The Way of Youth

ReadHowYouWant.com

Gleaned from more than fifty years of SGI President Ikeda's works, *The Wisdom for Creating Happiness and Peace* provides a window into the SGI president's thought and philosophy. His words are a boundless source of inspiration. They embody a universal message of hope and courage for a world increasingly beset with sorrow and suffering. Chapters in this volume: "What Is Human Revolution?" "It Is the Heart That Is Important" "Buddhism Is About Winning" "Transforming Karma Into Mission" "Illness Gives Rise to the Resolve to Attain the Way" "The Principle of Cherry, Plum, Peach, and Damson" "You Will Grow Younger, and Your Good Fortune Will Accumulate" "Faith for Overcoming Obstacles" "Faith for a Harmonious Family" "Making the Most of Each Day" "Message for Youth"

Hope is a Decision Watkins Media Limited

This introduction to Nichiren Buddhism explores the philosophical intricacies of life and reveals the wonder inherent in the phases of birth, aging, and death. Core concepts of Nichiren Buddhism, such as the 10 worlds and the nine consciousnesses, illustrate the profundity of human existence. This book provides Buddhists with the tools they need to fully appreciate the connectedness of all beings and to revolutionize their spiritual lives based on this insight. Also explored are how suffering can be transformed to contribute to personal fulfillment and the well-being of others and how modern

scientific research accords with ancient Buddhist views. Ultimately, this is both a work of popular philosophy and a book of compelling, compassionate inspiration for Buddhists and non-Buddhists alike that fosters a greater understanding of Nichiren Buddhism. This replaces 0751513741.

Buddhism Middleway Press

A beautiful collection of quotations, insights and short tales which form an attractive introduction to Buddhism in all its richness and variety. Great for the newcomer and a multifaceted pick-me-up for the more experienced practitioner. Buddhism has influenced Western thinking like no other Eastern religion. Even people who have no interest in adopting it wholeheartedly acknowledge the wisdom of its philosophical insights. *365 Ways to Live a Buddhist Life* covers basic themes of universal relevance such as: the beauty of nature, good and bad karma, the importance of empathy, how to deal with stress and anxiety, how to meditate successfully, how to be happy, and the joy to be found in service to others. Alongside these "pearls" of practical advice there are "lanterns": lucid explanations of key Buddhist concepts that illuminate Buddhist belief and practice, and enlightening accounts of key moments, such as the Buddha's sermon in the Deer Park. The book itself is compact, attractive and beautifully illustrated. Full of accessible Eastern wisdom, this book will help you to find the road to inner peace and happiness. [The Way of Youth](#) Simon and Schuster

Prominent among the topics addressed are economics, the environment, the power of dialogue, the proper role of religion, the compassionate spirit of the bodhisattva, the importance of culture, the role of the United Nations,

disarmament, the sovereignty of the people and the importance of global citizenship."--BOOK JACKET.

The Way of Youth Simon and Schuster
The Way to Buddhahood is a compendium of two thousand years of Chinese practice in assimilating and understanding the Buddhist experience of enlightenment. It is the first in-depth explanation of Chinese Buddhism by Yin-shun, the greatest living master of the Chinese scholar-monk tradition. The master's broad scope not only includes the traditional Chinese experience but also ideas from the Tibetan monastic tradition. This is one of those rare classic books that authentically captures an entire Buddhist tradition between its covers.

How to Practice Sourcebooks, Inc.
The leader of the SGI Nichiren Buddhist movement herein conveys to young people a rare message of optimism about our common future. This Japanese Buddhist leader and peacebuilder challenges readers to examine stereotypes, overcome prejudices and keep open minds to the possibility of a world without violence or war. In intimate essays, the author introduces his personal friends to the reader-- friends who have demonstrated that sincerity and perseverance can achieve dreams of peace. These friends range from household names such as Gandhi to obscure Japanese scholars and priests from El Salvador. He challenges young people to dare to believe that, like these individuals, they can live their ideals. The DVD, ""Another Way of Seeing Things,"" is a film about our common humanity. With historical footage and recreated images, it demonstrates that the exotic, mysterious, threatening "other" whom we regard from afar is simply a human being.

