ANGELIQUE LENNON

John Wayne Insight Editions

Traces the making of the influential 1950s film inspired by the story of Cynthia Ann Parker, sharing lesser-known aspects of Parker's 1836 abduction by the Comanche and her heartbreaking return to white culture, in an account that also explores how the movie reflects period ambiguities. 30,000 first printing. Movie tie-in.

American Cowboy Fox Chapel Publishing

Nestled on the shore of Lough Corrib, Ashford Castle has only grown in esteem over the last eight centuries, passing through the hands of esteemed Lords and Ladies and hosting visitors over the years ranging from King George V, Oscar Wilde, and John Lennon. The reputed estate even provided a setting for the Hollywood production of *The Quiet Man* starring John Wayne. This publication will present the newly renovated Ashford Castle, a window into its illustrious past and a

preview of its promising future.

What Jesus Learned from Women Simon and Schuster

The *Blue Note Years* presents for the first time many of Francis Wolff's previously unpublished photographs, capturing such jazz legends as John Coltrane, Freddie Hubbard, Joe Henderson, Miles Davis, Donald Byrd, Clifford Brown, and Ornette Coleman, among others. 195 duotone photos.

John Ford and John Wayne, two titans of classic film, made some of the most enduring movies of all time. The genre they defined—the Western—and the heroic archetype they built still matter today. For more than twenty years John Ford and John Wayne were a blockbuster Hollywood team, turning out many of the finest Western films ever made. Ford, known for his black eye patch and for his hard-drinking, brawling masculinity, was a son of Irish immigrants and was renowned as a director for both his craftsmanship and his brutality. John "Duke" Wayne was a mere stagehand and bit player in "B" Westerns, but he was strapping and handsome, and Ford saw his potential. In 1939 Ford made Wayne a star in *Stagecoach*, and from there the two men established a close, often

turbulent relationship. Their most productive years saw the release of one iconic film after another: *Rio Grande*, *The Quiet Man*, *The Searchers*, *She Wore a Yellow Ribbon*, *The Man Who Shot Liberty Valance*. But by 1960 the bond of their friendship had frayed, and Wayne felt he could move beyond his mentor with his first solo project, *The Alamo*. Few of Wayne's subsequent films would have the brilliance or the cachet of a John Ford Western, but viewed together the careers of these two men changed moviemaking in ways that endure to this day. Despite the decline of the Western in contemporary cinema, its cultural legacy, particularly the type of hero codified by Ford and Wayne—tough, self-reliant, and unafraid to fight but also honorable, trustworthy, and kind—resonates in everything from *Star Wars* to today's superhero franchises. Drawing on previously untapped caches of letters and personal documents, Nancy Schoenberger dramatically narrates a complicated, poignant, and iconic friendship and the lasting legacy of that friendship on American culture.

The first monograph of photographer Wayne Thom, whose documentation of Late Modern

architecture constitutes an architectural/visual archive unlike any other. A key primer to late-twentieth century Modernism, this monograph devoted to Wayne Thom chronicles his photographic practice and the architectural and urban environment in which he worked. An innovative chronicler of the booming West Coast urbanism of the 1960s and 70s, Thom's photographs of key projects by path-breaking architecture firms such as William Pereira & Associates, Edward Durell Stone, SOM, Gio Ponti, John Portman, I. M. Pei, and A. Quincy Jones helped establish the idea of cool architectural glamour of the era. Raised in Hong Kong, Thom moved to California in the mid-1960s and trained in the technical craftsmanship of photography, adept at harnessing natural light for both interior and exterior compositions. He soon began working with the figures who would become his clients and benefactors, most importantly William Pereira and A. Quincy Jones, a prolific architect and Dean of the School of Architecture at USC. As Emily Bills critically assess Thom's career, she demonstrates that his photography became inseparable from Late Modernism in the popular imagination, a period of architectural production that ran from the late 1960s through the 1980s. Wayne Thom: Photographing the Late Modern is a celebration of this key architectural photographer and a unique chronicle of the works of this transformative period of architectural expression.

