Not since Stendhal's *On
Love* has a book
celebrated the love of
women with the
unfettered honesty of
Alberto Bevilacqua's *Eros*.

Half Memoir and half
novel, without apology or
embarrassment, *Eros*
explores the forms and
meaning of physical
passion in a man's life.
*Sandokán: Los Tigres de
Mompracem* Patagonia
Sandokán, un joven
príncipe malayo, subió al
trono de Mulder, en la isla
asiática de Borneo,
cuando apenas tenía
veinte años. Pronto

comenzó a hacerse fuerte
y a conquistar los reinos
ceranos. Entonces,
viendo amenazado su
poder, los hombres
blancos, principalmente
ingleses y holandeses, se
aliaron con el sultán de
Varauni para derrotarlo.
Las traiciones se sucedían
y pronto se asesinó a toda
la familia del joven
soberano. *Sandokán*
resistió todo lo que pudo,

pero acabó siendo vencido por sus enemigos. Entonces, se dedicó a piratear por Borneo al mando de un puñado de valientes que no le habían abandonado. Era perseguido, y, con el paso de los años, se embarcó con sus "cachorros", como él cariñosamente les llamaba, hasta Mompracem, isla que convirtió en su hogar y que pronto se convertiría en el terror del mar de Malasia.

Using French National Geographic Books

The definitive biography of The Beatles, hailed as "irresistible" by the New York Times, "riveting" by the Boston Globe, and "masterful" by Time. As soon as The Beatles became famous, the spin machine began to construct a myth -- one that has continued to this day. But the truth is much more interesting, much more exciting, and much more moving -- the highs and the lows, the love and the rivalry, the awe and the jealousy, the drugs, the tears, the thrill, and the magic to never be

repeated. In this vast, revelatory, exuberantly acclaimed, and bestselling book, Bob Spitz has written the biography for which Beatles fans have long waited.

Batman: Europa John Wiley & Sons

SOON TO BE A NETFLIX SERIES • "A majestic, melancholy, and beautiful novel" (The New Yorker), THE LEOPARD is one of the best-selling Italian novels of the twentieth century and an acclaimed masterpiece of world literature. This beautiful hardcover edition,

translated by Archibald Colquhoun, also includes two short stories and a brief memoir of the author's childhood. Set in Sicily in the 1860s, during the tumult of Italian unification, *THE LEOPARD* tells the spellbinding story of a decadent, fading aristocracy threatened by the approaching forces of revolution and democracy. Its author, Giuseppe Tomasi di Lampedusa, who was the last in a line of Sicilian princes, wrote the novel in the 1950s, inspired by the decline of his own family.

Don Fabrizio Corbera, Prince of Salina, remains skeptical and stoic as he finds himself beset by civil war, social change, and his family's loss of wealth and status. While his beloved nephew, Tancredi, more practical and flexible than he, joins the nationalist rebels and marries the ambitious daughter of a newly rich upstart, Don Fabrizio takes refuge in his love of astronomy, gazing at the unchanging stars while the world as he has known it crumbles around him. The dramatic sweep

and richness of Lampedusa's observation, his seamless intertwining of public and private worlds, and his sure grasp of human frailty imbue *THE LEOPARD* with its melancholy beauty and power. "No novel in Italian literature has aroused so much passion or caused so much argument... The book is more than the memorable invocation of a certain place in a certain epoch. It is a work of art that will survive, long after the last sad palaces of Palermo have gone, because it deals

with the central problems of the human experience." —from the Introduction by David Gilmour "The genius of its author and the thrill it gives the reader are probably for all time."—The New York Times Book Review "A masterwork . . . A superb novel in the great tradition and the grand manner."—Newsweek Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper, with full-cloth cases with two-

color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a full-color illustrated jacket. Contemporary Classics include an introduction, a select bibliography, and a chronology of the author's life and times. *The Stolen Throne* Copper Canyon Press "Molti dicono che Charles Bukowski non esista. Una leggenda metropolitana, che dura ormai da anni, afferma che tutte le poesie turbolente da lui firmate in realtà siano

state scritte da una vecchia scorbutica dall'ascella cespugliosa." Così scriveva nel marzo 1963 un giornalista del "Literary Times" di Chicago. Poeta di culto in molti ambienti underground, Bukowski era ancora ben lontano dalla fama mondiale che avrebbe raggiunto in seguito. Quel giornalista non solo scoprì che Charles Bukowski esisteva davvero. Ma verificò di persona che le sue poesie non mentivano, e così i suoi romanzi e racconti. Lo scrittore era davvero

