Amaterasu, Tsukuyomi, Susanō, Orochi, Oni, Kappa, Kisune: sumérjase en la apasionante cultura japonesa, sus creencias, ritos, deidades, monstruos y criaturas. Todos los enigmáticos mitos y leyendas desde el Kojiki y el Nihonshoki hasta la pervivencia y difusión de estas narraciones en la cultura pop, el manga, el anime y los videojuegos. Gracias a este título de la colección Breve Historia el lector descubrirá que la cultura japonesa ha transmitido sus mitos, cuentos y leyendas hasta nuestros días, camuflándolos entre las fantásticas historias que podemos encontrar fácilmente en los mangas, animes y videojuegos. De la mano de Luis Carretero el lector conocerá que estas narraciones tienen sus orígenes muchos siglos atrás, y que han ido variando y evolucionando según se han ido contando generación tras generación. La religión ha caminado junto a ellas, desde el surgir del sintoísmo hasta la llegada del budismo que, al convivir, hizo que los seres sobrenaturales y fantásticos se multiplicaran. Un título imprescindible que auna, con gran rigor, basándose en los últimos estudios, grandes narraciones, como las aventuras del niño melocotón Momotaro, las travesuras y los engaños de los Tanuki, los perversos Oni, o los grandes dioses como Amaterasu, Susanō y Tsukuyomi, grandes personajes que están en el corazón de

cada una de estas historias.

*Speculative Japan* VIZ Media LLC

In *The Ikigai Journey*, authors Hector Garcia and Francesc Miralles take their international bestseller *Ikigai: the Japanese Secret to a Long and Happy Life* a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that--acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1: Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2: Journey Through the Past: Kyoto (an

ancient capital moored in tradition) Section 3: Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians--many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.

Now you can master Bach's most beautiful prelude—even if you've never sat down at a piano before! Do you have a piano (or keyboard) and forty-five spare minutes every day? Then spend the next six weeks with acclaimed concert pianist James Rhodes. By the end, you'll be able to perform Bach's Prelude No. 1 in C major—no prior musical experience required! Rhodes reveals How to Play the Piano step by step—how to read the treble and bass clefs as well as sharp and flat notes, and then how to practice—before teaching the Prelude in easy, bite-size segments. His method is free of tedious drills, and filled with inspiration: "If listening to music is soothing for the soul, then playing music is achieving enlightenment." Before you know it, not only will you have learned how to play one of Bach's most beloved masterpieces—you also will have unleashed your creativity, exercising your mind (and fingers) and accomplishing something you never thought possible. Bravo! Includes four instructional videos supported by select e-reader devices.

*Living to Tell the Tale* Melville House Publishing

This definitive illustrated history of manga is an unparalleled account of the development of a form which is an integral part of Japanese art and culture and now hugely popular throughout the world. As contemporary as this graphic art form may appear to readers outside of Japan, manga has deep roots in Japanese culture, drawing on centuries- old artistic traditions. Traces can be found in seventh-century temple paintings, folding screens decorated with comic characters, and painted medieval emakimono scrolls. The more familiar manga comics of today echo similar themes, both light-hearted and serious, and draw on narrative forms present in both sagas and skits from Japan's rich cultural heritage. This volume spans the history of manga in all its splendor and diversity. Among the many highlights included are Hokusai's seminal Hokusai Manga of 1814, the advent of the gekiga style in the 1950s, the landmark Astro Boy by Tezuka Osamu, Lady Oscar, Riyoko Ikeda's shōjo manga aimed at young girls, samurai sagas, alternative productions by the review Garo, the demons that populate the works of Mizuki Shigeru, and the latest creations from Jiro Taniguchi. Each period is covered in detail by author Brigitte Koyama-Richard and illustrated with drawings and prints. One Thousand Years of Manga is both an informative account of the genesis of the form and a visual delight. Featuring more than four hundred illustrations and captivating texts, the book situates manga in its proper context, appreciating it for what it truly is: an integral part of Japanese art and culture that is as rich and revealing as it is popular.

INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD WORLDWIDE "Workers looking for more fulfilling positions should start by identifying their ikigai." —Business Insider "One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life." —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. "Only staying active will make you want to live a hundred years."

—Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day?

AVAILABLE FOR THE FIRST TIME IN eBook! No writer of his time exerted the magical appeal of Gabriel García Márquez. In this long-awaited autobiography, the great Nobel laureate tells the story of his life from his birth in 1927 to the moment in the 1950s when he proposed to his wife. The result is as spectacular as his finest fiction. Here is García Márquez's shimmering evocation of his childhood home of Aracataca, the basis of the fictional Macondo. Here are the members of his ebulliently eccentric family. Here are the forces that turned him into a writer. Warm, revealing, abounding in images so vivid that we seem to be remembering them ourselves, *Living to Tell the Tale* is a work of enchantment.

