Thinkaha

When I first picked up Harry Potter and the Sorcerer's Stone I had no idea that my relationship

with the wizarding world was about to be changed forever. I fell deeply in love with the magical world that I found myself in. Now years on I am still so frequently returning to explore and further my knowledge of all areas of this universe. After years of obsession I realised that I was constantly returning to the same notes I had long since made. These notes were a list of spells, pronunciations and their definitions. I then had the idea to collate these notes into a spellbook so that I

could share my knowledge with the world. This was the start of a life long obsession with the world that J.K. Rowling has brought into existence. I have spent countless hours meticulously studying each book, film and game to compile this spellbook. I hope you enjoy it.

A brilliant investigation into the motivations and methods behind the actions of Hogwarts's renowned Headmaster! Albus Percival Wulfric

Brian Dumbledore, Headmaster of Hogwarts, is one of the most recognizable and mysterious figures in the Harry Potter series. As an unscrupulous beetle-like journalist once said, he's "a biographer's dream." Is he omniscient or limited? Is he benevolent or malevolent? What really drove him in the last years of an extraordinary life? Dumbledore dives between the lines of the Harry Potter books to create a portrait of the controversial Headmaster. We find Dumbledore's

hand in every seeming coincidence, and consider the impossible decisions he had to make. This in-depth examination from author Irvin Khaytman casts the events of the Harry Potter series in a whole new light, resolving fans' questions that linger to this day.
