KIRSTEN MOONEY

Nobody Wants Your Child
Black Irish Entertainment LLC

When Buddy the dog tries to make friends with the other animals he meets, it seems that none of them likes him until he manages to clear up their confusion about him.

The Lion's Gate

Zondervan

Inspirational cassette on the dramatic career of Paul Brand, a famous surgeon

Nobody Hugs a Cactus

Penguin

Tweedmore & Slyde is a hot Silicon Valley law firm whose chief rainmaker has been found stabbed to death in his corner office. It falls to young associate Howard Rickover to conduct a risky "inside job" for homicide detective Sarah Nelson. Can he flush out a wily murderer -and still keep up with an associate's impossible workload?

The Story Grid Troubador

Publishing Ltd

Abby Abernathy is re-inventing herself as the good girl as she begins

her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

The Gift Nobody Wants

Wraithmarked Creative, LLC

DID YOU HEAR THE ONE ABOUT ? Every great joke has a punch line, and every great humor writer has an arsenal of experiences, anecdotes, and obsessions that were the inspiration for that humor. In fact, those who make a career out of entertaining strangers with words are a notoriously intelligent and quirky lot. And boy, do they have some stories. In this entertaining and inspirational book, you'll hear from 21 top humor writers as they discuss the comedy-writing process, their influences, their likes and dislikes, and their experiences in the industry. You'll also learn some less useful but equally amusing things, such as: How screenwriter Buck Henry came up with the famous "plastics" line for *The Graduate*. How many times the cops were called on co-writers Sacha Baron Cohen and Dan Mazer during the shooting of *Borat*. What David Sedaris thinks of his

critics. What creator Paul Feig thinks would have happened to the *Freaks & Geeks* crew if the show had had another season.

What Jack Handey considers his favorite *Deep Thoughts*? How Todd Hanson and the staff of *The Onion* managed to face the aftermath of 9/11 with the perfect dose of humor. How Stephen Merchant and Ricky Gervais created the original version of *The Office*. What it's really like in the writers' room at SNL. Funny and informative, *And Here's the Kicker* is a must-have resource - whether you're an aspiring humor writer, a fan of the genre, or someone who just likes to laugh.

Boy Nobody Crown

No one wants to read what you've written. Your reader will not excitedly open your brief, relishing some quality time with your legal argument. No, your reader wants only to have finished your brief and to understand what she needs to form an opinion. The judges and clerks don't want to read your brief, they want to have read it. Keep this in mind while you write. How can I be clearer? How can I be simpler? How can I be

shorter? How can I make it easy for my reader? Be generous, not worrying about how the readers will judge you, but how your writing can ease their burden. This handbook suggests ways to simplify your writing. But they're not enough. The key is to write and rewrite. Your first ideas are the puzzle pieces fresh out of the box. You will need to move them around the table and experiment until they fit together neatly. One idea should naturally lead to the next, not shoved together awkwardly. You will be finished when you no longer see a puzzle, but a clear picture comprising simple ideas. Give your reader a picture, not a puzzle.

Ginny Good Penguin
A NEW YORK TIMES
BESTSELLER NAMED A
BEST BOOK OF THE YEAR
BY NPR Amy Poehler, Mel
Brooks, Adam McKay,
George Saunders, Bill
Hader, Patton Oswalt, and
many more take us deep
inside the mysterious
world of comedy in this
fascinating, laugh-out-
loud-funny book. Packed
with behind-the-scenes
stories—from a day in the
writers' room at The
Onion to why a sketch
does or doesn't make it
onto Saturday Night Live

to how the BBC nearly
erased the entire first
season of Monty Python's
Flying Circus—Poking a
Dead Frog is a must-read
for comedy buffs, writers
and pop culture junkies
alike.

