Unwavering Success with Jameson Chin is a touching and motivational book that will remind readers to take care of their well-being by practicing self-love and self-respect. Chin's teachings offer a practical way to set healthy boundaries that will ensure your long-lasting happiness and pave the way to success. Prioritizing our emotional, mental, and physical safety is not an act of selfishness but rather of self-respect that allows us to be in control of our feelings. About the Author Jameson Chin's career in sales has spanned various companies in Asia for more than a decade, and at his peak, he was selling high ticket items worth six figures. With the knowledge and skills he has acquired, he expanded his field to become a speaker, trainer, and entrepreneur. Sashin Govender, founder and CEO of The Millionaire Student, says, "Jameson has one of the biggest hearts that I know of, and his ultimate goal is to see others succeed. He believes in people more than they believe in themselves." He provides coaching and speaks on sales, entrepreneurship, and motivation. His life goal is to inspire people to take action towards living a life of greatness and not one of mediocrity. Jameson was born and raised in Singapore, and his favorite mantra in times of difficulty is: "When the going gets tough, the tough gets going."

The life you want is in reach, if only you can master the power of focus Anxiety, stress, worry, and fear—these are the mental maladies that literally plague us, contributing not only to our growing unhappiness, but also to physical ailments such as heart disease and obesity when left unmanaged. As Hindu priest and renowned speaker Dandapani shows in this eye-opening and enriching new book, it is only through mastering one skill—the skill of focus—that we can permanently lay these mental roadblocks to rest. Dandapani spent ten years in a cloistered monastery, learning invaluable lessons on the benefits of concentration. In *THE POWER OF UNWAVERING FOCUS*, Dandapani distills the wisdom he gained as a monk into a practical, step-by-step guide to understanding and harnessing the mind. With clear definitions and practicable exercises (such as making your bed every morning), Dandapani teaches readers how to move awareness within the mind with willpower, incrementally integrating the practice of focus into daily life, resulting in sustainable change. Through his lectures and courses, Dandapani's message of focus has already reached and helped millions overcome distraction. Now, *THE POWER OF UNWAVERING FOCUS* opens readers' eyes to how practicing the skill of focus can drastically improve productivity, relationships, mental health, and happiness—ultimately gifting us the ability to direct awareness and energy toward achieving our life goals.

Jonathan Edwards is well known as perhaps the greatest theologian the United States has ever produced. He is equally noted for his preaching and writing. But in this Long Line Profile, Dr. Steven

J. Lawson considers the unique focus and commitment with which Edwards sought to live out the Christian faith. Lawson examines Edwards' life through the lens of the seventy resolutions he penned in his late teens, shortly after his conversion, which cover everything from glorifying God to repenting of sin to managing time. Drawing on Edwards' writings, as well as scholarly accounts of Edwards' life and thought, Lawson shows how Edwards sought to live out these lofty goals he set for the management of his walk with Christ. In Edwards' example, he finds helpful instruction for all believers.

Power over the Enemy HarperCollins

"In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!" – Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si': On the Care of Our Common Home*, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for "the ethical and spiritual itinerary that follows." *Laudato Si'* outlines: The current state of our "common home" The Gospel message as seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching.

"[A] War Horse for dog lovers," a novel of two soldiers bonded by a military dog and who love for the same woman—from a New York Times–bestselling author (Booklist). Rick Stanton was a promising professional baseball player with dreams of playing in the major leagues and starting a family with his young wife, Francesca, when World War II changed everything. Rick returns from the war with his body broken and his dreams shattered. But it was not just body and spirit he sacrificed for the war. He and Francesca volunteered their beloved dog, Pax, for the Army's K-9 Corp, not knowing if they'd ever see him again. Keller Nicholson is the soldier who fought the war with Pax by his side, and the two have the kind of profound bond that can only be forged in war. Pax is the closest Keller has to a sense of family, and he can't bear the thought of returning him to the Stantons. But Rick and Francesca refuse to give him up. Instead, an arrangement is made: Keller will work as Rick's live-in aide. And thus an unlikely family is formed, with steadfast Pax at the center. As they try to build a new life out of the ashes, Keller and Francesca struggle to ignore their growing attraction to each other, and Rick, believing that he can no longer give Francesca what she needs and wants, quietly

plans a way out. All three of them need healing. All three of them are lost. And in Susan Wilson's *A Man of His Own*, Pax, with his unconditional love and unwavering loyalty, may be the only one who can guide them home.

During the course of his 60-year ministry, John Osteen combined an extraordinary love for people with a vision for ministry best described in his own words: "No limits." In this hardcover volume not

only includes content from John's sermon transcripts, but also a foreword and commentary written by his son, Joel; the principles of this "no limits" faith come alive again for a new generation. For the moments of struggle and temptation that every man faces, and the times in life when he feels surrounded and under attack, John's message is profoundly simple—those moments are precisely the time for an unwavering faith. In this book, John schools today's believers in seven qualities of unwavering faith: 1. It hears and sees what the world cannot see or hear. 2. It prays earnestly even though it has already heard the answer. 3. It is strong when there is no evidence of the answer. 4. It always says, "Go Again!" 5. It goes on when there's just a little evidence. 6. It believes for the big when it sees the little. 7. It begins with nothing but ends up doing mighty things for God. Osteen also provides principles for those times when faith doesn't seem to be working. *Becoming a Man of Understanding Faith* is a guidebook to stronger faith, from a man who spent a lifetime testing its limits.

This is a series of poems that represents the strokes of life of an individual struggling to stay on a road to success. There are many instances where the writer shows the dichotomic struggle between thoughts and actions, or belief and works. The author keeps away from dwelling on negativity, but rather uses each hardship as an opportunity to teach a life's lesson. The book is partitioned into three parts, in order to better demonstrate the turbulent yet constant progression existing in life that can inevitably result in a person's greatest achievements.

From New York Times bestselling author, feminist pioneer, and cultural icon bell hooks, a timelessly necessary treatise on how patriarchy and toxic masculinity hurts us all, with a new introduction by poet Ross Gay. Feminist writing did not tell us about the deep inner misery of men. Everyone needs to love and be loved—including men. But to know love, men must be able to look at the ways in which patriarchal culture keeps them from understanding themselves. In *The Will to Change*, bell hooks provides a compassionate guide for men of all ages and identities to understand how to be in touch with their feelings, and how to express versus repress the emotions that are a fundamental part of who we are. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. *The Will to Change* "creates space for men to acknowledge their traumas and heal—not only for their sake, but for the sake of everyone in their lives" (BuzzFeed).
