*Goethe's Faust and Cultural Memory*  
 Boydell & Brewer

Beginning with ten short extracts that span twenty years (from the 1880s to 1909), the first lecture sets the tone--Goethe sought spiritual science, Faust is the record of his striving, and we are led to see how Goethe's great drama is filled with embryonic insights that developed and became Anthroposophy. This theme is then developed, in lecture after lecture, with ever-deepening focus. Whether it is a question of the spiritual nature of matter, the reverence for truth and knowledge, reincarnation, the Mystery of Golgotha, evil, the nature of the elemental world, aesthetics, the challenge of our times,

human destiny and the nature evolution, these lectures show Goethe as the great initiate and develop Anthroposophy--Spiritual Science--in a profoundly esoteric light.

**Goethe's Faust** Lulu.com

A classic of the German stage adapted as a monologue. Though written in 1837 Woyzeck is widely regarded as the first Expressionist play due to its splintered and fragmentary nature. Here it is presented in a new form.

*Faust* Boydell & Brewer

Readers today are especially thrilled by the prospect of good news. Drought and global warming, civil war and famine, poverty and economic inequity—yes, bad news abounds. This book by Dr. Stephen Wilkerson, on the other hand, is about hope and optimism for the future. The recorded history of our world is largely one

of a sometimes worthy patriarchal striving. It has, however, all too often been tarnished, marred, and horribly disfigured by the hatreds, intolerance, and destruction that have accompanied it. And the good news? There is another way, poignantly and persuasively outlined nearly two hundred years ago by Johann Wolfgang von Goethe, involving the Divine Feminine. Goethe's masterpiece, Faust, involves an immensely intelligent but profoundly narcissistic man, who cruelly and selfishly exploits and ultimately ruins the life of an innocent maiden. In the legend on which Goethe's great work is based, Faust understandably winds up in Hell, just as he does in virtually every version of this well-known wager with the Devil. But in Goethe's interpretation, the deeply flawed protagonist is received into Heaven by the Mother of God Herself. How

and why can this be? Mankind's long history of heroic accomplishment has never been sufficiently tempered by a sense of global community and cooperation that mitigate the horror and devastation that ever seem to march along beside a single-minded struggle to achieve and prevail. And how may this missing unity be brought about? Alchemy as understood in this book has nothing to do with an early and misguided chemistry and everything to do with the sort of individual transformation necessary for a better, more gracious, more inclusive world. The millennial patterns of blind violence and repression can only be ameliorated by a thoughtful and genuine embrace of open-minded reception of difference and heart-felt valuation of a larger, borderless world in which all grow together rather than further apart. Such is the promise of the final words in Goethe's Faust: "The Divine Feminine leads us forward."

### **The Tragical History of the Life and Death of Doctor Faustus**

Penguin  
A delightful collection of modern Chinese tales *The Dragon Daughter and Other Lin Lan Fairy Tales* brings together forty-two magical Chinese tales, most appearing for the first time in English. These stories have been carefully selected from more than a thousand originally published in the early twentieth century under the pseudonyms Lin Lan and Lady Lin Lan—previously unknown in the West, and now acclaimed as the Brothers Grimm of China. The birth of the tales began in 1924, when one author, Li Xiaofeng, published a set of literary stories under the Lin Lan pen name, an alias that would eventually be shared by an editorial team. Together, this group gathered fairy tales (tonghua) from rural regions across China. Combining traditional oral Chinese narratives with elements from the West, the selections in this collection represent different themes and genres—from folk legends to comic tales. Characters fall for fairies, experience predestined love, and have love/hate relationships with siblings. Garden snails and snakes transform into cooking girls, and dragon daughters construct houses. An introduction offers historical and social context for understanding the role that the Lin Lan stories played in modern China. Appendixes include information on tale types and biographies of the writers and contributors. *The Dragon Daughter and Other Lin Lan Fairy Tales* is a captivating testament to the power of storytelling.

