*The Code of Federal Regulations of the United States of America Having General Applicability and Legal Effect in Force June 1, 1938* You "can" buy your own home?

Starla Barnhill speaks directly from the heart to her first time home buyers written specifically on how to purchase their first home and to avoid costly mistakes. I want every home buyer that reads this book, to learn how the points and interest rates work, and what locking in your interest rate really means. I want you, the first time home buyer to walk into that Mortgage Company or bank and know exactly what you're doing. I want you to have the solid knowledge behind you to make an honest decision regarding every step of your loan process. By the time you finish my book, you will know how 'not to get taken' in the mortgage industry, and how to truly buy a home with little or nothing down.
