DESHAWN LEVY

Canyons of Night Penguin
The New York Times
bestselling author
presents the story of a
curse that spans
generations, and the love
that can heal it. . . . More
than three centuries ago,
Nicholas Winters

irrevocably altered his
genetic makeup in an
obsessionfueled
competition with
alchemist and Arcane
Society founder Sylvester
Jones. Driven to control
their psychic abilities,
each man's decision has
reverberated throughout
the family line, rewarding
some with powers beyond
their wildest dreams, and
cursing others to a life

filled with madness and
hallucinations. Jack
Winters, descendant of
Nicholas, has been
experiencing nightmares
and blackouts--just the
beginning, he believes, of
the manifestation of the
Winters family curse. The
legend says that he must
find the Burning Lamp or
risk turning into a
monster. But he can't do
it alone; he needs the

help of a woman with the gift to read the lamp's dreamlight. Jack is convinced that private investigator Chloe Harper is that woman. Her talents for finding objects and accessing dream energy are what will save him, but their sudden and powerful sexual pull threatens to overwhelm them both. Danger surrounds them, and it doesn't take long for Chloe to pick up the trail of the missing lamp. And as they draw closer to the lamp, the raw power that dwells within it threatens

to sweep them into a hurricane of psychic force. *Second Sight* Penguin * Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 ** BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the

American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at

first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey

McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is

romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six With Every Breath Penguin Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and

lively, urbane coverage of Indy's cultural landscape.

Fired Up Penguin

The second Ladies of Lantern Street novel from Amanda Quick explores the crimes, passions and paranormal secrets of Victorian London. Under the plain gray skirts of Miss Beatrice Lockwood's gown, a pistol waits at the ready. For Beatrice is a paid companion on a secret mission—and with a secret past—and she must be prepared to fight for her life at any moment. Yet she is thrown oddly off guard by

the fierce-looking man who joins her in foiling a crime outside a fancy ball—and then disappears into the shadows, leaving only his card. His name is Joshua Gage, and he claims to know Beatrice's employers. Beyond that, he is an enigma with a hypnotically calm voice and an ebony-and-steel cane. . . . Joshua, who carries out clandestine investigations for the Crown, is equally intrigued. He has a personal interest in Miss Lockwood, a suspected thief and murderer, not to

mention a fraudster who claims to have psychical powers. The quest to discover her whereabouts has pulled him away from his mournful impulses to hurl himself into the sea—and engaged his curiosity about the real Beatrice Lockwood, whose spirit, he suspects, is not as delicate as her face and figure. He does know one thing, though: This flame-haired beauty was present the night Roland Fleming died at the Academy of the Occult. Guilty or not, she is his guide to a trail of blood

and blackmail, mesmerism and madness—a path that will lead both of them into the clutches of a killer who calls himself the Bone Man. . . .

The Perfect Poison

The very idea that the teachings can be mastered will arouse controversy within Buddhist circles. Even so, Ingram insists that enlightenment is an attainable goal, once our fanciful notions of it are stripped away, and we have learned to use

meditation as a method for examining reality rather than an opportunity to wallow in self-absorbed mind-noise. Ingram sets out concisely the difference between concentration-based and insight (vipassana) meditation; he provides example practices; and most importantly he presents detailed maps of the states of mind we are likely to encounter, and the stages we must negotiate as we move through clearly-defined cycles of insight. Its easy to feel overawed, at first,

by Ingram's assurance and ease in the higher levels of consciousness, but consistently he writes as a down-to-earth and compassionate guide, and to the practitioner willing to commit themselves this is a glittering gift of a book. In this new edition of the bestselling book, the author rearranges, revises and expands upon the original material, as well as adding new sections that bring further clarity to his ideas.

The Arcane Teaching ...

Penguin

In this second novel of the

Dreamlight trilogy from New York Times bestselling author Amanda Quick, psychic power and passion collide when a legendary curse ignites a dangerous desire. The Arcane Society was born in turmoil when the friendship of its two founders evolved into a fierce rivalry. Nicholas Winters's efforts led to the creation of a device of unknown powers called the Burning Lamp. Each generation of male descendants who inherits it is destined to develop

multiple talents—and the curse of madness. Plagued by hallucinations and nightmares, notorious crime lord Griffin Winters is convinced he has been struck with the Winters Curse. But even as he arranges a meeting with the mysterious woman Adelaide Pyne, he has no idea how closely their fates are bound, for she holds the missing lamp in her possession. But their dangerous psychic experiment makes them the target of forces both inside and outside of the Arcane Society. And

though desire strengthens their power, their different lives will keep them apart—if death doesn't take them together.

