Love, Freedom, and Aloneness Penguin Random House India Private Limited

Spirituality. The search for happiness --Religion, East and West -- Mindfulness --The truth of suffering --Enlightenment --The mystery of consciousness. The mind divided --Structure and function --Are our minds already split? --Conscious and unconscious processing in the brain --Consciousness is what matters --The riddle of the self. What are we calling "I"? --Consciousness without self --Lost in thought --The challenge of studying the self --Penetrating the illusion --Meditation. Gradual versus sudden realization -- Dzogchen: taking the goal as the path --Having no head --The paradox of acceptance --Gurus, death, drugs, and other puzzles. Mind on the brink of death --The spiritual uses of pharmacology.

**India My Love** Macmillan

India is not just a geography or history. It is not only a nation, a country, a mere piece of land. It is something more: it is a metaphor, poetry, something invisible but very tangible. It is vibrating with certain energy fields that no other country can claim. For almost ten thousand years, thousands of people have reached to the ultimate explosion of consciousness. Their vibration is still alive, their impact is in the very air; you just need a certain perceptivity, a certain capacity to receive the invisible that surrounds this strange land. It is strange because it has renounced everything for a single search, the search for the truth. In these pages, we are treated to a spellbinding vision of what Osho calls "the real India," the India that has given birth to enlightened mystics and master musicians, to the inspired poetry of the Upanishads and the breathtaking architecture of the Taj Mahal. We travel through the landscape of India's golden past with Alexander the Great and meet the strange people he met along the way. We are given a front-row seat in the proceedings of the legendary court of the Moghul Emperor Akbar, and an insider's view of the assemblies of Gautama the Buddha and his disciples. In the process, we discover just what it is about India

that has made it a magnet for seekers for centuries, and the importance of India's unique contribution to our human search for truth.

Mistakes on the Path Diamond Pocket Books (P) Ltd.

'The rebel is one who lives according to his own light, moves according to his own intelligence. He creates his path by walking on it' Osho We have all heard of rebels, those freelancers that don't care about anyone else but themselves . . . But what if we were all to spend a little more time doing exactly that? It might just be that we can begin to respond to what is happening in the world with a heartfelt need to change ourselves. In *The Rebellious Spirit*, Osho speaks to the spirit that lies hidden beneath our social conditioning, fanning a flame strong enough to burn through layers of rubbish, so that we can see with the crystal-clear gaze of an enlightened being. This is a book that will entice you, tickle your being with laughter, and give you the courage to be yourself in today's world.

*Speak to Us of Love* St. Martin's Griffin

In the age of Facebook, Twitter, WhatsApp, and email, personal letters seem somehow out of date, or at least far from most people's everyday experience. This book is a rare and unique collection of letters personally written by Osho to participants from his early meditation events. These are not letters to people and their personalities, these are letters to our souls. Osho addresses essential issues and concerns that arise on the path of meditation and self-discovery. The letters are encouragements to continue the process of meditation, and address subjects like Self-Acceptance, Wisdom, Consciousness, The Quest for Life, A Life of Freedom, Earth Is Our Home, Dropping Fear!, Dealing with Anger, Rebellion, and many more in a direct and penetratingly personal way. Osho explains this about the value of writing letters: "If I write anything, I write letters, because a letter is as good as something that is spoken. It is addressed. I have not written anything except letters, because to me they are a manner of speaking. The other is always there before me when I write a letter." The OSHO works consist almost exclusively of the spoken word, addressed directly to individual people or larger audiences. These talks were recorded and then transcribed and published as

books. This book represents one of the rare exceptions in the collected works of Osho, in which his written personal letters are published. Each one of these letters is like an condensed Osho Talk in haiku form. He would meet with these correspondents time and again at his meditation camps or while staying in their homes. This volume is a selection of his replies to their letters, queries, and calls for help. His words are intimate, incisive, poetic, playful, and loving. His encouragement to his correspondents to keep going on their chosen path of meditation and awareness while living, loving, and working in the ordinary world - to keep their flame of commitment burning brightly when he is not physically present - can inspire whomever opens this book.

