A Transforming
Knowledge of the
Living God The
timeless appeal of this
classic book, written by
a preacher with a

worldwide ministry
during the first half of
the twentieth century,
demonstrates the deep
hunger for a saving
knowledge of God
present in each
generation. Arthur Pink
sought to give readers
not just a theoretical
knowledge of God but
pointed them toward a
personal relationship of
yielding to him and

living according to his biblical precepts. Pink's book explores attributes such as God's decrees, foreknowledge, sovereignty, holiness, grace, and mercy, among many others, all packaged in a style especially useful for pastors, teachers, and Bible students. Our God who is above all names cannot be found through human searching alone, Pink teaches, but can be known only as he is revealed by the Holy Spirit through his living Word.

Revelation

A stranger with a striking appearance arrives in the small village of Bramblehurst on a cold, snowy day. His face is completely covered in bandages, with only a fake nose

protruding. The villagers wonder why he is disguised, and when mysterious burglaries begin to occur, they decide to unmask the stranger. What they discover is not just a man trapped by his own creation, but a chilling reflection of the unsolvable secrets deep within human nature. The Invisible Man is a timeless classic that not only entertains and thrills, but also sheds light on questions of human nature and the dangers that arise when the boundaries of science are crossed. It is a captivating and thought-provoking reading experience that has challenged readers for generations to contemplate their own life choices. H. G. WELLS [1866-1946] was a British author

and pioneer in the science fiction genre. His works, including *The Time Machine* and *The War of the Worlds*, delved into futuristic and societal critique themes. Wells's visionary portrayals of technology, social structures, and extraterrestrial life made him one of the most influential writers in his field and a precursor to modern science fiction.

Master poet Antonio

Machado y Ruiz is

widely regarded as one of the twentieth-century's greatest Spanish writers. His collection of poems celebrating the region of Castile made him one of the primary voices of the Generation of 1898 — a brilliant group of writers dedicated to Spain's moral and

cultural rebirth after the Spanish-American War. Machado's lyrical Campos poems, tinged with nostalgic melancholy, are powerfully introspective and meditative, revealing an evolution away from his previously ornate, Modernist style. With these magnificent poems, Machado moved toward a simpler, more authentic approach that would later distinguish all of his works. This unabridged edition of Machado's landmark Campos de Castilla is presented in a dual-language format which features an excellent new translation on pages facing the Spanish original. A fully informative introduction and comprehensive notes

by the translator are also included.

Yesterday. Today. Tomorrow. God loves you perfectly, all the time. But if you sometimes feel unworthy, struggle with self-doubt, or believe He's mad at you, Joyce Meyer, #1 New York Times bestselling author, wants to help you embrace the power of knowing God's total acceptance. No matter what you have done or where you are in your life's journey, you are meant to receive this gift. God's Word says that His love for you is unchanging and He loves you simply because He wants to. In PERFECT LOVE, Joyce reveals how you can develop the

certainty that God loves you fully and unconditionally-right now. Combining her own personal experience with biblical insights, she'll help you increase your understanding of God's genuine character so that you can live more fully, enjoy a lasting sense of confidence, and experience His love on an entirely new level. Chapter titles include: Learning to See Clearly Be the Person God Meant You to Be Developing Your Potential Amazing Grace Getting Comfortable with God "God loves you perfectly and unconditionally right now!" --Joyce Meyer *Dios habla conmigo sobre el consuelo* Thomas Nelson An evocative and unforgettable memoir

from award-winning journalist Carlos Frías about his journey to Cuba where he retraces his family's history and encounters the realities of Cuba under Fidel Castro's rule. Carlos Frías, an award-winning journalist and the American-born son of Cuban exiles, grew up hearing about his parents' homeland only in parables. Their Cuba, the one they left behind four decades ago, was ethereal. It existed, for him, only in their anecdotes, and in the family that remained in Cuba—merely ghosts on the other end of a telephone. Until Fidel Castro fell ill. Sent to Cuba by his newspaper as the country began closing to foreign journalists in August 2006, Frías begins the

secret journey of a lifetime—twelve days in the land of his parents. That experience led to this evocative, spectacular, and unforgettable memoir. *Take Me With You* is written through the unique eyes of a first-generation Cuban-American seeing the forbidden country of his ancestry for the first time. Frías provides a fresh view of Cuba, devoid of overt political commentary, focusing instead on the gritty, tangible lives of the people living in Castro's Cuba. Frías takes in the island nation of today and attempts to reconstruct what the past was like for his parents, retracing their footsteps, searching for his roots, and discovering his history.

