Don't go into the woods. Sixteen-year-old Anna Lambert knows that the woods near her new home aren't safe. She's seen the wolves that stalk through that dark forest, but Anna doesn't scare easily. Anna is cursed-or gifted, depending on how you look at it-with the ability to find anyone or anything that is lost. So when folks start disappearing in the small town of Haven, Anna's father, the sheriff, has to use her special skills as they begin to hunt for a killer. But the killer isn't exactly human. As Anna is pulled deeper into the secrets of Haven-a town that is truly cursed-she finds herself falling for two, equally mysterious boys. With the danger closing in, one of those boys may just turn out to be her savior. And the other? He could be a very big, very bad...beast. Beware of beasts...and boys...with bite.

This book studies forty-six pieces of European jewelry ? pendants, reliquaries, amulets, and talismans ? from the eighth to the eighteenth century. The title ?The thing of mine I have loved the best? comes from the medieval will of an English duchess who bequeaths a reliquary jewel to her son. It expresses the sentiment that jewels appealed (then, as well as now) to the truest and strongest emotions. 0This book concerns objects that were ?meaningful? jewels, a term we choose to designate a wide range of precious wearable objects that had particular meaning. 00Exhibition:

Vampires. Werewolves. Beasts that hunt in the night. Step into Cynthia Eden's sexy paranormal world and you'll meet an alpha werewolf who will risk everything for the woman he loves...For the first time, all of the BLOOD AND MOONLIGHT novels are now available in one hot boxed set. BITE THE DUST - Book 1 When New Orleans Detective Jane Hart investigates her first official homicide case, she never expects to have her world ripped apart. But the murder she's investigating is part of a deadly war between vampires and werewolves...and now Jane is caught in that eternal battle. A battle that can't end well. Werewolf Aidan Locke has been running New Orleans for years. It's his job to keep the vamps out of the city. But when a Master Vampire comes to town, determined to unleash hell, Aidan knows it's time to fight with all the fury of his pack. Beast versus vamp, until the last breath. Then he meets Jane... One look, one taste, and Aidan knows that Jane is far more than she seems. Far more than she even knows herself to be. She's important in the paranormal war, not a pawn to be used, but a queen to be won. And if he can't keep her at his side, if he can't stop the darkness from descending on the town...then Jane Hart will become not just a fierce cop, not some guardian, but something deadlier. Darker. Aidan will fight heaven and hell to change her fate. To change their fate because he is more than just a predator. And Jane is more than prey. Far more. BETTER OFF UNDEAD - Book 2 Detective Jane Hart is just getting used to paranormal life in New Orleans. Monsters are real, and she's the lucky cop who has to deal with them on a daily basis. Werewolves, vampires, witches, and demons—she has to face them all and keep their paranormal madness in check. When a killer targets human men—and leaves their bodies scattered in local cemeteries—Jane suspects she may be looking at the crimes of a werewolf gone rogue. In order to hunt down the beast, Jane once again teams up with her werewolf lover, alpha Aidan Locke. But Aidan has been keeping secrets from Jane, dark secrets that will destroy her world. Because Jane isn't the hunter on her latest investigation. She's the prey. And when a vampire attack leaves her helpless, the woman that Jane was before will vanish. She'll become the one thing she fears most and Aidan... Her fierce lover may have to become her executioner. BITTER BLOOD - Book 3 New Orleans detective Jane Hart is a vampire. She craves blood, has supernatural strength, and when the mood hits her just right, she can grow one killer pair of fangs. She never counted on being a vamp, but she also never counted on falling hard for werewolf alpha Aidan Locke. Now she's mated to the wolf, and even though she's living the undead life, Aidan refuses to leave her side. But Jane is being watched, hunted...tested. And each deadly test that she faces puts Jane—and the people she loves—in the path of a determined killer. She has to find out who is setting her up, before it's too late. Too late for Jane. Too late for Aidan. Jane's blood has infected Aidan and the wolf that lives within him is fighting for survival. Each battle...each dark test that their enemy puts in their path...each move slides Aidan closer to the edge. A darkness is growing inside of him. A darkness that is slowly consuming the man he's been... And leaving only the monster behind.

I looked and saw water rushing in from Galveston Bay on one side and from the gulf on the other. The two seas met in the middle of Broadway, swirling over the wooden paving blocks, and I couldn't help but shudder at the sight. All of Galveston appeared to be under water. Galveston, Texas, may be the booming city of the brand-new twentieth century, but to Seth, it is the end of a dream. He longs to be a carpenter like his father, but his family has moved to Galveston so he can go to a good school. Still, the last few weeks of summer might not be so bad. Seth has a real job as a builder and the beach is within walking distance. Things seem to be looking up, until a storm warning is raised one sweltering afternoon. No one could have imagined anything like this. Giant walls of water crash in from the sea. Shingles and bricks are deadly missiles flying through the air. People not hit by flying debris are swept away by rushing water. Forget the future, Seth and his family will be lucky to survive the next twenty-four hours. Dark Water Rising is a 2007 Bank Street - Best Children's Book of the Year.

New York Times best-selling author Cynthia Leitch Smith turns to realistic fiction with the thoughtful story of a Native teen navigating the complicated, confusing waters of high school — and first love. When Louise Wolfe's first real boyfriend mocks and disrespects Native people in front of her, she breaks things off and dumps him over e-mail. It's her senior year, anyway, and she'd rather spend her time with her family and friends and working on the school newspaper. The editors pair her up with Joey Kairouz, the ambitious new photojournalist, and in no time the paper's staff find themselves with a major story to cover: the school musical director's inclusive approach to casting The Wizard of Oz has been provoking backlash in their mostly white, middle-class Kansas town. From the newly formed Parents Against Revisionist Theater to anonymous threats, long-held prejudices are being laid bare and hostilities are spreading against teachers, parents, and students — especially the cast members at the center of the controversy, including Lou's little brother, who's playing the Tin Man. As tensions mount at school, so does a romance between Lou and Joey — but as she's learned, "dating while Native" can be difficult. In trying to protect her own heart, will Lou break Joey's?
