L'épileptologie change, et les approches syndromiques sont maintenant complétées par une approche étiologique

fondée sur les progrès considérables en génétique. Une approche purement « électro-clinique » n'est plus adaptée aujourd'hui dans bien des cas. Cette 5e édition du « Guide bleu » fait le point sur les plus récents progrès. Ainsi, la structure du livre a un peu évolué, laissant plus de place aux approches : - physiologiques - épidémiologiques - génétiques - thérapeutique Néanmoins, la description

des syndromes épileptiques reste au cœur de cet ouvrage. La diversité des contributeurs - coordinateurs et auteurs - confère à ce livre des qualités d'objectivité et de sérieux qui en font la réputation depuis maintenant près de 30 ans.

Mentoring in Formal and Informal Contexts John Libbey Eurotext

After Etudes sur l'aspect verbal chez Platon (Saint-Etienne, 2000), the international 'Groupe de recherche sur l'aspect verbal en grec' now presents a second volume on verbal aspect in (Ancient) Greek, which is devoted to the function(s) of the Historical Present in Thucydides. In nine chapters the authors approach this subject from a variety of angles, focusing inter alia on the HP of particular verbs and on its use in battle narratives, or investigate Thucydides' use of the HP from a comparative perspective. They share one important assumption, viz. that the primary function of the HP is to mark events that were, according to Thucydides, of decisive importance for the development of the Peloponnesian War. By its rich and detailed analyses the book provides important new insights into Thucydides' narrative technique.

Mentoring in Formal and Informal Contexts is a collection of invited works on mentoring in the many contexts in which it exists. Working with AHEA, the editors identified authors that have demonstrated experience and/or have published in this area. The book is arranged thematically (health care, education, the workplace, etc.) and further sub-themed as appropriate. Mentoring in Formal and Informal Contexts is important because it fills a unique niche in the field of adult education, extends the scope of AHEA to a larger audience, and offers a current volume for scholars and practitioners based on both research and practice-based research. The audience: This collection is appropriate for a wide variety of professors, researchers, practitioners, and students in the field of adult education.

Depuis que le programme de commémoration historique a été inauguré par le gouvernement de l'Ontario en 1956,

plus de 1 000 plaques ont été érigées d'un bout à l'autre de la province. La variété des sujets commémorés est étonnante, qu'il s'agisse de ruées vers les mines du nord de l'Ontario ou de l'invention de la vis à tête creuse ... de Harold Innis ou de Stephen Leacock ... de l'épidémie de typhus de 1847 ou de la découverte de l'insuline. La culture populaire est également bien représentée: "Beautiful Joe" commémore un roman célèbre dans le monde entier racontant l'histoire d'un chien ; "When You and I Were Young, Maggie" chante une ballade romantique très en vogue ; "Jumbo" marque l'emplacement où est mort un éléphant de cirque très aimé. L'histoire de l'Ontario, tout comme sa géographie et ses habitants, est vaste et variée. Ce guide peut donc être utile, que l'on circule sur l'autoroute, se promène à la campagne ou flâne dans son propre quartier. Il reste encore tant à découvrir.

Thinking of the text from the Dies frae (S. Matthew, XXV, 40). It is also probable that this other Saint Francis, partly out of admiration for his illustrious compatriot of Assisi and partly from a compelling urge to

be superlative in all things, chose the title in opposition to the Franciscans, the Fratres Minori, I who had previously adopted this style taken from Saint Matthew, XXIII, 8. The title "Minim" was confirmed in these words" ... eosque Eremitos Ordinis Minimorum Fratrum Eremitarum F. Francesci de Paula in posterum nuncupari," taken from the Papal Bull, Meritis religiosae vitae, of 26 February, 1493. The earliest reference to the Order in France is in a fragment preserved in the Bibliotheque de l'Arsenal called, La regle et vie de Frere Franfois, pauvre et humble hermite de Paule, laquelle donne a tous ses 2 freres voulant entrer et vivre en son ordre. The dating of this manuscript should be accepted with considerable reserve; it bears a clearly legible "1474," although it seems most unlikely that any reference to an Order occurred before the Bull of 1493 or that any Rule appeared in French before the Founder's visit to Louis XI in 1483. 3 The fame of Francis and his reputation as a "guerisseur" had reached the French court where Louis XI was sick and dying; the King summoned him to the chateau of Le Plessis-les-Tours, but it required the

intervention of the Pope to make the hermit undertake the journey

For the majority of scholars, the Animal Apocalypse is a militant text, a piece of pro-Maccabean propaganda. This text, however, develops theological reflections that are distinctly different from a justification of an armed struggle. Its themes are even incompatible with the Maccabean movement. It is impossible to condemn the Second Temple and, at the same time, mobilise people for a fight in

order to purify that very Temple. After dealing with text-critical issues, this work challenges the thesis that the text is military propaganda through the use of narrative and historical approaches. The analyses, besides proposing a new way of a studying an apocalypse, spell out the peculiarity and the significance of the theology of the Animal Apocalypse in connection with the biblical history of Israel and the theology of the Qumran community.
