New York Times bestselling author Susan Mallery delivers a fan-favorite tale about how a moment's kindness can lead to a lifetime of love. Bodyguard Mike Blackburne can't get enough of the job, especially the danger. After taking a bullet in the line of duty, he accepts his most difficult assignment yet: a peaceful recovery in the suburbs. He manages to avoid the small town and its boring ways...until the charming woman next door slips past his defenses. When single mom Cindy Jones offers to look in on her neighbor's injured brother, she isn't expecting him to be so difficult...or so drop-dead gorgeous. His won't be the easiest recovery to handle, but it might just be the best favor Kelly ever agreed to!

Jake has one mission: to spread laughter and lust across the country. Standup comic Jake Nilsen has taken his tour to the midwest and west coast, eager to visit new locales ... and new ladies. After a stop at a farmers market to sample some juicy, uh... tomatoes ("Francis in Fargo"), he travels to the Great White North and meets a skier who is more than happy to keep him warm ("Vanessa in Vancouver"). In Seattle, he enjoys a steamy cup of double roast coffee ("Piper in Portland") and then heads to Reno for an entanglement with an old friend ("Randi in Reno"). In Tucson, he brings the party to a birthday girl who is more than happy to blow out his candles ("Tracy in Tuscon"). Texas offers a few opportunities for Jake to get his hands dirty ("Ellen in El Paso"; "Debra in Dallas"). Finally, in Shreveport, things get a little academic with a Ph.D student

and a scientist ("Shannon in Shreveport"). By the time the comedy tour comes to a close, Jake will have plenty of new material and more than a few ardent fans.

In the seventeenth century, Salem Massachusetts had a terrible secret. Now, over three hundred years later in upstate New York, BRAD BANNING, a new and inexperienced filmmaker unwittingly discovers that secret. It had escaped the tyranny of the witch hunters and made its home in Spook Rock, a tiny backwoods commune, its throat held in a death grip by an evil force more powerful than time itself. When Banning intrudes too far into the lives of the witches, power-mad Lorianna casts him and his crew into the Abyss populated with ancient monsters, as well as incongruous beacons of purity. Along the way, Banning and his companions, whom he dubs his crew, discover truths about themselves and others, which are deeper and as real as the Hell they find themselves in, and the Heaven with whose help they hope to escape.

Nancy Miller Saunders once lived in sheltered academe. But that all changed when she joined a group of filmmakers to document demonstrations by Vietnam Veterans Against the War. Soon, she found herself being hounded just as much as the veterans themselves. She focused on her role as an investigator, recording the stories of a number of veterans and their families. In *Combat by Trial*, she allows them to speak in their own voices through interviews and personal writings while also telling her own story. You will be entranced by stories of Saunders' connection to two of the spies that the FBI sent to infiltrate the VVAW. How Saunders worked with

VVAW defense attorneys in the fabricated case against the Gainesville 8. How laws such as the Patriot Act and Military Commissions Act are once again stripping citizens of their rights. And much more! Historians, journalists and students will all enjoy *Combat by Trial: An Odyssey with 20th Century Winter Soldiers*, a cautionary tale that shows that history does indeed repeat itself. *Harlequin Kimani Romance November 2017 Box Set* Wenona Hulsey In 2005, British supermodel Kate Moss went to Glastonbury with her then-boyfriend, indie rocker Pete Doherty. Their unwashed appearance captured widespread attention, propelling the British indie music scene and its signature look—slender bodies clad in skinny jeans—to the center of popular fashion. Using this fashionable watershed as a launching point, *Fashioning Indie* narrates indie's evolution: from a 1980s British music subculture into a 21st-century international fashion phenomenon. It explores the lucrative transformation of indie style, first into high concept menswear and later into “festival fashion”—a womenswear phenomenon that remade what indie looked like and provided a launching point to reimagine who the ideal subject of indie could be. *Fashioning Indie* is essential reading for academic and popular audiences, offering an original account of what happens when a subculture is incorporated into the commercial fashion system. As the music and fashions of festivals face increasing scrutiny in debates about diversity and inclusion, and the transformations of indie style coincide with the global expansion of the second-hand retail sector, the book offers also essential insights into the broader culture of popular fashion in the

21st century and the values that inform it.

A laugh-out-loud memoir about a free-spirited, commitment-phobic Brooklyn girl who, after a whirlwind romance, finds herself living in a rickety farmhouse, pregnant, and faced with five months of doctor-prescribed bed rest because of unusually large fibroids. Aileen Weintraub has been running away from commitment her entire life, hopping from one job and one relationship to the next. When her father suddenly dies, she flees her Jewish Brooklyn community for the wilds of the country, where she unexpectedly falls in love with a man who knows a lot about produce, tractors, and how to take a person down in one jiu-jitsu move. Within months of saying "I do" she's pregnant, life is on track, and then wham! Her doctor slaps a high-risk label on her uterus and sends her to bed for five months. As her husband's bucolic (and possibly haunted) farmhouse begins to collapse and her marriage starts to do the same, Weintraub finally confronts her grief for her father while fighting for the survival of her unborn baby. In her precarious situation, will she stay or will she once again run away from it all? *Knocked Down* is an emotionally charged, laugh-out-loud roller-coaster ride of survival and growth. It is a story about marriage,

motherhood, and the risks we take. *Young House Love* iUniverse

With seven kids between them and millions of fans on social media, they get real about the parts of parenting that somehow don't make the Instagram feed. Sharing their outrageous humor, fearless myth-busting, and genuine comfort on every page, they walk you from pregnancy to the toddler years and beyond. And they dole out ridiculously honest advice, like what you think you need at the hospital when you have your first baby (lip gloss) versus what you actually need (hemorrhoid pillow), and how worried you should really be about germs (less than you are). Fearless crusaders against the perfection myth and all the gluten-free, sugar-free baking it entails, Cat and Nat assure you that you're already doing a great job, making this an essential companion for moms everywhere.

"Ian?" I gasped. "Welcome to New York City, baby girl," he was beaming, standing in front of me with a big bouquet of flowers. My vision was instantly blurry. I couldn't believe what I was seeing. My hands went to cover my quivering mouth, dropping everything I was holding in my hands. "You're real," I sobbed. "Of course, I am," he chuckled. "I thought you're gonna wait at the Airbnb?" He tried to look away, but I forced his eyes to look into mine. "I'm always proud of you, Ian. Even before the gallery and even when you're just my teacher, I am always proud of you."
