## SHEPPARD ARMSTRONG

*Peg O' My Heart* Bloomsbury Publishing

Once in our lifetime we get asked to go on an exciting journey where we enter a mysterious land with courage, confidence, and the honour of family. This is the story of encouragement and power that will leave you wanting more. "The Message From Dragon Land-The starting of the adventure" will lead you on a magical journey into another incredible world. Along with the characters in the book, you will experience prodigious creatures and travelling. Let's go ...

**The Universal Songster, Or Museum of Mirth** Boydell & Brewer

A periodical in part famous for the cartoon portraits of politicians and public figures. These were mainly by "Spy" (i.e. Sir Leslie Ward) and "Ape" (i.e. Carlo Pellegrini).

*The Musical Times and Singing-class Circular* FriesenPress

They call it a civil war, but there is nothing civil in this. Nothing civil at all. They came from Damascus, from Halab, from Baniyas where the bombs fall day and night and the wounded children look like sleeping angels. Now they live in camps and abandoned buildings in Lebanon or Jordan. Now Syria is just a distant memory, a home forever lost. This urgent and extraordinary play explores the crisis in Syria through the stories of its two million refugees. Oh My Sweet Land received its UK premiere at the Young Vic Theatre, London, on 9 April 2014.

**The Caledonian** Random House Incorporated

"The Old World, the New World, and the Creation of the Modern World, 1400-1650: An Interpretive History" provides a unique look at the early years of European discovery and colonization, examining the impact of this period on the historical development of both the New and Old Worlds. The text is enhanced by the incorporation of a wide variety of original source material, allowing readers to benefit from a more first-hand experience of the historical events of the period. Providing the essential facts in conjunction with expert analysis, the volume poses a number of important questions to enable readers to construct their own analysis of the evidence presented. Uniquely, the volume goes beyond the standard textbook formula of "what, when and where" to delve more deeply into the specific (as well as the wider) significance of historical developments, thereby providing the platform for a textured, interpretive understanding of the history of the Atlantic world.

**Harper's Magazine** A&C Black

"This is a celebration and critical exploration of the complicated musical, cultural and political roles played by the song America

over the last 250 years."--Provided by publisher.

*The Illuminated Magazine* Anthem Press

Harper's informs a diverse body of readers of cultural, business, political, literary and scientific affairs.

*Harper's New Monthly Magazine* Simon and Schuster

A professor of classics and visiting scholar at the Harvard Divinity school presents modern interpretations of traditional Greek and Roman myths that render classic themes accessible to a new generation of readers.

*Sweet Land* Oh My Sweet Land

When Helen Motes finds herself on a Utah mountaintop getting married to a besotted young Indian poet, she can't quite figure out how she became a bigamist, and she certainly doesn't want to be one. Helen worked hard to create the stable middle-class life her childhood denied her, so sabotaging her first (and decidedly still legal) marriage wasn't part of her life plan. Yet with her original husband away in Iraq, and her new husband ready to agree to everything she ever wanted, deciding which husband to keep proves to be torture. How Helen's life led her to this point--and what she plans to do with these two "keepers"--are the driving questions behind Miah Arnold's heartfelt debut about an unlikely bigamist and her circle of family, friends, and husbands. Weaving in multiple continents and unforgettable characters, *The Sweet Land of Bigamy* is a funny and surprisingly touching exploration of what marriage can be.

**The Modern British Drama** Minnesota Historical Society  
 Europe is a word that is almost daily on our lips. But how far do we have to go back in order to find the origins of its name? The first part of this beautifully illustrated book traces the geographical and mythological basis of Europe's name. Who came up with the idea to distinguish the world in continents with proper names? The search will bring the reader back to the early history of mankind. How did the ancient Egyptians see the world and populations around them? Where did the Hebrews get the idea to split the world in three? And what was the world-picture in ancient Greece, laid down in geographic treatises and fragments? Where did the name 'Europe' originate from? Could it be from a person, either mortal or divine? In ancient Greek literature the name 'Europa' appears quite frequently for Greek goddesses and Greek women. Strangely enough, the best known Europa myth concerns a Phoenician princess, loved by the Greek god Zeus. Many mythographers doubt the Asian descent of the Phoenician Europa. Is her real origin to be located on mainland Greece? How can the contradicting Greek myths be interpreted, and was the name universally accepted as the name for the continent? In the second part of this book, the author tells the amazing story of how the Arts have treated the Europa myths for almost three millennia. He

shows the extraordinary influence of the personification of the geographic continent Europe on literature, music, sculpture, painting, tapestry and other applied arts. All this clearly demonstrates the vivid interest in Europe for the subject throughout the ages and illustrates, according to Karel van Miert in his Foreword, our common European culture.

*The Bay View Magazine* New York : Dodd, Mead

Important American periodical dating back to 1850.

*Sweet Freedom's Song* Oxford University Press on Demand

Oh My Sweet Land Bloomsbury Publishing

*Oh My Sweet Land* Leuven University Press

They call it a civil war, but there is nothing civil in this. Nothing civil at all. They came from Damascus, from Halab, from Baniyas where the bombs fall day and night and the wounded children look like sleeping angels. Now they live in camps and abandoned buildings in Lebanon or Jordan. Now Syria is just a distant memory, a home forever lost. This urgent and extraordinary play explores the crisis in Syria through the stories of its two million refugees. Oh My Sweet Land received its UK premiere at the Young Vic Theatre, London, on 9 April 2014.

**Songs of Gladness for the Sabbath School** Simon and Schuster

TEMPORARY Bergman looks at the representation of criminals in early modern Spanish theatre and the connection between criminality, the portrayal of criminal heroes on stage, and public displays of law enforcement within and outside the playhouse. His main purpose is to see to how Baroque spectacle (a term of art in theatre that refers to a particular event, often in expressions of popular culture) appears either to align itself, work against, or be independent of the social means of control of the day. His main argument is that that the propaganda power of early modern Spanish spectacle has been vastly overstated. Ted L. L. Bergman is a Lecturer in Spanish, University of St Andrews.

**The Universal Songster, Or Museum of Mirth**

In this paperback original, a stable of fresh stories by award-winning writer Will Weaver (Full Service and Barns of Minnesota), are complemented by a hand-picked selection of favorites from his original collection, *A Gravestone Made of Wheat*, to offer a fresh, vivid portrait of the changing midwestern landscape. New highlights include "Blaze of Glory," an enchanting tale of an RV road trip and a senior couple's "last time"; "The Trapper," the story of a hard split between an old trapper and a younger female environmentalist; and "The Last Farmer," the capstone story of this elegant collection that examines the discovery by a high-tech farmer of the history of the old houses on his land. Fourteen stories in all portray the bountiful and whimsical and cruel human spirit and the swirling transformation of America's heartland.

**HARPER'S MONTHLY MAGAZINE**

Important American periodical dating back to 1850.

*The Message From Dragon Land*

An assortment of short fiction ranges across America, from Alaska

to the District of Columbia, as it explores the complexities of modern life in such stories as "Jolene: a Life," "A House on the Plains," "Baby Wilson," and "Walter John Harmon."