*Sermons in Stones* Fivestar

Learn how to set yourself free with the philosophies of one of the twentieth century's greatest spiritual teachers in *Freedom: The Courage to Be Yourself*. In *Freedom*, Osho outlines three stages of freedom. The first is "freedom from," which is a freedom that comes from breaking out of what he calls the "psychological slavery" imposed by outside forces such as parents, society, or religion. The next stage is "freedom for," a positive freedom that comes from embracing and creating something—a fulfilling relationship, for example, or an artistic or humanitarian vision. And lastly there is "just freedom," the highest and ultimate freedom. This last freedom is more than being for or against something; it is the freedom of simply being oneself and responding truthfully to each moment. This book helps readers to identify the obstacles to their freedom, both circumstantial and self-imposed, to choose their battles wisely, and to find the courage to be true to themselves. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the *Sunday Times* of London as one of the "1000 Makers of the 20th Century" and by *Sunday Mid-Day* (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**India My Love** Blackwell North America

Born into a large, shambolic family in Southern California, Madhuri and her younger sister took off as teenagers on a series of adventures that culminated in Pune, India in 1973. There they became disciples of the controversial mystic, Bhagwan Shree Rajneesh (later known as Osho). Madhuri describes her 30 extraordinary years in Osho's communes in Pune, India and Rajneeshpuram, Oregon. Internally she confronted her OCD, anorexia, and sex addiction; externally, relationships, the power clique who ran the Oregon commune and the general snafus life throws our way. Confronted with one of the most fundamental questions of the spiritual journey: pushing the river versus letting it flow (doing versus non-doing), she emerges as a respected intuitive healer and teacher who now travels the world giving sessions and teaching workshops. The ambience of an enlightened Master, in all its radiance and mystery, is beautifully and sensitively portrayed.

**Freedom** St. Martin's Griffin

Osho, one of the greatest spiritual thinkers of the twentieth century, explores the connections between ourselves and others in *Love, Freedom, and Aloneness: The Koan of Relationships*. In today's world, freedom is our basic condition, and until we learn to live with that freedom, and learn to live by ourselves and with ourselves, we are denying ourselves the possibility of finding love and happiness with someone else. Love can only happen through freedom and in conjunction with a deep respect for ourselves and the other. Is it possible to be alone and not lonely? Where are the boundaries that define "lust" versus "love"...and can lust ever grow into love? In *Love, Freedom, and Aloneness* you will find unique, radical, and intelligent perspectives on these and other essential questions. In our post-ideological world, where old moralities are out of date, we have a golden opportunity to redefine and revitalize the very foundations of our lives. We have the chance to start afresh with ourselves, our relationships to others, and to find fulfillment and success for the individual and for society as a whole. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the 20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and

Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Intimacy** Diamond Pocket Books Pvt Ltd

How do you find your original self? Osho perceives man as becoming increasingly alienated from his inner self, gradually losing his natural innocence and creativity in the mindless quest for worldly power and success. To appear strong, the average man suppresses his innate qualities of love and compassion. For Osho, the ideal man is Zorba, the Buddha—a perfect blend of matter and soul. This seamless collection of discourses takes the reader through the various stages of man's evolution: from Adam to Slave, Son, Homosexual, Priest and Politician, until he attains the pinnacle of his consciousness as the Rebel or Zorba. Sparkling with anecdotes and enriched with brilliant repartee, *The Book of Man* is a remarkable blend of wisdom and wit.

**Rising In Love** Diamond Pocket Books (P) Ltd.

What Is Love? In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy. With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we've learned from those around us, and to rediscover the meaning of love for ourselves. "By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false." By answering the questions that so many lovers face, Osho shares new ways to love that will forever change how you relate to others, including how to:

- Love without clinging
- Let go of expectations, rules, and demands
- Free yourself from the fear of being alone
- Be fully present in your relationships
- Keep your love fresh and alive
- Become a life partner with whom someone could continue to grow and change
- Surrender your ego so you can surrender to love

*Being in Love* will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.

