*The Bookish Life of Nina Hill* Abrams

The author and artist shares 200+ comics, essays, and guides to coping with twenty-first-century panic: “an absurdist take on the anxieties of the internet era” (CBR). With comics

titled “Choose your social anxiety coping mechanism” and “What your coffee drink of choice says about you,” Tommy Siegel offers clever and sardonic commentary on our social media-driven culture, as well as a series of devastatingly funny relationship comics starring his popular Candy Hearts characters. Siegel’s comics began as doodles in the back of a van while he toured as a

rock musician. They quickly earned a viral global fanbase and shout-outs from cultural heavyweights including Ringo Starr, Tim Heidecker, Vic Berger, and Alexandria Ocasio-Cortez. With a perfect balance of absurd humor and insightful writing, *I Hope This Helps* outlines the journey from the author’s earliest “van doodles” to the socially-distanced awkwardness of

today.

In CHICKEN SOUP FOR THE BUTT, the dynamic duo for the nineties is back again to share their wit and wisdom with the world. Providing essential information, as only Beavis and Butthead can, on such topics as how to be a better person (step one: find someone you're better than), the numbskulled youths explain their personal philosophies of life. Throughout, MTV's favourite animated,

terminal adolescents share their inspirational stories, such as 'The day I got free Nachos', and give a 12-step programme for people who never score. Filled with maladjusted mayhem and anarchic antics, CHICKEN SOUP FOR THE BUTT is their funniest collection of stories yet.

**The Charleston Academy of Domestic Pursuits** Little, Brown Books for Young Readers  
This stunning YA debut is a timely and heartfelt speculative narrative about healing, faith, and freedom. Seventeen-year-old Marisol has always dreamed of being American, learning what

Americans and the US are like from television and Mrs. Rosen, an elderly expat who had employed Marisol's mother as a maid. When she pictured an American life for herself, she dreamed of a life like Aimee and Amber's, the title characters of her favorite American TV show. She never pictured fleeing her home in El Salvador under threat of death and stealing across the US border as "an illegal", but after her brother is murdered and her younger sister, Gabi's, life

is also placed in equal jeopardy, she has no choice, especially because she knows everything is her fault. If she had never fallen for the charms of a beautiful girl named Liliana, Pablo might still be alive, her mother wouldn't be in hiding and she and Gabi wouldn't have been caught crossing the border. But they have been caught and their asylum request will most certainly be denied. With truly no options remaining, Marisol jumps at an unusual opportunity to stay in the

United States. She's asked to become a grief keeper, taking the grief of another into her own body to save a life. It's a risky, experimental study, but if it means Marisol can keep her sister safe, she will risk anything. She just never imagined one of the risks would be falling in love, a love that may even be powerful enough to finally help her face her own crushing grief. The Grief Keeper is a tender tale that explores the heartbreak and consequences of when both love and human

beings are branded illegal.

Perfect for fans of You Should See Me in a Crown and Never Have I Ever, this hilarious and heartfelt rom-com from bestselling author Debbie Rigaud is pure Black girl joy. Simone Thibodeaux is about to switch things up. Check her life: It's sealed in a boy-proof container. Her Haitian immigrant parents send Simone to an all-girls high school and enforce strict no-dating rules. As for prom? Simone is allowed to go on one condition: Her

parents will select her date (a boy from a nice, Haitian immigrant family, obviously). Simone is desperate to avoid the setup -- especially since she has a serious crush on another boy. It's time to take action. Simone and her fellow late-bloomer friends make a senior year bucket list of all the wild things they haven't done yet. Like: going out dancing, skipping class (what), and oh yeah -- deciding their own prom destinies. But as the list takes on a life of its own, things get much messier

than Simone expected. Can she figure out which rules are worth breaking and which might save her from heartbreak? [Simone Breaks All the Rules](#) Chronicle Books One of the "Best Books of 2020" by NPR's Book Concierge \*\*Your Favorite Movies, Re-Watched\*\* New York Times opinion writer and bestselling author Lindy West was once the in-house movie critic for Seattle's alternative newsweekly *The Stranger*, where she covered film with brutal honesty and giddy

irreverence. In *Shit*, Actually, Lindy returns to those roots, re-examining beloved and iconic movies from the past 40 years with an eye toward the big questions of our time: Is *Twilight* the horniest movie in history? Why do the zebras in *The Lion King* trust Mufasa-WHO IS A LION-to look out for their best interests? Why did anyone bother making any more movies after *The Fugitive* achieved perfection? And, my god, why don't any of the women in *Love, Actually* ever fucking talk?!?! From

Forrest Gump, Honey I Shrunk the Kids, and Bad Boys II, to Face/Off, Top Gun, and The Notebook, Lindy combines her razor-sharp wit and trademark humor with a genuine adoration for nostalgic trash to shed new critical light on some of our defining cultural touchstones-the stories we've long been telling ourselves about who we are. At once outrageously funny and piercingly incisive, *Shit, Actually* reminds us to pause and ask, "How does this movie hold up?", all while

teaching us how to laugh at the things we love without ever letting them or ourselves off the hook. *Shit, Actually* is a love letter and a break-up note all in one: to the films that shaped us and the ones that ruined us. More often than not, Lindy finds, they're one and the same. *Treat Everyone Like a Dog* Texas A&M University Press Recipient of three National Endowment for the Arts grants and with works exhibited at the prestigious Biennale de Paris, New York's Whitney

Museum, the de Menil Collection in Houston, and other venues, Bob "Daddy-O" Wade started "keeping it weird" in 1961 when he arrived in Austin with his '51 custom Ford hot rod and his slicked-back hair. Primed to study art at the University of Texas, Wade's coif and dragster earned him his trademark moniker, and the abstract, welded sculptures he fashioned from automobile bumpers in his frat house basement laid the foundations for the distinctive, larger-than-life

art pieces that would eventually make him famous. Daddy-O is the creator of the forty-foot iguana that perched atop the Lone Star Café in New York City, the immense cowboy boots (entered in the Guinness Book of World Records) outside San Antonio's North Star Mall, and Dinosaur Bob, who graces the roof of the National Center for Children's Illustrated Literature in Abilene, Texas. He is widely recognized as one of the progenitors of the "Cosmic Cowboy Culture"

that emerged in Texas during the 1970s. Daddy-O's Book of Big-Ass Art features images of more than a hundred of Wade's most famous pieces, complete with the wild tales that lie behind the art, told in brief essays by both Wade and more than forty noted artists and writers familiar with Wade's work. platform on the making and viewing of art. Authors Lachlan MacDowall and Kylie Budge critically analyse the ways Instagram has influenced artists, art spaces, art institutions and art audiences, and ultimately contemporary aesthetic experience. The book argues that more than simply being a container for digital photography, the architecture of Instagram represents a new relationship to the image and to visual experience, a way of shaping ocular

habits and social relations. Following a detailed analysis of the structure of Instagram – the tactile world of affiliation (‘follows’), aesthetics (‘likes’) and attention (‘comments’) – the book examines how art spaces, audiences and aesthetics are key to understanding its rise. The book will be of interest to scholars working in art history, design, digital culture, cultural studies, sociology, education, business, media and communication studies.

An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of *The Last Magician* and *Serpent & Dove*, this heart-stopping debut is an imaginative Romeo and Juliet retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of

debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette's first love...and first

betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can't stop this mayhem, then there will be no city left for either to rule.