The Heart of the Lotus Sutra Turtleback
Old Path White Clouds presents the life and teachings of Gautama Buddha. Drawn directly from 24 Pali, Sanskrit, and Chinese sources, and retold by Thich Nhat Hanh in his inimitably beautiful style, this book traces the Buddha's life slowly and gently over the course of 80 years, partly through the eyes of Svasti, the buffalo boy, and partly through the eyes of the Buddha himself. Old Path White Clouds is destined to become a classic of religious literature. "I have not avoided including the various difficulties the Buddha encountered, both from his own disciples and in relation to the wider society. If the Buddha appears in this book as a man close to us, it is partly due to recounting such difficulties." - from the author's Afterword.

Soka Education Penguin
This engaging, deeply personal book, illuminating the search for meaning in today's world, offers a rare insider's look at Soka Gakkai Buddhism, one of Japan's most influential and controversial religious movements, and one that is experiencing explosive growth around the world. Unique for its multiethnic make-up, Gakkai Buddhists can be found in more than 100 countries from Japan to Brazil to the United States and Germany. In Encountering the Dharma, Richard Seager, an American professor of religion trying to come to terms with the death of his wife, travels to Japan in search of the spirit of the Soka Gakkai. This book tells of his journey toward understanding in a compelling narrative woven out of his observations, reflections, and interviews, including several rare one-on-one meetings with Soka Gakkai president Daisaku Ikeda. Along the way, Seager also explores broad-ranging controversies arising from the Soka Gakkai's efforts to rebuild post-

war Japan, its struggles with an ancient priesthood, and its motives for propagating Buddhism around the world. One turning point in his understanding comes as Ikeda and the Soka Gakkai strike an authentically Buddhist response to the events of September 11, 2001.

Wide Awake Parallax Press

The Lotus Sutra has been regarded for centuries as one of the most important teachings in Mahayana Buddhism. This book goes beyond theory to show how to bring these teachings into practice in daily life. Containing profound truths for all people from every culture, it reveals the secret for attaining happiness for both oneself and others through the process of self-reformation. Based on the teachings of Nichiren, a 13th-century Buddhist teacher and reformer, the scriptures of the Lotus Sutra show how every person can attain Buddhahood. *Introduction to Buddhism* Middleway Press

Daisaku Ikeda, who offers spiritual leadership to 12 million Soka Gakkai Buddhists throughout the world, responds to the complicated issues facing American young people in a straightforward question-and-answer format. He addresses topics that include building individual character, the purpose of hard work and perseverance, family and relationships, tolerance, and preservation of the environment. Written from a Buddhist perspective, this collection of answers to life's questions offers timeless wisdom to people of all faiths.

Hope Is a Decision Univ of California Press

Life throws a lot at you. . . . Your grades aren't the best, your friend just turned her back on you, your parents are always on your case, your teachers don't

understand what you're going through, the world is falling apart, and you don't know what to do about it. Whatever is freaking you out, you have what it takes to handle it. Not only handle it but thrive because of it, becoming stronger than ever. For decades, SGI President Ikeda has dedicated his life to young people, showing millions how Buddhist wisdom can help them through their struggles. His belief in your intelligence, talent, and passion is boundless, as he knows you hold the keys to humanity's future. The Victorious Teen pulls together hundreds of gems of wisdom that will move you, inspire you, and challenge you. This one-of-a-kind survival guide will provide the tools for you to begin building the life you want. When you're ready to take control of your life, find new ways to face your problems, and emerge victorious, this book is for you.

Understanding Young Buddhists

Middleway Press

What resources do thoughtful parents fall back on when the faith-based religious practices of their youth no longer satisfy their own spiritual needs, and yet they truly want to raise their children with a foundation in some faith-based practice? Thoughtful parents struggle with this basic question: how do we raise our children to have a solid religious footing? The suggestion for guidance made in this book is that really good questions can be the resource parents are looking for. "Pathfinder questions" are the really good questions that not only illuminate the way to go; they actually help create the way to go. Pathfinder questions are one of the resources from the spiritual technology toolkit of the Buddha. This aspect of the Buddhist methodology can be applied to the practice of any faith-based religion without the least conflict or compromise

whatsoever. Pathfinder questions are like a lighthouse beacon. They offer guidance without coercion. The path is illuminated; the obstacles are made clear; but the choice is like the boat captain's whether to sail ahead full speed or not. If the reader chooses to ask the pathfinder questions as a way to guide their children, they will be choosing to sail full speed ahead.

