## GRETCHEN JENNINGS

*Tales of the Caucasus* DigiCat  
 Earth is ruled by master-machines but the Three Laws of Robotics have been designed to ensure humans maintain the upper hand: 1) A robot may not injure a human being or allow a human being to come to harm 2) A robot must obey orders given to it by human beings except where such orders would conflict with the First Law. 3) A robot must protect its own existence as long as such protection does not conflict with the First or Second Law. But what happens when a rogue robot's idea of what is good for society contravenes the Three Laws?  
*Women, Crime and Punishment in Ancient Law and Society* Basic Books  
 Regarded as one of Dreiser's best novels, Jennie Gerhardt is here recaptured as it was originally written, restoring it to its complete, unexpurgated form.  
*The Day of the Locust* Harper Collins  
 Franz Kafka, the author has very nicely narrated the story of Gregou Samsa who wakes up one day to discover that he has

metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories, including "The Judgement", and much of his novels "Amerika", "The Castle", "The Hunger Artist". Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka's works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka's writing. Kafka very interestingly, used to present an impossible situation, such as a man's transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. The Metamorphosis is an autobiographical piece of writing, and we find that parts of the story reflect Kafka's own life.  
*Sex and Gender* HarperCollins  
 The most famous and controversial novel from one of the greatest writers of the twentieth century tells the story of Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. "The conjunction of a sense of humor with a sense of horror [results in] satire of a very special

kind." —The New Yorker Awe and exhilaration—along with heartbreak and mordant wit—abound in *Lolita*, which tells the story of the aging Humbert Humbert's obsession for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love—love as outrage and hallucination, madness and transformation.

**Verbal Art, Verbal Sign, Verbal Time** Oxford University Press  
The #1 New York Times Bestseller *The Silmarillion* is the core of J.R.R. Tolkien's imaginative writing, a work whose origins stretch back to a time long before *The Hobbit*. This mythopoetic masterpiece is a must-read before you watch *The Lord of the Rings* on Amazon. "Majestic! ... Readers of *The Hobbit* and *The Lord of the Rings* will find in *The Silmarillion* a cosmology to call their own, medieval romances, fierce fairy tales, and fiercer wars that ring with heraldic fury... It overwhelms the reader."—Time  
The story of the creation of the world and of the First Age, this is the ancient drama to which the characters in *The Lord of the Rings* look back and in whose events some of them, such as Elrond and Galadriel, took part. The three Silmarils were jewels created by Fëanor, most gifted of the Elves. Within them was imprisoned the Light of the Two Trees of Valinor before the Trees themselves were destroyed by Morgoth, the first Dark Lord. Thereafter, the unsullied Light of Valinor lived on only in the Silmarils, but they were seized by Morgoth and set in his crown, which was guarded in the impenetrable fortress of Angband in the north of Middle-earth. *The Silmarillion* is the history of the rebellion of Fëanor and his kindred against the gods, their exile from Valinor and return to Middle-earth, and their war, hopeless despite all their heroism, against the great Enemy. "A creation of singular beauty ... magnificent in its best moments."—The Washington Post "Heart-lifting ... a work of power, eloquence and noble vision... Superb!"—The Wall Street Journal

**Pride and Prejudice** Diamond Pocket Books Pvt Ltd  
"A highly original, moving, and ultimately life-affirming book." – Sunday Mirror (London) Twenty-four-year-old Veronika seems to have everything – youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning. She takes a handful of sleeping pills expecting to never wake up. But she does—at a mental hospital where she is told that she has only days to live. Inspired by events in Coelho's own life, *Veronika Decides to Die* questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.

**Data Tutashkhia** Cambridge University Press  
Written to meet the needs of students at both the graduate and undergraduate level, this textbook explores the field of cognitive development, with particular emphasis on the interaction between the biological constitution and the physical and social environment. Taking an empirical perspective, Bjo.

**Jennie Gerhardt** ReadHowYouWant.com  
Labour.

**The Name of the Rose** Phoemixx Classics Ebooks  
This provides a comprehensive approach and includes both literal translations and definitions with several useful innovations. Included is not only the modern English pronunciation but also the classical or 'restored' one. Each entry is also cross-referenced to related terms for ease of use.

**Human Rights in Europe** Farrar, Straus and Giroux  
This work traces the Russian language from its origins for the Common Slavonic to the twentieth century.

**The Body Economic** Vintage

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

**A Farewell to Arms** Cambridge Scholars Publishing  
DigiCat Publishing presents to you this special edition of "The Day of the Locust" by Nathanael West. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

**Arch of Triumph** BRILL

The first comprehensive survey of the world's oldest known legal systems, this collaborative work of twenty-two scholars covers over 3,000 years of legal history of the Ancient Near East. Each of the book's chapters represents a review of the law of a particular period and region, e.g. the Egyptian Old Kingdom, by a specialist in that area. Within each chapter, the material is organized under standardized legal categories (e.g. constitutional law, family law) that make for easy cross-referencing. The chapters are arranged chronologically by millennium and within each millennium by the three major politico-cultural spheres of the region: Egypt, Mesopotamia, and Anatolia and the Levant. An introduction by the editor discusses the general character of Ancient Near Eastern Law.

**A History of Georgia** Penguin

*Sex and Gender* is a substantially revised second edition of a classic text. Adopting a balanced and straightforward approach to the often controversial study of sex differences, the authors aim to introduce the reader to the fundamental questions relating to sex and gender in an accessible way at the same time as drawing on research in this and related areas. New developments which are explored in this edition include the rise of evolutionary psychology and the influence of Social Role Theory as well as additional psychoanalytic and ethno-methodological approaches which have all contributed to a greater understanding of the complex nature of masculinity and femininity.

**I, Robot** Cambridge University Press

In 1327, finding his sensitive mission at an Italian abbey further complicated by seven bizarre deaths, Brother William of Baskerville turns detective.

**Veronika Decides to Die** Wadsworth Publishing Company

This standard history of the state of Georgia was first published in 1977. Documenting events from the earliest discoveries by the Spanish to the rapid changes undergone during the civil rights era, the book gives broad coverage to the state's social, political, economic and cultural history.

**The Red and the Black Voyager**

International Bestselling Classics presents you the best books of all time for reasonable prices.

**The Posthumous Papers of the Pickwick Club** SAGE Publications

"A Farewell to Arms" is Hemingway's classic set during the Italian campaign of World War I. The book, published in 1929, is a first-person account of American Frederic Henry, serving as a Lieutenant ("Tenente") in the ambulance corps of the Italian Army. It's about a love affair between the expatriate American Henry and Catherine Barkley against the backdrop of the First World War, cynical soldiers, fighting and the displacement of populations. The publication of "A Farewell to Arms" cemented Hemingway's stature as a modern American writer, became his

first best-seller, and is described by biographer Michael Reynolds as "the premier American war novel from that debacle World War I."

The Name of the Wind Bloomsbury Publishing

In these pages you will come to know Kvothe the notorious magician, the accomplished thief, the masterful musician, the dragon-slayer, the legend-hunter, the lover, the thief and the infamous assassin.

**Letter from an Unknown Woman** Houghton Mifflin Harcourt  
Pride and Prejudice By Jane Austen
