*Albania In Transition* Walter de Gruyter GmbH & Co KG

While most people are familiar with The Protestant Ethic and the Spirit of Capitalism, few know that during the last decade of his life Max Weber (1864-1920) also tried to develop a new way of analyzing economic phenomena, which he termed "economic sociology." Indeed, this effort occupies the central place in Weber's thought during the years just before his death. Richard Swedberg here offers a critical presentation and the first major study of this fascinating part of Weber's work. This book shows how Weber laid a solid theoretical foundation for economic sociology and developed a series of new and highly evocative concepts. He not only investigated economic phenomena but also linked them clearly with political, legal, and religious phenomena. Swedberg also demonstrates that Weber's approach to economic sociology addresses a major problem that has haunted economic analysis since the nineteenth century: how to effectively unite an interest-driven type of analysis (popular with economists) with a social one (of course preferred by sociologists). Exploring Weber's views of the economy and how he viewed its relationship to politics, law, and religion, Swedberg furthermore discusses similarities and differences between Weber's economic sociology and present-day thinking on the same topic. In addition, the author shows how economic sociology has recently gained greater credibility as economists and sociologists have begun to collaborate

in studying problems of organizations, political structures, social problems, and economic culture more generally. Swedberg's book will be sure to further this new cooperation.

*Roads to Dominion* Waxmann Verlag

Suddenness or epiphany - an expression of discontinuity and rupture - resists aesthetic integration.

*Travels Into Dalmatia* Rutgers University Press

A huge bestseller in Germany for over a year, My Father's Country offers extraordinarily moving and riveting insight into the experience of being German in the last century. On August 26, 1944, Hans Georg Klamroth, officer in the German army and member of the SS, was executed for high treason for his participation in the July 1944 plot to assassinate Hitler. My Father's Country is the extraordinary work of Klamroth's daughter, Wibke, born only six years before her father's death. Decades later, Bruhns was watching a TV documentary about the events of July 1944 when images of her father in the court room suddenly appeared on screen. "I stare at this man with the empty face. I don't know him. But I can see myself in him — his eyes are my eyes; I know I resemble him. I know I wouldn't be here without him. And what do I know about him? Nothing at all." Based on an extensive collection of family letters, private diaries, photographs and even menus, My Father's Country traces Wibke Bruhns' father's, and more widely, her well-to-do merchant family's, life in the Germany of the late nineteenth and early twentieth centuries. With it, Bruhns not only brings to life the nuances of this world — its culture and its assumptions, politics and beliefs — but also comes to know, finally, the mysterious father she barely

remembers.

[A History of Geology](#) Guilford Press

A detailed, analytical study of the life and times of this brilliant but bizarre personality (and the sexually erotic times he lived in), containing the essence of all his writings, based on research by Bloch in private archives of the French Government, and Bloch's discovery of de Sade's unpublished manuscript of 120 Days of Sodom in Marseilles. The work contains a precis of the 120 Days of Sodom, the first attempt systematically to catalog and describe abnormal sexual behavior -- 100 years before Krafft-Ebing. A serious academic study of France during de Sade's time, its sexual morality, de Sade's works, and the role of sadism in literature, etc., this biography precedes de Beauvoir's *Faut-il Brûler de Sade?* and began the resuscitation and modern study of De Sade. The author Iwan Bloch, a German physician, won a distinguished name in the world of science in the fields, of medical history and anthropology.

[The Good Society](#) Princeton University Press

This anthology brings together extracts from a wide variety of seventeenth-century sources to illustrate the ways in which the cultural notion of 'women' was then constructed. historical circumstances of women's lives in the seventeenth century and the cultural notions of 'woman' which prevailed then. What did women and men think women should be? Over 200 extracts from books, pamphlets, diaries and letters are arranged under three main headings: female nature, character and behaviour; female roles and affairs; and 'feminisms.' Each chapter is introduced by N.H. Keeble who contextualises the extracts and draws out the main issues revised.

Lange Zeit waren kroatische Nationalisten, unter ihnen Anhänger des faschistischen Ustaša-Regimes, eine der aktivsten Exilgruppen in der Bundesrepublik Deutschland. Global eng vernetzt und untereinander zum Teil spinnfeind, einte sie der Kampf gegen das sozialistische Jugoslawien, den manche Akteure auch mit politischer Gewalt austrugen. Vor allem jugoslawische Repräsentanten und Infrastrukturen, aber auch jugoslawische Arbeitsmigranten wurden immer wieder zum Ziel von Anschlägen. Wer waren die kroatischen Exilanten? Wie wurden ihre Aktivitäten in der Bundesrepublik diskutiert? Und welche Konsequenzen hatte dies für ihre Beobachtung und Verfolgung durch die Sicherheitsbehörden? Fragen wie diesen geht Matthias Thaden in seinem Buch nach. Er kann aufzeigen, wie das von Exilkroaten und von den „Gegenmaßnahmen“ des jugoslawischen Geheimdienstes ausgehende Gefahrenpotenzial zum Kompetenzausbau von Polizei und Verfassungsschutz herangezogen wurde. Die Verbindung von migrations- und sicherheitspolitischen Fragestellungen hat daher eine weitaus längere Geschichte als häufig angenommen. Das Buch stellt deswegen auch eine Intervention in aktuelle Debatten dar und ist ein Plädoyer für mehr historische Tiefenschärfe.

[George Grosz](#) John Wiley & Sons

Translated by Charles Leland; Introduction by Phillip Lopate The Italian Journey contains celebrated examples of Heine's wit, combining street scenes and art masterpieces with scathing attacks against religious bigotry and reactionary politics. The Baths of Lucca intertwines irony and the expression of romantic sentiments to capture the restlessness that heralded the birth of the modern world. Freud included some of Heine's anecdotes in his own writings on honor and its relation to the unconscious.

