The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Commerce DIANE Publishing  
Every California landlord

and property manager should have this book-- which covers everything they need to know about deposits, leases and rental agreements, inspections, habitability, discrimination, and rent control. It provides 25 tear-out forms and agreements, including rental applications, leases and rental agreements, 3-day and 30-day notices, sample letters, and more.

### Economic Issues and Policy

NOLO  
This text presents basic economics through a student-friendly discussion of economic issues and the policy perspectives surrounding them. It balances liberal and conservative viewpoints, and incorporates solid international coverage. Student understanding should be enhanced through a clear writing style, and by leaving out or relegating to appendices complex topics more appropriate for a Principles of Economics course.
