 Meet the stormtroopers from the Star Wars saga in this Little Golden Book! Featuring stunning retro stylized illustrations, this book is perfect for Star Wars—and Little Golden Book—fans of all ages. It includes epic scenes from A New Hope, The Empire Strikes Back, Return of the Jedi, Attack of the Clones, and The Force Awakens. Star Wars has captivated millions worldwide for almost forty years. The phenomenon began with the 1977 theatrical debut of Star Wars, later retitled A New Hope, and has expanded to include six additional major motion pictures (The Empire Strikes Back, Return of the Jedi, The Phantom Menace, Attack of the Clones, Revenge of the Sith, and The Force Awakens), television programming, publishing, video games, and much more, with new films coming every year. Created by visionary writer/director George Lucas, Star Wars is an epic “space opera” and an ever-deepening, timeless, mythological tale of good versus evil, set in a galaxy far, far away. Filled with noble Jedi Knights, fearsome creatures, and cruel villains, Star Wars introduced “the Force” into the global vocabulary, along with characters such as evil Darth Vader, wise old Yoda, idealistic Luke Skywalker, and lovable Chewbacca. The saga continues to grow and expand, delighting new generations with its exotic worlds, iconic themes, and unforgettable stories.

 For the first time in one stunning volume, here is the complete, epic story arc: The Phantom Menace, Attack of the Clones, and Revenge of the Sith. Experience the sweeping tale of good and evil, of myth and magic, of innocence and power—and witness the tragic transformation of Anakin Skywalker from mere slave to one of the greatest, most powerful, and feared villains of the galaxy: Darth Vader. “The path has been placed before you, Anakin. The choice to take it must be yours alone.” On the barren desert world of Tatooine, young Anakin Skywalker toils by day and dreams by night . . . of traveling the stars to worlds he’s only heard of in stories. When Jedi Knight Qui-Gon Jinn and his apprentice, Obi-Wan Kenobi, cross paths with Anakin, it marks the beginning of the drama that will become legend. Courageous to the point of recklessness, Anakin comes of age in a time of great upheaval. The attempted assassination of Senator Padmé Amidala thrusts the Republic close to the edge of disaster—and brings Anakin and Padmé into a secret romance as intense as it is forbidden. As combat escalates across the galaxy, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a decision with profound ramifications. It remains only for Darth Sidious to strike the final staggering blow against the Republic—and to ordain a fearsome

new Sith Lord: Darth Vader. THE PHANTOM MENACE by Terry Brooks, based on the story and screenplay by George Lucas  
 ATTACK OF THE CLONES by R. A. Salvatore, from a story by George Lucas and a screenplay by George Lucas and Jonathan Hales

 Since its release in 1971, Don McLean’s song “American Pie” has become an indelible part of U.S. culture. It has sparked countless debates about the references within the lyrics; been celebrated as a chronicle of American life from the late 1950s through the early 1970s; and has become iconic itself as it has been remade, parodied, and referenced within numerous texts and forums. This volume offers a set of new essays that focus on the cultural and historical significance of the song. Representing a variety of perspectives and fields of study, the essays address such topics as historical and literary interpretations of the song’s lyrics, its musical qualities, the commentary the song offers on rock and roll history, the continuing significance of the song, and the ways in which the song has been used by various writers and artists. Instructors considering this book for use in a course may request an examination copy here.