Buddhism for Teens Middleway Press
Divided into a series of distinct steps that will lead spiritual seekers toward enlightenment, *How to Practice* is a constant companion in the quest to practice morality, meditation, and wisdom.

The Way to Nibbana Simon and Schuster

Daisaku Ikeda, who offers spiritual leadership to 12 million Soka Gakkai Buddhists throughout the world, responds to the complicated issues facing American young people in a straightforward question-and-answer format. He addresses topics that include building individual character, the purpose of hard work and perseverance, family and relationships, tolerance, and preservation of the environment. Written from a Buddhist perspective, this collection of answers to life's questions offers timeless wisdom to people of all faiths.

An Introduction to Buddhism

Middleway Press

Buddha is not just an image or a statue of the great enlightened universal teacher, Sakyamuni Buddha, or any other historical Buddha. It also means an enlightened mind that is pristinely aware of the unequivocal reality. Every sentient being has the potential to be awakened to an enlightened mind and to become Buddha. *Learn to be Buddha* presents concepts and practices for Buddhist

practitioners who aspire to attain a pristine mind -- a mind that is fully aware and awakened, in other words, to become Buddha. This is the ultimate goal of Buddhist cultivation. It points to the heart of Buddhism --- to observe the mind with pristine awareness and refrain from engaging with the endless 'arising and ceasing' of unnecessary thoughts. These teachings have been carefully selected to guide Buddhist practitioners towards cultivating a pure mind that is pristinely aware.

Teachings of Venerable Master Shen-Kai (1) BRILL

Few believed it could happen. Most dismissed it as fantasy. But when Josei Toda in 1951 revealed his grand vision to grow the Soka Gakkai in Japan from a membership of a mere three thousand to a membership 750,000 households strong, one young disciple vowed to make it happen. Daisaku Ikeda soon took the lead, and over the course of six years and six major campaigns he blazed the trail for the unprecedented growth of a people's movement for peace. He cared for and inspired each person he met along the way, and soon thousands united with him and his mentor, helping person after person overcome their struggles and find true happiness. These are not only inspiring stories from the past but lay out a formula so that we, in our present and future, can turn our impossibilities into possibilities.

Wide Awake Middleway Press

Young people are the hope of the future. Their passion and power can usher in an age of hope and respect for all people. Over many years, Daisaku Ikeda-- president of the Soka Gakkai International Buddhist association and spiritual leader for millions--has often shared with youth the lessons of life and

faith that he himself has learned. The universal messages in *You Were Born to Win* will inspire youth of all ages and all faiths to find fulfillment and happiness and lead a life of purpose.

The Buddhist Path to Awakening

Shambhala Publications
A straightforward and encouraging description of the path of the Buddha and his followers. Reveals how the Buddha's teaching can help us develop a clearer mind and a more compassionate heart.

Victorious Teen Windhorse Publications
His Holiness the Dalai Lama presents the perfect introduction to traditional Tibetan Buddhist thought and practice,

covering the Four Noble Truths and two essential texts. There is no one more suited to introduce beginners—and remind seasoned practitioners—of the fundamentals of Tibetan Buddhism than His Holiness the Dalai Lama. Speaking to an audience of Western students, the Dalai Lama shows us how to apply basic Buddhist principles to our day-to-day lives. Starting with the very foundation of Buddhism, the Four Noble Truths, he provides the framework for understanding the Buddha's first teachings on suffering, happiness, and peace. He follows with commentary on two of Buddhism's most profound texts: *The Eight Verses on Training the Mind* and *Atisha's Lamp for the Path to Enlightenment*, often referring to the former as one of his main sources of inspiration for the practice of compassion. With clear, accessible language and the familiar sense of humor that infuses nearly all of his work, the Dalai Lama invites us all to develop innermost awareness, a proper understanding of the nature of reality, and heartfelt compassion for all beings. This book was previously published under the title *Lighting the Way*.
