Sketches of Druuna
The Sweeter Side of R.
Crumb Last Gasp
For more than 40 years,
legendary American artist
Robert Crumb has
documented his nightly

dreams in a meticulously
kept private journal. This
material has stood as a
guarded secret in a career
defined by an impish
compulsion to publically
self-disclose. All of the
artist's well-documented
preoccupations are
present and accounted
for--rampant egomania,
insatiable lust, profound
self-disgust, the sad
beauty of old America, the

moral bankruptcy of new
America and the fool's
errand quest for spiritual
enlightenment--but here
they are entirely
untamed, springing forth
from forces beyond even
his control. Published for
the first time, the
complete Dream Diaries
offer readers a deep, dark
look under the hood of
one of America's most
aggressively dynamic

comedic voices.

The Complete Crumb Comics Taschen

"A thorough engagement with the literary, spiritual, and intellectual underpinnings of a great comics creator."--Back cover

R. Crumb, Sketchbook M
Q Publications

A collection of cartoonist Crumb's work, ranging from his earliest comics published in the mid sixties, to work completed in the nineties with his comentaries interspersed throughout the book.

R. Crumb Fantagraphics

Studio Edition

The final volume of this six-book series finds our hero settled into his French domicile, still illustrating quirky sex fantasies and ranting against the human condition, but increasingly working from photos and historical themes. Scenes from My Secret Life cozy up to torture at Abu Ghraib prison, family portraits to Rough Women of the Dark...

R. Crumb National Geographic Books
Over 100 pages of vintage Crumb comics starring the

white-bearded, diminutive sage-cum-charlatan Mr Natural, ranging from charming, freewheeling early 1970s stories to the disturbing, controversial 1990s stories, including the entire 40-page 'Mr Natural and Devil Girl' epic. Crumb's Mr. Natural is probably the most famous underground character of all, meaning readers will not want to miss the chance to snatch up this jam-packed collection from one of the all-time masters.

R. Crumb: Bible of Filth W. W. Norton & Company

A revealing collection of the great artist's private correspondence.

R. Crumb, Sketchbooks, 1964-1981 Univ. Press of Mississippi

Featuring R. Crumb's most outrageous sexual comics, Bible of Filth is possibly the dirtiest book around. One of America's most celebrated cartoonists, Crumb helped define cartoon and punk subcultures of the 1960s and 1970s with comic strips like Fritz the Cat, Mr. Natural, and Keep on Truckin'. The open sexuality of his work,

paired with frequent self-deprecation and a free, almost stream-of-consciousness style, has made Crumb into a global voice and a renowned contemporary artist. Originally published in France in 1986 by Futuropolis, the first edition of Bible of Filth was never distributed in the United States because of its graphic sexual content, which included some of Crumb's most explicit comics from underground magazines such as Snatch, Jiz, Zap, XYZ, Big Ass, and Uneeda.

This revised and expanded English edition, published by David Zwirner Books, contains all the original pieces from the 1986 volume, with over one hundred pages of additional material. Organized chronologically, there are comics from 1968 to 1986 that were omitted from the first edition and an entirely new selection of work from after 1986. Printed on bible paper and bound in leather, with gold debossing and edging, this volume looks and feels like a traditional

bible, with no outward suggestion of what it contains. This revised and expanded Bible of Filth is the perfect introduction for newcomers, while retaining its status as an important collector's item for Crumb enthusiasts around the world.

The R. Crumb Coffee Table Art Book

David Zwirner Books

From political cartoons to offbeat graphic stories, from the “funnies” to underground comics: a contemporary look at comic art from around the world in a volume packed

with vibrant visuals, deft texts, and arresting human observation From cartoons to graphic novels, from humor to superheroes, comics are the world's most popular form of illustration. And, as in all forms of illustration, artists and designers experiment with visual ideas, image-and-word play, narrative sequencing, and stylistic flourishes through sketching. What we rarely see is the creative thinking—the doodling—that leads to fully formed visual ideas

and stories. Comics Sketchbooks presents the private notebooks of eighty-two of the world's most inventive, innovative, and successful artists alongside new talents and emerging illustrators. The artists have been selected by the world's leading critic and most knowledgeable source in the field of graphic design and illustration, Steven Heller, who has had personal access to some of the most private and unseen material. Although there have been several comic-

book compilations over the years, none has the visual excitement, insight, and mind-blowing creativity— and fun—of this one.

