### MOON BRYCE

Bahadur Shah of Gujarat Oxford University Press

Stories and anecdotes are the best way to convey a powerful message. Here is a collection of inspirational and motivational stories, which everyone will enjoy reading and you can learn something from each story too. Written in an interactive form every story, presented in this book conveys a special message for the readers, to get inspired to achieve something great and outstanding in life. One of the special features, in the presentation of the stories, is that the ending part of the story is not revealed. The readers have to think for a while and come up with their own answers. The stories adorned in this book deal with a variety of subjects like human relationship, personality development, time and stress management, moral ethics, spiritual values, etc. This book will appeal to preachers, speakers and teachers and readers of all age groups. Just like we need food for our body, we also need food for our spirit that comes as touching and motivational stories, they can give us power and make us feel better. Hope that these stories will help you become inspired! DR. G. FRANCIS XAVIER, a gold medalist with two Masters Degrees, has worked as Lecturer, Associate Professor, Vice-Principal and Principal in various educational institutions in India. He was the Financial Advisor to the Asian Confederation of Credit Unions (ACCU), Bangkok, Thailand. He has conducted several training programmes on Management Accounting and Financial Analysis in India, USA, Canada, Germany, Singapore, Malaysia, Thailand, Bangladesh, Nepal, Sri Lanka, Kenya and Tanzania. He has authored more than 15 books on a variety of subjects.

Recorded by native speakers, the audio material complements the book and will help develop your listening and pronunciation skills.

Routledge Handbook of Contemporary India Partridge Publishing

Dhandha, meaning business, is a term often used in common trade parlance in India. But there is no other community that fully embodies what the term stands for than the Gujaratis. Shobha Bondre's Dhandha is the story of a few such Gujaratis: Jaydev Patel—the New York Life Insurance agent credited with having sold policies worth \$2.5 billion so far; Bhimjibhai Patel—one of the country's biggest diamond merchants and co-founder of the ambitious 'Diamond Nagar' in Surat; Dalpatbhai Patel—the motelier who went on to become the mayor of Mansfield County; Mohanbhai Patel—a former Sheriff of Mumbai and the leading manufacturer of aluminium collapsible tubes; and Hershah and Hasu Shah—owners of over a hundred hotels in the US. Travelling across continents—from Mumbai to the United States—in search of their story and the common values that bond them, Dhandha showcases the powerful ambition, incredible capacity for hard work, and the inherent business sense of the Gujaratis.

Time has forgotten Bahadur Khan. History has condemned him as a drunken wastrel and overlooked his military genius. Part man, part horse; part Hindu, part Muslim; part Rajput, part Gujarati; what was he like, really, this rebellious young man? A warrior born, why did he refuse the most vital battle in history? Why did he surrender the islands of Bombay to two centuries of Portuguese rule? This is the story of that renegade prince, Bahadur, Shah of Gujarat. When Vasco da Gama lands near Kozhikode on 20 May 1498, he seems scant more than a visiting trader, just another discourteous barbarian, hardly a threat. But the aughts of the new century bring seismic change. Portuguese violence on the coast escalates and piracy menaces the Spice Route. Gujarat, richest among Indian kingdoms, nourished by her eighty-seven ports, feels the tremors. It is a time of shifting loyalties. Sultans wage war on land and forge uneasy entente at sea. Borders are redrawn, new kingdoms and principalities take shape. In Dilli, the throne of Hindustan is up for auction, and everybody is bidding. Alliances form and dissolve between Rajput, Lodhi, and Sharqi, while from across the mountains glares the Chagtai, Zahiruddin Babar. Into this tense arena strolls a teenager, Bahadur, Prince of Gujarat, exiled for his wildness; at nineteen, famous already for his prowess in battle. As battle lines are drawn at Panipat, veterans hold their breath. They know the fortunes of Hindustan depend on this untried youngster. In this powerfully imagined narrative, Kalpish Ratna recreates the obscure signposts of Bahadur's life drawing facts from Indian histories. The language sparkles, filigreed with lapidary skill. In various narrative styles, myth and legend blend metamagically with the tragic events of medieval history. Bahadur, masterfully delineated in chiaroscuro, reflects the confused loyalties of young Indians today. The story of this medieval prince belongs in our own times.
