*The Life of
 Hunger*
 Bloomsbury
 Publishing
 USA
 The
 phenomenal

New York
 Times
 bestseller that
 “explores the
 upstairs-
 downstairs
 goings-on of a
 posh Parisian
 apartment
 building”
 (Publishers
 Weekly). In an
 elegant hôtel

particulier in
 Paris, Renée,
 the concierge,
 is all but
 invisible—short,
 plump,
 middle-aged,
 with bunions
 on her feet
 and an
 addiction to
 television
 soaps. Her

only genuine attachment is to her cat, Leo. In short, she's everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth.

Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if

obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and "teaches philosophical lessons by shrewdly

exposing rich secret lives hidden beneath conventional exteriors” (Kirkus Reviews). “The narrators’ kinetic minds and engaging voices (in Alison Anderson’s fluent translation) propel us ahead.” —The New York Times Book Review “Barbery’s sly wit . . . bestows lightness on the most ponderous cogitations.” —The New Yorker

 Earthscan
 As the daughter of a Belgian diplomat, Amelia Nothomb had an itinerant childhood, ranging from Tokyo to Peking, and Paris to New York. Recounting these formative journeys, 'The Life of Hunger' is both a fictional memoir and an examination of the self." *Tomboy* Brill
 Provides a diagnostic tool for readers to assess their business

model and usher it through a six-stage continuum toward openness. This book also identifies the barriers to creating open business models (such as the not invented here syndrome and the not sold here virus) and explains how to surmount them.
Conversations with Anorexics
 Aurora Metro Books
 « J'étais en guerre contre ma propre personne. L'anorexie, les vomissements

, les crises de boulimie, la mutilation, les abus de médicaments, c'étaient des bombes que je lançais sur moi. » C'est l'histoire d'une femme qui n'avait eu aucun problème avec son corps et l'alimentation jusqu'à ses 25 ans. Un jour, elle est tombée dans la jouissance face à la perte de poids, et elle a creusé sa tombe. En trois ans, elle a connu l'isolement, la sonde, les toilettes fermées à clé, les barreaux aux fenêtres, les soignants parfois infantilisans, la solitude, la colère, les cris, les rechutes, la boulimie, la dépression. Mais elle a aussi connu la reconstruction, les ateliers thérapeutiques, le suivi psychologique, les soignants bienveillants et formidables, les rencontres, l'espoir, le courage, la reprise d'un travail à la hauteur de ses espérances, les relations sociales, la résilience, la rémission. The Best Medicine Is You St. Martin's Press Telle la foudre, l'anorexie s'abat dans une famille heureuse et unie. Stupeur, incrédulité, incompréhension face à cette maladie cruelle et inexplicable. Ce livre raconte la lutte incessante de chaque jour, de chaque instant pour la vie de Vanessa, menée par elle-même d'abord, mais aussi par ses

parents, ses
sœurs, ses
amis, face à la
folie
destructrice
de l'anorexie.
Après le
terrible
verdict, sa
maman
raconte la vie
au jour le jour,
avec ses
hauts et ses
bas, l'espoir et
le désespoir,
la solitude, la
révolte et le
combat, mais
toujours
l'amour et la
tendresse.
L'anorexie, qui
frappe de plus
en plus de
jeunes, peut
arriver à
n'importe qui,
à n'importe
quel moment.
A la famille et
à l'entourage

de ces jeunes,
l'auteur
souhaite dire
qu'aujourd'hui
ils ne sont pas
seuls, mais
qu'il existe
des équipes
soignantes,
des
associations
qui peuvent
aider,
partager,
comprendre et
surtout
écouter. Cet
ouvrage
s'adresse
aussi aux
médecins, aux
parents,
professeurs,
éducateurs,
afin qu'ils
soient
vigilants... et
humains.
Comme la
plupart des
maladies,
l'anorexie se

soigne mieux
et rapidement
si elle est
prise à temps.
Malgré la
disparition
tragique de
Vanessa, ce
livre est un
témoignage
poignant
d'amour, de
courage, de
foi et d'espoir.

