 NEW YORK TIMES BESTSELLER • The life and loves of Prince Charles are illuminated in a major new biography from the New York Times bestselling author of *Elizabeth the Queen*—perfect for fans of *The Crown*. Sally Bedell Smith returns once again to the British royal family to give us a new look at Prince Charles, the oldest heir to the throne in more than three hundred years. This vivid, eye-opening biography—the product of four years of research and hundreds of interviews with palace officials, former girlfriends, spiritual gurus, and more, some speaking on the record for the first time—is the first

authoritative treatment of Charles's life that sheds light on the death of Diana, his marriage to Camilla, and his preparations to take the throne one day. Prince Charles brings to life the real man, with all of his ambitions, insecurities, and convictions. It begins with his lonely childhood, in which he struggled to live up to his father's expectations and sought companionship from the Queen Mother and his great-uncle Lord Mountbatten. It follows him through difficult years at school, his early love affairs, his intellectual quests, his entrepreneurial pursuits, and his intense search for spiritual meaning. It tells of the tragedy of his marriage to Diana; his eventual reunion with his true love, Camilla; and his relationships with William, Kate, Harry, and his grandchildren. Ranging from his glamorous palaces to his country homes, from his globe-trotting

travels to his local initiatives, Smith shows how Prince Charles possesses a fiercely independent spirit and yet has spent more than six decades waiting for his destined role, living a life dictated by protocols he often struggles to obey. With keen insight and the discovery of unexpected new details, Smith lays bare the contradictions of a man who is more complicated, tragic, and compelling than we knew, until now. Praise for Prince Charles "[Smith] understands the British upper classes and aristocracy (including the royals) very well indeed. . . . [She] makes many telling, shrewd points in pursuit of realigning the popular image of Prince Charles."—William Boyd, *The New York Times Book Review* "[A] masterly account."—*The Wall Street Journal* "Thoroughly researched and insightful . . . In this profile, it is clear [Smith] got inside the circular barriers that

protect the man and his position. The Charles that emerges is, as the subtitle suggests, both a paradox and a creature of his passions.”—The Washington Times “[A] compellingly juicy bio . . . Windsorphiles will be mesmerized.”—People “Prince Charles paints an affectingly human portrait. . . . Smith writes about [Charles’s life] with a skill and sympathy she perfected in her 2012 biography of Charles’s mother.”—The Christian Science Monitor “Comprehensive and admirably fair . . . Until his accession to the throne, Smith’s portrait will stand as the definitive study.”—Booklist (starred review) “[A] fascinating book that is not just about a man who would be king, but also about the duties that come with privilege.”—Walter Isaacson “Sally Bedell Smith has given us a complete and compelling portrait of the man in the shadow of the throne. It’s all here, from the back stairs of the palaces to the front pages of the tabs.”—Tom Brokaw

The Pyramid Texts are the oldest body of extant literature from ancient Egypt. First carved on the walls of the burial chambers in the pyramids of kings and queens of the Old Kingdom, they provide the earliest comprehensive view of the way in which the ancient Egyptians understood the structure of the universe, the role of the gods, and the fate of human beings after death. Their importance lies in their antiquity and in their endurance throughout the entire intellectual history of ancient Egypt. This volume contains the complete translation of the Pyramid Texts, including new texts recently discovered and published. It incorporates full restorations and readings indicated by post-Old Kingdom copies of the texts and is the first translation that presents the texts in the order in which they were meant to be read in each of the original sources.

The Complete Poetry of Du Fu presents a complete scholarly translation of Chinese literature alongside the original text in a critical edition. The English translation is more scholarly than vernacular Chinese translations, and it is compelled to address problems that even the best traditional commentaries overlook. The main body of the text is a facing page translation and critical edition of the earliest Song editions and other sources. For convenience the translations are arranged following the sequence in Qiu Zhao’an’s *Du shi xiangzhu* (although Qiu’s text is not followed). Basic footnotes are included when the translation needs clarification or supplement. Endnotes provide sources, textual notes, and a limited discussion of problem passages. A supplement references commonly used allusions, their sources, and where they can be found in the translation. Scholars know that there is scarcely a Du Fu poem whose interpretation is uncontested. The scholar may use this as a baseline to agree or disagree. Other readers can feel confident that this is a credible reading of the text within the tradition. A reader with a basic understanding of the language of Chinese poetry can use this to facilitate reading Du Fu, which can present problems for even the most learned reader.

For Dracula lovers and fans of Diana Urban's *All Your Twisted Secrets*, this spine-tingling thriller follows seven horror buffs as their dream trip to a remote Romanian castle turns into a nightmare when they begin to be killed one by one. Alex Rush is ready for the trip of a lifetime. She and her friends have made some creepily awesome films together throughout high school, so with only a few months left before they go their separate ways for college, they're determined to make the best one yet: an epic short film that reimagines the story of Dracula, filmed on location at a remote castle in Romania. But when they get there, it's not quite the majestic setting they planned for. Menacing weapons line the walls, the twisted halls are easy to get lost in, and with no connection to the outside world, the group is unexpectedly off the grid. After just a few hours spent under its roof, Alex and her friends have no trouble imagining how this dark, terrifying castle inspired one of the most enduring horror novels of all time. Only soon they no longer have to use their imaginations to understand the location's terrifying history—just as they get the film's first shot rolling, one of Alex's friends disappears, and she's nearly certain she saw a cloaked stranger lurking in the

shadows. As more members of the group begin to meet an untimely demise, Alex is desperate to stop the bloodshed, even if it means facing a monster she never thought would be let loose.

