\*A People Top 10 Book of  
2018\* The New York  
Times essayist and author  
of *We Learn Nothing*, Tim  
Kreider trains his singular  
power of observation on  
his (often befuddling)  
relationships with women.  
Psychologists have told  
him he's a psychologist.

Philosophers have told  
him he's a philosopher.  
Religious groups have  
invited him to speak. He  
had a cult following as a  
cartoonist. But, above all  
else, Tim Kreider is an  
essayist—one whose deft  
prose, uncanny  
observations, dark humor,  
and emotional  
vulnerability have earned  
him deserved  
comparisons to David  
Sedaris, Sarah Vowell,  
and the late David Foster  
Wallace (who was himself

a fan of Kreider's humor).  
"Beautifully written, with  
just enough humor to  
balance his spikiness"  
(Booklist), *I Wrote This  
Book Because I Love You*  
focuses Tim's unique  
perception and wit on his  
relationships with  
women—romantic,  
platonic, and the murky  
in-between. He talks  
about his difficulty finding  
lasting love and seeks to  
understand his  
commitment issues by  
tracking down the John

Hopkins psychologist who tested him for a groundbreaking study on attachment when he was a toddler. He talks about his valued female friendships, one of which landed him on a circus train bound for Mexico. He talks about his time teaching young women at an upstate New York college, and the profound lessons they wound up teaching him. And in a hugely popular essay that originally appeared in The New York Times, he talks about his nineteen-year-old cat, wondering if it's

the most enduring relationship he'll ever have. "In a style reminiscent of Orwell, E.B. White and David Sedaris" (The New York Times Book Review), each of these pieces is "heartbreaking, brutal, and hilarious" (Judd Apatow), and collectively they cement Kreider's place among the best essayists working today. The Surrender Theory begins deep within the thick of heartbreak, gets lost in the vibrancy of new

love, and then eventually rediscovers itself in a place of peace and closure. It's about learning to grow alongside grief. About taking the hand of your younger self and forgiving them. Through pages of truisms and poems, this debut collection from Caitlin Conlon explores the boundaries of our most poignant and human emotions. Both deeply personal and universal, The Surrender Theory will speak to anyone that's put their heart out into the world and hoped with

everything in them that it would come home unscathed.

From learning his letters and shapes with Grandma first thing in the morning to snuggling up with Daddy after a bath, one little boy loves time spent reading a good book with his loved ones. But, he has a secret! Can you guess his favorite way to read a good book? Jump into the pages of this delightfully tasty book to find out what makes reading so great! Schwartz & Wade This is a ninety-day devotional that was designed to encourage

you in your walk as a believer. I currently write a daily devotional on Facebook and these are my Facebook posts that I have taken and placed into a book as many of my followers requested. 1 Timothy 3:16-17 says, "All scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness, so that the servant of God may be thoroughly equipped for every good work." I want to equip you for your faith journey as a believer. I pray you hear the heart of God as you

read the words on the paper. Lean not on your own understanding but in all your ways acknowledge God and He will direct your path. The more of the Word you put inside of you, the more your faith grows. I pray that this devotional feeds your faith and that because of it your spirit man gets built up.

I Love You, However!  
 Algonquin Books of Chapel Hill  
 New York Times Bestseller  
 Iconoclastic entrepreneur and New York legend Ken Langone tells the

compelling story of how a poor boy from Long Island became one of America's most successful businessmen. Ken Langone has seen it all on his way to a net worth beyond his wildest dreams. A pillar of corporate America for decades, he's a co-founder of Home Depot, a former director of the New York Stock Exchange, and a world-class philanthropist (including \$200 million for NYU's Langone Health). In this memoir he finally tells the story of his unlikely rise

and controversial career. It's also a passionate defense of the American Dream -- of preserving a country in which any hungry kid can reach the maximum potential of his or her talents and work ethic. In a series of fascinating stories, Langone shows how he struggled to get an education, break into Wall Street, and scramble for an MBA at night while competing with privileged competitors by day. He shares how he learned how to evaluate what a business is worth and

apply his street smarts to 8-figure and 9-figure deals . And he's not shy about discussing, for the first time, his epic legal and PR battle with former NY Governor Eliot Spitzer. His ultimate theme is that free enterprise is the key to giving everyone a leg up. As he writes: This book is my love song to capitalism. Capitalism works! And I'm living proof -- it works for everybody. Absolutely anybody is entitled to dream big, and absolutely everybody should dream big. I did. Show me where

the silver spoon was in my mouth. I've got to argue profoundly and passionately: I'm the American Dream.

Two-time Pulitzer Prize nominee Nancy Shulins brings forth straight-from-life lessons on long-term love and the relationships nurtured by it in this composition of essays as varied as the moods of married life--each tale comes at love from a different angle to capture it in its entirety. Every Day I Love You More: (Just Not Today!) offers lessons in loving one person for life. It teaches couples to count their blessings, learn from their mistakes, and strengthen the bonds

between them. It offers honest, reliable, witty advice, and addresses every couples' day-to-day struggles, as well as ideas that are as clever as they are fun. The tone of the essays will vary, much like the day-to-day mood in a marriage; some are poignant, some hilarious, some thoughtful, some spiritual, and some heart-warming, but all are drawn from real life. Each tale will focus on a different aspect of long-term love, and offer prescriptive suggestions for the reader. Some

stories will come from the author's own marriage; others, from a wide range of committed relationships. Each offers gems of wisdom on weathering the bittersweet idiosyncrasies of every marriage, ranging from remembering why you first fell in love with him to knowing when you need time apart to indulging his need for a Lay-Z-Boy recliner. As a result, every couple who've made it past the honeymoon stage will recognize themselves in

these pages, and learn to love each other more every day -- even when "every day" starts tomorrow.

Charlie loves the bright red purse that his grandmother let him

have. One day, he decides to take it to school. First his father, then his friends, and even the crossing guard question him about his "strange" choice. After all, boys don't carry purses. They point out that they, too, have things they like, but that doesn't mean they go out in public wearing them. But Charlie isn't deterred. Before long, his unselfconscious determination to carry a purse starts to affect those around him. His father puts on his favorite, though unconventional,

Hawaiian shirt to go to work; his friend Charlotte paints her face, and the crossing guard wears a pair of sparkly shoes. Thanks to Charlie, everyone around him realizes that it isn't always necessary to conform to societal norms. It's more important to be true to yourself. With its humorous, energetic illustrations, this book is ideal as a read-aloud or as a story for emerging readers. It can also be used as a starting point for a discussion about

gender roles.