The #1
international
bestseller In
his
appointments
with patients,
Dr. Saldmann
noticed that
illness was
like a third
person in the
doctor-patient

relationship. Patients expected him to prescribe medication to rid them of their illness or treat their symptoms, but didn't expect to have to change their behaviour. Medication alone, patients assumed, would do the work of healing. The *Best Medicine Is You* shows how small, basic changes—from eating chocolate in the morning to sleeping well at night—can

improve your health, protect against disease, and help you lead a happier life. Your health is in your hands. *Must-Know French New Directions Publishing* Francis Bacon is Deleuze's long-awaited work on Bacon, widely regarded as the one of the most radical painters of the twentieth century. The book presents a deep engagement with Bacon's work and the nature of art. Deleuze analyses the distinctive

innovations that came to mark Bacon's style while introducing a number of his own famous concepts. Deleuze links Bacon's work to Cezanne's notion of a "logic" of sensation, which reaches its summit in colour. Investigating this logic, Deleuze explores Bacon's crucial relation to past painters such as Velasquez, Cezanne, and Soutine, as well as Bacon's rejection of

expressionism and abstract painting. The Elegance of the Hedgehog Oxford Handbooks of Political Since the publication of her first novel in 1992, Amélie Nothomb continues to engage and to provoke her readers through her exploration of the fluid boundaries between beauty and monstrosity, good and evil, fable and reality, as well as by her fascinating presentation of childhood, anorexia, and the abject. In Amélie Nothomb: Authorship, Identity and Narrative Practice, the first full-length study in English of Nothomb's work, these elements are presented and interpreted from a variety of perspectives, with the contributors focusing on a single novel or comparing different texts. Comprised of a collection of essays on her autobiographical and fictional works, with contributions from her anglophone translators, it also includes an interview with the author, a preface by the eminent writer and critic, Jacques de Decker and a bibliography of secondary works. Nothomb's works and the critical responses to them are contextualized in a general introduction and organized under the following key themes: autobiography and gender identity,

representations of the body, and narrative practice. This collection is an essential resource for students and scholars of twentieth-century contemporary literature and gender studies.

Francis Bacon A&C Black
After the death of their father, two sisters struggle with various issues, including their family history, personal relationships, and an extreme eating disorder.

Sobibor Open Road + Grove/Atlantic
According to ancient Japanese protocol, foreigners deigning to approach the emperor did so only with fear and trembling. Terror and self-abasement conveyed respect. Amélie, our well-intentioned and eager young Western heroine, goes to Japan to spend a year working at the Yumimoto Corporation. Returning to

the land where she was born is the fulfillment of a dream for Amélie; working there turns into comic nightmare. Alternately disturbing and hilarious, unbelievable and shatteringly convincing, Fear and Trembling will keep readers clutching tight to the pages of this taut little novel, caught up in the throes of fear, trembling, and, ultimately, delight.

Nothomb St. Martin's Press
 La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des éditeurs et la liste des collections de langue française. *The Aesthetics of Movement* St. Martin's Press
 A brilliantly written family epic that won France's Prix Femina and was shortlisted for the Orange Prize. "An immaculate novel" (The Guardian). In a profound and poetic story, internationally acclaimed and bestselling author Nancy Huston traces four generations of a single family from present-day California to WWII-era Germany. *Fault Lines* begins with Sol, a gifted, terrifying child whose mother believes he is destined for greatness partly because he has a birthmark like his dad, his grandmother, and his great-grandmother. When Sol's family makes an unexpected trip to Germany, secrets begin to emerge about their history during World War II. It seems birthmarks are not all that's been passed down through the bloodlines. Closely observed, lyrically told, and epic in scope, *Fault Lines* is a touching, fearless, and unusual novel about four generations of children and their parents. The story moves from the West Coast of the