The Ultraman Triathlon, one of the most remarkable endurance races in the world, is a three-day, 320-mile race that circumnavigates the Big Island of Hawaii. With only 40 competitors allowed in each year, this invitation-only event hosts some of the most superlative athletes on the planet. The Race Within discusses the 30-year history of the sport and race director Jane Bockus, former Pan Am flight attendant who has never done a triathlon, yet has dedicated herself to keeping the event true to its founding spirit for decades. This book follows Jane, her assistants, and a small cast of athletes through an entire year—from the end of the 2012 Ultraman to the 2013 event—and shows how they faced new challenges to the growth and well-being of the event, and were forced to question if old traditions could survive in a world of constantly-evolving sports entertainment. Granted full access to the race and the athletes, author Jim Gourley presents a look at this unique event and examines what it means to truly love sports.

the worldwide bestselling novel by the winner of the 2000 Nobel Prize for Literature. *Soul Mountain* is a picaresque novel of immense wisdom and sparse beauty, bursting with knowledge and experience and portraying a culture as vast and fascinating as the history of humankind itself. In China in the early eighties, the book's central character embarks on a cross-country journey in search of the mysterious 'Mountain'. Along the way he collects stories, lovers, spiritual wisdom and undergoes myriad experiences that are sometimes violent, sometimes frightening, sometimes funny, but always enriching. He researches the origins of humankind and Chinese culture, and explores philosophical issues such as truth, knowledge and how one's childhood affects later life. At the end of the book, he realises that all along what was important was not finding the elusive Soul Mountain, but rather the journey itself. Part love story, part fable, part philosophical treatise and part travel journal, this is one of the most challenging, rewarding and inventive works of fiction since *Ulysses*.

Kristen Simmons' fast-paced, gripping YA dystopian series continues in *Three*. Ember Miller and Chase Jennings are ready to stop running. After weeks spent in

hiding as two of the Bureau of Reformation's most wanted criminals, they have finally arrived at the safe house, where they hope to live a safe and quiet existence. And all that's left is smoking ruins. Devastated by the demolition of their last hope, Ember and Chase follow the only thing left to them—tracks leading away from the wreckage. The only sign that there may have been survivors. With their high profile, they know they can't stay out in the open for long. They take shelter in the wilderness and amidst the ruins of abandoned cities as they follow the tracks down the coast, eventually finding refugees from the destroyed safe house. Among them is someone from Chase's past—someone he never thought he'd see again. Banding together, they search for a place to hide, aiming for a settlement a few of them have heard about...a settlement that is rumored to house the nebulous organization known as Three. The very group that has provided Ember with a tiny ray of hope ever since she was first forced on the run. Three is responsible for the huge network of underground safe houses and resistance groups across the country. And they may offer Ember her only chance at telling the world her story. At fighting back. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

New York, Los Angeles, and Washington, D.C., have been abandoned. The Bill of Rights has been revoked, and replaced with the Moral Statutes. There are no more police—instead, there are soldiers. There are no more fines for bad behavior—instead, there are arrests, trials, and maybe worse. People who get arrested usually don't come back. Seventeen-year-old Ember Miller is old enough to remember that things weren't always this way. Living with her rebellious single mother, it's hard for her to forget that people weren't always arrested for reading the wrong books or staying out after dark. It's hard to forget that life in the United States used to be different. Ember has perfected the art of keeping a low profile. She knows how to get the things she needs, like food stamps and hand-me-down clothes, and how to pass the random home inspections by the military. Her life is as close to peaceful as circumstances allow. That is, until her mother is arrested for noncompliance with Article 5 of the Moral Statutes. And one of the arresting officers is none other than Chase Jennings...the only boy Ember has ever loved. NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • From America's "forgotten war" in Korea comes an

unforgettable tale of courage by the author of *A Higher Call*. "In the spirit of *Unbroken* and *The Boys in the Boat* comes *Devotion*."—Associated Press • "Aerial drama at its best—fast, powerful, and moving."—Erik Larson *Devotion* tells the inspirational story of the U.S. Navy's most famous aviation duo, Lieutenant Tom Hudner and Ensign Jesse Brown, and the Marines they fought to defend. A white New Englander from the country-club scene, Tom passed up Harvard to fly fighters for his country. An African American sharecropper's son from Mississippi, Jesse became the navy's first Black carrier pilot, defending a nation that wouldn't even serve him in a bar. While much of America remained divided by segregation, Jesse and Tom joined forces as wingmen in Fighter Squadron 32. Adam Makos takes us into the cockpit as these bold young aviators cut their teeth at the world's most dangerous job—landing on the deck of an aircraft carrier—a line of work that Jesse's young wife, Daisy, struggles to accept. Deployed to the Mediterranean, Tom and Jesse meet the Fleet Marines, boys like PFC "Red" Parkinson, a farm kid from the Catskills. In between war games in the sun, the young men revel on the Riviera, partying with millionaires and even befriending the Hollywood starlet Elizabeth Taylor. Then comes the conflict that no one expected: the Korean War. *Devotion* takes us soaring overhead with Tom and Jesse, and into the foxholes with Red and the Marines as they battle a North Korean invasion. As the fury of the fighting escalates and the Marines are cornered at the Chosin Reservoir, Tom and Jesse fly, guns blazing, to try and save them. When one of the duo is shot down behind enemy lines and pinned in his burning plane, the other faces an unthinkable choice: watch his friend die or attempt history's most audacious one-man rescue mission. A tug-at-the-heartstrings tale of bravery and selflessness, *Devotion* asks: How far would you go to save a friend?
