Will Happiness Find Me? Harry N. Abrams
 Not your typical boring diet book, this is a tart-tongued, no-holds-barred wakeup call to all women who want to be thin. With such blunt advice as, "Soda is liquid Satan" and "You are a total moron

if you think the Atkins Diet will make you thin," it's a rallying cry for all savvy women to start eating healthy and looking radiant. Unlike standard diet books, it actually makes the reader laugh out loud with its truthful, smart-mouthed revelations. Behind all the attitude, however, there's solid guidance. *Skinny Bitch* espouses a healthful lifestyle that promotes whole grains, fruits, and vegetables, and encourages women to get excited about feeling "clean and pure and energized."

An artist's book by the renowned Swiss duo dedicated to the questions that everyone asks themselves once in a while: Can something be unbelievable? Should I get drunk? Could I be Japanese? Is the freedom of birds overrated? Am I a farmer in winter? Does unease grow by itself? Should I crawl into my bed and stop producing things all the time?