United States to the East, from Haifa to Toronto to Munich, as secrets unwind back through time until a devastating truth about the family's origins is reached. Huston tells a riveting, vigorous tale in which love, music, and faith rage against the shape of evil. "Huston's powerful novel combines the pacing of a thriller with the emotional intricacies that are the hallmark of the best

family stories." —Booklist, starred review
Fault Lines
 Bitter Lemon Press
 "When Myriam, a French-Moroccan lawyer, decides to return to work after having children, she and her husband look for the perfect caretaker for their two young children. They never dreamed they would find Louise: a quiet, polite and devoted woman who sings to their children,

cleans the family's chic apartment in Paris's upscale 10th arrondissement, stays late without complaint and is able to host enviable birthday parties. The couple and nanny become more dependent on each other. But as jealousy, resentment and suspicions increase, Myriam and Paul's idyllic tableau is shattered." -- Publisher's description.

Totality and Infinity
 McGraw Hill Professional
 #1 French Bestselling author of The Reunion 'It's no wonder that Guillaume Musso is one of France's most loved, bestselling authors'
 Harlan Coben
 Just a few months ago, Tom Boyd was a multi-million-selling author living in LA, in love with a world-

famous pianist. But after a very public break-up he's shut himself away, suffering from total writer's block, with only drink and drugs for company. One night, a beautiful, naked stranger appears in Tom's house. She claims to be Billie, a character from his novels, who has fallen into the real world because of a printer's error in his latest book. Crazy as her story sounds; Tom comes to see

that this must be the real Billie. And she wants to strike a deal with him: if he writes his next novel she can go back to the world of fiction; in return she will help him win back his beloved Aurore. What does he have to lose?

Loving Sabotage
 Europa Editions
 From Publisher's Weekly: This posthumous collection of case material illustrates the treatment modality successfully

employed by psychiatrist Bruch with patients suffering from the eating disorder of anorexia. Two of her associates at Baylor College of Medicine in Houston have edited this final work, taped by the author before her death in 1984. Bruch makes the reader privy to the therapeutic transaction between her patients who are in what she describes as "the relentless pursuit of thinness."

Emphasizing the conversational ambiance of the therapy and discounting heretofore unsuccessful approaches of psychoanalysis and behavior modification, she helped her patients to heal. The dramatic dialogues in the cases presented allow us to hear these desperate young anorexic women individually explore their thwarted development, under the direction of a

compassionate physician who guides them towards wellness.

InterEditions
"A terrific introduction to the Buddha's teachings."
—Paul Blairon, California Literary Review
This indispensable volume is a lucid and faithful account of the Buddha's teachings.
"For years," says the Journal of the Buddhist

Society, “the newcomer to Buddhism has lacked a simple and reliable introduction to the complexities of the subject. Dr. Rahula’s *What the Buddha Taught* fills the need as only could be done by one having a firm grasp of the vast material to be sifted. It is a model of what a book should be that is addressed first of all to ‘the educated and intelligent reader.’ Authoritative and clear, logical and

sober, this study is as comprehensive as it is masterly.” This edition contains a selection of illustrative texts from the Suttas and the Dhammapada (specially translated by the author), sixteen illustrations, and a bibliography, glossary, and index. “[Rahula’s] succinct, clear overview of Buddhist concepts has never been surpassed. It is the standard.”
—Library Journal

Boulimie - Anorexie - Guide de survie pour vous et vos proches A&C Black
A dark rural tale of superstition that ends on the battlefields of the Somme. *The Character of Rain* Jason Aronson, Incorporated
The seven year old daughter of diplomats posted to Peking "concocts a fantasy life as rich as her surroundings are bleak," and on one of her rounds, she meets a

young Italian girl, Elena, who is "beautiful, aloof, disdainful of	silly games. Our heroine is instantly infatuated, and comes to realize the only fight	worthy of her energies is shattering Elena's indifference."- -Jacket.
