The Truth About Lordship of Christ Thomas Nelson

Every week since the spring of 1994, hundreds have made the pilgrimage to Canada to experience what is now known as "The Toronto Blessing." A worldwide debate has ensued on the strange manifestations associated with the Vineyard movement and the "Holy Laughter" ministry of Rodney Howard-Browne. This investigative report offers a

guide through the complex issues surrounding this international controversy. Professor James Beverley's analysis is based on four years of study of the Vineyard and the Kansas City prophets, including extensive interviews with John Wimber, Paul Cain, Mike Bickle, John Arnott, Randy Clark, Rodney Howard-Browne, Hank Hanegraaff, and other key voices in the furor over Holy Laughter and The Toronto Blessing.

How Can It Be All Right When Everything Is All Wrong? David C Cook
Nearly two decades ago Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmask. We know their names. We have seen their

faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: "God cannot do anything in this earthly realm unless we give Him permission." "Keep saying it—I have equality with God—talk yourself into it." "Being poor is a sin." "The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be the Messiah to the Jews!" "You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen." *Christianity in Crisis: 21st Century* exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: "Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and

postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas."

Anxious for Nothing Thomas Nelson

Professor Brueggemann here examines the literature and experience of an era in which Israel's prophets faced the pastoral responsibility of helping people to enter into exile, to be in exile, and to depart out of exile. He addresses three major prophetic traditions: Jeremiah (the pathos of God), Ezekiel (the holiness of God), and 2 Isaiah (the newness of God). This literature is seen to contain the theological resources for handling both brokenness and surprise with freedom, courage, and imagination. Throughout, Brueggemann demonstrates how these resources offer vitality for ministry today.

They were ordinary, common, and in some cases shockingly low-caste, yet each was made extraordinary by her life-changing encounter with God. Readers will be challenged and motivated by Twelve

Extraordinary Women, a poignant and personal look into the lives of some of the Bible's most faithful women. Their struggles and temptations are the same trials faced by all believers at all ages. Inside this book, best-selling author and Bible teacher John MacArthur shows that the God to whom they were so committed is the same God who continues to mold and use ordinary people today.

The Gospel According to Jesus Charisma Media

The pieces are in place. The curtain rises for the final act. God is about to die. An unprecedented conspiracy of injustice, cruelty, and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds, and heroes? What was it like in the Upper Room that night, in the shadows of Gethsemane, or in the Praetorium awaiting Pilate's verdict? What is the meaning of the last words Jesus uttered as He gasped for breath on the cross? What if all the facts you now so well could come alive in your mind and heart as a living story, rather than as a 2000-year-old ancient account? By piecing together the narrative from the perspective of the participants, John MacArthur invites you to relive the most

awesome injustice in the history of man, the unparalleled triumph of the sovereignty of God, and the passion of Christ.

Recently, and seemingly overnight, the once cliché slogan "God Bless America" became almost a national mantra. John MacArthur gets to the heart of the matter by asking the questions most Americans choose to ignore: "Should God bless America?" and "Is America deserving of blessing?" Turning to the Old Testament, he presents the simple truth of God's word, his blessing has always had conditions. MacArthur calls the Nation to turn back to God by showing us how we can become a nation that is once again blessed by God.

The Power of Suffering Fortress Press

What makes a true leader? Is leadership a title? Authority? Charisma? Whatever gets the best results? Today more than ever, Christians need a model of leadership that is based on God's Word, that brings God glory. In *Called to Lead*, best-selling author, pastor, and teacher John MacArthur explains the characteristics of a leader drawn from one of the Bible's most

renowned leaders, the apostle Paul. Focusing on Paul's letters to the church, *Called to Lead* shows you the twenty-six key qualities of a leader who can achieve results without forfeiting faith and obedience, qualities such as:

Trustworthiness Discipline Christlikeness Sincerity Decisiveness *Called to Lead* presents a compelling, biblically sound explanation of the leadership God established when Jesus called and commissioned the apostles . . . and when God called you to lead.

