ROCCO EILEEN

English as a Global Language BuzzPop

Christmas Wood is full of animals: Badger, Fidgety Fox, Owl (not Wise Old Owl, just Owl), the Rabbit family, Tiny Mouse, and Robin. It's nearly Christmas and all the animals are getting ready to celebrate. Badger is looking for new friends, Tiny is making (or is that eating) gingerbread, and Rosie Rabbit just can't get ANY peace and quiet! Five festive stories from the animals in the wood all come together in a fantastically Christmassy finale in a barn with some rather special guests.

A Christmas Dinner by Charles Dickens Red Rock Press

Separated from the man in the yellow hat while at a Christmas tree farm, Curious George ends up at a hospital where he delights the child patients with his own brand of tree trimming.

T. P.'s Weekly Penguin

It's Christmastime! And irrepressible, excitable Curious George has just the spirit for it. He can't wait to help his best friend, The Man with the Yellow Hat, pick out their holiday tree. At the tree farm, however, amid all the excitement of finding the perfect specimen, George gets carried away, as usual—atop his favorite tree! Hiding in the tree's branches, George finds himself delivered to the local children's hospital, where his tree trimming antics cheer the children and he gets to meet a jolly man in a bright red suit.

Snowmen at Night shared with us the magical, slip-sliding

adventures of snowmen after dark . . . but have you ever wondered what snowmen do for Christmas? Well, now's your chance to find out! The snowmen are back, and this time they're celebrating Christmas—the snowman way! This snappy and entertaining companion to the New York Times bestseller *Snowmen at Night* depicts all the best parts of the holiday, replete with icy treats and a snowman Kris Kringle. Told in the same bouncy verse as the original, *Snowmen at Christmas* is perfect for a snowy evening read-aloud.

A Christmas Party for Santa Claus Turner Publishing Company
When the narrator comes across a wedding, it reminds him of an event five years ago where he found himself, completely by chance, at a children's Christmas party. At the time, he did not know any of the guests, and so he opted to sit in silent to observe the situation. As he recalls, his gaze fell upon a small rich girl and a poor boy, children unaffected by the social machinations of their parents, who still displayed genuine innocence. He soon saw, however, how the twisted schemes of upper-crust adults could nonetheless bend that sweet illusion to their advantage. Through an exchange of gifts Dostoevsky pulls the rug from under the readers and paints a picture of inequality and social injustice. The unexpected conclusion to the past events back at the wedding is presented as a gripping warning, and makes for a tale suitable for readers of all ages. Fyodor Dostoevsky (1821-1881) was a famous Russian writer of novels, short stories, and essays. A connoisseur of the troubled human psyche and the relationships between individuals, Dostoevsky's oeuvre covers a large area of subjects: politics, religion, social issues, philosophy, and the uncharted realms of the psychological. He is most famous for the novels "Crime and Punishment", "The Idiot", and "The Brothers Karamazov".

La scrittura e l'interpretazione The Floating Press

The appearances of the three ghosts of Christmas are the common thread of the plot in the next three stanzas. Scrooge must accompany each of the ghosts to evoke moments of the first's childhood and youth, including the meeting with his sister Fan, who died young after giving birth and a Christmas party organized by her former boss. Mr. Fezziwig, settings characterized by their kindness and innocence. Another encounter allows him to

learn about the poverty situation in which the family of his employee Bob Cratchit lives, whose youngest son, Tim, is seriously ill, and the way his nephew celebrates the holidays. However, the vision of his death after a lonely, "evil and stingy" life leads him to reflect and change his attitude, so that "I will honor Christmas in my heart and I will try to keep his spirit all year long.

Annuario parlamentare Franco Angeli

The perfect gift this Christmas season: a generous selection of some of the greatest festive stories of all time This is a collection of the most magical, moving, chilling and surprising Christmas stories from around the world, taking us from frozen Nordic woods to glittering Paris, a New York speakeasy to an English country house, bustling Lagos to midnight mass in Rio, and even outer space. Here are classic tales from writers including Truman Capote, Shirley Jackson, Dylan Thomas, Saki and Chekhov, as well as little-known treasures such as Italo Calvino's wry sideways look at Christmas consumerism, Wolfdietrich Schnurre's story of festive ingenuity in Berlin, Selma Lagerlof's enchanted forest in Sweden, and Irène Nemerovsky's dark family portrait. Featuring santas, ghosts, trolls, unexpected guests, curmudgeons and miracles, here is Christmas as imagined by some of the greatest short story writers of all time.

Snowmen at Christmas Hardie Grant

INSTANT NEW YORK TIMES BESTSELLER! "Reading a perfectly plotted Agatha Christie is like crunching into a perfect apple: that pure, crisp, absolute satisfaction." —Tana French, New York Times bestselling author of the Dublin Murder Squad novels An all-new collection of winter-themed stories from the Queen of Mystery, just in time for the holidays—including the original version of "Christmas Adventure," never before released in the United States! There's a chill in the air and the days are growing shorter . . . It's the perfect time to curl up in front of a crackling fire with these wintry whodunits from the legendary Agatha Christie. But beware of deadly snowdrifts and dangerous gifts, poisoned meals and mysterious guests. This chilling compendium of short stories—some featuring beloved detectives Hercule Poirot and Miss Marple—is an essential omnibus for Christie fans and the perfect holiday gift for mystery lovers. "Agatha Christie [is] the

maestro of murder tales.” —People

Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

[Alice in Wonderland](#) Cambridge University Press

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influenced generations of fiction writing.