*Kanji de Manga Vol. 1* The Experiment, LLC

The time is long overdue to present the work of Japanese science fiction and fantasy writers to the world in English. The first book in a planned series, *Speculative Japan* presents a selection of outstanding works of Japanese science fiction and fantasy in English translation... and a glimpse into new worlds of the imagination. Drawing on the talents of some of the most famous and respected fiction writers of Japan, this anthology will guide you to new dimensions of wonder. First released at Nippon 2007, the 65th World Science Fiction Convention in Yokohama, Japan, it is now available worldwide.

Perfect for fans of *One of Us is Lying* and *We Were Liars*, *All Eyes on Her* by L.E. Flynn is a gripping young adult thriller told from the perspective of everyone except the alleged killer—a seventeen-year-old girl. You heard the story on the news. A girl and a boy went into the woods. The girl carried a picnic basket. The boy wore bright yellow running shoes. The girl found her way out, but the boy never did... Everyone thinks they know what happened. Some say Tabby pushed him off that cliff— she didn't even like hiking. She was jealous. She had more than her share of demons. Others think he fell accidentally—she loved Mark. She would never hurt him...even if he hurt her. But what's the real story? *All Eyes On Her* is told from everyone but Tabby herself as the people in her life string together the events that led Tabby to that cliff. Her best friend. Her sister. Her enemy. Her ex-boyfriend. Because everybody thinks they know a girl better than she knows herself. What do you think is the truth? An Imprint Book Praise for *Last Girl Lied To*: "Fans of E. Lockhart, Karen M. McManus, and Flynn's other work will revel in this mystery/thriller and the authenticity with which its characters are rendered." —Booklist

*How to Play the Piano* Princeton Architectural Press

Reads from back to front and from right to left.

*All Eyes on Her* Stone Bridge Press

Up to now Kazuichi Hanawa expressed himself through works of fiction. The fantastic world of tales from the Middle Ages were his favourite settings. A twist of fate caused him to be locked away for three years in jail, which is a very real place. There too this genius conjured his amusement and loneliness through his works. And that is how this exceptional record of life in prison was achieved.

**Sakuteiki** Nowtilus

Like children everywhere, Miyuki's imagination peaks at bedtime, when she remembers all the things she has to do before she can possibly go to bed: she needs to water the vegetables, gather snails, and prepare for the arrival of the Dragonfly Queen. Her patient grandfather follows along on her adventures, gently encouraging her to go to sleep. In this beautiful story about family, nature, and love, young children and their parents find a welcome companion for their own bedtime journey.

*Bakuman*, Vol. 1 Penguin

*Japanese In Mangaland Vol 2* is a Japan Publications publication.

**The Intuition of Haruhi Suzumiya (light novel)** Imprint

Presents an introduction to eighty of the most commonly used Japanese kanji characters, with English translation and a pronunciation guide, in a text with a comic book format.

*Battle Royale Volume 1* Vintage

Bexel vanquishes a Khezu and the disturbance in the mountains seems to have settled, but then another monster appears. Raiga and his companions set out for the hunting ground, but that leaves only two hunters in Pokke Village who are able to fight as two Blangonga monsters driven from their territory approach... -- VIZ Media

*The Ikigai Journey* Stone Bridge Press, Inc.

'What is the life of a human being - a drop of dew, a flash of lightning? This is so sad, so sad.'

Autobiographical stories from one of Japan's masters of modernist story-telling. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions. Ryunosuke Akutagawa (1892-1927). Akutagawa's Rashomon and Seventeen Other Stories is also available in Penguin Classics.

Penguin UK

Why do people work hard, and take pride in what they do? This book, a philosophically-minded enquiry into practical activity of many different kinds past and present, is about what happens when people try to do a good job. It asks us to think about the true meaning of skill in the 'skills society' and argues that pure competition is a poor way to achieve quality work. Sennett suggests, instead, that there is a craftsman in every human being, which can sometimes be enormously motivating and inspiring - and can also in other circumstances make individuals obsessive and frustrated. The Craftsman shows how history has drawn fault-lines between craftsman and artist, maker and user, technique and expression, practice and theory, and that individuals' pride in their work, as well as modern society in general, suffers from these historical divisions. But the past lives of crafts and craftsmen show us ways of working (using tools, acquiring skills, thinking about materials) which provide rewarding alternative ways for people to utilise their talents. We need to recognise this if motivations are to be understood and lives made as fulfilling as possible.
