**Tom Sawyer Collection - All Four Books (Black Horse Classics)** Simon and Schuster

At the turn of the twentieth century Minnie Maddern Fiske, a New York actress, socialite, and animal rights activist, wrote to Mark Twain with an unusual request: for Twain to write about the evils of bullfighting equal to that of his anti-vivisectionist story A Dog's Tale. Twain responded with A Horse's Tale, a comic animal tale that doubled as a frontier adventure and political diatribe. A Horse's Tale concerns Soldier Boy, Buffalo Bill Cody's favorite horse, as the protagonist and sometime narrator at a fictional frontier outpost with the U.S. Seventh Cavalry. When the general's orphaned niece arrives, Buffalo Bill takes her under his wing and ultimately lends her Soldier Boy so that they may seek adventure together. Twain uses the friendship between the girl and the horse as the basis for his eventual indictment of the barbarism of Spanish bullfighting. Twain's novella is unusual for its complex tone—combining a comic children's story and a dark portrait of animal cruelty. Including the themes of transatlantic relations and frontier culture, Twain offers a fresh look into the world of Buffalo Bill Cody from the perspective of one of America's most beloved authors. First published in 1906 in Harper's Monthly and as a single volume the following year, A Horse's Tale never again appeared in print except in anthologies of Twain's work. This edition includes the full text of Twain's original story, an introduction that situates the work in historical and biographical context, thorough annotations, and the addition of significant archival material related to Twain, Cody, and Fiske.

[A Journey to Softness](#) Random House

Many horse trainers, even those who espouse the so-called natural horsemanship approach, take the position that horses who fail to obey a human's request are doing so as much out of perversity as ignorance. That's not Mark Rashid's view. In his words, "If we understand that horses can't separate the way they feel from the way they act, then we can start to see that unwanted behavior isn't bad behavior at all. More times than not, it's just the horse expressing the way he feels at that particular moment in time. . . .How we perceive that information dictates how we respond to it." Whole Heart, Whole Horse focuses on this idea, covering such subjects as gathering information from the horse, turning rider/trainer mistakes into positive experiences, developing realistic boundaries between you and your horse, understanding how and why horses release energy from real or perceived traumas, and reaching a comfortable balance point between horse and rider. Rashid analyzes developing softness, consistency, dependability, trust, and peace of mind in both horses and humans, as well as how to become a leader whom your horse will willingly want to follow and work with. Full of examples that extend beyond the training pen, Whole Heart, Whole Horse offers good sense and information that will make you a more astute, capable, and sensitive horseman and person.

**Chicken Soup for the Horse Lover's Soul** Hamish Hamilton

Hardy is a horse with poor eyesight that spends his days on the farm. He knows he's not supposed to leave without Farmer Joe, but when a neighbor leaves the front gate open, Hardy's curiosity gets the better of him! But his happy adventure soon takes a terrible turn, and Hardy wonders how he'll ever get back to the farm. Follow Hardy as he encounters friends, old and new, on his quest to return to Farmer Joe's. In this delightfully sweet tale,

Cindy and Mindy Chicken, Bessie the Cow, Randy Rabbit and Ollie Owl all help Hardy see that there truly is no place like home.

#### **A Good Horse Is Never a Bad Color** Trafalgar Square Books

In 1993, when he was twenty-four years old, Mark Peterson made a choice that left him no option but to trust God for everything. Accompanied by only his horse and a borrowed pack mule, Mark rode north toward Canada from California's Central Valley carrying no provisions and a question: Is the God of the Bible still God today? He spent the next two and a half months riding over West Coast rivers, mountains, valleys, and rangelands, sleeping in hay barns, praying with strangers, being stripped of self-reliance, and watching God provide for his every need in the most unexpected ways. Written in language kids can understand, and supplemented with footnotes to deepen the story for adult readers, *Man on a Horse* is a true story of adventure, God's provision, and Jesus's power to touch lives and change hearts today. The power of God's response to Mark's honest question shines through on every page, inspiring faith and a simple love for Jesus in both children and adults.

