Illusive BoD - Books on Demand

In the last decade it has evolved from James' individual attempt to understand the clash of ancient and modern cultures he witnessed growing up in Australia to what it is today - a powerful expression of partnership and reconciliation in action through art, music and film that has become a global example of true collaboration across deep cultural divides. From its humble beginnings as a photographic and film exhibition in New York in 1999, NOMAD TWO WORLDS endured the years leading up to the global event known in the political narrative simply as The Apology, the 2008 public apology made to Indigenous Australians

by the then Australian Prime Minister, Kevin Rudd. Developing NOMAD TWO WORLDS has involved a decade of groundwork, including travel to remote regions of northern Western Australia with senior Indigenous custodians who have provided access to sites of great cultural significance to the Aboriginal people of that region. Burial grounds, gorges, stunning coastlines and desert locations, often restricted and secret, were allowed to be photographed and filmed by James in the spirit of meaningful reconciliation. The result, an unprecedented artistic collaboration of hand embellished art photographs, form the heart of a NOMAD TWO WORLDS installation. The ABC Documentary released in 2011 'Becoming Jangala' is a detailed look back at the creation of NOMAD TWO WORLDS and the special bond between Bieundurry and James and can be viewed

on this site.

Community and Identity at the Edges of the Classical World Indiana University Press

The Harpsichord and Clavichord, An Encyclopedia includes articles on this family of instruments, including famous players, composers, instruments builders, the construction of the instruments, and related terminology. It is the first complete reference on this important family of keyboard instruments. The contributors include major scholars of music and musical instrument history from around the world. It completes the three-volume Encyclopedia of Keyboard Instruments.

Berlino dpunkt.verlag

This is a richly illustrated history of the clavichord, the forerunner of the modern piano.

Listening as Spiritual Practice in Early Modern Italy Cambridge University Press

Dorothe and Martin Hellman reveal the secrets that allowed them to transform an almost failed marriage into one where they reclaimed the true love that they felt when they first met fifty years ago. Surprisingly, they found that working on interpersonal and international challenges at the same time accelerated progress on both.

Christian Tagliavini. Ediz. illustrata IGI Global

The Romance languages offer unique potential for empirical analysis and methodological innovation within the vast field of linguistics, due to the survival of a large body of historical documentation, the rich diversity of dialects and languages, and the exceptional quality of the research undertaken to date. However, these same factors have led to an ever-increasing

volume of material available for study, requiring the establishment of a shared canonical knowledge base. This companion offers a balanced overview of the core subjects and the methodology which make up the field of Romance linguistics. It provides a solid foundation in the discipline as well as easy and convenient access to highly-specialised areas of research by means of systematic references to the latest handbooks and encyclopedias. The companion is designed to be read from cover to cover or to be consulted for information on specific topics. Advanced students, early-career researchers, lecturers, specialists of other languages, philologists, and historians alike will all benefit from this accessible and up-to-date reference work, as it enables readers to contextualise any knowledge of the discipline they may already possess.

Acetic Acid and its Derivatives Walter de Gruyter GmbH & Co KG
In this volume the author looks at the rise of a cultivated audience whose skill involved listening rather than playing or singing, in the early 17th century.

Art & Industry in Early America Bloomsbury Publishing
In seventeenth-century London, Coriander, a girl who has inherited magic from her mother, must find a way to use this magic in order to save both herself and an inhabitant of the fairy world where her mother was born.

Pablo Tac, Indigenous Scholar John Wiley & Sons
Over the past four years, Illusive and Illusive 2 have documented the flourishing discipline of illustration and established its expressive, poetic and esteemed voice in contemporary visual culture. They introduced world-class illustrators of the time as well as discovering fresh talent still yet to be found by the

mainstream. The third volume of the series, *Illusive: Edition 2010* further documents the thriving medium of contemporary illustration with work by illustrators curated from around the globe.

A New Companion to the Romance Languages Lonely Planet
Fotoboek over de serie Xteriors van de Nederlandse fotografe Desirée Dolron (1963), gemaakt tussen 2001 en 2005.

Early Keyboard Instruments John Wiley & Sons

The New Grove Musical Instruments Series, a companion to the much-acclaimed New Grove Composer Biography Series, presents in book form many of the lengthy and informative articles published in The New Grove Dictionary of Musical Instruments. Each book is a comprehensive guide to all facets of an instrument: its history, construction, repertory, playing techniques, and makers, written by leading authorities.

Circesque Te Neues Publishing Company

This comprehensive research guide surveys the most significant published materials relating to Giuseppe Verdi. This new edition includes research since the publication of the first edition in 1998.

