The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international

medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes.

Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers.

Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve

second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com).

*Intermediate Language Practice* Zephyros Press

Offers an in-depth, detailed approach to English grammar and vocabulary, providing clear grammar explanations, plenty of practice and regular review units. This title includes an accompanying MPO that provides extra practice. It is suitable for students preparing for the First exam, and can be used in class or for self-study. It comes 'With Key'.

Elementary Language Practice

AuthorHouse

A self-study handbook for English speakers learning Spanish introducing them to English grammar and pointing out the similarities and differences with Spanish grammar. An elementary comparative grammar which complements any textbook and any method.

*Grammar and Vocabulary for First Certificate [with Key]* Ernst Klett Sprachen Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations) English grammar is incredibly important if you want to communicate fluently in English.

Improving your grammar and vocabulary for Use of English, will not only help you achieve the results you want, but it will also improve your confidence and social skills in English. "Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations)," is a relatively short book packed full of grammar and vocabulary exercises and explanations to help you perfect your use of English. This grammar book focuses on phrasal verbs and collocations, and is ideal for anyone who has problems understanding, remembering and using English vocabulary and grammar.

*Technical English* John Wiley & Sons A unique approach combining grammar, vocabulary and phrases to give students the range of language they need to communicate effectively. Language Links combines grammar, vocabulary and

phrases to give the range of language learners need to communicate effectively in English. To talk about clothes, for example, they not only need vocabulary (trousers, skirt), but also grammar ("I'm wearing", "she's wearing") and phrases such as "get dressed." Special links direct learners to related language areas, allowing them to choose their own learning path through the book and progress at their own pace. This beginner/elementary book, with answers, is ideal for self-study.

**Grammar and Vocabulary for Cambridge First** Cambridge University Press

This title covers the core areas of grammar and vocabulary such as: words and sentences, word structure, sentence patterns, clause and phrase, grammar rules and vocabularies.

**Oxford English Grammar Course: Advanced: with Answers CD-ROM Pack** Longman

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar." Just throw that line out at a party; everyone around you

will clam up or start saying "whom." Why does grammar make everyone so nervous? Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word

automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

### **Elementary Language Practice**

Longman Italia

A one-book army that will demolish your fear of and troubles with English! If you wish to improve your English but don't know where to begin, try reading this

book. Learn English is a complete package that presents the fundamentals of the English language in an enjoyable, reader-friendly style. Practical quizzes and answers—Prepare students for real-world grammar usage with helpful quizzes and an easy-to-navigate answer key. Make learning the fundamental concepts of grammar easy and organized.

*English Grammar for Students of Spanish*  
OUP Oxford

"Secrets of English Grammar" is an advanced level study book for adult writers who do not speak English as their mother tongue. In 45 chapters averaging around 1500 words each, it offers detailed, non-technical description and explanation of problematic grammar topics within academic and professional writing. Many of the topics - "Good and Bad Repetition" for example - are rare in, or absent from, mainstream grammar publications. With those that are not, an original approach is

always sought. Some chapters are followed by a brief practice exercise with answers. All of the chapters were originally published within a blog of over 200 posts by the same author (GUINLIST: English Grammar and Vocabulary for Academic and Professional Writing). Their selection results from their having proved the most popular in terms of reader views. Within the book, they are grouped into suitable wider categories such as Appropriacy, Linking, Verbs and Nouns.

**The English Grammar Workbook for Grades 3, 4, and 5: 140+ Simple Exercises to Improve Grammar, Punctuation and Word Usage**  
The Olivia and Hill Press

Together with Grammar and Vocabulary for CAE and CPE, this book forms part of a series of grammar and vocabulary preparation books for classes taking the Cambridge First Certificate, Advanced and Proficiency exams. Each book provides coverage of the essential structures and vocabulary needed for success in the exams. Each unit contains clear, concise presentation of grammar, with varied and challenging practice exercises, as well as integrated coverage of vocabulary.

Genuine learner errors are corrected through the Longman Learner's Corpus. Grammar and Vocabulary for Cambridge Advanced and Proficiency Rockridge Press  
PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly structured and beautifully presented workbook includes grammar practice activities that make learning English grammar incredibly easy. The English for Everyone English Grammar Guide Practice Book is an essential companion to the English for Everyone English Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the grammar you have learned in the corresponding English Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practise using the most important English grammar constructions again and again. Ideal for

learners at all levels, and covering CEFR levels A1 to C1, the English for Everyone English Grammar Guide Practice Book presents basic (beginner), intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the innovative English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for work, study, travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence.

*The English Grammar Workbook for Grades 6, 7, and 8* Psychology Press

*Lmr Macmillan Elt*

About the book Aimed at late intermediate/early upper intermediate English language students with the main focus on vocabulary building. Word formation is one of the key elements in all English language exams. It is an important component in vocabulary building. By improving your vocabulary you become equipped with the ability to enhance your speaking and writing abilities. Being able to distinguish the parts of speech is essential in the word formation exercises. This will also enable you to begin to recognise sentence patterns - an

indispensable requirement when it comes to advancing in your studies. Basic sentence structure is also dealt with in the book. Learn how to form longer sentences correctly. Too many learners are writing in distorted English due to a direct translation from their own language. Begin to become familiar with sentence patterns in order to improve writing and speaking skills. The book also includes plenty of grammar exercises for those of you who like to freshen up on grammar. Continuous revision of the main grammar points is always an excellent idea at any level of English, especially for those of you who do not live in an English speaking country. It is all too easy to forget if you do not practise. Practice makes perfect. About the author Jacqueline Melvin is a certified ESL teacher of English as a foreign language.