parente stretto del personaggio cinico, vitale e sporcaccione che i suoi lettori stavano imparando ad amare. E mentre i decenni passavano e cresceva il seguito di questo poeta alcolizzato, sempre più giornalisti andavano a trovarlo, ascoltavano i suoi racconti, annotavano le sue riflessioni veggenti e stralunate. Questo libro raccoglie i migliori pezzi giornalistici (e non) in cui la viva voce di Bukowski parla di sé. A partire da quella primissima intervista, realizzata

cinquant'anni fa in una delle sue proverbiali, maleodoranti stanzette hollywoodiane, per arrivare all'ultima chiacchierata, concessa a bordo piscina nella sua villa di San Pedro, pochi mesi prima di morire.

High Fidelity Neri Pozza Editore

L'unico modo per raggiungere Sassaia, minuscolo borgo incastonato tra le montagne, è una strada sterrata, ripidissima, nascosta tra i faggi. È da lì che un giorno compare Emilia, capelli rossi e

crespi, magra come uno stecco, un'adolescente di trent'anni con gli anfibi viola e il giaccone verde fluo. Dalla casa accanto, Bruno assiste al suo arrivo come si assiste a un'invasione. Quella donna ha l'accento "foresto" e un mucchio di borse e valigie: cosa ci fa lassù, lontana dal resto del mondo? Quando finalmente s'incontrano, ciascuno con la propria solitudine, negli occhi di Emilia - "privi di luce, come due stelle morte" - Bruno intuisce un abisso simile al suo, ma di segno

opposto. Entrambi hanno conosciuto il male: lui perché l'ha subito, lei perché l'ha compiuto - un male di cui ha pagato il prezzo con molti anni di carcere, ma che non si può riparare. Sassaia è il loro punto di fuga, l'unica soluzione per sottrarsi a un futuro in cui entrambi hanno smesso di credere. Ma il futuro arriva e segue leggi proprie; che tu sia colpevole o innocente, vittima o carnefice, il tempo passa e ci rivela per ciò che tutti siamo: infinitamente fragili, fatalmente umani. Con

l'amore che solo i grandi autori sanno dedicare ai propri personaggi, Silvia Avallone ha scritto il suo romanzo più maturo, una storia di condanna e di salvezza che indaga le crepe più buie e profonde dell'anima per riempirle di compassione, di vita e di luce.

“Should be read by every parent, teacher, minister, and Congressman in the land.”—The Atlantic
In *The Conquest of Happiness*, first published by Liveright in 1930, iconoclastic philosopher Bertrand Russell attempted to diagnose the myriad causes of unhappiness in modern life and chart a path out of the seemingly inescapable malaise so

prevalent even in safe and prosperous Western societies. More than eighty years later, Russell's wisdom remains as true as it was on its initial release. Eschewing guilt-based morality, Russell lays out a rationalist prescription for living a happy life, including the importance of cultivating interests outside oneself and the dangers of passive pleasure. In this new edition, best-selling philosopher Daniel C. Dennett reintroduces Russell to a new

generation, stating that Conquest is both "a fascinating time capsule" and "a prototype of the flood of self-help books that have more recently been published, few of them as well worth reading today as Russell's little book."

Il Saggiatore

First British publication of the sequel to *Infernal Devices*, to mark the 30th anniversary of Steampunk. The world George Dower left when he went into hiding was significantly simpler than

the new, steam-powered Victorian London. Dower is enticed into a web of intrigue with ominously mysterious players who have nefarious plans of which he can only guess. If he can locate and make his father's *Vox Universalis* work as it was intended, his future is assured. But his efforts are confounded by the strange Vicar Stonebrake. Drugged, arrested, and interrogated Dower is trapped in a maelstrom of secrets, corruption, and schemes that threaten to drown him in the chaos of

this mad new world. File Under: Steampunk [A Plague of Lighthouses | Sexual Healing | The lady's Not For Turning | End of the World, Again]

