### BETHANY CHASE

**Evil Emperor Penguin** Cambridge University Press

"A dazzling collection of stories based in part on his/her life... Readers will want to consume these bonbons slowly because they are so rich and delicious." – Gay City News "Chilean American writer Ojeda dazzles and devastates in this rich collection about a group of trans Latinx immigrants as they try to make it in New York City." – Publishers Weekly Drawing from his/her own experience as a trans performer, sex worker, and undocumented immigrant, Iván Monalisa Ojeda chronicles the lives of Latinx queer and trans immigrants in New York City. Whether she is struggling with addiction, clashing with law enforcement, or is being subjected to personal violence, each character choses her own path of defiance, often responding to her fate with with irreverent dark humor. What emerges is the portrait of a group of friends who express unquestioning solidarity and love for each other, and of an unfamiliar, glittering and violent, New York City that will draw readers in and swallow them whole. On every page, Iván Monalisa's unique narrative talent is on display as he/she artfully transforms the language of the streets, making it his/her own -- rich with rhythm and debauchery. This bold new collection positions Ojeda as a fresh and necessary voice within the canon of world literature.

[The Orchardist's Daughter](#) RESERVOIR BOOKS

Amexica is the harrowing story of the extraordinary terror unfolding along the U.S.-Mexico border—"a country in its own right, which belongs to both the United States and Mexico, yet neither"—as the narco-war escalates to a fever pitch there. In 2009, after reporting from the border for many years, Ed Vulliamy traveled the frontier from the Pacific coast to the Gulf of Mexico, from Tijuana to Matamoros, a journey through a kaleidoscopic landscape of corruption and all-out civil war, but also of beauty and joy and resilience. He describes in revelatory detail how the narco gangs work; the smuggling of people, weapons, and drugs back and forth across the border; middle-class flight from Mexico and an American celebrity culture that is feeding the violence; the interrelated economies of drugs and the maquiladora factories; the ruthless, systematic murder of young women in Ciudad Juarez. Heroes, villains, and victims—the brave and rogue police, priests, women, and journalists fighting the violence; the gangs and their freelance killers; the dead and the devastated—all come to life in this singular book. Amexica takes us far beyond today's headlines. It is a street-level portrait, by turns horrific and sublime, of a place and people in a time of war as much as of the war itself.

The two volumes of Englishes around the World present high-quality original research papers written in honour of Manfred Görlach, founder and editor of the journal English World-Wide and the book series Varieties of English Around the World. The papers thematically focus on the field that Manfred Görlach has helped to build and shape. Volume 2 of Englishes Around the World presents studies of so-called [New Englishes], post-colonial varieties as spoken predominantly in countries of the former British Empire. There are five contributions on the Caribbean (covering Jamaica, Guyana, and Trinidad), five articles on Africa (South Africa, East Africa, and Nigeria), six studies of English in Asian countries (Japan, the Philippines, India,

Singapore, Malaysia, and Papua New Guinea), and six papers on Australia and New Zealand. Topics covered range from sociohistorical causes and processes, the nativization of English in different countries, or the expression of individual identities by means of the English language through structural descriptions to sociolinguistic, psycholinguistic, lexicographic, pragmatic, stylistic, and other matters. The articles in the respective sections are written by D.R. Craig, L.M. Haynes, P.L. Patrick, K. Shields-Brodber, and L. Winer; A Banjo, V. de Klerk, R. Mesthrie, J. Schmied, and P. Silva; R.W. Bailey, R. Begum and T. Kandiah, A. Gonzalez, R.R. Mehrotra, P. Mühlhäusler, and M. Newbrook; L. Bauer, S. Butler, M. Clyne, P. Peters and A. Delbridge, G. Tulloch, and G.W. Turner.

`The Lion and the Jewel alone is enough to establish Nigeria as the most fertile new source of English-speaking drama since Synge's discovery of the Western Isles.' The Times The ironic development and consequences of `progress' may be traced through both the themes and the tone of the works included in this second volume of Wole Soyinka's plays. The Lion and the Jewel shows an ineffectual assault on past tradition soundly defeated. In Kongi's Harvest, however, the pretensions of Kongi's regime are also fatal. The denouement points the way forward. The two Brother Jero plays pursue that way, the comic `propheteering' of the earlier play giving way to the sardonic reality of Jero's Metamorphosis. Madmen and Specialists, Soyinka's most pessimistic play, concerns the physical, mental, and moral destruction of modern civil war.

Love of Lesbian, Vetusta Morla, Sidonie, Lori Meyers y León Benavente. Las cinco bandas indie más populares de España revelan los secretos de sus giras de la mano de sus Tour Managers Love of Lesbian, Vetusta Morla, Sidonie, Lori Meyers y León Benavente. Cinco iconos del indie español son los protagonistas de este libro gracias a las confidencias de sus Tours Managers, los encargados de organizar sus giras. Son la cara oculta de unas bandas que mueven masas aquí y al otro lado del Atlántico, pero desde la sombra lo controlan y lo saben todo: sus rituales antes de un concierto, lo que no puede faltar en el camerino, miedos a volar y manías en la carretera, y lo más importante: dónde y cómo comer. Recorremos con ellos un mapa de carreteras del indie nacional que hará las veces de guía gastronómica y de retrato confidencial de algunos de los artistas más destacados del panorama español.

