Organizing Love in Church Wm. B. Eerdmans Publishing
 The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

 What is the best way of getting interested in Bible reading? Why not start with the passages that the Church reads to us in the seasons dedicated to the great events in the life of Christ: Christmas, Lent, Holy Week, and Easter? That would truly be Reading the Gospels with the Church. This book with its reflections on the Gospels of these seasons offers a wonderful entry into appreciation of the Bible. And since many mainline Churches have the same Gospel readings on Sundays, it is a book that can serve all. Time magazine called Raymond E. Brown, "probably the premier Catholic Scripture scholar in the U.S." Brown wrote major books on those portions of the Gospels used by the Church in its most sacred seasons, and no surer guide can be found to their wealth. Best of all, he here digests his thought in the attractive style employed in *Catholic Update*--a style aimed at enabling all to understand. This book is a fascinating introduction to the riches of the Gospels.

Why Church? Zondervan

This book is written for anyone who wants to follow the instruction of Jesus Christ to "go and make disciples of all nations." It is written for church leaders, teachers, and all who want to know what it means to be a disciple of Jesus Christ, and how to make a disciple of Jesus Christ. A "lukewarm" church (Revelation 3:16) is a church that has abandoned the message of the cross. The cross is no longer the central part of sermons and teachings, which has left Jesus on the outside with the door closed, knocking, and waiting. The cross is the message of power (Romans 1:16; 1 Corinthians 1:18), and if it's lost its place of "first importance" (1 Corinthians 15:3) in the church, the very foundation of the church is compromised. If we invite others to fill its place, "good speakers" and "good programs," we close the church's door to the One who purchased her with His precious blood. "He who overcomes [the world through believing that Jesus is the Son of God], I will grant to him [the privilege] to sit beside Me on My throne, as I also overcame and sat down beside My Father on His throne." Revelation 3:21? In Revelation 3:21, the promise to the overcoming church is connected to the power of the gospel. Jesus died on the cross and overcame death through resurrection power, then ascended to the Father, was accepted, and seated on His throne. Our overcoming of the world, the flesh, and the devil is tied to the ongoing hearing of this message. Oh, friend, may the church worldwide return wholeheartedly to the message of the cross that we might see many people die to sin and rise with Jesus to new life. This study is an invitation to open the door to Jesus, through returning to the message of the cross, that we might experience wonderful and intimate fellowship with Him.

Leader's Guide for the Worship track of Gospel Shaped Church from The Gospel Coalition, exploring how a church should be a worshipping community. Gospel Shaped Church is a curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be. This seven-week whole-church curriculum explores what it means to be a worshipping community. The Leader's Guide contains everything you need to lead this flexible course. Christians are people who have discovered that the one true object of our worship is the God who has revealed himself in and through Jesus Christ. For most believers, worship is what happens for an hour on Sunday morning as we sing and pray

together. But the Bible reveals a much bigger vision for what worship really is and how it should shape our lives. So what exactly is worship? What should we be doing when we meet together for "church" on Sundays? And how does that connect with what we do the rest of the week? As we search the scriptures together we will discover that true worship is more than this-it is to encompass the whole of life. This engaging and flexible resource will challenge us to worship God every day of the week, with all our heart, mind, soul and strength. This flexible resource will train your whole church through teaching, preaching, daily reading and small-group Bible study and discussion-or any combination of those elements. The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ. Works alongside the Gospel Shaped Worship DVD and the Gospel Shaped Worship Handbook for use by church members.

"This is the first book I will recommend to those who want to study what the Scriptures teach about the roles of men and women both in marriage and the church. . . I was amazed at how much wisdom is packed into this short book. Everything in the book is helpful, but the practical application section alone is worth the price of the book." — Thomas R. Schreiner, James Buchanan Harrison Professor of New Testament Interpretation, The Southern Baptist Theological Seminary A Biblical Primer on Men and Women in the Church There is much at stake in God making humanity male and female. Created for one another yet distinct from each other, a man and a woman are not interchangeable—they are designed to function according to a divine fittedness. But when this design is misunderstood, ignored, or abused, there are dire consequences. Men and women—in marriage especially, but in the rest of life as well—complement one another. And this biblical truth has enduring, cosmic significance. From start to finish, the biblical storyline—and the design of creation itself—depends upon the distinction between male and female. Men and Women in the Church is about the divinely designed complementarity of men and women as it applies to life in general and especially ministry in the church.

Could the gospel be lost in evangelical churches? In this book, J.D. Greear shows how moralism and legalism have often eclipsed the gospel, even in conservative churches. Gospel cuts through the superficiality of religion and reacquaints you with the revolutionary truth of God's gracious acceptance of us in Christ. The gospel is the power of God, and the only true source of joy, freedom, radical generosity, and audacious faith. The gospel produces in us what religion never could: a heart that desires God. The book's core is a "gospel prayer" by which you can saturate yourself in the gospel daily. Dwelling on the gospel will release in you new depths of passion for God and take you to new heights of obedience to Him. Gospel gives you an applicable, exciting vision of how God will use you to bring His healing to the world.