**Life, Love, Laughter** Osho Media International

Introducing us to the most famous poems of the Lebanese poet Kahlil Gibran, Osho takes the reader into a mystical world,

addressing essential issues in everybody's life. The famous verse that gives the title to this book is about "love"—but not the ordinary love we know from novels and movies. Speak to us of Love gives a taste of a contemporary mystic at work, trying to disrupt our dreams, illusions, and the state of unconsciousness that prevents us from enjoying life to the fullest. This is about and for the millions of people in the world who have killed their love with their own hands, and who are now miserable. They never wanted to kill it, there was no intention to kill their love, but in their unconsciousness they started possessing. Husbands possess their wives, wives possess their husbands, and parents possess their children. Teachers are trying in every possible way to possess their students. Politicians are trying to possess countries. Religions are trying to possess millions of people and control every aspect their lives. This book shows that life can only thrive in freedom. Love never allows anyone to possess it, because love is our very soul. For Osho, the basis of all our neuroses or psychoses is simple: our souls are not nourished. Love, the basic nourishment, is missing. Osho comprehensively trounces the so-called religious and philosophical approaches to life. All that is of worth is to be found, not in the extraordinary, but in the ordinary; not in fantastical ideas of the "other world" beyond death, but in this very world that we find ourselves in here and now. In short, this book shows that making a simple yet utterly basic shift in our lives will awaken the silence in our beings and bring joy into our every moment.

**The Psychology Of The Esoteric** Diamond Pocket Books (P) Ltd.

One of the greatest spiritual teachers of the twentieth century will help you learn how to live in the present moment in *Awareness: The Key to Living in Balance*. Underlying all meditation techniques, including martial arts—and in fact underlying all great athletic performances—is a quality of being awake and present to the moment, a quality that Osho calls awareness. Once we can identify and understand what this quality of awareness is, we have the key to self-mastery in virtually every area of our lives. According to great masters like Lao Tzu or Buddha, most of us move through our lives like sleepwalkers. Never really present in what we are doing, never fully alert to our environment, and not even aware of what motivates us to do and say the things we do. At the same time, all of us have experienced moments of awareness—or awakening, to use another—in extraordinary

circumstances. On the road, in a sudden and unexpected accident, time seems to stop and one is suddenly aware of every movement, every sound, every thought. Or in moments that touch us deeply—welcoming a new baby into the world for the first time, or being with someone at the moment of death. Awareness, says Osho, is the key to being self-directed, centered, and free in every aspect of our lives. In this book, Osho teaches how to live life more attentively, mindfully, and meditatively, with love, caring and consciousness. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*Beyond Enlightenment* Osho Media International

One of the greatest spiritual teachers of the twentieth century shares his wisdom about building loving relationships in *Intimacy: Trusting Oneself and the Other*. “Hit-and-run” relationships have become common in our society as it has grown more rootless, less tied to traditional family structures, and more accepting of casual sex. But at the same time, there arises an undercurrent of feeling that something is missing—a quality of intimacy. This quality has very little to do with the physical, though sex is certainly one possible door. Far more important is a willingness to expose our deepest feelings and vulnerabilities, with the trust that the other person will treat them with care. Ultimately, the willingness to take the risk of intimacy has to be grounded in an inner strength that knows that even if the other remains closed, even if that trust is betrayed, we will not suffer any permanent damage. In this gentle and compassionate guide, Osho takes his readers step-by-step through what makes people afraid of intimacy, how to encounter those fears and go beyond them, and what they can do to nourish themselves and their relationships to support more openness and trust. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of

the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*The Journey of Being Human* Osho Media International

In *Life, Love, Laughter: Celebrating Your Existence*, one of the twentieth century’s greatest spiritual teachers shares how humor and wisdom strengthens our lives. In this collection of reflections, Osho’s encouraging and loving stories go far beyond the usual chicken-soup fare. *Life, Love, Laughter* establishes a new genre of introspective text stripped of all platitudes and clichés, and absolutely in tune with the realities of the twenty-first century. In this artful work, Osho mixes entertainment and inspiration, ancient Zen stories and contemporary jokes to help us to find love, laughter, and ultimately, happiness. Featuring an original talk by Osho on DVD, you’ll experience his direct insight and wit straight from the source. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Tantric Transformation** St. Martin's Griffin

*What Is Love?* In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy. With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we’ve learned from those around us, and to rediscover the meaning of love for ourselves. “By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false.” By answering the questions that so many lovers face, Osho shares new ways to love

that will forever change how you relate to others, including how to:

- Love without clinging
- Let go of expectations, rules, and demands
- Free yourself from the fear of being alone
- Be fully present in your relationships
- Keep your love fresh and alive

- Surrender your ego so you can surrender to love

*Being in Love* will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.

