 Think Star Wars meets Avatar: The Last Airbender! Kazu Kibuishi (AMULET) says this graphic novel adventure is "a magical journey, as fun as it is beautiful!" In book 4, Oona Lee arrives on Salassandra determined to light the yellow beacon and continue her quest to save the Five Worlds from the evil Mimic's influence. But the beacon is encased in amber! An ancient clue says that Oona and her friends must seek out the Amber Anthem to succeed. Meanwhile, Stan Moon sends an evil Jax robot to assassinate Oona and hunts down An Tzu himself. Turns out, as An Tzu fades away from his Vanishing Illness, he's

becoming someone else--someone who could tip the scales in the battle for the Five Worlds!

Little Witch Academia, Vol. 1 (manga) First Second

In the crucible of grief following a friend's death, Presbyterian pastor Patricia Pearce sensed a dimension of existence beneath her ordinary perception-and became resolved to discover it. She soon found herself in a vortex of revelatory dreams, synchronicities, energy openings, and insights that shattered her worldview, exposed a unified Reality of Love, and unveiled the illusory nature of the ego and the world it has created. Faced with these discoveries, she struggled to remain in a religion that, she now realized, has been shaped by the very ego consciousness Jesus transcended and urged others to abandon. Enlightening, revelatory, and

bold, *Beyond Jesus* reveals how our political and religious institutions are an outward manifestation of the inner beliefs we hold about who we are, and that beneath the layers of dogma about Jesus lies a key to our spiritual evolution and the astonishing possibility it holds for the future.

How should we treat non-human animals? In this immensely powerful and influential book (now with a new introduction by Sapiens author Yuval Noah Harari), the renowned moral philosopher Peter Singer addresses this simple question with trenchant, dispassionate reasoning. Accompanied by the disturbing evidence of factory farms and laboratories, his answers triggered the birth of the animal rights movement. 'An extraordinary book

which has had extraordinary effects... Widely known as the bible of the animal liberation movement' Independent on Sunday In the decades since this landmark classic first appeared, some public attitudes to animals may have changed but our continued abuse of animals in factory farms and as tools for research shows that the underlying ideas Singer exposes as ethically indefensible are still dominating the way we treat animals. As Yuval Harari's brilliantly argued introduction makes clear, this book is as relevant now as the day it was written.

Communicating in Small Groups Routledge Clive and his friends explore the many responsibilities of a nurse.

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In "A Private Experience," a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

Now with Princess Nautilus as part of their entourage, Cucumber and Almond travel to Trebleopolis to warn Princess Piano that Noisemaster, second of the Nightmare Knight's minions, might be after her! Unfortunately, they arrive just in time for Queen Cymbal's birthday and the Queen refuses to stop the festivities . . . that is until Noisemaster succeeds in capturing Princess Piano and threatens to destroy the city. Adapted from the popular webcomic series of the same name, Gigi D.G.'s *Cucumber Quest: The Melody Kingdom* is the third book of a clever, adorable, and hilarious four-volume heroic adventure that is sure to make you hungry for sweets and action.

"The greatest crime writer of our time, perhaps ever!" —New York Times Book Review When the all-time greats of mystery/noir/crime fiction are mentioned (John D. MacDonald, Dashiell Hammett, James M. Cain, Robert Parker, etc.), Elmore Leonard's name invariably tops the list. A true Leonard classic, *The Big Bounce*

showcases all of the Grand Master's acclaimed skills—twisty plotting, unforgettable characters, dialogue so razor sharp it could draw blood—as he chronicles the misadventures of a larcenous young man in a Michigan resort town who's irresistibly drawn to a dangerous femme fatale, a rich man's plaything, and the nasty little caper they plan to pull off together—if they can somehow manage to survive each other. The acclaimed creator of *Raylan* (aka U.S. Marshal Raylan Givens, lately of TV's smash hit *Justified*), Leonard has never lost the mojo that makes him "the King Daddy of crime writers" (Seattle Times). *5 Worlds Book 4: The Amber Anthem* New Directions Publishing

Those words changed young Atsuko "Akko" Kagari forever, sparking in her a lifelong dream of becoming a real witch. Now she's been accepted to the same school as her childhood hero, Shiny Chariot—the prestigious Luna Nova Witchcraft Academy. As the only student to come from a non-magical family, Akko finds herself surrounded by prodigies from around the world, but giving up isn't in her vocabulary. Whether it's making friends, proving the doubters wrong, or just flying on a broom, Akko is going to make her fantasy a reality!

27 Wagons Full of Cotton and Other Plays Harper Collins

Official U.S. edition with full color illustrations throughout. NEW YORK TIMES BESTSELLER Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity's future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet riveting—famine, plague and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from bingeing at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is *Homo Deus*. With the same insight and clarity that made

Sapiens an international hit and a New York Times bestseller, Harari maps out our future.

Don't miss the first epic *She-Ra* and the *Princesses of Power* graphic novel, based on stories by showrunner Noelle Stevenson! Even after everything that's happened, the world outside the Horde's walls is still a strange one to Adora. Each day she's learning more about her growing powers as *She-Ra*, including something new: the ability to heal corrupted runestones. Runestones are the magical source from which princesses like Frosta, Mermista, and Perfuma draw their power, but Glimmer knows of another runestone - one with a dark past. Long ago a fire princess ruled the lands to the west, until her thirst for power corrupted her, and led to the ruin of her kingdom. Glimmer thinks the lost fire runestone could give the Rebellion an edge in the fight against the Horde, but claiming this ancient power won't be easy... especially not when the Horde has their eyes set on the same prize. Don't miss this original graphic novel based on stories by *She-Ra* showrunner and New York Times bestselling author Noelle Stevenson, with script by Gigi D.G. and art by Paulina Ganucheau!

The Art of Being Human Penguin

The quest to save Dreamside continues! After a surprise attack at sea, Cucumber finds himself in the Ripple Kingdom, home to white sand, blue waves . . . oh yeah, and the giant, terrible squid monster holding Almond and Sir Carrot captive. Can our so-called "legendary hero" rescue his companions from the nefarious Splashmaster? Nah, probably not. Good thing Princess Nautilus is here! With her wit, charm, and positive attitude, there's no way they can lose. But saving the day won't be as simple as it seems once a 500,000-year-old secret comes to light . . . Adapted from Gigi D.G.'s popular webcomic series of the same name, *Cucumber Quest: The Ripple Kingdom* is the second book of a clever, adorable, and hilarious four-volume heroic adventure that is sure to make you hungry for sweets and action.