### **General Register**

Random House  
The story of Faust begins in Heaven. Mephistopheles, the Devil, is visiting the

Lord, complaining, as usual, about the Lord's creation, man. When the Lord asks him whether he knows Faust, Mephistopheles, saying he does, seizes the opportunity to bet with the Lord that he can lead Faust astray. The Lord is quite confident that Faust knows the right way; he's also tolerant of Mephistopheles, whose role is to keep prodding man into action. Faust is a very learned professor, who, however, is dissatisfied with human knowledge, which by its nature is limited. Using magic, he conjures up the Earth Spirit in his darkened study. Regarding himself as more than mortal, he tries to claim the Earth Spirit as a colleague, but the Spirit rejects him scornfully and disappears. Despairing, Faust contemplates suicide. He is saved by the sound of the bells welcoming Easter morning. He and his research assistant, Wagner, go out into the sunlight and enjoy the greetings of the crowd, which remembers the medical attention given to the people by Faust and his father. Faust is still depressed, denying the value of medicine and feeling torn between the two souls in him, one longing for earthly pleasures, the other seeking the highest spiritual knowledge. A dog follows Faust and Wagner home. Back in his study, Faust tries to translate the Gospel of St. John, while the dog becomes restless. Eventually, the animal changes shape so monstrously that Faust realizes he is dealing with the Devil. Presto! There is Mephistopheles! At this first meeting, Mephistopheles introduces himself and his powers to Faust; then he tricks Faust into sleeping so that he can leave. When he returns, magnificently dressed, Mephistopheles makes a bet with Faust. He agrees to do anything Faust wants, but if Faust ever says that he is totally satisfied, that the moment is so perfect he wants time to stop, then he will die and Mephistopheles will have his soul. They sign their pact in blood. Mephistopheles tries to please his "master." He takes him to a Witch's Kitchen, where Faust is magically transformed into a young man. There, Faust is introduced to Margarete, who Mephistopheles is bound to use in satisfying Faust, resulting in difficult situations for Faust to wind his way out of the devil's hands. **FAUST** - While Faust has clearly recognizable human characteristics, he is larger than life. He embodies the best and the worst in man, and in many ways he is a symbol of all humanity. Faust is involved in most of the scenes, but he probably reveals himself most clearly through his monologues and through his conversations with Mephistopheles. The monologues

show a man without satisfaction or inner peace, always striving. He is continually reaching for more knowledge, more power, more experience. **ILLUSTRATIONS BY HARRY CLARKE**

Goethe's Faust Princeton University Press  
This book is an interdisciplinary collection of essays examining Goethe's Faust and its derivatives in European, North American, and South American cultural contexts. It takes both a canonic and archival approach to Faust in studies of adaptations, performances, appropriations, sources, and the translation of the drama contextualized within cultural environments ranging from Gnosticism to artificial intelligence. Lorna Fitzsimmons' introduction sets this scholarship within a critical framework that draws together work on intertextuality and memory. Alan Corkhill looks at the ways in which the authority of the word is critiqued in Faust and Marlowe's Dr. Faustus. Robert E. Norton revisits the question of Herder as Faust and the early twentieth-century context in which the claim resonated. J. M. van der Laan explores the symbolic possibilities of the mysterious Eternal-Feminine. Frederick Burwick examines Coleridge's critique of Goethe's Faust and his own plans for a Faustian tale on Michael Scott. Andrew Bush demonstrates how Estanislao del Campo's poem "Fausto" retells Gounod's opera in the sociolect of Argentine gauchos. David G. John examines complete productions of Goethe's Faust by Peter Stein and the Goetheanum. Jörg Esleben surveys contemporary Canadian interplay with Goethe's Faust. Susanne Ledanff discusses the significance of Goethe's Faust for Werner Fritsch's avant-garde "Theater of the Now." Bruce J. MacLennan examines Faust from the perspective of a researcher in several Faustian technologies: artificial intelligence, autonomous robotics, artificial life, and artificial morphogenesis. Heart of Darkness John Wiley & Sons  
One of the great classics of European literature, Faust is Goethe's most complex and profound work. To tell the dramatic and tragic story of one man's pact with the Devil in exchange for knowledge and power, Goethe drew from an immense variety of cultural and historical material, and a wealth of poetic and theatrical traditions. What results is a tour de force illustrating Goethe's own moral and artistic development, and a symbolic, cautionary tale of Western humanity striving restlessly and ruthlessly for progress. Capturing the sense, poetic variety, and tonal range of the German original in present-day English, Stuart

Atkins's translation presents the formal and rhythmic dexterity of Faust in all its richness and beauty, without recourse to archaisms or interpretive elaborations. Featuring a new introduction by David Wellbery, this Princeton Classics edition of Faust is the definitive English version of a timeless masterpiece.