Romance Fiction

Penguin

The hot-as-Hel series with the “Sookie Stackhouse type of vibe” (Paranormal Haven) is back—but this time the paranormal Midwestern town of Pemkowet is feeling a frost in the air and the residents are frozen in fear.... The Pemkowet Visitors Bureau has always promoted paranormal

tourism—even if it has downplayed the risks (hobgoblins are unpredictable). It helps that the town is presided over by Daisy Johanssen, who as Hel’s liaison is authorized by the Norse goddess of the dead to keep Pemkowitz under control. Normally, that’s easier to do in the winter, when bracing temperatures keep folks indoors. But a new predator is on the prowl, and this one thrives on nightmares. Daisy is on her trail and working intimately with her

partner and sometime lover from the Pemkowitz PD, sexy yet unavailable werewolf Cody Fairfax. But even as the creature is racking up innocent victims, a greater danger looms on Pemkowitz’s horizon. As a result of a recent ghost uprising, an unknown adversary—represented by a hell-spawn lawyer with fiery powers of persuasion—has instigated a lawsuit against the town. If Pemkowitz loses, Hel’s sovereignty will be jeopardized, and the fate

of the eldritch community will be at stake. The only one who can prevent it is Daisy—but she’s going to have to confront her own worst nightmare to do it.

Burning Lamp Penguin
A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic

genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained,

keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on "Chick Lit" in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have. **White Lies** Penguin Desire came like a wildfire to the Colorado hills to claim a woman's property...and her heart.

From the New York Times bestselling author of *A Lady of the West*. For five years after her father died, beautiful Dee Swann held on to Angel Creek valley and her independence. The homestead was hers, and she vowed no one else would ever own it...or her. Then Lucas Cochran came back to Colorado. In the drought-cursed high country, he needed Angel Creek and its cool water to turn his Double C ranch into the cattle dynasty he craved. His ruthless ambition guaranteed he

would fight to take it away from the black-haired, green-eyed spitfire who claimed it. But the passion that blazed when Dee Swann and Lucas Cochran met shocked them both. Unbidden, unexpected, their kisses swept them toward a dangerous destiny where dreams might be scattered...men could be killed...or love would be born as wild and unfettered as this glorious frontier.

Dungeon Crawler Carl

Penguin

In this suspenseful Arcane

Society novel, New York Times bestselling author Amanda Quick delves into the underworld of passion, greed and powers that lie beyond this realm. Victorian botanist Lucinda Bromley has a rare talent: the ability to detect almost any type of poison. She also tends many rare plants, including a species of fern that was stolen from her conservatory just last month—and which turns up in a poison that was used in a nobleman's murder. To keep her name out of the

investigation and to find the killer, Lucinda hires a fellow Arcane Society member. The founder of a psychical investigation agency, Caleb Jones is very good at protecting the Society's secrets—and frighteningly good at getting the truth. As a nearly overwhelming desire blooms between Caleb and Lucinda, they are drawn into the dark heart of a deadly conspiracy—and into a legacy of madness that could plunge Caleb into the depths of his own tortured soul...

Veneficium Hachette UK
 While investigating a suspicious death, private inquiry agent Ambrose Wells finds himself on the grounds of Aldwick Castle—and in the midst of utter chaos. The ramshackle castle is in flames—and a beautiful woman and four young girls are taking flight on horseback. It turns out that the strong-minded Miss Concordia Glade and her four bright students are on the run from a notorious London crime lord who'll stop at nothing to destroy them. Now,

their only hope is Ambrose, a confirmed loner with more than his share of secrets—and more than his share of desire for the unconventional teacher. And as Ambrose and Concordia risk everything to bring down a criminal mastermind, they will also be forced to battle something even greater: the steamy passion that threatens their hard-won independence...
Poison Fruit Penguin
 Welcome to Illusion Town on the colony world of Harmony—like Las Vegas

on Earth, but way more weird. Living in this new, alien world doesn't stop the settlers from trying to re-create what they've left behind. Case in point—weddings are still the highlight of any social calendar. But it's the after-party that turns disastrous for Lucy Bell. Kidnapped and drugged as she leaves the party, she manages to escape—only to find herself lost in the mysterious, alien underground maze of glowing green tunnels beneath Illusion Town.