[Wahlverwandtschaft zweier Sonderfälle im Kalten Krieg](#) Columbia University Press

When Ira is sent home early from his work on All Hallows' Eve, he finds a mysterious woman lingering on a bridge. She is desperate and wild, and as she falls into the river below, Ira follows, determined to save her against all odds. But when she awakens, he finds nearly drowning is the least of her worries. A far darker entity is haunting her. Can he save her before the time runs out?

[Max Weber and the Idea of Economic Sociology](#) Andesite Press

Why did Yugoslavia fall apart? Was its violent demise inevitable? Did its population simply fall victim to the lure of nationalism? How did this multinational state survive for so long, and where do we situate the short life of Yugoslavia in the long history of Europe in the twentieth century? A History of Yugoslavia provides a concise, accessible, comprehensive synthesis of the political, cultural, social, and economic life of Yugoslavia—from its nineteenth-century South Slavic origins to the bloody demise of the multinational state of Yugoslavia in the 1990s. Calic takes a fresh and innovative look at the colorful, multifaceted, and complex history of Yugoslavia, emphasizing major social, economic, and intellectual changes from the turn of the twentieth century and the transition to modern industrialized mass society. She traces the origins of ethnic, religious, and cultural divisions, applying the latest social science approaches, and drawing on the breadth of recent state-of-the-art literature, to present a balanced interpretation of events that takes into account the differing perceptions and interests of the actors involved. Uniquely, Calic frames the history of Yugoslavia for readers as an essentially open-ended process, undertaken from a variety of different regional perspectives with varied composite agenda. She shuns traditional, deterministic explanations that notorious Balkan hatreds or any other kind of exceptionalism are to blame for Yugoslavia's demise, and along the way she highlights the agency of twentieth-century modern mass society in the politicization of differences. While analyzing nuanced political and social-economic processes, Calic describes the experiences and emotions of ordinary people in a vivid way. As a result, her groundbreaking work provides scholars and learned readers alike with an accessible, trenchant, and authoritative introduction to Yugoslavia's complex history.

[Suddenness](#) eXtasy Books

Das Geflecht aus «heiterer Vernunftfreiheit» und «leidenschaftlicher Notwendigkeit» in den «Wahlverwandtschaften» wird analysiert und u.a. auf die Begrenzungen und Prägungen menschlicher Wesensgesetzmäßigkeiten, auf die Relationen zwischen Sein und Bewusstsein und damit auf die menschlichen Möglichkeiten der Eigenverantwortbarkeit des Lebens hin untersucht. Psychologische, ethische und soziale Einflüsse wie auch die Goethes Weltbild kennzeichnende Einbettung des Menschen in die Geist-Natur werden erörtert und führen von der sich in der Gestalt der Otilie in äusserster Konsequenz manifestierenden Widersprüchlichkeit menschlichen Seins zur notwendig widersprüchlichen Stellung des Menschen zum Göttlichen.

[My Father's Country](#) Berghahn Books

This book focuses on the trials and tribulations of Albania's efforts to create a democratic political order. It assesses the degree and significance of changes since the early 1990s, providing a detailed account of the transition from Communist Party rule to multiparty competition.

[Readings in Economic Sociology](#) Forgotten Books

This is the first full account of a country that, following decades of isolation, has undergone unprecedented changes to its political system: the collapse of communism, the progression to multi-party elections and the upheaval that followed the March 1997 uprising. Miranda Vickers traces the history of the Albanian people from the Ottoman period to the formation of the Albanian Communist Party. She considers the charismatic leadership of Enver Hoxha; Albania's relationship with Tito and the alliance with the Soviet Union and then China; and the long period of isolation. Newly revised for this paperback edition, *The Albanians* considers the gradual process of reform and the fragility of the Albanian experiment with democracy, and includes a dramatic account of the days leading up to Sali Berisha's resignation of the presidency. It has now been updated to cover the crisis in Kosovo that has led to the first 'Western' war in Europe since 1945.

[The Albanians](#) Pushkin Press

Combining the perspectives of 18 international scholars from Europe and the United States with a critical discussion of the role of culture in international relations, this volume introduces recent trends in the study of Culture and International History. It systematically explores the cultural dimension of international history, mapping existing approaches and conceptual lenses for the study of cultural factors and thus hopes to sharpen the awareness for the cultural approach to international history among both American and non-American scholars. The first part provides a methodological introduction, explores the cultural underpinnings of foreign policy, and the role of culture in international affairs by reviewing the historiography and examining the meaning of the word culture in the context of foreign relations. In the second part, contributors analyze culture as a tool of foreign policy. They demonstrate how culture was instrumentalized for diplomatic goals and purposes in different historical periods and world regions. The essays in the third part expand the state-centered view and retrace informal cultural relations among nations and peoples. This exploration of non-state cultural interaction focuses on the role of science, art, religion, and tourism. The fourth part collects the findings and arguments of part one, two, and three to define a roadmap for further scholarly inquiry. A group of "commentators" survey the preceding essays, place them into a larger research context, and address the question "Where do we go from here?" The last and fifth part presents a selection of primary sources along with individual comments highlighting a new genre of resources scholars interested in culture and international relations can consult.

[Dieter Roth und die Musik : Harmonica Curse](#) Purdue University Press

Mia Holl lives in a state governed by The Method, where good health is the highest duty of the citizen. Everyone must submit medical data and sleep records to the authorities on a monthly basis, and regular exercise is mandatory. Mia is young and beautiful, a successful scientist who is outwardly obedient but with an intellect that marks her as subversive. Convinced that her brother has been wrongfully convicted of a terrible crime, Mia comes up against the full force of a regime determined to control every aspect of its citizens' lives.
