**Course in Heat and Mass Transfer** Ravinder Singh and sons

This book on Engineering Chemistry has been entirely rewritten in order to make it up-to-date and modern, both in approach and content. All diagrams have been redrawn or replaced by new ones. To meet the requirements of the latest syllabi of the various universities of India, topics like transition metals, coordination compounds, crystal field theory, gaseous and liquid states, adsorption, flame photometry, fullerenes, composites, mechanism of some typical reactions, oils and fats, soaps and detergents, have been included or expanded upon. A large number of solved numerical examples drawn from various university examinations have been given at the end of theoretical part of each chapter. Questions have been drawn from latest examinations of various universities.

**Theory and Problems of Linear Algebra** S. Chand Publishing

This book is meant for the benefit of engineering students. It covers the syllabus prescribed for the subject of Applied Mechanics by the Institution of Engineers (India) and the various universities in India. The subject of Engineering Mechanics has been introduced in a simple and logical way with exhaustive explanations. Problems have been solved in large numbers and most of them have been taken from the A.M.I.E. and London

University examinations. Problems have been solved in the M.K.S. as well as F.P.S. units. In this edition the chapters on Linear Motion, Forces and Motion of Translation, Couples and Motion of Rotation, Power and Energy have been revised. Many numericals have been added. This book contains numerous fully solved problems besides many new problems set for exercise.

**Engineering Mechanics A Textbook Of Applied Mechanics** by Mocktime Publication

The book covers the fundamental and theoretical aspects of repair and maintenance and adjustment of automobile equipment and accessories of cars, trucks two-wheelers and three-wheelers. It covers the complete syllabus of diploma certificate in automobile engineering as well as industrial and vocational courses.