*Compassion, Love and Sex* Simon and Schuster

Enlightenment is the last host. Beyond it, all boundaries disappear, all experiences disappear. Experience comes to its utmost in enlightenment; it is the very peak of all that is beautiful, of all that is immortal, of all that is blissful -- but it is an experience. Beyond enlightenment there is no experience at all, because the experiencer has disappeared. Enlightenment is not only the peak of experience, it is also the finest definition of your being. Beyond it, there is only nothingness; you will not come again to a point which has to be transcended. Experience, the experiencer, enlightenment -- all have been left behind. You are part of the tremendous nothingness that is infinite. This is the nothingness out of which the whole existence comes, the womb; and this is the nothingness in which all the existence disappears. *Book of Man* St. Martin's Press

-

*The Hidden Splendor* Penguin UK

This life is a gift from existence, to be lived and enjoyed. But with the seemingly impossible and conflicting demands of society, morality and culture, people struggle with feelings of unfulfilled potential, frustration and guilt, rather than living full lives. The world of Tantra has no division between higher and lower. The simple, ordinary, things of life are transformed into great things when we enter into them totally - be it car fixing, floor cleaning or lovemaking. Osho shows how, living this vision, new heights of consciousness and freedom are realized. "The days of tantra are coming. Sooner or later tantra will explode for the first time in the masses, because for the first time the time is ripe -- ripe to take sex naturally. One thing to be remembered always: if you are not very alert you may go on believing that you are moving into tantra, and you may be simply rationalizing your sexuality -- it may be nothing but sex, rationalized in the terminology of tantra. If you move into sex with awareness, it can turn into tantra. If you

move into tantra with unawareness, it can fall and become ordinary sex.'

*The Mystery Beyond Mind* Macmillan

Gee You Are You is a book about a life's journey from here to here. On the front cover is a picture of me at thirty-three years of age, sitting on a cold marble floor in front of my teacher and friend, Osho, in Pune, India. On the back cover I am the ripe old age of sixty-six. As Bob Dylan once sang, —Oh, but I was so much older then, I'm younger than that now.¶ Yes, my body is now twice as old and yet I feel half my age... the magic of meditation. Through my years of peeling the layers of my own onion, I have turned my life from maditation in the outer world to meditation in my inner world. While reading this book, you will be constantly challenged to witness that you are not so much your conditioning in the marketplace of your hometown, but more that the world is appearing in you... that you are not the mind. And more than that, you are a child of the universe who is in charge of his own existence. In meditation this often called No-mind. So get ready to know how big you are... and that your mind is no longer

your boss. Love is.

**The Rebellious Spirit** Diamond Pocket Books (P) Ltd.

One of the twentieth century's greatest spiritual teachers invites you onto the path that takes you through all of life's experiences and to embrace your own humanity. Man is a bridge, says Osho, between the animal and the divine—and our awareness of this dual aspect of our nature is what makes us human. It is also what makes us restless, full of conflict, so often at the crossroads of selfishness and generosity, of love and hate, frailty and strength, hope and despair. *The Journey of Being Human: Is It Possible to Find Real Happiness in Ordinary Life?* looks into how we might embrace and accept these apparent contradictions, rather than trying to choose between them, as the key to transforming each twist and turn of life's journey into a new discovery of who we are meant to be. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the "1000 Makers of the

20th Century" and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

*A Sudden Clash of Thunder* ISBN Agency

Love is not something to be obtained from the outside. Love is the music of your inner being. Nobody can give you love. Love can arise within you, but it cannot be obtained from the outside. There is no shop, market, no salesman from whom you can purchase love. Love cannot be purchased, at any price. Love is an inner flowering. It arises from some dormant energy within, yet all of us search for love on the outside. But all of us search for love in the beloved— — Osho *The Inner Journey* is a precise manual for tuning the instrument— body, mind, heart, hara— to an inner balance and harmony that will pave the way for the experience of meditation. Osho speaks of meditation as a music that naturally flows in a well-tuned instrument, and of love as the dance that moves to this music.