**Faust** Lexington Books

This book explores the poetic articulations of a shift from a transcendent to an immanent worldview, as reflected in the manner of evaluation of body and soul in Goethe's Faust and Ḥāfiẓ' Divan. Focusing on two lifeworks that illustrate their authors' respective intellectual histories, this cross-genre study goes beyond the textual confines of the two poets' Divans to compare important building blocks of their intellectual worlds.

**Agua Viva** Walter de Gruyter GmbH & Co KG

Johann Wolfgang von Goethe's Faust is a tragic play in two parts: Faust. Der Tragödie erster Teil translated as: Faust: The First Part of the Tragedy) and Faust. Der Tragödie zweiter Teil (Faust: The Second Part of the Tragedy). Although rarely staged in its entirety, it is the play with the largest audience numbers on German-language stages. Faust is Goethe's most famous work and considered by many to be one of the greatest works of German literature. The principal characters of Faust Part One include: Heinrich Faust, a scholar, sometimes said to be based on the real life of Johann Georg Faust, or on Jacob Bidermann's dramatized account of the Legend of the Doctor of Paris, Cenodoxus Mephistopheles, a Devil (Demon) Gretchen, Faust's love (short for Margaret; Goethe uses both forms) Marthe, Gretchen's neighbour Valentin, Gretchen's brother Wagner, Faust's famulus Faust Part One takes place in multiple settings, the first of which is heaven. Mephistopheles makes a bet with God: he says that he can lure God's favourite human being (Faust), who is striving to learn everything that can be known, away from righteous pursuits. The next scene takes place in Faust's study where Faust, despairing at the vanity of scientific, humanitarian and religious learning, turns to magic for the showering of infinite knowledge. He suspects, however, that his attempts are failing. Frustrated, he ponders suicide, but rejects it as he hears the echo of nearby Easter celebrations begin. He goes for a walk with his assistant Wagner and is followed home by a stray poodle (the term then meant a medium-to-big-size dog, similar to a sheep dog). In Faust's study, the poodle transforms into the devil

(Mephistopheles). Faust makes an arrangement with the devil: The devil will do everything that Faust wants while he is here on Earth, and in exchange Faust will serve the devil in Hell. Faust's arrangement is that if he is pleased enough with anything the devil gives him that he wants to stay in that moment forever, then he will die in that moment. When the devil tells Faust to sign the pact with blood, Faust complains that the devil does not trust Faust's word of honor. In the end, Mephistopheles wins the argument and Faust signs the contract with a drop of his own blood. Faust has a few excursions and then meets Margaret (also known as Gretchen). He is attracted to her and with jewellery and help from a neighbor, Martha, the devil draws Gretchen into Faust's arms. With influence from the devil, Faust seduces Gretchen. Gretchen's mother dies from a sleeping potion, administered by Gretchen to obtain privacy so that Faust could visit her. Gretchen discovers she is pregnant. Gretchen's brother condemns Faust, challenges him and falls dead at the hands of Faust and Mephistopheles. Gretchen drowns her illegitimate child and is convicted of the murder. Faust tries to save Gretchen from death by attempting to free her from prison. Finding that she refuses to escape, Faust and the devil flee the dungeon, while voices from Heaven announce that Gretchen shall be saved "Sie ist gerettet" this differs from the harsher ending of Urfaust "Sie ist gerichtet!" "she is condemned." It was reported that members of the first-night audience familiar with the original Urfaust version cheered on hearing the amendment.

**Goethe's Faust, Part 2** Arkose Press Originally published in 1987, this is a thorough and lucid introduction and commentary to the whole of Goethe's Faust. It gives the student of German and European literature valuable insights into the most important work of Germany's foremost poet. German quotations are translated or paraphrased in English and a detailed knowledge of German literature is not assumed. The book traces Goethe's work on the play over 60 years of his creative career and surveys its critical reception over the 200 years since its first appearance. Part One is analysed as a mimetic tragedy, Part Two as an historical and cultural profile of Goethe's own times. The commentary guides the reader carefully through its subtleties and multi-layered references and provides a broad and coherent structure for the overall understanding of the work. It suggests provocative interpretations of some

figures and episodes in Part Two and places renewed emphasis on parts of the work that often receive relatively little attention. An appendix surveys the metres and verse forms of the play.