This reissue of Archbishop Ramsey's classic theological study of Anglican views of the church is important for students of ecumenism, and for those concerned with the relationship between Christ and the church in the New Testament. Although some of the book is dated, its conviction that the church's meaning lies in its fulfillment of the sufferings of Christ and that every part of its history is intelligible in terms of the Passion remains perceptive and challenging. Examining Scripture, doctrine, and history, Ramsey paints an intricate portrait of the church as an example of Christ's death and resurrection. He explores Eastern orthodox doctrine; explains the purposes and preconditions of the Reformation; and calls for a renewal of liturgical worship and reconciliation within the communion of the saints. Originally published in 1936 while he was serving as sub-warden of Lincoln Theological College, this was Ramsey's first book. After more than seventy years, its wisdom concerning the relationship between Catholic and Evangelical, and the underlying complementarities and tensions which characterize the Anglican tradition, remains theologically sound and biblically astute. "Scot and Laura do an amazing job of teaching us what a good church looks like." —Beth Moore What is the way forward for the church? Tragically, in recent years, Christians have gotten used to revelations of abuses of many kinds in our most respected churches—from Willow Creek to Harvest, from Southern Baptist pastors to Sovereign Grace churches. Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church. We need a better way. The sad truth is that churches of all shapes and sizes are susceptible to abuses of power, sexual abuse, and spiritual abuse. Abuses occur most frequently when Christians neglect to create a culture that resists abuse and promotes healing, safety, and spiritual growth. How do we keep these devastating events from repeating themselves? We need a map to get us from where we are today to where we ought to be as the body of Christ. That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate "good," the word *tov*. In this book, McKnight and Barringer explore the concept of *tov*—unpacking its richness and how it can help Christians and churches rise up to fulfill their true calling as imitators of Jesus. **The Gospel on the Ground - Bible Study Book with Video Access** Wipf and Stock Publishers

Provocative readings of biblical stories, with thoughts on what they are saying to the church. Inside the Church, we are constantly and consistently reading the gospels through the lens of supporting our own institution and structure. This prevents us from hearing the critique Jesus offered in his own day and his emphatic and persistent call to be and do differently now (Matthew 23:1-12). Stories include Widow's Mite, Rich Young Ruler, Destruction of the Temple, Searching for the Lost Coin, Sower of the Seeds, Transfiguration, and the Great Commission. This book flips the script of many Bible stories, allowing us to hear Jesus' call to change as one that is directed at us rather than as one we should direct toward others.

What is the gospel? It seems like a simple question, yet it has been known to incite some heated responses, even in the church. How are we to formulate a clear, biblical understanding of the gospel? Tradition, reason, and experience all leave us ultimately disappointed. If we want answers, we must turn to the Word of God. Greg Gilbert does so in *What Is the Gospel?* Beginning with Paul's systematic presentation of the gospel in Romans and moving through the sermons in Acts, Gilbert argues that the central structure of the gospel consists of four main subjects: God, man, Christ, and a response. The book carefully examines each and then explores the effects the gospel can have in individuals, churches, and the world. Both Christian and non-Christian readers will gain a clearer understanding of the gospel in this valuable resource.

The apostles understood the Gospel as they learned from and personally lived alongside Jesus, and these lessons became the heart of their message to an unsaved world. But what does their perspective mean for modern Christians, and how can we read the Bible through their unique lens today? Following the release of his bestselling book *The Gospel According to Jesus*, Dr. MacArthur noticed that Christians were looking for practical advice, spiritual counsel, and accessible explanations of the Bible. And, most of all, they wanted help understanding their experiences within Christianity. Dr. MacArthur realized that by examining scripture from the perspective of the apostles themselves, even more Christians could come to know the Gospel as Jesus' earliest followers did. In his characteristic compelling style, Dr. MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church. Dr. MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years, including: What is cheap grace? Have some Christians adopted a "no-lordship" theology? What must a person do to be considered righteous by God? How should we call people to faith? Do our works have any effect on our salvation? *The Gospel According to the Apostles* is a book for every Christian who wants to experience, understand, and fall in love with the same gospel that Jesus preached.

The Gospel in a Pluralist Society Thomas Nelson

flu-en-cy / noun :the ability to speak a language easily and effectively Even if they want to, many Christians find it hard to talk to others about Jesus. Is it possible this difficulty is because we're trying to speak a language we haven't actually spent time practicing? To become fluent in a new language, you must immerse yourself in it until you actually start to think about life through it. Becoming fluent in the gospel happens the same way—after believing it, we have to intentionally rehearse it (to ourselves and to others) and immerse ourselves in its truths. Only then will we start to see how everything in our lives, from the mundane to the magnificent, is transformed by the hope of the gospel.
