 eyes and a laugh that rippled across the

 The name of it was Rosita McMullen..."

American short story master O. Henry is best known for his pithy, witty scores and surprise endings. In doing so he made commonplace experiences extraordinary and memorable. His work has been immortalised in the popular 1952 film 'O. Henry's Full House' starring Fred Allen, Anne Baxter, Marilyn Monroe and Jeanne Crain. William Sidney Porter (1862-1919), known simply as O. Henry, was a prolific American author of humorous literary pieces. His fame came exceptionally quickly and he became a bestselling author of short story collections. Perhaps the most famous of these are, 'Cabbages and Kings,' 'The Voice of the City' and 'Strictly Business.' The immensity of O. Henry's impact on the American short story genre for time to come is evidenced by the fact that an annual award in his name is given out each year in the United States. O. Henry's work is a must read for fans of Hemingway, Guy de Maupassant and Anton Chekhov.

This award-winning book continues to resonate with teachers and inspire their teaching because it focuses on the joy of reading and how it can engage and even transform readers. In a time of next-generation standards that emphasize higher-order strategies, text complexity, and the reading of nonfiction, "You Gotta

BE the Book" continues to help teachers meet new challenges, including those of increasing cultural diversity. The Third Edition includes new commentaries and tips for using visual techniques, drama and action strategies, think-aloud protocols, and symbolic story representation/reading manipulatives. Book Features: A data-driven theory of literature and literary reading as engagement. A case for undertaking teacher research with students. An approach for using drama and visual art to support readers' comprehension. Guidance for assisting students in the use of higher-order strategies of reading (and writing) as required by next-generation standards like the Common Core. The Fabulous Friend Machine

There aren't too many people who have earned simultaneous Juris Doctor and

MBA degrees from Harvard. Mitt Romney is one of them. But he has always liked the toughest challenges. He first made a name for himself as the brilliant turnaround miracle worker from Bain Capital. And he's the one who turned the debt-ridden, scandal-plagued 2002 Olympics into a marvelous success. Now he is campaigning to be our next president. He is a staunch advocate of free market economics and a devoted husband and father who believes in traditional values. Can he win? Will

voters give him the chance to apply his management proficiency to our federal government? Authors Lisa Ray Turner and Kimberly Field examine Mitt Romney as a man of incredible ability and driving energy. They examine his history, his policies, his alleged flip-flopping, and particularly the controversy surrounding his religion. As a team, they offer a unique perspective on this last issue: Lisa is LDS (Mormon), and Kim is an evangelical Christian. You'll find their insights fascinating.
