2016 Roland  
H. Bainton  
Book Prize of  
the Sixteenth  
Century  
Society and

Conference  
 During the sixteenth century, no part of the Christian West saw the development of a more powerful and pervasive astrological culture than the very home of the Reformation movement-- the Protestant towns of the Holy Roman Empire. While most modern approaches to the religious and social reforms of that age give scant attention to cosmological preoccupations, Robin

Barnes argues that astrological concepts and imagery played a key role in preparing the ground for the evangelical movement sparked by Martin Luther in the 1520s, as well as in shaping the distinctive characteristics of German evangelical culture over the following century. Spreading above all through cheap printed almanacs and prognostications, popular astrology functioned in

paradoxical ways. It contributed to an enlarged and abstracted sense of the divine that led away from clericalism, sacramentalism, and the cult of the saints; at the same time, it sought to ground people more squarely in practical matters of daily life. The art gained unprecedented sanction from Luther's closest associate, Philipp Melanchthon, whose teachings influenced

generations of preachers, physicians, schoolmasters, and literate layfolk. But the apocalyptic astrology that came to prevail among evangelicals involved a perpetuation, even a strengthening, of ties between faith and cosmology, which played out in beliefs about nature and natural signs that would later appear as rank superstitions. Not until the early seventeenth

century did Luther's heirs experience a "crisis of piety" that forced preachers and stargazers to part ways. Astrology and Reformation illuminates an early modern outlook that was both practical and prophetic; a world that was neither traditionally enchanted nor rationally disenchanted, but quite different from the medieval world of perception it had displaced. **Chase's Calendar of Events 2017**

Oxford University Press, USA Exploring some of the haunted places in Britain and Ireland, Simon Marsden has photographed castles, houses, archaeological sites and other buildings, and relates the history of each place and its ghosts alongside the photographs. His other books include *In Ruins* and *The Haunted Realm*.  
**Chase's Calendar of Events 2024**  
 Penguin

“Again and again, Alister McGrath elegantly performs that central task of any teacher: to enable his students and readers, starting from the familiar ground of what they already know, to go on to explore new territory and begin to see an expanded horizon.”  
 Church Times  
 Popular author Alister E. McGrath explores the great theme of Christian hope and the way in which it transforms and sustains

the Christian life in this fifth and final volume in the *Heart of Christian Faith* series. McGrath reflects on how the creeds give us a framework for Christian living, as well as for Christian believing. Full of stories and helpful illustrations, this book provides spiritual consideration of the difference that our belief in God makes to the way in which we think about ourselves and

the world. Also available in the Heart of Christian Faith series: Faith and Creeds, The Living God, Jesus Christ, and The Spirit of Grace.

Tales from the Haunted

South

iUniverse

In this chilling exploration behind the headlines, you are introduced to more than 40 grisly occurrences involving haunted houses, cursed battlefields, spectral ships, real-life banshees, witches, devil

babies, possessive demons, and ghosts. *Trigger Warning* Rowman & Littlefield Everything you need to know about the cultural contexts of 'A Midsummer Night's Dream'. Is this just a light-hearted romp or is Shakespeare trying to make serious points about courtship, love, marriage and human folly? This book provides detailed in-depth discussion of the various

influences that an Elizabethan audience would have brought to interpreting the play. How did people think about the world, about God, about sin, about kings, about civilized conduct, about the magic and madness of love and attraction? Historical, literary, political, sociological backgrounds are explained within the biblical-moral matrices by which the play would have

been judged. This book links real life in the late 1590s to the world on the stage. Discover the orthodox beliefs people held about religion. Meet the Devil, Sin and Death. Learn about the social hierarchy, gender relationships, court corruption, class tensions, the literary profile of the time, attitudes to comedy - and all the subversions, transgressions , and oppositions that made the play a

hilarious farce but also an unsettling picture of a world so close to disaster. *Under the Net* Little Brown GBR Hell realms, gods, and hungry ghosts—these are just a few of the images on the Buddhist wheel of life. In *Awakening* from the *Daydream*, discover how these ancient symbols are still relevant to our modern life. In *Awakening* from the *Daydream*, meditation teacher David

Nichtern reimagines the ancient Buddhist allegory of the Wheel of Life. Famously painted at the entryway to Buddhist monasteries, the Wheel of Life encapsulates the entirety of the human situation. In the image of the Wheel we find a teaching about how to make sense of life and how to find peace within an uncertain world. Nichtern writes with clarity and humor,

speaking to our contemporary society and its concerns and providing simple practical steps for building a mindful, compassionate, and liberating approach to living.