Dehumanization has led to serious misinterpretation of the Gospels. On the one hand, Christians have often made Jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him, male or female. On the other hand, women have been treated as less than fully human, their names omitted from stories and their voices and influence on Jesus neglected. When we ask the question this book does, what Jesus learned from women, puzzling questions that have frustrated readers of the Gospels throughout history suddenly find solutions. Weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience, James McGrath makes the stories of women in the New Testament come alive, and sheds fresh light on the figure of Jesus as well. This book is a must read for scholars, students, and anyone else interested in Jesus and/or in the role of ancient women in the context of their times.

The horses that captured the moviegoers' hearts are the common denominator in Hollywood Hoofbeats. As author Petrine Day Mitchum writes, "the movies as we know them would be vastly different without horses. There would be no Westerns—no cowboy named John Wayne—no Gone with the Wind, no Ben Hur, no Dances with Wolves..." no War Horse, no True Grit, no Avatar! Those last three 21st-century Hollywood creations are among the new films covered in this expanded second edition of Hollywood Hoofbeats written by the daughter of movie star Robert Mitchum, who himself appeared on the silver screen atop a handsome chestnut gelding. Having grown up around movie stars and horses, Petrine Day Mitchum is the ideal author to pay tribute to the thousands of equine actors that have entertained the world since the inception of the film medium. From the early days of D.W. Griffith's *The Great Train Robbery* to Quentin Tarantino's *Django Unchained*, this celebration of movies promises something for every Hollywood fan... the raucous comedy of Abbot and Costello (and "Teabiscuit") in *It Ain't Hay*, a classic sports films like *National Velvet* starring Elizabeth Taylor, a timeless epic with Errol Flynn, and films featuring guitar-strumming cowboys like Gene Autry and Roy Rogers. **INSIDE HOLLYWOOD HOOFBEATS** Movie trivia and fascinating anecdotes about the stars of yesterday and today An inside look at the stunts horses performed in motion pictures and the lingering controversies Hundreds of illustrations, including rare movie posters, movie stills, and film clips Updated, expanded text including coverage of new movies and photographs Chapters devoted to action films, Westerns, comedies, musicals, child stars, and more Famous TV programs and their horses including Mr. Ed and Silver (Lone Ranger)

Sir Elton John, musician and philanthropist, has built one of the greatest private collections of photography in the world. This book presents an unparalleled selection of modernist images, which introduce a crucial moment in the history of photography when artists were beginning to use the camera and darkroom to redefine and transform visions of the modern world. Technological advancements gave artists the freedom to experiment and test the limits of the medium enabling new imaginings of portraits, nudes and still lifes; and street life and the modern world was captured from a new, uniquely modern perspective. Showcasing only original vintage prints by the artists themselves, the book features key figures from the 1920s to 1950s, such as Brassai, Andre Kertesz, Dorothea Lange, Tina Modotti, Man Ray, Edward Steichen and Alexander Rodchenko. Also

includes a newly commissioned interview with Sir Elton John and essays on modernist photography and technology and innovation by Dawn Ades and Shoair Mavlian."

John Wayne worked on film sets around the globe. This book follows the trail, from his beginnings on the Fox backlot to his final filming in Lone Pine, California. Locations in Mexico, Normandy, Rome, Madrid, London, Ireland, Libya and Africa are covered, along with his favorite vacation spots in Hawaii, Acapulco, Greece, Monaco, and the Hollywood hot-spots he frequented. Anecdotes revisit his most famous scenes, including Rooster Cogburn's charge in *True Grit* (1969) and Davy Crockett's last stand in *The Alamo* (1960). Production details describe how San Diego stood in for Iwo Jima, how Old Tucson was turned into El Dorado, and how Genghis Kahn ruled over the deserts of Utah. Never before published photos present then-and-now views in this first of its kind guided tour for film location hunters and Wayne aficionados.