Serpieri Sketchbook

Totem Books

The seventh volume of The Complete Crumb Comics spotlights Crumb's work from 1970 and 1971, the peak years of Crumb's hippie stardom. Included from this era is the entirety of Crumb's work from underground classics such as ZAP, The East Village Other, Esquire,

and much more, including strips featuring classic Crumb characters like Fritz the Cat.

Robert Crumb's Sex Obsessions Heavy Metal Magazine

Presents comics, writings, and artwork by the Crumb family, especially Robert, Charles, Jesse, and Maxon, depicting their struggles with a disturbing family life, tragedies, and successes in the world of art.

Contains adult content.
Crumb Comics Taschen Underground Treasures 18 years, 1,344 pages =

Classic Crumb This six-book boxed set is based on the original hard-bound, slip-cased, seven-volume series released by the German publisher Zweitausendeins between 1981 and 1997. Unlike the previous edition, which included every doodle ever made by the preeminent underground artist, our edition has been personally edited by the notoriously fastidious artist to include only what he considers his best work, reproduced directly from the original sketchbooks. This slip-

cased set is made with loving attention to detail in a size and format selected by the artist. Each book in the set contains 224 pages, for a total of 1,344 pages of prime Crumb from the artist's most prolific, early period. The set includes a handwritten introduction, many pages of original color works, and 50 redrawn images distinctly different from the original works. Each set in this 1,000-copy limited edition also includes a signed, authenticated color art print of a collectible

Crumb original. With Robert Crumb's original art setting records at auction (the cover art for Mr. Natural #1 sold for \$ 101,575 at Dallas-based Heritage Auction Galleries in 2007), this limited edition with signed print is sure to increase in value and be sought both as an investment by collectors and as a stunning addition to any Crumb fan's library. The slipcased set is made with loving attention to detail in a size and format selected by the artist. Each book in the boxed set contains

224 pages, for a total of 1,344 pages of prime Crumb. The set includes a hand-written introduction by Robert Crumb. Each set of this 1,000-copy limited edition also includes a signed color art print of the Crumb original. R. Crumb's Dream Diary Fantagraphics Books Classic volume of the definitive Complete Crumb library, back in print after years of unavailability! **Your Vigor for Life Appalls Me** David Zwirner Books Get the ultimate insights

on the heyday of DC Comics. Spanning from 1935 to 1956, more than 600 pages of covers and interiors, original illustrations, photographs, film stills, and ephemera chart the creators, the stories, and the game-changing super heroes Superman, Batman, and Wonder Woman.

Robert Crumb.

*Sketchbook, Vol. 5:
1989-1998* Taschen

Somehow the Devil Got Me! The filthiest fruit of Robert Crumb's fertile imagination From the very beginning, even before

the sexual revolution made Robert Crumb the world's most celebrated underground cartoonist, he felt compelled to commit his sexual fantasies to paper. Once upon a time, he'd destroy them, fearful of others discovering his quirky tastes. Then he found that baring his soul provided a sort of therapy, and he has memorialized his every desire since. Crumb's personal selection of these works first appeared in 2007 in a gorgeous, but pricey, TASCHEN Collector's

Edition, complete with slipcase, lithographic print, and many strips hand-colored by Crumb himself. Now, this compact edition is offering the same high-quality obsession at a bargain price! This compendium includes the strips My Troubles With Women, If I Were a King, A Bitchin' Bod, and How To Have Fun With a Strong Girl, as well as 60 single page drawings. Recurring motifs include big strong girls, artistic wimps triumphantly subduing said girls,

cavewomen, Yetis, vulture
demonesses, bitter little
guys, and did we mention
big strong girls?