This vibrant book illustrates the failures and fairytales of the musical couples that came together – personally and professionally – to give us hope

about everlasting love. Marisa Morea takes us through it all: from when Leonard Cohen met Janis Joplin in the elevator of Chelsea Hotel, to when Debbie Harry laid eyes on Chris Stein in a crowd in 1974, to the public fights and passionate reconciliations of Serge Gainsbourg and Jane Birkin ... there are stories of drugs, drink, and brutal betrayal, but also of true love and old-fashioned romance. Traveling through all the feels, fixations, and heartbreaks that co-wrote the golden eras of pop and rock music, we relive the best of them with Ike and Tina Turner, Courtney Love and Kurt Cobain, John Lennon and Yoko Ono, June Carter and Johnny Cash, and so many more.

[The Barnhart Dictionary Companion](#) Hardie Grant

A story of freedom, forgiveness and finding the strength to break free. International bestselling writer Karen Viggers returns to remote Tasmania, the setting of her most popular novel *The Lightkeeper's Wife*. Sixteen-year-old Mikaela has grown up isolated and homeschooled on an apple orchard in southeastern Tasmania, until an unexpected event shatters her family. Eighteen months later, she and her older brother Kurt are running a small business in a timber town. Miki longs to make connections and spend more time in her beloved forest, but she is kept a virtual prisoner by Kurt, who leads a secret life of his own. When Miki meets Leon, another outsider, things slowly begin to change. But the power to stand up for yourself must come from within. And Miki has to fight to uncover the truth of her past and discover her strength and spirit. Set in the old-growth eucalypt forests and vast rugged mountains of southern Tasmania, *The Orchardist's Daughter* is an uplifting story about friendship, resilience and finding the courage to break free.

*Collected Plays* London ; New York : Oxford University Press

Here is a wonderful Baedeker to down-and-dirty politics--more than six hundred slang terms straight from the smoke-filled rooms of American political speech. *Hatchet Jobs and Hardball: The Oxford Dictionary of American Political Slang* illuminates a rich and colorful segment of our language. Readers will find informative entries on slang terms such as Beltway bandit and boondoggle, angry white male and leg treasurer, juice bill and Joe Citizen, banana superpower and the Big Fix. We find not only the meaning and history of familiar terms such as gerrymander, but also of lesser-known terms such as cracking (splitting a bloc of like-minded voters by redistricting) and fair-fight district (which refers to areas redistricted to favor no political party). Each entry includes the definition of the word, its historical background, and illuminating citations, some going back more than 200 years. (We learn, for instance, that a term as seemingly current as political football actually dates back to before the Civil War.) Selected entries will have extended encyclopedic notes. The book also features sidebar essays on topics such as political words in Blogistan; a short history of "big cheese"; all about chads and the 2000 election; the suffix "-gate" and all the related Watergate terms; and the naming of legislation. Political junkies, policy

wonks, journalists, and word lovers will find this book addictive reading as well as a reliable guide to one of the more colorful corners of American English.

[Exploring Christian Heritage](#) Astra Publishing House

A hilarious, adorable graphic novel for younger readers about an Evil Emperor Penguin who wants to take over the world. Part Despicable Me, part Pinky and the Brain, part Happy Feet...all fun! Far away in the icy wastes of Antarctica lives a warm and cuddly, kind-hearted penguin who only wants to do good in the world . . . NOT! This is no ordinary penguin. This is . . . EVIL EMPEROR PENGUIN! And he wants to take over the world!Of course, every evil ruler needs a sidekick and a minion, and Evil Emperor Penguin is no different. That's why he has Number 8, a very polite and thoughtful octopus who knits, and Eugene, the incredibly cuddly abominable snowman who loves hugs.Join this fearsome team of Evil as they try to take over the world--and obviously, destroy it--but get waylaid by evil cats, rogue farts, killer plants, and visiting sisters.

[The Judges of England](#) Plume Books

An ingenious, dystopian novel of one young woman's resistance against the constraints of an oppressive society, from the inventive imagination of Joyce Carol Oates "Time travel" — and its hazards—are made literal in this astonishing new novel in which a recklessly idealistic girl dares to test the perimeters of her tightly controlled (future) world and is punished by being sent back in time to a region of North America — "Wainscotia, Wisconsin"—that existed eighty years before. Cast adrift in time in this idyllic Midwestern town she is set upon a course of "rehabilitation"—but cannot resist falling in love with a fellow exile and questioning the constrains of the Wainscotia world with results that are both devastating and liberating. Arresting and visionary, *Hazards of Time Travel* is both a novel of harrowing discovery and an exquisitely wrought love story that may be Joyce Carol Oates's most unexpected novel so far.
