It is devastating and perfect." — New York Times Book Review The haunting story of a family of dreamers and tale-tellers looking for home in an unwelcoming world. This exquisite and unusual magic realist debut, told in intensely lyrical prose by an award winning author, traces one girl's migration from war to peace, loss to loss, home to home. Firuzeh and her brother Nour are children of fire, born in an Afghanistan fractured by war. When their parents, their Atay and Abay, decide to leave, they spin fairy tales of their destination, the mythical land and opportunities of Australia. As the family journeys from Pakistan to Indonesia to Nauru, heading toward a hope of home, they must rely on fragile and temporary shelters, strangers both mercenary and kind, and friends who vanish as quickly as they're found. When they arrive in Australia, what seemed like a stable shore gives way to treacherous currents. Neighbors, classmates, and the government seek their own ends, indifferent to the family's fate. For Firuzeh, her fantasy worlds provide some relief, but as her family and home splinter, she must surface from these imaginings and find a new way.

Sweeney Todd FV Éditions

First published in 1887, this is one of Oscar Wilde's finest short stories. It is a humorous and touching ghost story that takes place in Canterville Chase, a very British mansion with a very gloomy housekeeper; it is here that the Canterville Ghost has gleefully caused death and mayhem for hundreds of years -- that is, until the American family arrives. Now, remorseful and looking for love, the Canterville Ghost meets young Virginia, unafraid and innocent. Will she fall prey to his wickedness, or help him find peace? Copyright © Libri GmbH. The Canterville Ghost is a short story by Oscar Wilde. It was the first of Wilde's stories to be published, appearing in two parts 23 February and 2 March 1887. The story is about an American family who move to a castle haunted by the ghost of a dead nobleman, who killed his wife and was starved to death by his wife's brothers. The story begins when the American Minister Mr Otis and his family move into Canterville Chase, despite warnings from Lord Canterville that the house is haunted. Mr Otis says that he will take the furniture as well as the ghost at valuation. The Otis family includes Mr and Mrs Otis, their eldest son Washington, their daughter Virginia, and the Otis twins. The other characters include the Canterville Ghost, the Duke of Cheshire Mrs Umney and Rev Augustus Dampier. At first, none of the Otis family believe in ghosts, but shortly after they move in, none of them can deny the presence of Sir Simon de Canterville. The family hears clanking chains, they witness reappearing bloodstains on the floor just by the fireplace, which are removed every time they appear in various forms. But, humorously, none of these scare the Otis family in the least. In fact, upon hearing the clanking noises in the hallway, Mr Otis promptly gets out of bed and pragmatically offers the ghost Tammany Rising Sun Lubricator to oil his chains.

The Last Man is an apocalyptic science fiction novel. The book tells of a future world (the first-person narrative is that of a man living at the end of the 21st century) that has been ravaged by a plague. The novel was harshly reviewed at the time, and was virtually unknown until a scholarly revival beginning in the 1960s.

Tales from the Brothers Grimm Penguin UK

"The Canterville Ghost" begins with the sale of an old British mansion called Canterville Chase to Horace B. Otis, an American minister. Though the former owner, Lord Canterville, warns Mr. Otis that the mansion is haunted, Mr. Otis is not worried and replies that ghosts do not exist. Soon after, Mr.

Otis moves into the Chase with the rest of his family: his wife, Lucretia; his eldest son, Washington; his fifteen-year-old daughter, Virginia; and his two young twin boys. Upon moving in, Mrs. Otis notices a dull red stain on the floor and requests that it be cleaned. Their housekeeper reveals that it is a bloodstain from the murder of Lady Eleanore de Canterville, who was killed in 1575 by her husband, Sir Simon de Canterville, and that it cannot be removed. She warns Mrs. Otis that Sir Simon's guilty ghost still haunts Canterville Chase. Dismissing the housekeeper's story as nonsense, Washington quickly pulls out a container of Pinkerton's Champion Stain Remover, scrubbing it onto the spot until the stain is gone. As soon as the stain is removed, lightning flashes and a peal of thunder rocks the house. The housekeeper faints in terror.

The *Canterville Ghost*, by Oscar Wilde, is a story about forgiveness, love, and the clash of Old World and New World beliefs. Through a satirical approach, Wilde highlights the shortcomings of each set of beliefs and how the characters overcome those shortcomings to bridge the two worlds. The story

begins with Hiram Otis and Lord Canterville discussing the ghost that haunts Canterville Chase, where the Otis family will be living. When they arrive, they find a blood stain that reappears every morning in the library, where Sir Simon de Canterville murdered his wife in the sixteenth century. It is his ghost that haunts the Chase. Hiram's oldest son, Washington, tries to remove the stain with detergent, but it keeps coming back. Sir Simon tries to frighten the Otis family, but instead of being frightened, Hiram offers the ghost a lubrication solution to keep his chains from rattling, so that he and his family can sleep. The two youngest of the Otis family, twins referred to as Stars and Stripes, play tricks to humiliate Sir Simon, and Lucretia Otis, Hiram's wife, offers the ghost a tincture for indigestion when she hears him cry out. What follows is a sort of war between the twins and Sir Simon's ghost. Over time, they continue to torment him, until he is afraid to make too much noise at night. When the Duke of Cheshire, one of Virginia Otis' suitors, comes to visit, Sir Simon decides he will scare him, but is too frightened of the twins to go through with it. When Virginia finds Sir Simon sulking, she agrees to help him find his way to everlasting rest-and peace-by undergoing a frightening journey with him, to cry and pray for forgiveness of his sins. She's successful, and before he fully dies, he rewards her with a casket of jewels. Though Hiram tries to give the jewels to Lord Canterville, Lord Canterville insists that Virginia keep them. While she'd been gone, Hiram, Washington, and Cecil (the Duke of Cheshire) all searched for her. Hiram suspected a local group of gypsies of having kidnapped her, but was proved wrong when he learned that they had gone to a fair. Four of them stayed behind to help with the search. At the end of the story, Virginia marries the Duke of Cheshire, and they are happily in love. Sir Simon is laid to rest, and all the main characters are happy, having learned that love is the reason for existence.