The Battle for the Beginning Thomas Nelson

"Faith does not break loose in my head with a whooping, 'Hurrah for God!' Believing sneaks into my soul while my head is saying, 'My God, where were you when I needed you?'" Lewis Smedes does not explain away pain or deny that things get bad and that life is hard. Instead he helps us move beyond a disheartening present by being open to God and the certainty that things are, somehow, fundamentally right. This book is about grace. Grace is the courage to go on believing in the presence of suffering and death. This is real believing, not just the intellectual

kind. "The thinking part is not all that hard. IT is the feeling part that comes hard, the part that lets you know in the deep places of your soul that it is all right even when your head tells you everything is ghastly."

In a society that is hostile to anyone who declares absolutes, that tolerates faith in any form, that values emotion over reason and trendiness over conviction, it's no surprise that many American churches have lost their ability to discern between biblical truth and doctrinal error. John MacArthur attempts to set them straight.

Twelve Extraordinary Women Crossway
Tongues! Signs! Wonders! Are they operative in the church today? Samuel E. Waldron builds a systematic case for the complete cessation of the miraculous gifts as well as the offices of apostle and prophet. Building an insurmountable argument step by step, he shows that the Bible is quite clear on this issue. If you are struggling to come to grips with what the Bible says on this most important and oftentimes confusing topic, then this book is essential reading.

In God Doesn't Whisper, Pastor Jim Osman examines the assumptions, practices, and Scriptural citations of those who promote Hearing the Voice of God theology. This book provides a thorough examination of the Scriptures often used to promote the practice of listening for the voice of God. What is the still small voice? Does God speak through signs? What about open doors, dreams, and "feeling led"? What is the biblical model for decision-making? Scripture is clear: *God Doesn't Whisper. Hopeful Imagination* Kregel Publications
A COVER-UP OF BIBLICAL PROPORTIONS... Centuries ago, English translators perpetrated a fraud in the New Testament, and it's been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It's powerful. It's controversial. And with new eyes you'll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way

Jesus defined it? MacArthur says it all boils down to one word: SLAVE "We have been bought with a price. We belong to Christ. We are His own possession."

Endorsements: "Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic." - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary
"John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." - Dr. R.C. Sproul
"Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most

ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'." - The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC

Shepherding a Child's Heart: Parent's Handbook Zondervan Academic

"In *Stand Firm*, John MacArthur resounds the Christian's call to holiness. He does this by outlining some of the dimensions of the Christian life, especially as it relates to living in a post-Christian era. First, he addresses the importance of having and maintaining a Christian conscience. Second, he talks about the importance of the Christian to not only his neighbor but also to love his enemy, and this is largely done through a focus on the teaching of Deuteronomy and on the teaching of Jesus Christ in Matthew 5. Third, he further elaborates on the nature of the Christian love and the fact that it often mean loving in a sacrificial way that can require

suffering. Fourth, he asserts the necessity of prayer in the Christian life and also elaborates on the true substance of Christian prayer. Fifth, he corrects any false notion that Christian faith is meant to garner influence in culture. He calls this the "myth of influence." Finally, he drives home the importance of persevering to the end of this life as a distinguishing mark of the Christian life, underscoring the title of the book, *Stand Firm*"--

The *Shepherding a Child's Heart Parent's Handbook* is not just a fill-in-the-blank study guide that rehearses the material in *Shepherding a Child's Heart*. In the ten years since the publication of *Shepherding*, Tedd Tripp has had the opportunity to teach on childrearing to thousands of young parents across the country and in many other parts of the world. That, coupled with ten years of insights into God's Word on the subject, has resulted in a broader and deeper understanding of the content and application of *Shepherding a Child's Heart*.

Here are questions about the meaning and application of Scripture texts to the challenges of shepherding children.

Fighting the Good Fight of Faith Many Christians believe we ought to ignore Satan and his army of demons. Others say we should be learning how to fight them and seek to engage them in battle. But what does the Bible say? In *How to Meet the Enemy* John MacArthur explores the origin of spiritual warfare, its present reality, and what our response should be. He also takes a detailed look at each piece of spiritual armor--which he points out is primarily defensive, not offensive, in nature. If you're looking for a book that sounds the battle alarm without being alarmist, you'll appreciate John MacArthur's balanced approach to spiritual warfare in *How to Meet the Enemy*. The MacArthur Study Series is designed to help Christians better understand and apply the Bible by better understanding some of its key truths and doctrines.