De Clavicordio 4 EDT srl

As the 21st century begins, we are faced with opportunities and challenges of available technology as well as pressured to create strategic and tactical plans for future technology. Worldwide, IT professionals are sharing and trading concepts and ideas for effective IT management, and this co-operation is what leads to solid IT management practices. This volume is a collection of papers that present IT management perspectives from professionals around the world. The papers seek to offer new

ideas, refine old ones, and pose interesting scenarios to help the reader develop company-sensitive management strategies.

The Harpsichord and Clavichord Yale University Press

A glittering cultural tour of Europe's major capitals during a period of intense musical change. This volume continues the study of the eighteenth century begun in Haydn, Mozart, and the Viennese School 1740-1780 (1995) by focusing on the capital cities other than Vienna that were most important in the creation and diffusion of new music. It tells of events in Naples, where Vinci and Pergolesi went beyond their pre-1720 models to cultivate opera in a simpler, more direct manner, soon after christened the galant style. No less central was Venice, where Vivaldi perfected the concerto, on which were patterned the early symphonies and the newer kind of sonata. Dresden profited first from all these achievements and became, under Hasse's direction, the foremost center of Italian opera in Germany. Mannheim with its great orchestra did much to shape the modern symphony. A few years later, Paris became paramount, especially for its Opéra-Comique; during the 1770s the Opéra provided Gluck with a stage on which to cap his long international career. The book concludes with a description of Christian Bach in London, Paisiello in Saint Petersburg, and Boccherini in Madrid. This long-awaited book offers a view of eighteenth-century music that is broad and innovative while remaining sensitive to the values of those times and places. One comes away from it with an understanding of the European context behind the triumphs of Haydn and Mozart. Lavishly illustrated with music examples and reproductions, both in black-and-white and color, this master study will be of inestimable importance to scholars, cultural

historians, performers, and all music lovers.

A New Map for Relationships Univ of California Press

- Over 200 magnificent black-and-white photos, personally selected by star photographer Vincent Peters - Collector's Edition with an elegant linen finish - Iconic celebrity portraits: Emma Watson, Scarlett Johansson, Charlize Theron, John Malkovich and many more Vincent Peters' photographs have left the fast-moving trends of fashion photography behind and become timeless works of art. Born in Bremen in 1969, Peters has been one of the most sought-after fashion and portrait photographers for over 25 years. With his signature black-and-white photography and exquisite lighting, his portraits look like snapshots from classic movies. Supermodels, stars, and legends have all stood before his camera -- from Penélope Cruz and Rosamund Pike to Mickey Rourke and Matt Dillon. This new Collector's Edition with luxurious linen finish expands on Peters' bestselling book with 30 new images, all personally selected by Peters. A collection of astonishing portraits, in which the intimate urgency of the moment creates a timeless image.

Desirée Dolron : xteriors W. W. Norton & Company

Der Auftakt dieses Romans ist ein Brief der Protagonistin Emmy, und dieser Brief kommt aus Zypern, einem von mehreren Fluchtorten (u.a. auch aus einem Frauenkloster in Griechenland), die sie nach für sie unerfreulichen Ereignissen und einer Sinnkrise freiwillig mehrere Monate lang aufgesucht hat. Wie konnte es zu diesem Ausbruch aus der sogenannten Normalität kommen? Vorausgegangen sind vielfältige und aufregende Begebenheiten. Fremdgehen und Eifersucht, Korruption in Politik und Unternehmertum, große Show in der Modebranche, Kleintheatermilieu,

boshaftes Feuilleton und vieles mehr sind die Ursachen für das turbulente Geschehen. Auch ein nicht ganz aufgeklärter Mord gehört zu diesen Ereignissen. Der aus all dem resultierende Entschluss zur Flucht aus dem Alltag der Hauptfigur Emmy hat viele grundlegende Erfahrungen und intensive Nachdenklichkeit zur Folge. Umgeben ist sie, die die Inhaberin eines exzellenten Mode-Labels ist, von Personen der widersprüchlichsten Charaktere. Da gibt es z.B. den selbstherrlichen Immobilienunternehmer, einen Schauspieler, der wunderliche Auftritte veranstaltet, eine Sekretärin, die mit simpler Erotik schwere Unruhe stiftet und einen impertinenten Feuilleton-redakteur.