From the silent era into the early days of television, hundreds of small production companies turned out low-budget films that were played as second features in this country and abroad. As might be expected, a high percentage of these films were Westerns. The people who made these films—producers, directors, writers, actors, and technicians—inhabited what came to be known as Poverty Row, eking out a living doing a job they loved. Author C. Jack Lewis spent 25 years in this world of low-budget Westerns, and here he portrays the human side of the industry through the many people with whom he came into contact as he worked his way from film to film. Highly personal, filled with rare glimpses of a life that lives only in the memory of a few, this narrative is a nostalgic memoir of a bygone time, of those who shared life on Poverty Row—and of the hard work, failures, successes, and dreams made or broken. Liberal use of photos helps readers identify the faces they have seen on their television screens in the reruns of these pictures still making the rounds. A must-read for students of film and popular culture—great for fans of Westerns as well.

"Red Dawn meets *Escape from New York* and *The Hunger Games*" (Booklist) in an action-packed dystopian fantasy filled with "prose [that] is gorgeous and brilliant" and "tells a satisfyingly dark tale through alternating the two sisters' points of view" (VOYA, starred review). It's been nearly two decades since the Red Allies first attacked New York, and Manhattan is now a prisoner-of-war camp, ruled by Rolladin and her brutal, impulsive warlords. For Skyler Miller, Manhattan is a cage that keeps her from the world beyond the city's borders. But for Sky's younger sister, Phee, the POW camp is a dangerous playground of possibility, and the only home she'd ever want. When Sky and Phee discover their mom's hidden journal from the war's outbreak, they both realize there's more to Manhattan—and their mother—than either of them had ever imagined. And after a group of strangers arrives at the annual POW census, the girls begin to uncover the island's long-kept secrets. The strangers hail from England, a country supposedly destroyed by the Red Allies, and Rolladin's lies about Manhattan's captivity begin to unravel. Hungry for the truth, the sisters set a series of events in motion that end in the death of one of Rolladin's guards. Now they're outlaws, forced to join the strange Englishmen on an escape mission through Manhattan. Their flight takes them into subways haunted by cannibals, into the arms of a sadistic cult in the city's Meatpacking District and, through the pages of their mom's old journal, into the island's dark and shocking past.

The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman. Exploring Wayne's early life with a difficult mother and a feckless father, "Eyman gets at the details that the bean-counters and myth-spinners miss ... Wayne's intimates have told things here that they've never told anyone else" (Los Angeles Times). Eyman makes startling connections to Wayne's later days as an anti-Communist conservative, his stormy marriages to Latina women, and his notorious--and surprisingly long-lived--passionate affair with Marlene Dietrich.

"Beautiful. ... A lyrical companion to his father's classic, *A River Runs through It*, chronicling their family's history and bond with Montana's Blackfoot River." —Washington Post A "poetic" and "captivating" (Publishers Weekly) memoir about the power of place to shape generations, Home Waters is John N. Maclean's remarkable chronicle of his family's century-long love affair with Montana's majestic Blackfoot River, the setting for his father's classic novella, *A River Runs through It*. Maclean returns annually to the simple family cabin that his grandfather built by hand, still in search of the trout of a lifetime. When he hooks it at last, decades of longing promise to be fulfilled, inspiring John, reporter and author, to finally write the story he was born to tell. A book that will resonate with everyone who feels deeply rooted to a landscape, Home Waters is a portrait of a family who claimed a river, from one generation to the next, of how this family came of age in the 20th century and later as they scattered across the country, faced tragedy and success, yet were always drawn back to the waters that bound them together. Here are the true stories behind the beloved characters fictionalized in *A River Runs through It*, including the Reverend Maclean, the patriarch who introduced the family to fishing; Norman, who balanced a life divided between literature and the tug of the rugged West; and tragic yet luminous Paul (played by Brad Pitt in Robert Redford's film adaptation), whose mysterious death has haunted the family and led John to investigate his uncle's murder and reveal new details in these pages. A universal story about nature, family, and the art of fly fishing, Maclean's memoir beautifully captures the inextricable ways our personal histories are linked to the places we come from—our home waters. Featuring twelve wood engravings by Wesley W. Bates and a map of the Blackfoot River region.