She's been surviving on determination and cold pizza, scavenged for her by a special dust bunny, when help finally shows up. Gabriel Jones is the Ghost Hunter sent to rescue her, but escaping the underground ruins isn't the end of her troubles—it's only the beginning. With no rational reason for her abduction, and her sole witness gone on another assignment for the Guild, whispers start circulating that Lucy made it all up. Soon her life unravels until she has nothing left

but her pride. The last thing she expects is for Gabriel Jones to come back to town for her. The Lucy that Gabriel finds is not the same woman he rescued, the one who looked at him as if he were her hero. This Lucy is sharp, angry, and more than a little cynical—instead of awe, she treats him with extreme caution. But a killer is still hunting her, and there aren't a lot of options when it comes to heroes. Despite her wariness, Gabriel is also the one person who

believes Lucy—after all, he was there. He's determined to help clear her reputation, no matter what it takes. And as the new Guild Boss, his word is law, even in the lawlessness of Illusion Town.

University Press, USA
Aimed at players and Dungeon Masters, this game supplement explores the heroes and wonders of Athas—a savage desert world abandoned by the gods and ruled by terrible sorcerer-kings.

Murder in Renaissance Italy Penguin

This invaluable collection explores the many faces of murder, and its cultural presences, across the Italian peninsula between 1350 and 1650. These shape the content in different ways: the faces

of homicide range from the ordinary to the sensational, from the professional to the accidental, from the domestic to the public; while the cultural presence of homicide is revealed through new studies of sculpture, paintings, and popular literature. Dealing with a range of murders, and informed by the latest criminological research on homicide, it brings together new research by an international team of specialists on a broad range of themes: different

kinds of killers (by gender, occupation, and situation); different kinds of victim (by ethnicity, gender, and status); and different kinds of evidence (legal, judicial, literary, and pictorial). It will be an indispensable resource for students of Renaissance Italy, late medieval/early modern crime and violence, and homicide studies.

In Too Deep Harper
Collins

New York Times
bestselling author Jayne
Ann Krentz presents the
first novel in an Arcane

Society trilogy set in a secluded coastal town in Northern California—a mysterious place where danger and passion run deep... Scargill Cove is the perfect place for Fallon Jones, confirmed recluse and investigator of the paranormal. It's a hot spot, a convergence point for unusually strong currents of energy, which might explain why the town attracts misfits and drifters like moths to a flame. Now someone else has been drawn to the Cove—Isabella Valdez, on the run from some very

dangerous men. When she starts work as Fallon's assistant, Isabella impresses him by organizing his pathologically chaotic office—and doesn't bat an eye at the psychic aspect of his job. She's a kindred spirit, a sanctuary from a world that considers his talents a form of madness. But after a routine case unearths an antique clock infused with dark energy, Fallon and Isabella are dragged into the secret history of Scargill Cove and forced to fight for their lives, as

they unravel a cutthroat conspiracy with roots in the Jones family business...and Isabella's family tree.

Red, White & Royal Blue
Penguin

In the aftermath of a cataclysmic event, 16-year-old Evie, from a well-to-do Louisiana family, learns that her terrible visions are actually prophecies and that there are others like herself. Embodiments of Tarot cards destined to engage in an epic battle.

Angel Creek Simon and Schuster

New York Times bestselling author Amanda Quick presents an Arcane Society novel that reveals the passionate—and paranormal—secrets of proper Victorian London. Attempting to recover a relic stolen from her family years ago, gifted crystal worker Leona Hewitt secretly makes her way into Lord Delbridge's private museum. But who she finds there is more entrancing than the crystal she seeks. Thaddeus Ware is a mesmerist with powerful

psychic energy—that doesn't seem to be affecting the woman before him. Instead, Leona seems to exert a rather hypnotic power over the hypnotist himself. After she gives him the slip, absconding with the crystal they recovered, Thaddeus fears for her safety. For he is on assignment for the secretive Arcane Society and knows that the crystal holds the potential for great destruction. It is the key to Lord Delbridge's membership in a shadowy

group known as the Third Circle. The nobleman killed before to acquire the crystal, and Thaddeus has no doubt that he will kill again.

The Scargill Cove Case Files Penguin

In many esoteric traditions, there exists an iconic or linguistic corollary between the concepts of 'poisoner' and 'sorcerer', suggesting a sinistral magical kinship often interchangeable with witchcraft or maledictive magic. Indeed, the use of plant, animal and mineral toxins

is a strand of magic originating in remotest antiquity and reaching the present day. Beyond its mundane function as an agent of corporeal harm, poison has also served as a gateway of religious ecstasy, occult knowledge, and sensorial aberration, as well as the basis of healing cures. Allied with Samael, the serpent of Eden whose Hebrew name in some translations is 'Venom of God', this facet of magic wends through the rites of ancient Sumer and Egypt, penetrating European

Necromancy. Alchemy, the arcane the rites of the Witches' Sabbath, and modern-day folk magic survivals. This second edition of *Veneficium*, newly expanded, examines the intersection of magic and poison, collecting the authors' early essays on this magical kinship, and exploring the toxicological dimensions of occult power