Alzheimer's Disease Bada Publishing

- After the eponymous first book by artist Christian Tagliavini, which was also published by teNeues in 2018, the second to his latest photo series Circesque is now published - The exceptional artist, whose art uniquely combines craft, photography and stage design, dedicates himself here to the actors of the circus world - Sometimes enigmatic, sometimes touching, always rich in detail and stylistically driven to the extreme, these latest works of the Swiss fascinate his viewers anew Circesque is a celebration of an idea Christian Tagliavini had in 2008 and resulted in his photographic series of the same title produced in 2019. Exploring the world of the circus, this specially crafted book is a unique invitation for the reader to form their own stories through exquisitely detailed costumes, unexpected props, and a glimpse of the people behind the greasepaint and powder. Circesque, explores the untold lives of circus folk. Stripped of the tired clichés of circus life, these mise-en-scène portraits reveal the

human behind the archetype. The images betray the protagonists' innermost feelings as they mount the platform, put themselves on the line, and take the risk: all under the watchful eye of their audience. Acrobats. Trapezists. High-wire performers. Escape artists. Tattooed ladies. Jugglers. Nature-defying contortionists. All present and accounted for as in any traditional Big Top. But a closer look reveals some unusual details.

Gels in the Conservation of Art Routledge

Striking a balance between basic chemistry and chemical engineering, this up-to-date reference discusses important aspects of acetic acid and its major derivatives, including chemistry, methods of preparation and manufacture, and synthesis, as well as current and emerging downstream technologies.;The book provides comprehensive physical property da

Sie planen einen Städtetrip nach Stockholm? Oder lieben Sie die schöne Hauptstadt Schwedens bereits und kennen sie wie Ihre Westentasche? Sie werden überrascht sein, was es in Stockholm (noch) alles zu entdecken gibt! Wie könnte ein perfekter Tag in Stockholm aussehen? Ein perfekter Tag in Stockholm könnte ganz gemütlich mit einem Frühstück im vornehmen Vete-Katten beginnen, mit Zimtschnecken und reichlich Kaffee. Danach bummeln Sie durch das Herz der Stadt, am zerlumpten Fuchs vorbei über die Fußgängerbrücke Riksbron zum Parlament und weiter auf die Altstadtinsel Gamla Stan. Wenn Sie früh genug dran sind, können Sie dem großen Andrang in den engen Gassen und auf dem Stortorget, dem wohl stimmungsvollsten Platz der Stadt, entgehen. Bevor es dann zu voll wird, fahren Sie mit der Fähre in wenigen Minuten über das Wasser nach Djurgården. Wer sich für keines der vielen Museen dort entscheidet, sollte einen Spaziergang über die fast ländliche Insel zu Rosendals Trädgård machen und im Gartencafé unter hundertjährigen Obstbäumen Mittagspause machen. Von dort ist es nicht mehr weit zur etwas abgelegenen, aber einen Besuch lohnenden Thielska Galerie in ihrer weißen Jugendstilvilla. Den Abend verbringen Sie dann auf der lebhaften Insel Södermalm: Nach einem Einkaufsbummel durch das Kreativen-Viertel Soho gönnen Sie sich einen Drink in

einer der vielen Bars. Oder Sie essen im Museum Fotografiska zu Abend, dessen Restaurant eine der schönsten Aussichten auf Stadt und Meer bietet. Unser Reiseführer führt Sie auf Ihrer Städtereise zu Orten, von denen viele bald zu Ihren Lieblingsorten werden und zu denen Sie immer wieder zurückkehren möchten. Erkunden Sie beliebte und außergewöhnliche Sehenswürdigkeiten, genießen Sie die besten Cafés, Restaurants und Bars, flanieren Sie über die schönsten Märkte und entdecken Sie versteckte Plätze und Parks.

I, Coriander Routledge

This book consisting of 21 articles is the result of three different symposia held in Zadar (2013), Moscow (2014) and Strasbourg (2016) with focus on two major topics: Glottogenesis and Conflicts in Europe and Safeguarding and protection of European lesser-used languages as formulated in the 1992 EU-Charter. PART I: Univ. of Zadar GLOTTOGENESIS ON THE EUROPEAN CONTINENT: General Introduction (Ureland), Hamel: From the Ice Age to modern languages SOUTHERN EUROPE: Genesis of French (Schmitt), Italian (Agresti, Begioni) and Spanish (Lüdtke) SOUTH-EASTERN EUROPE: Genesis of Croatian (Socanac, Granic, Skelin Horvat/Simicic; Skevin/Markovic; Bulgarian (Choparinova) EASTERN EUROPE: Genesis of Russian (Oleinichenko, lamshanova) CENTRAL EUROPE: Genesis of Germanic (Krasukhin) WESTERN AND CENTRAL EUROPE: Genesis of (Celtic): (Broderick) NORTHERN EUROPE: Genesis of North Sámi (Weinstock) PART II: Linguistic Institute of the Academy of Sciences Moscow Introduction (Ureland); Report on the Moscow Round Table (De Geer); The LSJ-Project (Steller) PART III: René Schickele-Gesellschaft and Council of Europe, Strasbourg Introduction