The R. Crumb Handbook
HOW Books

Robert Crumb (b. 1943)
read widely and deeply a
long roster of authors
including Robert Louis
Stevenson, Charles

Dickens, J. D. Salinger,
Jack Kerouac, William S.
Burroughs, and Allen
Ginsberg, as well as
religious classics including
biblical, Buddhist, Hindu,
and Gnostic texts.

Crumb's genius,
according to author David
Stephen Calonne, lies in
his ability to absorb a
variety of literary, artistic,
and spiritual traditions
and incorporate them
within an original,
American mode of
discourse that seeks to
reveal his personal search
for the meaning of life. R.
Crumb: Literature,

Autobiography, and the Quest for Self contains six chapters that chart Crumb's intellectual trajectory and explore the recurring philosophical themes that permeate his depictions of literary and biographical works and the ways he responds to them through innovative, dazzling compositional techniques. Calonne explores the ways Crumb develops concepts of solitude, despair, desire, and conflict as aspects of the quest for self in his book of Genesis and

works by Franz Kafka, Jean-Paul Sartre, the Beats, Charles Bukowski, and Philip K. Dick, as well as Crumb's illustrations of biographies of musicians Jelly Roll Morton and Charley Patton. Calonne demonstrates how Crumb's love for literature led him to attempt an extremely faithful rendering of the texts he admired while at the same time highlighting for his readers the particular hidden philosophical meanings he found most significant in his own autobiographical quest for

identity and his authentic self.

R. Crumb Comics Taschen
This book, helping us to see beyond the cliché 'Kafkaesque', is illustrated by legendary underground artist Robert Crumb.

The Complete Crumb

David Zwirner Books
One of America's most celebrated cartoonists, Robert Crumb helped define cartoon and punk subcultures of the 1960s and 1970s with comic strips like Fritz the Cat, Mr. Natural, and Keep on Truckin'. The open

sexuality of his work, paired with frequent self-deprecation and a free, almost stream-of-consciousness style, have made Crumb into a global voice and a renowned contemporary artist. Originally published by Kitchen Sink Press in 1996, *Art & Beauty Magazine*, Number 1 is at once a satirical take on aesthetics and a continued exploration of Crumb's subversion of sexuality and mainstream values. Drawings of women in positions ranging from lascivious to

modest or mid-sport are accompanied by quotations, many of which are from artists like Leonardo da Vinci and Harvey Kurtzman. Mining his own obsessions and fantasies, Crumb reimagines the history of art, challenging notions of beauty, along with society's mores and expectations of propriety around the female form. The second volume of *Art & Beauty*, published in 2003, expanded on the first, adding all new drawings (also of women) and quotations, likewise

taken from the history of art and aesthetics. The effect of both volumes is undeniably destabilizing. The images appeal to a purely erotic sensibility, which in turn is undercut by the inclusion of highfalutin and frequently philosophical prose. The images drag philosophy back down to earth, while the writing challenges the pure eroticism of Crumb's drawings. The eagerly awaited *Art & Beauty*, Number 3 is released for the first time as part of *Art & Beauty Magazine: Drawings by R. Crumb*. It

is published on the occasion of Crumb's exhibition at David Zwirner, London, which debuts the new work he created for the magazine's third issue. Presenting all three volumes in one book, Art & Beauty Magazine is arranged chronologically and guides the reader through the twenty-year history of Crumb's magazine, from the

earliest images in the 1990s to the most recent drawings completed in 2016. Paul Morris, longtime gallerist and supporter of Crumb's practice, writes an introduction that contextualizes this body of work and the artist's career as a whole. This beautiful edition, with a cover specially designed by Crumb for its release, makes the initial two issues available for the

first time in over ten years, and presents the new and previously unpublished material from the third. For seasoned supporters and novices alike, Art & Beauty Magazine: Drawings by R. Crumb is a wonderful window into Crumb's world of bodies and ideas, art and beauty. A limited edition of 400 signed copies is published as well.