Social workers produced thousands of case files about the poor during the interwar years. Analyzing almost two thousand such case files and traveling from Boston, Minneapolis, and Portland to London and Melbourne, Miss Cutler and the Case of the Resurrected Horse is a pioneering comparative study that examines how these stories of poverty were narrated and reshaped by ethnic diversity, economic crisis, and war. Probing the similarities and differences in the ways Americans, Australians, and Britons understood and responded to poverty, Mark Peel draws a picture of social work that is based in the sometimes fraught encounters between the poor and their interpreters. He uses dramatization to bring these encounters to life—joining Miss Cutler and that resurrected horse are Miss Lindstrom and the fried potatoes and Mr. O'Neil and the seductive client—and to give these people a voice. Adding new dimensions to the study of charity and social work, this book is essential to understanding and tackling poverty in the twenty-first century.

[Horsemanship Through Life](#) Trafalgar Square Books

This book brings to life one man's quest to fulfill his eternal love for the Arabian horse. Keeping that dream alive through heartbreak, triumph, defeat and perseverance; his dream is fulfilled creating a forever bond that will live throughout the eternities. A must-read book based on true life events giving all an understanding of the passion and kindred connections between horse, man and the creator. It provides an easy to understand and proper way to approach the horse to develop a long lasting partnership. This work is the next best thing for all horse enthusiasts, especially the ones who want to improve their abilities to truly and deeply connect with any horse on an entirely spiritual level.

#### **Lessons in Lightness** Elsevier Health Sciences

Eleanor Roosevelt was the niece of one president, and the wife of another. But did you know she was a leader in her own right? From supporting civil and women's rights to speaking to the public through her newsletter, *My Day*, Eleanor paved the way. This playful story of her childhood will help young readers connect with a historic figure and will inspire them to want to achieve greatness.

[A Horse's Tale](#) U of Nebraska Press

It's two years after the Zero Day attacks, and cyber-security analyst Jeff Aiken is reaping the rewards for crippling Al-Qaida's assault on the computer infrastructure of the Western world. His company is flourishing, and his relationship with former government agent Daryl Haugen has intensified since she became a part of his team. But the West is under its greatest threat yet. A revolutionary, invisible trojan that alters data without leaving a trace—more sophisticated than any virus seen before—has been identified, roiling international politics. Jeff and Daryl are summoned to root it out and discover its source. As the trojan penetrates Western intelligence, and the terrifying truth about its creator is revealed, Jeff and Daryl find themselves in a desperate race to reverse it as the fate of both East and West hangs in the balance. A thrilling suspense story and a sober warning from one of the world's leading experts on cyber-security, *Trojan Horse* exposes the already widespread use of international cyber-espionage as a powerful and dangerous weapon, and the lengths to which one man will go to stop it.

#### **Man on a Horse** Simon and Schuster

Author discusses various ways to train horses in a step-by-step program.

[Horses Never Lie](#) J.A. Allen

In *A Good Horse Is Never a Bad Color*, Mark Rashid continues to share his talent for training horses through communication rather than force. Rashid uses humorous, feel-good stories to relate his techniques of teaching horses by examining their view of the world. These stories deal with many aspects of buying, owning, and training horses with a special focus on those that are troubled and hard-to-train. The arrested development of horses like these, Rashid shows, is often a result of their trainers' own lack of understanding of their unique psychologies. With stories that stress the importance of patience and understanding, this book is a must-have for compassionate horse trainers and owners. Tales of Arabs, appaloosas, and paints—mistrusted and mistreated because of their breed—will give readers a new perspective on these breeds and others. Sometimes, it's the attitude that needs to be fixed rather than the horse. Rashid's accounts of horses bound for slaughter because they were considered impossible to train will inspire you to give your own problem horse a second look. This new edition features added introductory notes for each chapter that contribute to a better understanding of Rashid's philosophy and methods.

[The Adventure of Hardy the Horse](#) Fox Chapel Publishing

When your horse suddenly develops a performance problem or a bad attitude and neither seem to be remedied by new training techniques or medical care, you often face months—even years—of frustration and career limitation. Dr. Joyce Harman, veterinarian and respected saddle-fitting expert, states that 75 percent of horses with such issues are simply reacting to pain caused by ill-fitting saddles. And, as she explains in this thorough and highly illustrated book, poor saddle fit can be corrected with patience and know-how.

#### **Sgt. Reckless** The Mark of the Horse Lord

Mark Rashid shares personal stories about events in his life that helped him on his journey to softness, as well as the stumbling blocks along the way.