*The Christian Life and Hope*  
 Bernan Press  
 As seen in the Sony Pictures 2016 film *Ghostbusters*, the ultimate guide to identifying, understanding, and engaging with any paranormal activity that plagues you

Years before they made headlines with the *Ghostbusters*, Erin Gilbert and Abby L. Yates published the groundbreaking study of the paranormal, *Ghosts from Our Past*. Once lost to history, this criminally underappreciated book is now updated for the new century. According to Gilbert and Yates, “extraordinary claims require extraordinary evidence,” and whether you’re a believer or a

skeptic, you’ll find the information you’re seeking right here in this extraordinary book, including: • The childhood experiences that inspired Erin and Abby’s lifelong passion for the scientific study of the paranormal • The history of ghosts and other supernatural entities, the science that explains their existence, and profiles of the groundbreaking paranormal researchers who have investigated

them • An illustrated guide to Class I through Class VII ghosts • Helpful sidebars like “A Ghost by Any Other Name” and “Ectoplasm Cleanup Tips” • Updates including “The Ghostbusters’ Arsenal” by Jillian Holtzmann and “Haunted History” by Patty Tolan • A new Ghostbusting Resources appendix, featuring the “Paranormal Quickstart Guide”, “Is It a Ghost? A Handy Quiz”,

“A Supernatural Stakeout Journal”, “The Devil’s Dictionary: Paraterminology You Need to Know” With this helpful—and hilarious—official Ghostbusters guide in hand, you’ll be prepared for almost any spirit, spook, or spectre that comes your way. As for the rest, you know who to call. *Phantoms of the Isles* Crown In 1991, the publication of Koji Suzuki’s Ring, the first

novel of a bestselling trilogy, inaugurated a tremendous outpouring of cultural production in Japan, Korea, and the United States. Just as the subject of the book is the deadly viral reproduction of a VHS tape, so, too, is the vast proliferation of text and cinematic productions suggestive of an airborne contagion with a life of its own. Analyzing the extraordinary trans-cultural popularity of

the Ring phenomenon, *The Scary Screen* locates much of its power in the ways in which the books and films astutely graft contemporary cultural preoccupations onto the generic elements of the ghost story" in particular, the Japanese ghost story. At the same time, the contributors demonstrate, these cultural concerns are themselves underwritten by a range of anxieties triggered by

the advent of new communications and media technologies, perhaps most significantly, the shift from analog to digital. Mimicking the phenomenon it seeks to understand, the collection's power comes from its commitment to the full range of Ring-related output and its embrace of a wide variety of interpretive approaches, as the contributors chart the mutations of the Ring

narrative from author to author, from medium to medium, and from Japan to Korea to the United States. *Smile If You Dare* (Routledge) With entries that range from specific works to authors, folklore, and popular culture (including music, film, television, urban legend, and gaming), this book provides a single-volume resource on all things ghostly in the United States and in other

countries. The concept of ghosts has been an ongoing and universal element in human culture as far back as recorded history can document. In more modern popular culture and entertainment , ghosts are a popular mainstay—from A Christmas Carol and Casper the Friendly Ghost to The Amityville Horror, Ghostbusters, Poltergeist, The Sixth Sense, and Ghost Whisperer.

This book comprehensively examines ghost and spirit phenomena in all its incarnations to provide readers with a holistic perspective on the subject. It presents insightful information about the contribution of a specific work or author to establish or further the evolution of ghost lore, rather than concentrating solely on the film, literature, music, or folklore itself. The book

focuses on ghosts in western culture but also provides information about spirit phenomena and lore in international settings, as many of the trends in popular culture dealing with ghosts and spirits are informed by authors and filmmakers from Germany, Japan, Korea, and the United Kingdom. The writers and editors are experts and scholars in the field and enthusiastic

fans of ghost lore, ghost films, ghost hunting, and urban legends, resulting in entries that are informative and engaging—and make this the most complete and current resource on ghost and spirit lore available.

Events 2016**

Houghton  
Mifflin  
Harcourt  
Winner of the  
Hugo Award!  
In A Psalm for  
the Wild-Built,  
bestselling  
Becky

Chambers's  
delightful new  
Monk and  
Robot series,  
gives us hope  
for the future.  
It's been  
centuries  
since the  
robots of  
Panga gained  
self-  
awareness  
and laid down  
their tools;  
centuries  
since they  
wandered, en  
masse, into  
the  
wilderness,  
never to be  
seen again;  
centuries  
since they  
faded into  
myth and  
urban legend.  
One day, the  
life of a tea  
monk is  
upended by

the arrival of a  
robot, there to  
honor the old  
promise of  
checking in.  
The robot  
cannot go  
back until the  
question of  
"what do  
people need?"  
is answered.  
But the  
answer to that  
question  
depends on  
who you ask,  
and how.  
They're going  
to need to ask  
it a lot. Becky  
Chambers's  
new series  
asks: in a  
world where  
people have  
what they  
want, does  
having more  
matter? At the  
Publisher's  
request, this

title is being sold without Digital Rights Management Software (DRM) applied.