The story creates lasting and unexpected ripples within his family on both sides of the Florida Straits—and on the author himself.

When bestselling author Joyce Meyer posted "God's not mad at you" on Facebook, she didn't anticipate that her words would

trigger thousands of responses of gratitude and relief. Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge. In **GOD IS NOT MAD AT YOU**, Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval. She explores the source of this confusion, so His genuine character can be better understood and His love can be experienced on an entirely new level. Chapter titles include:
 * Perfectionism and Approval
 * The Pain of Rejection
 * Guilt and Shame
 * Developing Your Potential
 * Run to God, Not from Him
 * Getting Comfortable with God
 "It is important for us to

remember that God's anger is directed toward our sinful behavior rather than toward us. If you feel guilty right now and are afraid that God is mad at you, then you are miserable. But your misery can be immediately changed to peace and joy by simply believing God's Word. Believe that God loves you and that He is ready to show you mercy and forgive you completely. Believe that God has a good plan for your life. Believe that God is not mad at you!" --Joyce Meyer

 With more than one million copies sold, *When God Doesn't Make Sense* is an immensely practical book for those who are

struggling with trials and heartaches they can't understand. Why does disease, natural disaster, divorce, rejection, death, or some other sorrow seep into our lives when we are trying to serve the Lord? It just doesn't seem fair! This book deals unflinchingly with life's most troubling question—"Why?" Drawing on his long experience as a Christian psychologist and family counselor, Dr. Dobson brings hope to those who have almost given up. When God Doesn't Make Sense also helps believers avoid the "betrayal barrier"—the sense that God is abandoning them amid the storms of life. Now with a new foreword by R. T. Kendall.

[The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy](#) Orbis Books

A wildly original, fantastical adventure—and now an animated move, Jack and the Cuckoo-

Clock Heart—this international bestseller will charm readers of all ages. Edinburgh, 1874. Born with a frozen heart, Jack is near death when his mother abandons him to the care of Dr. Madeleine—witch doctor, midwife, protector of orphans—who saves Jack by placing a cuckoo clock in his chest. And it is in her orphanage that Jack grows up among tear-filled flasks, eggs containing memories, and a man with a musical spine. As Jack gets older, Dr. Madeleine warns him that his heart is too fragile for strong emotions: he must never, ever fall in love. And, of course, this is exactly what he does: on his tenth birthday and with head-over-

heels abandon. The object of his ardor is Miss Acacia—a bespectacled young street performer with a soul-stirring voice. But now Jack's life is doubly at risk—his heart is in danger and so is his safety after he injures the school bully in a fight for the affections of the beautiful singer. Now begins a journey of escape and pursuit, from Edinburgh to Paris to Miss Acacia's home in Andalusia. Mathias Malzieu's *The Boy with the Cuckoo-Clock Heart* is a fantastical, wildly inventive tale of love and heartbreak—by turns poignant and funny—in which Jack finally learns the great joys, and ultimately the greater costs, of owning a fully formed heart.

"In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love

constantly impels us to find new ways forward. Praise be to him!" - Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si'*: On the Care of Our Common Home, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for "the ethical and spiritual itinerary that follows." *Laudato Si'* outlines: The current state of our "common home"

Take Me with You

God Talks with Me
about Friendship

Hearing the voice of God is not as difficult as some might think. It may even happen without our realization.

As God has spoken throughout the ages, He continues to speak today in many different

ways, including through an impression in a person's spirit or through a passage of Scripture or via a prophetic dream. Since we were created to

commune with God, He longs for us to draw near to Him so that we can know His heart and understand His will for our lives.
