DUNN CIERRA

Dictionnaire français-italien composé sur les dictionnaires de l'Académie de France et de la Crusca ... tiré de celui de Mr l'abbé François Alberti ... Quatrième édition, etc. (Dizionario italiano-francese, etc.) The Museum of Modern Art

This visually compelling publication highlights The Museum of Modern Art's unparalleled collection of prints and books by William Kentridge - nearly fifty works spanning the past three decades. The book also features a succession of artistic interventions made by Kentridge especially for the occasion. Kentridge's practice brings together drawing, film animation, books, sculpture and performance. Too little known is the extent to which the artist applies his astonishing draftsmanship to the techniques of printmaking, including etching, screenprinting, lithography and linoleum cut. In fact printmaking has always been essential to his work, from his first forays into visual art in the 1970s to his recent large-scale operas. Kentridge's love of the printed image extends to an embrace of books. He often draws and prints on unbound pages from encyclopaedias, ledgers and the like, the readymade support adding nuance and complexity to his work. He has extended these practices in William Kentridge: Trace, using translucent pages interspersed throughout the book to respond to his prints reproduced between them in a visual dialogue between the past and the present. The book also includes an essay, an annotated checklist, a chronology and the text of a lecture by Kentridge on printmaking, illuminating its relevance to his broader practice. The publication coincides with the Museum's presentation of the touring exhibition William Kentridge: Five Themes. MoMA's presentation will be unique in its addition to the numerous collection works, including most of the prints reproduced in this volume.

CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

Journal du palais

Winner, Canadian Jewish Literary Awards Best Children's Book
When a Jewish army captain is falsely accused of treason and sent to prison, a writer uses his pen to fight for justice. In 1895 a prisoner watches the ocean through the bars of his cell. Accused of betraying France, Captain Alfred Dreyfus is exiled to a prison on Devil's Island, far from his wife and children. It's a horrible fate — but what if he's innocent? Seven thousand miles away, the famous writer Emile Zola wonders: Is Alfred a traitor to France? Or a victim of antisemitism? Convinced that Alfred is innocent, Emile knows that it is his DUTY to help. He pens the famous letter "J'Accuse ...!", explaining that Alfred was blamed, charged, tried and convicted ... only because he is Jewish. This powerful middle-grade story written in verse with full-page illustrations is told from the perspectives of both Alfred Dreyfus and Emile Zola, two men whose courage changed the world. The true story of the Dreyfus Affair, published in time for the 125th anniversary of "J'Accuse ...!", acts as a reminder that a person committed to truth, justice and equality must stand up and speak out against prejudice for themselves — and for others. Includes an author's note and further historical context. Key Text Features author's note illustrations sources references informational note historical context historical note further information afterword headings
Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.4.3 Describe in depth a character, setting, or event in a story or drama, drawing on specific details in the text (e.g., a character's thoughts, words, or actions). CCSS.ELA-LITERACY.RL.5.3 Compare and contrast two or more characters, settings, or events in a story or drama, drawing

on specific details in the text (e.g., how characters interact).

CCSS.ELA-LITERACY.RL.5.7 Analyze how visual and multimedia elements contribute to the meaning, tone, or beauty of a text (e.g., graphic novel, multimedia presentation of fiction, folktale, myth, poem).