**Goethe's Faust I Outlined** Princeton University Press

Here, in a single volume, are the documents, speeches, and letters that have forged American history, now updated with new content such as Trump's inaugural address. Accompanied by interpretations of their significance by noted historian Richard D. Heffner and journalist Alexander Heffner, this book includes important documents such as: \* The complete text of the Declaration of Independence \* The complete Constitution of the United States \* The Monroe Doctrine \* The Emancipation Proclamation \* Woodrow Wilson's War Message to Congress \* Franklin D. Roosevelt's "Four Freedoms" Speech \* John F. Kennedy's Inaugural Address \* Martin Luther King, Jr.'s "I Have a Dream" Speech \* Ronald Reagan's Inaugural Addresses \* Documents relating to September 11, 2001 and the Iraq War This edition has been expanded and updated to include a chapter on the Presidency of Donald Trump.

An erotic masterpiece of twentieth century fiction - a tale of sensual obsession and bloodlust in eighteenth century Paris 'An astonishing tour de force both in concept and execution' Guardian In eighteenth-century France there lived a man who was one of the most gifted and abominable personages in an era that knew no lack of gifted and abominable personages. His name was Jean-Baptiste Grenouille, and if his name has been forgotten today. It is certainly not because Grenouille fell short of those more famous blackguards when it came to arrogance, misanthropy, immorality, or, more succinctly, wickedness, but because his gifts and his sole ambition were restricted to a domain that leaves no traces in history: to the fleeting realm of scent . . . 'A fantastic tale of murder and twisted eroticism controlled by a disgusted loathing of humanity . . . Clever, stylish, absorbing and well worth reading' Literary Review 'A meditation on the nature of death, desire and decay . . . A remarkable début' Peter Ackroyd, The New York Times Book Review 'Unlike anything else one has read. A phenomenon . . . [It] will remain unique in contemporary literature' Figaro 'An ingenious and totally absorbing fantasy'

Daily Telegraph 'Witty, stylish and ferociously absorbing' Observer

*Goethe's Faust, Volumes 1-2* Houghton Mifflin Harcourt

Goethe's most complex and profound work, *Faust* was the effort of the great poet's entire lifetime. Written over 60 years, it can be read as a document of Goethe's moral and artistic development. *Faust* is made available to the English reader in a completely new translation that communicates both its poetic variety and its many levels of tone. The language is present-day English, and Goethe's formal and rhythmic variety is reproduced in all its richness.

**A Most Mysterious Union** Princeton University Press

Goethe's classic, enlivened by Randall Jarrell's fine translation and Peter Sis's dark, dreamy illustrations Randall Jarrell's translation of "*Faust*" is one of his most important achievements. In 1957 he inscribed Goethe's motto on the first page of his notebook--"Ohne Hast aber ohne Rast" ("Without haste but without rest")--and from then until his death in 1965 he worked on the masterpiece of his "own favorite daemon, dear good great Goethe." His intent was to make the German poetry free, unrhymed poetry in English. He all but finished the job before he died, and the few lines that remained untouched--"Gretchen's Room"--were rendered into English by Robert Lowell.

This elegant new edition features numerous beautiful line drawings and jacket lettering by the renowned Czech artist Peter Sis, author of the award-winning books "*Starry Messenger: Galileo Galilei*" and "*Tibet: Through the Red Box*." *Faust I & II* Legare Street Press

A new, beautifully illustrated translation of Felix Salten's celebrated novel *Bambi*—the original source of the beloved story. Most of us think we know the story of *Bambi*—but do we? The Original *Bambi* is an all-new, illustrated translation of a literary classic that presents the story as it was meant to be told. Jack Zipes's introduction traces the history of the book's reception and explores the tensions that Salten experienced in his own life—as a hunter who also loved animals, and as an Austrian Jew who sought acceptance in Viennese society even as he faced

persecution. With captivating drawings by award-winning artist Alenka Sottler, *The Original Bambi* captures the rich emotional meaning of a celebrated story.

*Cliffs Notes on Goethe's Faust* Princeton University Press

Goethe's *Faust*, a work which has attracted the attention of composers since the late eighteenth century and played a vital role in the evolution of vocal, operatic and instrumental repertoire in the nineteenth century, has had a seminal impact in musical realms.
