration to the heart of God. Read it and you will be

blessed.

Biblical Doctrine The Church of Jesus Christ of Latter-day Saints

Throughout the history of Christianity, great confusion has surrounded the condition for eternal life and the meaning of the term "repentance." Does it mean to do penance for one's sins? To feel sorrow or remorse for sin? To forsake all and follow Christ? To stop sinning or at least make a determination to sin less? Dr. Michael Cocoris writes with clarity in explaining the biblical meaning of this term as simply "a change of mind" or "a change of belief." This book offers a distinctively biblical approach to the subject of repentance. It surveys the words "repent" and "repentance" in the Bible as they are used by John the Baptist, the Lord Jesus

Christ, the Apostles Peter, Paul, and John, and the writer of Hebrews. The key Greek and Hebrew terms are also explained. The result is a refreshing treatment of repentance that is based upon the authority of God's Word rather than human tradition.

Killing Kryptonite Fig

The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with

some of its most sublime visions of the future - nations streaming to Zion, a lion lying with a lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's unfolding drama of redemption. Drawing inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the needy for a pair of sandals. The Dictionary of the Old Testament: Prophets is the only reference book of its kind. Not only does

it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions as well as its synchronic spread of textual links and associations. And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary

approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

Dictionary of the Old Testament:

Prophets Messenger International "Kwon and Thompson's eloquent reasoning will help Christians broaden their understanding of the contemporary conversation over reparations."-- Publishers Weekly "A thoughtful approach to a vital topic."--Library Journal Christians are awakening to the legacy of racism in America like never before. While public conversations regarding the realities of racial division and inequalities have surged in recent years, so has the public outcry to work

toward the long-awaited healing of these wounds. But American Christianity, with its tendency to view the ministry of reconciliation as its sole response to racial injustice, and its isolation from those who labor most diligently to address these things, is underequipped to offer solutions. Because of this, the church needs a new perspective on its responsibility for the deep racial brokenness at the heart of American culture and on what it can do to repair that brokenness. This book makes a compelling historical and theological case for the church's obligation to provide reparations for the oppression of African Americans. Duke Kwon and Gregory Thompson articulate the church's responsibility for its promotion and preservation of white supremacy

throughout history, investigate the Bible's call to repair our racial brokenness, and offer a vision for the work of reparation at the local level. They lead readers toward a moral imagination that views reparations as a long-overdue and necessary step in our collective journey toward healing and wholeness.

Repent Or Perish Thomas Nelson Inc Repentance begins at conversion—but doesn't stop there. It isn't penance, self-effort or condemnation, but an ongoing attitude for daily living in Christ, says Jack Miller. In this new edition Jack's widow, Rose Marie, adds an epilogue telling of Jack's own journey of living out repentance on a daily basis.

What Is Repentance? ZTF Books Online The Doctrine of Repentance is a

comprehensive overview of Biblical repentance by one of the most renowned Puritans, Thomas Watson in 1668. We've updated this classic into modernized, updated English so you can understand exactly what Watson writes. The Doctrine of Repentance by Thomas Watson is a religious treatise that examines the importance of repentance in the Christian faith. Watson argues that repentance is essential to the Christian life and is the only way to receive forgiveness from God. He outlines the four steps of repentance: conviction of sin, sorrow for sin, confession of sin, and forsaking of sin. Watson also discusses the benefits of repentance, such as the assurance of God's mercy and the assurance of a better life. He concludes by stressing the importance of

repentance and encourages readers to turn to God in repentance and faith.

The Grace of Repentance (Repackaged Edition) The Church of Jesus Christ of Latter-day Saints

The first edition of *The Gospel According to Jesus* won wide acclaim in confronting the "easy-believism" that has characterized some quarters in evangelical ChristiaOver the past 50 years, a handful of books have become true classics, revered world-wide for their crystal-clear presentation of the Gospel and lauded for their contribution to the Christian faith. These extraordinary books are read, re-read, and discussed in churches, Bible study groups, and homes everywhere. John MacArthur's *The Gospel According to Jesus* is one of those books. In *The*

Gospel According to Jesus, MacArthur tackles the idea of "easy believism," challenging Christians to re-evaluate their commitment to Christ by examining their fruits. MacArthur asks, "What does it really mean to be saved?" He urges readers to understand that their conversion was more than a mere point in time, that, by definition, it includes a lifetime of obediently walking with Jesus as Lord. This 20th Anniversary edition of MacArthur's provocative, Scripture-based book contains one new chapter and is further revised to provide Christians in the 21st century a fresh perspective on the intrinsic relationship between faith and works, clearly revealing why Jesus is both Savior and Lord to all who believe. nity. This expanded edition deepens the debate

over "lordship salvation" and the biblical understanding of faith and works in adding a new chapter.