**Ghosts in Popular Culture and Legend**

Penguin Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. "One of

the most impressive reference volumes in the world." -- Publishers Weekly  
*In Search of the Paranormal*  
 Simon and Schuster  
 Iris Murdoch's debut—a comic novel about work and love, wealth and fame  
 Jake Donaghue, garrulous artist, meets Hugo Bellfounder, silent philosopher.  
 Jake, hack writer and sponger, now penniless flat-hunter, seeks out an old

girlfriend, Anna Quentin, and her glamorous actress sister, Sadie. He resumes acquaintance with the formidable Hugo, whose 'philosophy' he once presumptuously dared to interpret. These meetings involve Jake and his eccentric servant-companion, Finn, in a series of adventures that include the kidnapping of a film-star dog and a political riot on a film

set of ancient Rome. Jake, fascinated, longs to learn Hugo's secret. Perhaps Hugo's secret is Hugo himself? Admonished, enlightened, Jake hopes at last to become a real writer. *Haunted* Edinburgh University Press Examines the ramifications of Einstein's relativity theory, exploring the mysteries of time and considering black holes, time travel, the existence of God, and the nature of

the universe. **The Scary Screen** Penguin Fiction, Poetry, Essays and Letters from the Master of the Macabre, H.P. Lovecraft Read the complete collection of writings from H.P. Lovecraft. This edition includes a fully linked table of contents so you can find your favorites easily and return to Lovecraft's work again and again. The following stories (plus poems, letters and essays!)

are included in this massive eBook: The Alchemist At the Mountains of Madness Azathoth The Battle that Ended the Century The Beast in the Cave Beyond the Wall of Sleep The Book The Call of Cthulhu The Case of Charles Dexter Ward The Cats of Ulthar Celephaïs The Challenge from Beyond Collapsing Cosmoses The Colour out of Space Cool Air The Crawling Chaos The Curse of Yig Dagon The

We hope you'll share this book with your friends,	neighbors and colleagues and can't wait to hear what you have to say about it. <b>The Haunted Realm</b> Bloomsbury Publishing USA An award- winning scholar and author charts four hundred years of monsters and how they reflect the culture that created them Leo Braudy, a finalist for both the National Book Award and the National Book Critics Circle Award, has won accolades for revealing
--	--	---

the complex and constantly shifting history behind seemingly unchanging ideas of fame, war, and masculinity. Continuing his interest in the history of emotion, this book explores how fear has been shaped into images of monsters and monstrosity. From the Protestant Reformation to contemporary horror films and fiction, he explores four major types: the monster from nature (King Kong), the created

monster (Frankenstein), the monster from within (Mr. Hyde), and the monster from the past (Dracula). Drawing upon deep historical and literary research, Braudy discusses the lasting presence of fearful imaginings in an age of scientific progress, viewing the detective genre as a rational riposte to the irrational world of the monstrous. Haunted is a compelling

and incisive work by a writer at the height of his powers. *Ghosts from Our Past*  
FeedARead.com  
Jordan woke up thinking that the car accident and the events that followed were just a terrible dream. He soon realizes that his nightmare isn't over. He is now a ghost, and separated from everyone he ever knew or loved. However, he is not alone. He meets new friends who

help him adjust to his new 'life' as a ghost while existing in a new realm. It soon becomes apparent that Jordan is no ordinary ghost and that he may have been chosen for a very important purpose. With the Earth in danger from nefarious forces seeking to conquer mankind, Jordan and his friends may be our only hope. However, he'll have to reach his full potential in order to save the people he

loves and the realm he once called home. *A Psalm for the Wild-Built* Tordotcom  
A large collection of stories by and co-written by Howard Phillips Lovecraft. These stories are the staging point for the style of horror written by the large collection of horror writers who are writing today. The stories in this collection are dark and brooding and can easily drain the sanity of any reader that dares look into

this tome!  
**In the Realm of Ghosts and Hauntings**  
Rowman & Littlefield  
Andrew Klavan's MindWar Trilogy—now available in one volume. In the tradition of Ender's Game and The Matrix, MindWar is a complex thriller about a seemingly ordinary teenager who discovers a hidden gift—a gift that could make him a hero . . . or cost him everything.  
MindWar  
When Rick lost

the ability to run, he came one step closer to becoming a hero. Hostage Run Rick is faced with an	impossible choice: save the life of his best friend Molly . . . Or save the free world. Game	Over Rick emerged victorious from The Realm twice. Is his luck about to run out?