George Braziller

The explosive novel of Italy's revolutionary 1969

It was 1969, and temperatures were rising

across the factories of the north as workers demanded better pay and conditions. Soon, discontent would erupt in what became known as Italy's Hot Autumn. A young worker from the impoverished south arrives at Fiat's Mirafiori factory in Turin, where his darker complexion begins to fade from the fourteen-hour workdays in sweltering industrial heat. His bosses try to withhold his wages. Our cynical, dry-witted narrator will not bend to their will. "I want everything,

everything that's owed to me," he tells them. "Nothing more and nothing less, because you don't mess with me." Around him, students are holding secret meetings and union workers begin halting work on the assembly lines, crippling the Mirafiori factory with months of continuous strikes. Before long, barricades line the roads, tear gas wafts into private homes, and the slogan "We Want Everything" is ringing through the streets. Wrought in spare and measured prose,

Balestrini's novel depicts an explosive uprising. Introduced by Rachel Kushner, the author of the best-selling *The Flamethrowers*, *We Want Everything* is the incendiary fictional account of events that led to a decade of revolt. *Acts of Discovery* Springer Ten Steps to Moving Ahead with Purpose! Have you ever woken up in the morning feeling unsure of where your day--or your life--is going? You wonder what else might be out there. You know you deserve more fulfillment

from your life. You think to yourself: What's next? We've all felt that way at one point or another, but have you ever considered it to be your opportunity to create a life that will leave you more fulfilled? It's an exhilarating prospect to attain that life you desire. But you can't get there alone. Dr. Ben Michaelis's life-changing wisdom will give you the tools and confidence you need to take that chance--and live your life with purpose. Throughout this guide, he provides visionary yet practical

strategies, quizzes, and exercises to teach you about your true self. He'll help you pinpoint exactly what you need to realize your purpose and progress toward your goals. Whether you're in need of business or personal guidance, this ten-step plan helps you look forward without fear--so you can achieve joy, passion, and the enriched life you never thought possible. *Separate Rooms* Del Rey The Church of Solitude tells the story of Maria Concezione, a young

Sardinian seamstress living with breast cancer at the cusp of the twentieth century. Overwhelmed by the shame of her diagnosis, she decides that no one can know what has happened to her, but the heavy burden of this secrecy changes her life in dramatic ways and almost causes the destruction of several people in her life. This surprising novel paints the portrait of a woman facing the unknown with courage, faith, and self-reliance, and is the last

and most autobiographical work of Grazia Deledda, who died of breast cancer in 1936, shortly after its publication. An afterword by the translator offers additional information on the author and examines the social and historical environment of that time. [The Lichtenberg Figures](#) Cambridge University Press
This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known

contemporary writer. *The Works of Elena Ferrante: Reconfiguring the Margins* brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume

goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre. *The Dancers at the End of Time* Palgrave Macmillan The international bestseller, now in B-format paperback with a brand new cover. *Consuming Literature* Cambridge University Press 'What follows, then, is the story of Jherек Carnelian, who did not know the meaning of morality, and Mrs Amelia Underwood, who knew everything about it.' In a decaying

far, far future, where everything and anything is possible, the citizens of the End of Time while away their days in an exuberance of wild parties, outlandish competitions and emotionless affairs. At the world's end, all love is timeless and all age-old disputes irrelevant. However Jherек Carnelian, a bemused denizen of the End of Time, is in danger of taking reality too seriously, and grows tired of his pleasures. So when love mysteriously blooms between Mrs Amelia

Underwood, transported unwillingly from the nineteenth century, and Carnelian, only one question matters. Is his love true, or is it just another attempt to stave off the boredom that ultimate power and the End of Time bring? Contains *An Alien Heat*, *The Hollow Lands* and *The End of All Songs* **My Brilliant Friend** State University of New York Press This 2002 book is a guide to Italian usage for students who have already acquired the

basics of the language and wish to extend their knowledge. Unlike conventional grammars, it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English-speakers. Careful consideration is given throughout to questions of style, register, and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech. It surveys the contemporary linguistic scene in Italy and gives ample space to

the new varieties of Italian that are emerging in modern Italy. The influence of the dialects in shaping the development of Italian is also acknowledged. Clear, readable and easy to consult via its two indexes, this is an essential reference for learners seeking access to the finer nuances of the Italian language. *The Words to Say it* Julia Bolton Holloway È il 1939 a Madrid e, nel carcere femminile di Ventas, la vita continua come se fosse sospesa