The narrative includes a section in which Mark passes on the experiences of others from a wide variety of walks of life and occupations, all sharing their views on how feel, connection and softness apply to their respective professions. Those interviewed for this special section include a musician who has written and performed several number one country music hits, a highly decorated helicopter pilot, a movie actor, a college professor, a master carpenter, an artists and numerous others. What the reader learns by example is how to develop feel, relaxation, connection, and softness in both horse and rider. The methods and techniques Mark demonstrated have been gleaned from decades of work with horses and horse people, as well as while he trained with world-class martial artists whose lives have been dedicated to developing softness and connection with a partner through feel.

#### **A Horse's Tale** Simon and Schuster

In *Horses Never Lie*, renowned horse trainer Mark Rashid challenges the conventional wisdom of “alpha leadership” and teaches the reader to become a “passive leader”—a counterpart to the kind of horse other members of a herd choose to associate with and to follow. Applying Rashid's principles and techniques helps cultivate horse personalities that are responsive and dependable regardless of the rider. Reliving Rashid's experiences with him, you will come to feel the same sort of compassion and appreciation for your horses that you do for the people in your life. This new edition features added introductory notes for each chapter that contribute to a more complete understanding of Rashid's methods and philosophy.

Per booksellers' description, this is pre-publication, reviewer's copy. Issued in paper wrappers instead of cloth.

[Cardiology of the Horse](#) BoD - Books on Demand

“So richly detailed, you can almost smell the gunsmoke and the sweat of the saddles. ” —Hampton Sides, New York Times bestselling author of *Ghost Soldiers* No outlaw typifies America's mythic Wild West more than Billy the Kid. To Hell on a Fast Horse by Mark Lee Gardner is the riveting true tale of Sheriff Pat Garrett's thrilling, break-neck chase in pursuit of the notorious bandit. David Dary calls *To Hell on a Fast Horse*, “A masterpiece,” and Robert M. Utley calls it, “Superb narrative history.” This is spellbinding historical adventure at its very best, recalling James Swanson's New York Times bestseller *Manhunt*—about the search for Lincoln's assassin, John Wilkes Booth—as it fills in with fascinating detail the story director Sam Peckinpah brought to the screen in his classic film *Pat Garrett and Billy the Kid*.

[The Horse Listener](#) Macmillan

A favorite storyteller sheds new light on the never-ending process of becoming better for the horse. Over 30 years ago, renowned horseman and popular storyteller Mark Rashid's first book, *Considering the Horse*, was published. In it he shared his experiences with horses and people, subtly delivering practical lessons in horsemanship and life in a conversational style that resonated with audiences around the world. Now Rashid considers all that has happened in the years that have passed since that first book was published—the transformative moments and impactful individuals who have helped shape his philosophies and methods since then. With his distinctive voice, he shepherds readers through topics of relevance in the equestrian industry while telling more of his life story, resulting in an engaging memoir-style read that remains rich in nuggets of wisdom that you can put right to work in your daily interactions with horses. In *For the Love of the Horse*, Rashid explores: Ways he tried to find his own way of being with horses without actually knowing what he was looking for. How the art of aikido, and the teachers he had, changed his ideas about life and relationships outside the dojo. How it feels to be soft (and how it feels to not be), and how Rashid learned to stay true to the principles of softness as he understood them, regardless of the situation. How he broke out of the pattern of assigning human emotions and comprehension to horses. The impact neuroscientist Dr. Steve Peters had on Rashid's understanding of the horse's behaviors and responses and how they correlate to what is actually going on in the horse's brain. The power of observation and learning how to be still, even in the midst of activity. The difference between trying to connect with the horse versus allowing the horse to connect with you. How over time Rashid has shifted from trying techniques that alter a horse's behavior, to adjusting his own thoughts, emotions, and behaviors in order to help the horse feel safer. In his familiar way, Rashid takes readers on a journey that rewards with both adventure and education, finding new inroads in our attempts to become better company and fairer caregivers to horses. With his thoughtful lifetime of study leading by example, we are all encouraged to consider how far horsemanship has come and how bright its future might be.

[Original Horse Bible, 2nd Edition](#) Simon and Schuster

Here is a compelling meditation from renowned horseman Mark Rashid on all the ways that the principles we apply in our dealings with fellow humans can apply to our relationships with our horses, and vice versa. *Horsemanship Through Life* is about awareness, learning, teaching, honesty, integrity, and much more. It is about more than tips or technique; it is about principles to live by. It is about taking ownership of and responsibility for our lives and relationships with horses and humans. It doesn't take long to read, but will be with you for life. Experience the profound lessons of this nourishing book.