The Subtle Art of Not
Giving a F*ck Dramatic
Publishing

My name is Amber
Reynolds. There are three
things you should know
about me: 1. I'm in a
coma. 2. My husband
doesn't love me anymore.
3. Sometimes I lie. Amber
wakes up in a hospital.
She can't move. She can't
speak. She can't open her
eyes. She can hear
everyone around her, but
they have no idea. Amber
doesn't remember what
happened, but she has a
suspicion her husband
had something to do with
it. Alternating between
her paralyzed present, the
week before her accident,
and a series of childhood
diaries from twenty years
ago, this brilliant
psychological thriller asks:
Is something really a lie if
you believe it's the truth?
No One Is Talking About
This Workman Publishing
From the New York Times
bestselling author of *Steal
Like an Artist* and *Show
Your Work!* comes an
interactive journal and all-
in-one logbook to get your
creative juices flowing,

and keep a record of your
ideas and discoveries. The
Steal Like an Artist Journal
is the next step in your
artistic journey. It
combines Austin Kleon's
unique and compelling
ideas with the physical
quality that makes
journals like Moleskines so
enormously popular. Page
after page of ideas,
prompts, quotes, and
exercises are like a daily
course in creativity. There
are lists to fill in—Ten
Things I Want to Learn,
Ten Things I Probably
Think About More Than
the Average Person.
Challenges to take.
Illustrated creative
exercises—Make a
Mixtape (for someone who
doesn't know you) and Fill
in the Speech Balloons.
Pro and con charts—What
Excites You?/What Drains
You? The journal has an
elastic band for place-
marking and a special
pocket in the back—a
"swipe file" to store bits
and pieces of inspiration.
Because if you want to
steal like an artist, you
need a place to keep your
loot.

It takes a graveyard to
raise a child. Nobody
Owens, known as Bod, is a
normal boy. He would be
completely normal if he
didn't live in a graveyard,

being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sler. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

Nobody Likes Me!

Liveright Publishing

You only get one chance to live your life as a child, but Lily was never given that chance; her childhood was taken from her before it ever begun. From the age of four, when she was first sexually abused, her life changed forever; when she walked through the institution's doors in Ireland, her life continued along the same path that has destroyed her soul. Her emotional pain is as strong today as it was the day it began and will never leave her alone. "When I go to sleep it's in my head and when I wake up I can see it in the mirror and I am only waiting to die." A child abuse story that will stay with you forever and one that you will talk about for many years to come, The

Girl Nobody Wants is a harrowing true story that will appeal to fans of biographies and fans of Jodi Picoult. It has been compared to Dave Pelzer's *A Child Called It*, *Damaged* by Cathy Glass and *The Kid* by Kevin Lewis.

The Family Nobody Wanted Simon and Schuster
Playbook.

*Nobody Wants to Read Your Sh*t* Penguin

A social psychologist uncovers the psychological basis of the "laziness lie," which originated with the Puritans and has ultimately created blurred boundaries between work and life with modern technologies and offers advice for not succumbing to societal pressure to "do more."

Laziness Does Not Exist Simon and Schuster

You. That's Right. YOU.

You've got a problem.

You've got a product that's not first in its class. It's not even second.

You've got to find a way to market that product.

What Are You Going To Do? You're going to read this book, that's what.

Let's face it. There comes a time in the life of every business when a product or service does not sell up to expectations. Maybe

your product is outmoded. Or hasn't been positioned correctly. Or is competing in a crowded market. Whatever the reason, Ice to the Eskimos is dedicated to helping you reclaim that lost ground. It's about taking a product or service and turning it into a winner. If you've got a product that is not the best in its field, then you will love Ice to the Eskimos. Take the principles Jon Spoelstra writes about and run hard with them—you'll be amazed by the results. Written by the former president of the hapless New Jersey Nets, Jon Spoelstra is the man responsible for tripling that team's lagging revenues in just three years and increasing the season-ticket holders base by 250 percent. This guy knows what he's talking about. What everyone else had seen as a lost cause, Spoelstra saw as an outstanding opportunity to reawaken a tired and beaten product to achieve unprecedented profitability. Not just for sports marketers, this lively, entertaining book successfully makes the jump from sports to whatever your product may be. The techniques Spoelstra perfected while working for teams in the

NHL and NBA—from innovative packaging to image overhaul—apply to any product in any company. The numerous winning examples are sure to make *Ice to the Eskimos* a must-read for anyone with a product or service to sell. *Ice to the Eskimos* is sure to be an instant marketing classic. It will show millions of readers how to market their product...sometimes even after they've given up hope. By using the powerful techniques in this book, you too can learn to achieve the impossible and market *ice to the Eskimos*.