per un breve intenso momento. Hortensia, i lunghi capelli raccolti in una treccia, gli occhi scuri e lo sguardo taciturno, passa buona parte della giornata a scrivere in un quadernetto azzurro. Quando parla, parla sottovoce, quasi sussurrando, poiché ha imparato a non porsi domande e ad accettare il fatto che la sconfitta penetra a fondo, molto a fondo, senza chiedere permesso e senza dare spiegazioni. Hortensia è incinta e sa che la sua vita è legata al bimbo che

porta in grembo. Il giorno in cui nascerà sarà anche quello della sua fine. Elvira, sedici anni, la più piccola delle sue compagne, riempie di ceci un guanto per formare la testa di un burattino. Il peso le impedisce di maneggiarlo, ma lei non si arrende. Le sue piccole dita lottano con il guanto di lana e la sua voce accompagna la pantomima per scacciare la paura. Tomasa, che viene dall'Estremadura e ha la pelle olivastra e gli occhi a mandorla, si guarda attorno incredula.

Non ha mai raccontato a nessuno il suo segreto: suo marito, i suoi quattro figli e la nuora sono stati gettati giù da un ponte dai falangisti. Hortensia, Elvira, Tomasa hanno paura. Nelle loro voci, nei loro sguardi sfuggenti, c'è la paura. Negli sguardi dei loro familiari - di Pepita, ad esempio, la sorella di Hortensia che fa da messaggera tra lei e suo marito - c'è la paura. Sono donne che hanno combattuto per la libertà a prezzo della loro vita, donne alle quali non resta che evocare con

emozione i ricordi, gli amori, le passioni, il tempo felice della loro esistenza. Romanzo basato sulle testimonianze dirette delle miliziane della Repubblica spagnola imprigionate dai franchisti a Madrid, *Le ragazze di Ventas* costituiscono il testamento letterario di Dulce Chacón, la grande scrittrice spagnola morta nel 2003 a soli 49 anni. Accolto al suo apparire da uno straordinario successo di pubblico e critica, è una di quelle rare opere che colpiscono

profondamente al cuore restituendoci «l'emozione della verità» (El Mundo).

Le ragazze di Ventas

CreateSpace

Soon to be a major film adaptation by Luca Guadagnino, *Separate Rooms* is a masterpiece of Italian literature, and a heartbreaking portrait of love, grief, and the daily realities of being a gay man in 1980s Europe. Thomas, a young German musician, is dying. His older boyfriend, a renowned Italian writer named Leo, finds it impossible to watch the

slow and inevitable demise of his lover. So, he condemns himself to wandering the earth instead, moving cities every few weeks in the hope of finding the dividing line between the living and the dead. He travels through Europe where past and present overlap, years merge and faces emerge, and reminders of the life he and Thomas shared are on every corner. From their meeting and nights spent in Paris to the drug-induced flight through the forests of northern France

that spelled [GU1] the end, Leo's memories become clearer with every road he takes-- much as he wishes he could simply forget. While alive, and wanting to preserve the passion of their relationship, Leo had forced Thomas to live separately: in separate rooms, separate towns, with separate lives. But now, face to face with true solitude, Leo must finally reckon with the impossible striving of memory to recreate life and, ultimately, cross an ocean to find the strength

to go on. André Aciman's *Call Me by Your Name* meets Ocean Vuong's *On Earth We're Briefly Gorgeous* in Pier Vittorio Tondelli's *Separate Rooms*: a singular and unforgettable meditation on almost-ideal love, told in three musical movements, by a treasured literary talent never before published in the US.

The Beatles Cambridge University Press

This book examines the changes taking place in literary writing and publishing in

contemporary China under the influence of the emerging market economy. It focuses on the revival of literary best sellers in the Chinese book market and the establishment of a best-seller production machine. The author examines how writers have become cultural entrepreneurs, how state publishing houses are now motivated by commercial incentives, and how "second-channel," unofficial publishers and distributors both compete and cooperate with official

publishing houses in a dual-track, socialist-capitalist economic system. Taken together, these changes demonstrate how economic development and culture interact in a postsocialist society, in contrast to the way they work in the mature capitalist economies of the West. That economic reforms have affected many aspects of Chinese society is well known, but this is the first comprehensive analysis of market influences in the literary field. This book

thus offers a fresh perspective on the inner workings of contemporary Chinese society.