The Gift of Pain Simon and Schuster
They needed the perfect assassin. *Boy Nobody* is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die-of "natural causes." Mission accomplished, *Boy Nobody* disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the

mayor reminds him of his father. And when memories and questions surface, his handlers at The Program are watching. Because somewhere deep inside, *Boy Nobody* is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

The Graveyard Book Ballantine Books
There are people in this world who are Nobody. No one sees them. No one notices them. They live their lives under the radar, forgotten as soon as you turn away. That's why they make the perfect assassins. The Institute finds these people when they're young and takes them away for training. But an untrained Nobody is a threat to their organization. And threats must be eliminated. Claire has been invisible her whole life, missed by the Institute's monitoring. But

now they've ID'ed her and have sent Nix to remove her. Yet the moment Nix lays eyes on her, he can't make the hit. It's as if Claire and Nix are the only people in the world for each other. And they are—because no one else can really see them.

Ice to the Eskimos Writers House

Still rewriting modern life's little atrocities one rant at a time... Do everyday annoyances make you want to tear out what's left of your hair? Author and comic book store owner Rembert N Parker feels your pain, and he's here to give you a piece of his mind. *Nobody Wants Your Stuff - Resisting the Challenges of the 21st Century #2* is the sequel to the popular *How Much Extra Does No Cheese Cost?* book and is once again full of essays, insights, and anecdotes from a true contender for the World's Most Interesting Man. With dry wit and hilarious adages, Parker tackles an eclectic mix of topics from a first kiss to how long marriages should last (and everything in between). In this book, you'll discover: How save money on medical tests why calculus is crippling computer programming How an eclipse led to a

published D&D adventure How Ray Bradbury got kicked out of the dealer's room at WorldCon Ten ways to screw up a mortgage, and much, much more! With a wide-ranging mix of rants on pop culture, politics, and coping with the present, Parker's personal stories show you how to conquer problems with poise. Using Parker's toolbox of humor, irony, and common sense, you too can take on any challenge. Resisting the Challenges of the 21st Century is a must-read collection of hilarious essays for the Baby Boomer generation. If you like observational humor, expanding your point-of-view, and an in-depth look at the past, present, and future, then you'll love Rembert N Parker's side-splitting stories. Buy Nobody Wants Your Stuff - Resisting the Challenges of the 21st Century #2 to confront the present today!

Nobody Pages Publishing Group

Fart is desperate to make friends and have fun. But no one likes a fart -- not even a fart with a heart. With plenty of laughs and even more heart, this delightful picture book shows that even the smelliest among us can

find a friend in this world. It's hard out there for a fart. Too smelly. Too embarrassing. Too gross. Striking the perfect balance of gross-out humor, wit, and heart, this beautifully illustrated picture book delivers a message of accepting yourself and finding a friend who loves you just the way you are.

Sometimes I Lie

HarperCollins Publishers #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation,

rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories

and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

The Book No One

Wants to Read Capstone Master storyteller and bestselling author Steven Pressfield returns with a stunning, chillingly plausible near-future thriller about the rise of a privately financed and global military industrial complex. The year is 2032. The third Iran-Iraq war is over; the 11/11 dirty bomb attack on the port of Long Beach, California is receding into memory; Saudi Arabia has recently quelled a coup; Russians and Turks are clashing in the Caspian Basin; Iranian armored units, supported by the satellite and drone power of their Chinese allies,

have emerged from their enclaves in Tehran and are sweeping south attempting to recapture the resource rich territory stolen from them, in their view, by Lukoil, BP, and ExxonMobil and their privately-funded armies. Everywhere, military force is for hire. Oil companies, multi-national corporations and banks employ powerful, cutting-edge mercenary armies to control global chaos and protect their riches. Even nation states enlist mercenary forces to suppress internal insurrections, hunt terrorists, and do the black bag jobs necessary to maintain the new New World Order. Force Insertion is the world's merc monopoly. Its leader is the disgraced former United States Marine General James Salter, stripped of his command

by the president for nuclear saber-rattling with the Chinese and banished to the Far East. A grandmaster military and political strategist, Salter plans to take vengeance on those responsible for his exile and then come home...as Commander in Chief. The only man who can stop him is Gilbert "Gent" Gentilhomme, Salter's most loyal foot soldier, who launches a desperate mission to take out his mentor and save the United States from self destruction. Infused with a staggering breadth of research in military tactics and steeped in the timeless themes of the honor and valor of men at war that distinguish all of Pressfield's fiction, *The Profession* is that rare novel that informs and challenges the reader almost as much as it entertains.
